Ashley Mizuki Robbins: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ashley Mizuki Robbins: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ashley Mizuki Robbins, Haru Akatsuka, Misa Natori, Chiaki Sawa, Kaede Momouchi, Miharu Amino, Rinka Miyazaki, Tsubomi Hamanaka, and Yuria Takehara with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything, we were really horrified at what we just saw! (SHUDDERS)

Lincoln: Especially when he took the fight to a planet that's just like Hell in every way.

Nico: My God, even I was horrified when I saw it, and the blood rain that he summoned when he transformed also grew even stronger when we were on that planet.

Me: Plus, we saw the utter carnage Sherlock Hound had wrought upon them, it was really gruesome.

Sherlock Hound: (British Accent) I admit, it had been a long while since I'd unleashed that much havoc on them, but they deserved it in the end.

James Blunt: Remind me never to anger you that badly.

Caleb Maxwell: You thought the damage Cage, Travis, James, and I could do was bad enough? What we saw was basically Hell on Earth.

Cage Blunt: I never would've thought that sort of thing could be possible.

Travis Tackett: Same here. But, at least, the pricks deserved their rightful punishment.

Leela Salyers: You said it.

After Lincoln and all of us finally got rid of Mundus, Beowulf, Phantom, Griffon, Velvette, Vox, and Valentino, Crimson and his mafia gang, Striker, Andrealphus Ars Goetia, Stella Ars Goetia, and Adam and sent them to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Tamara Asmodeus saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Tamara Asmodeus: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Tamara, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Tamara Asmodeus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped

him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Tamara Asmodeus: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Cage Blunt was contacted as a vision orb appeared in his hand, and we saw who it was: it was an alternate version of Lincoln, but he was badly beaten, bruised, and he had bleeding scars on his body!

Alternate Lincoln: Team Loud Phoenix Storm, is anyone there? Can anyone hear me?

Lincoln: We read you loud and clear, what's the emergency?

Alternate Lincoln: It's Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, Flip, Flop, Slip, Scoots, Hawk, Hank, and the rest of my enemies, they've absolutely completely lost it and launched an all-out assault on Royal Woods in my world. My Guardian Angels and harem rescued me after Lori, Lynn, Lola, Lisa, and Luan tortured me and tried to kill me, we managed to get to safety at City Hall, but everyone I know is dead.

Cage Blunt: What about...?

Alternate Lincoln: No, Luna, Leni, Lucy, Lana, and Lily, along with Mom and Dad and the rest of our relatives, they're all dead.

WE GASPED IN HORROR!

Selene Arcangela: Oh God. This is exactly what we've been trying to prevent.

Cage Blunt clenched his left hand so tightly, the gold-armored dragon claws drew blood from his palm and it sizzled as it hit the ground.

Cage Blunt: They're gonna pay for this. Lincoln, can you and your harem come with me? I've got a few unkind words to say to them along with trashing them!

Lincoln: You got it.

Cage Blunt opened up a portal, and he, Lincoln, and his harem arrived in the alternate Royal Woods as we saw it on the screen, and this alternate Royal Woods is literally in total chaos as the buildings and houses were trashed and wrecked, and fires are all over the place.

Lincoln: Whoa! He wasn't kidding, his world's Royal Woods is literally in chaos.

Cage Blunt: This place has literally gone to Hell! We got to find Alternate Lincoln and his Guardian Angels and harem and fast.

Lincoln: He said they're at City Hall. Come on!

Cage Blunt, Lincoln, and Lincoln's harem and Guardian Angels high-tailed it to City Hall, and there they were met by the Alternate Lincoln and his harem and Guardian Angels.

Alternate Lincoln: Thank you for hurrying.

Lincoln: And don't worry, we weren't followed.

Cage Blunt, Lincoln, and Lincoln's harem and Guardian Angels entered.

Cage Blunt: You really weren't kidding when you said the place had gone to Hell. What happened?

Alternate Lincoln: It all happened so fast. Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, Flip, Flop, Slip, Scoots, Hawk, Hank, and the rest of my enemies, they've absolutely completely lost it after all their attempts to kill me failed, and launched an all-out assault on Royal Woods. My Guardian Angels and harem rescued me after Lori, Lynn, Lola, Lisa, and Luan tortured and beat me up and tried to kill me, we managed to get to safety at City Hall.

Alternate Selene Arcangela: And in the chaos, Luna, Leni, Lucy, Lana, and Lily, along with Mr. Lynn and Ms. Rita and the rest of Lincoln's relatives were murdered by those enemies of peace, and that also included his friends.

Alternate Anna Anyanova: Ronnie Anne was so horrified that Lori murdered Bobby and her entire family, she wanted nothing to do with that bitch, and many of us who were once friends with them had cut off all ties with Lori, Lynn, Lola, Lisa, and Luan forever.

Anna Anyanova: Whoa, and in our world, we found out that it was Chase Young's Dark Side who did the dirty deed of turning our world's Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters they were. We got rid of him and freed them from their Dark Sides forever.

Cage Blunt: But, here in this world, they just flat out hated Lincoln, right?

Alternate Girl Jordan: That's right.

Girl Jordan: My God. That's it, we're going to kill them!

Lincoln: Hold off on killing them just yet, Girl Jordan. Remember my rescue in The Simulator version of Royal Woods? We're going to take them all down and tie them up, then, I'm going to resurrect all those who died and restore the town to normal. Then, we're taking them all to court with all of the evidence we have on their misdeeds, and once convicted, you know what that means?

Selene Arcangela: (GASPS) Operation: Onslaught Sanctions! Expulsion from their respected schools, family ties severed, restitutions issued, dark rumors! Oh God!

Paige: Yikes!

Cage Blunt: That's perfect, Lincoln. Even though I would've wanted to kill them right now, what you got planned is more perfect.

Lincoln: And don't worry, Cage, you'll kill them after the court finds them guilty. Alright, let's get going and take them down. (Sensed Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate

Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies) And I just spotted them, they're at Royal Woods High School.

Alternate Lincoln: Royal Woods High School? Oh man. We need to hurry.

Cage Blunt, Lincoln, his harem and Guardian Angels, and Alternate Lincoln, his harem and Guardian Angels left City Hall, and they headed for Royal Woods High School. Then, they spotted Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies, and they were laughing malevolently at the chaos they've caused.

Then, Lincoln fired blasts of elemental forces from his hands and massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies, and they screamed with extremely insane rage as they land in front of them, and they saw Alternate Lincoln and his harem and Guardian Angels.

Alternate Lori: YOU MISERABLE LITTLE...!

Lincoln: OH, SHUT YOUR GARBAGE MOUTH TRAP ALREADY, LORI!

WE SAW IT: LINCOLN SNAPPED!

Me: OH! Now, that bitch has done it!

Nico: Ooh, this is gonna be good! He's gonna tell them off!

Alternate Lincoln: Uh, what's about to happen?!

Cage Blunt: He's gonna tell them off big time! COVER YOUR EARS!

They covered their ears, and then, Lincoln really let them have it!

Alternate Lincoln: (ENRAGED SCREAM AND FIRES A MASSIVE BLAST OF ENERGY FROM HIS MOUTH) ***YOU LOUSY NO GOOD PILES OF GARBAGE DRIVE ME NUTS! CAN'T YOU LISTEN TO ME JUST THIS ONCE IN YOUR WORTHLESS LIVES?! BECAUSE IF YOU DID, YOU'D FINALLY BE LEARNING TO TAKE RESPONSIBILITY FOR ALL OF YOUR ATROCIOUS ACTIONS AGAINST ME! BUT YOU HELLSPAWN BASTARDS WOULDN'T LISTEN TO ME AT ALL, AND TELL ME TO BUTT OUT AND EVEN GIVE ME THE FINGER! (TEARS WERE STREAMING OFF HIS FACE) AND EVEN THEN YOU'D SCREW IT ALL UP ON THE ACCOUNT THAT YOU CAN'T EVEN FOLLOW THE SIMPLEST OF INSTRUCTIONS, WORRYING MORE ABOUT MAKING ME SUFFER FOR YOUR OWN SICK TWISTED AMUSEMENT AND TRYING TO KILL ME AND EVERYONE I LOVE THAN DOING YOUR JOB!***

KRABOOM!

WE SAW IT ON THE SCREEN AND ALL OF OUR JAWS FELL TO THE FLOOR!

CLANG!

ELI CLOSED OUR JAWS!

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Rita, Lynn Sr., and the rest of The Loud Family: Wh-what...on...Earth?! WHAT THE DING DANG HECK?!

Me: Oh...My...GOD!

Nico: Holy Shit!

Eli: Goodness!

Maria: UNREAL!

Qin: DAMN!

May: Unbelievable!

Me: Benson style yell! Awesome!

Suddenly, Vypra and the rest of The Masters of Evil arrived.

Vypra: Did Lincoln just...?!

Me: You guessed it.

Electro: Now, the shit has really hit the fan!

Shocker: Big time, Max.

Elena: Now, they've really opened Pandora's Box!

Luna: This is not gonna end well!

But, that loud telling off from Lincoln made Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of

Alternate Lincoln's enemies mega enraged, and they were beyond pissed!

Alternate Lincoln: Unbelievable!

Alternate Selene Arcangela: Jeez!

Selene Arcangela: Boy. Lincoln was definitely saving it for if any of them dared to go way too far big time.

Selene Emperyous: You got that right.

Becky Long: And everyone else heard it big time, and there's no doubt The Masters of Evil have heard it as well.

Cage Blunt: I have never heard that kind of onslaught of rage before, that was brutal. Now, then, it's time we took out the garbage.

Suddenly, we felt Cage Blunt's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels.

Cage Blunt: I'm absolutely disgusted that you wretched piles of garbage basically turned the town of Royal Woods into an absolute Hellhole because your repeated attempts to kill Lincoln failed back in the past. You truly are nothing more than irredeemable, and on top of that, all of you crossed the line when you murdered the only family members who were on Lincoln's side and you also murdered his friends in the process as well just to make him suffer, you all are a disgrace to humanity. You caused far too much pain and suffering to your own family for the last time, and now, it's time for you to suffer the consequences of your misdeeds.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CAGE BLUNT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE VAMPIRE BAT, AND RAINBOW FIRE DEMON WENT BACK TO EARTH AND CAGE BLUNT GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

James Blunt went after Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies, and he fired extremely powerful blasts of black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels at them, and they exploded as they hit Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies.

Then, he attacked them with his massive greatsword leaving bleeding scars on them, and he also slashed at them with his gold-plated armored claws, and it was making Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies angrier than ever.

Lincoln went after Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies, and he fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Then, he attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow, white, and blue energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well, and Lincoln and Cage Blunt attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was really really making Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies even more angrier and even more insane than ever, if that was even possible.

Then, Lincoln fired rainbow, white, and blue energy that turned into straitjackets and tied Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies up.

Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies, you're under arrest.

Then, Lincoln snapped his fingers, and the town of Alternate Royal Woods was restored, and massive barrages of heavenly lights then shined down as angel choirs sang and resurrected Alternate Luna, Alternate Leni, Alternate Lucy, Alternate Lana, and Alternate Lily, along with Alternate Lynn Sr. and Alternate Rita and the rest of Alternate Lincoln's relatives, and all of Alternate Lincoln's friends.

Alternate Lincoln: (GASPS) Luna, Leni, Lucy, Lana, Lily, Mom, Dad, and all my relatives and friends...? They're finally...!

Then, Cage Blunt picked him up and hugged him.

Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You didn't deserve that kind of pain and torture, Lincoln. They hated you, it's true, but you still have those who still love you for who you are.

Suddenly, Alternate Lincoln broke down and cried hard into Cage Blunt's chest and his tears fell onto the floor as he hugged the vampire cat. Then, he brought him to his Alternate Guardian Angels and harem.

Alternate Selene Arcangela: It's finally over, isn't it?

Selene Arcangela: Not yet. We need to get those parasites to court and initiate Operation: Onslaught Sanctions.

Cage Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty black and red planets orbiting around his legs and twenty black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer brown tail, and his massive brown angel wings and four other sets of massive brown angel wings underneath his massive brown angel wings are permanent.

Lincoln holstered his massive greatsword on his back and powered down as well, and he brought the tied up Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate

Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies to him using telekinesis.

Lincoln: Now, let's get these parasites to court.

Lincoln, Cage Blunt, Lincoln's harem and Guardian Angels, and Alternate Lincoln, his family, and his harem and Guardian Angels went to the courthouse, and as the trial began, Lincoln's Guardian Angels along with Alternate Lincoln's Guardian Angels presented all of the evidence they got on those butt-munching parasites who were glaring at the jury with rage and murder, only to be silenced by the gavel.

After all the evidence was presented, the jury went into deliberations, and less than ten seconds later, they came back with a verdict: Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies were found guilty on all charges, and we saw it on the screen.

Nico: Yes! They won the case!

Lori: And like that, their lives have been brought to an end, and Operation: Onslaught Sanctions have been initiated.

We looked at the screen again as the judge proceeded to announce the sentence.

Alternate Judge: This truly is one of the worst cases of hatred and destruction that I've ever come across, and from what I'd seen, I am utterly disgusted by your horrendous actions and because of what you'd done in causing that devastation. It is with the judgement of this court that I hereby sentence you parasites to die in prison!

Alternate Lynn Sr.: We're also cutting all ties with you five tyrannical parasites!

Alternate Lori: YOU STUPID OLD MAN! YOU'LL PAY FOR THIS!

Alternate Luna: (Flips Alternate Lori the finger) Screw you, bitch!

And just like that, after being found guilty for their horrendous crimes against Lincoln and for all their other crimes, Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies were sentenced to die in prison.

Then, the parasites were taken to a special prison in Royal Woods, and not a second into their death sentence in prison, Alternate Lori, Alternate Lynn, Alternate Lola, Alternate Lisa, Alternate Luan, Alternate Chandler, Alternate Principal Huggins, Alternate Flip, Alternate Flop, Alternate Slip, Alternate Scoots, Alternate Hawk, Alternate Hank, and the rest of Alternate Lincoln's enemies were murdered by the inmates there, and their souls were either sent to Hell for their crimes while the others got The Black Abyss.

Lincoln: Now, it's finally over.

Then, Cage Blunt, Lincoln, his harem and Guardian Angels bid Alternate Lincoln farewell and opened up a portal and they went inside, and they were back home with us, and Cage Blunt was hugged by Peace Salyers and kissed on the lips as she hugged him and he returned that gesture, and Lincoln was hugged by his family.

Me: We saw the whole thing, Cage, Lincoln, you all did awesome!

Nico: No kidding, plus what you said, Lincoln. Damn, you were saving all that just in case Lori, Lynn, Lola, Lisa, Luan, and the rest of your enemies did go way too far one day.

Lincoln: I did. But, I really really got that off my chest.

Luna: Unfortunately, dude, that loud yell of yours also got the attention of The M.O.E.

Lincoln: Oops.

King Kai: (Telepathically) I also heard it as well. I guess that's what happens when someone pisses off the nice guy.

Me: Or when someone presses your buttons one too many times too hard.

Cage Blunt: Honestly, even I was stunned. But, even Lincoln had his limits when it came to the tyranny and cruelty of parasites like that.

Nico: Even Sebastian who at his worst nine years ago was just like that. We were so enraged at him, there have been times that we should've just killed him and left him to die in a pool of blood!

Sebastian Mendez: Okay, yes, it's true I did things to piss you and your friends and family off big time in the past and I enjoyed every last second of it: seeing you get angry and pissed off, maybe that'll teach you never to defy me like the filthy dogs that you are!

WE GASPED!

Qin: WHAT THE?!

WHAP!

I hit Sebastian.

Me: That's enough Sebastian!

Sebastian Mendez: Sorry. Force of habit.

Lincoln: (GASPS) I forgot there was a side effect: It's true we removed The Karmic Curses from him, but the unfortunate result: it left him to express the toxicity he had inside him from nine years ago.

Me: And how long is that going to last?

Selene Arcangela: Two months.

Nico: So, we got to deal with him saying something toxic to us like that for two months?! Shit!

Lori: The second he literally says something else that's toxic like that to us, we're putting a muzzle on him!

The Loud Siblings cracked their knuckles as a warning that if he did something evil or said something else that was toxic, he was dead.

We got a shower, and then, Lincoln, Sky Striker Ace - Azalea, Monica, Jackie, and Diva are heading to Orange Ocean.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a

lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sky Striker Ace - Azalea, Monica, Jackie, and Diva are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Sky Striker Ace - Azalea, Monica, Jackie, and Diva all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Monica: Wow, so this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Monica, and it's perfect for our first date, shall we?

Lincoln, Sky Striker Ace - Azalea, Monica, Jackie, and Diva dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Sky Striker Ace - Azalea, Monica, Jackie, and Diva got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Monica: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sky Striker Ace - Azalea, Monica, Jackie, and Diva and hugged them in their abnormally massive and powerful muscular arms, and Sky Striker Ace - Azalea, Monica, Jackie, and Diva placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Sky Striker Ace - Azalea, Monica, Jackie, and Diva and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sky Striker Ace - Azalea, Monica, Jackie, and Diva on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Sky Striker Ace - Azalea, Monica, Jackie, and Diva are in your harem, Linky.

Sky Striker Ace - Azalea, Monica, Jackie, and Diva showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Monica: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another Super Mario Odyssey adventure

Nico: Wooded Kingdom for another round.

Me: Nice!

Nico: Who wants to go with me next?

Me: I'll go with.

Rin Nohara: And me too.

Kakashi: I'll go as well too.

Me: Okay sensei.

Batman: And me and Superman too.

Nico: Awesome!

We went into the simulator and it activated and we were at WOODED KINGDOM!

Me: Cool!

Nicole: You guys are gonna be in for a shock on who the baddie is for this one.

Nico: Uh oh.

Superman: I can hear something already

Lincoln: I just had a premonition and Rin is not going to like this one. You're going to face her Akuma called Edo Rin.

WE GASPED!

Me: Uh oh! What's her story?

Lincoln: Well She's The Hypothetical Akuma of Rin Nohara and she is essentially the corpse of Rin Nohara Akumatized and brought back by a variant of the Reanimation Jutsu. She has all of Rin's powers plus the powers of the 3-Tailed Turtle. She was made because of Kakashi Killing her and she found out about Obito out to destroy the entire planet and vowed to kill him. And also protect the hidden leaf from the shadows like a shadow phantom of the night. She became and Anti-Hero Akuma.

WE GASPED AGAIN!

Rin Nohara: So she was made after Kakashi killed me!? Oh man!

Me: Gabriel do you have that kind of power?

Gabriel: Not really. But I looked into it once

Me: Whoa! So in the world she came from you succeeded in making Akumatized Reanimated Ninjas.

Xenia: That is scary cool!

Qin: Yeah!

Nico: No kidding!

Me: Boy we dodged a massive bullet in Rin being used in the 4th Great War as a reanimation.

Nico: Really?

Me: Yeah you remember seeing all the ninjas that we faced from there?

Nico: Oh yeah I remember! That was intense!

Me: Yep.

Rin: What does this reanimated me look like?

Lincoln came in with his Sketchpad and we were shocked to see her. She looked like Rin brought back and she had purple eyes with dark grey sclera and had Isobu's three tails.

Rin: WHOA! Not much of me changed in that one. Just with Isobu's 3 tails and I have purple eyes and dark grey sclera.

Me: That is shocking though.

Superman: Let me hear for her.

He used his ultrasonic hearing and found her.

Superman: She's coming this way from up there.

He pointed to some stairs.

Me: Here she comes.

We then heard footsteps.

Me: Better get ready. KIBAL! LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

Down came EDO-RIN!

WE GASPED!

Kakashi: Rin?

Edo-Rin: Hey guys!

Rin: Wow!

Me: Rin oh my god.

Kakashi then fell to his knees and broke down crying.

Kakashi: (Crying) Rin I'm so sorry. I failed to protect you like Obito promised and it was because of me that I failed and words can't express how sorry I am.

Edo-Rin: I know Kakashi. I know. You did what you thought was right.

Me: Kakashi-Sensei was absolutely devastated when he killed you. He suffered from severe PTSD as a result.

Edo-Rin: Oh no. Kakashi I'm sorry.

Kakashi: (Crying) Rin I can never forgive myself for what happened to you. Because of you dying Obito...

Edo-Rin: I know Kakashi. Obito became a monster out to destroy the world. I vowed to kill him and protect the Leaf from the Shadows.

Me: Like a dark knight vigilante watching over the village and protecting it from the shadows.

Edo-Rin: Exactly.

Batman: Nico, I hope you realize that the next Embodiment is the last

Nico: I know. It was fun. But now we got to find the rest of Sonya's team and hurry up with them.

Me: We will.

Rin: I'm sorry this had to happen to you.

Edo-Rin: I know. But you are doing a great job in making sure everyone is safe. Naruto I know you will look after Kakashi and me.

Naruto: Thank you. I know Kakashi-Sensei will be in good hands under my help too.

Me: I have good news though for you. Kakashi has been nominated to be the 6th Hokage.

Edo-Rin: Has he really?

Me: Yep.

Nico: I always knew Kakashi was Hokage material.

Me: Yeah.

Nico: We're not kidding.

Edo-Rin: Thank goodness Danzo wasn't picked.

Me: No that is the last thing the world wants is for the Leaf's most Notorious Traitor and Warhawk to be Hokage.

Nico: Yeah.

Edo-Rin: I heard that you threw him in jail forever.

Me: Yeah. I just decided that I was tired of killing him. So on an act of better judgement I decided to just let him rot in prison instead of killing him again.

Edo-Rin: That is good. Better for him to sit in prison than kill him.

Me: Yeah. Anyway I'm sorry we have to do this to you Rin.

Nico: But it's part of the job.

Edo-Rin: I know.

Me: Kakashi, I know you failed Rin but you didn't with us. We brought her back when we saved her from one of Orochimaru's hidden labs and that healed part of your wounded heart. At least be there for Our Rin and protect the village for her the way she would have wanted it. She wouldn't want you to be sad like this forever. She would want you to be happy and lead a team and do what is best for the Leaf and also help everyone in the name of your teacher the 4th Hokage. Do it for everyone that cares about you and helped you get through times of darkness.

Naruto: Bro's right Kakashi-Sensei. Do it for me and all of the leaf.

Sasuke Uchiha: And do it for me too.

Sakura Haruno: And me as well sensei.

Minato: Do it for me too Kakashi.

Kushina: And me too.

Obito: Yeah Kakashi! We believe in you!

Kakashi knew we were right! It was time to get over his sadness and do something that his family and many more would be proud of!

Kakashi: You're right guys! Thank you! And thank you J.D. for helping me get over my grief.

Me: You're welcome sensei! If I can help Nico then we can do the same for you!

Nico: It's true.

Kakashi: It's time for me to stop feeling guilty all the time and do something right.

He was ready!

Me: Lets dance! WOLF MOON LIGHTNING STYLE: THUNDERSTORM OF THE JANUARY MOON!

I fired waves of lightning and it formed into a deadly pack of wolves and blasted Edo-Rin down in a powerful explosion!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: YEAH!

Edo-Rin got up and her arm was blasted off! She was regrowing it.

Me: WHOA! I knew this wasn't gonna be easy. But like in the 4th Great War it never was that easy with all those reanimations.

Nico: You faced lots of Reanimations?

Me: COUNTLESS NUMBERS of them! In 150,000 years the 4th Great War broke out and Obito brought back NUMEROUS Shinobi from over the last 100 years dating back to the 1st Great War. And many of them were from many villages that we know. Many of them were deceased family members and relatives of everyone I knew from that timeframe.

Nico: Holy shit!

Me: Yeah and I brought many of them all back and reunited many loved ones with them.

Nico: Wow!

Batman: Being undead means normal ways of killing don't work

Me: Nope. It's Total Obliteration.

Nico: That includes zombies.

Me: Yeah.

Edo-Rin: Wow! Also did Obito bring back the previous Kages?

Me: He sure did and those put up the deadliest of all challenges. But some good came out of that one. The 4th Raikage A got some answers as to why his father the 3rd Raikage did what he did. Also Gaara got some answers from his father Rasa who was killed by Orochimaru as to why he did what he did. It was a terrible story. Rasa only brought more harm than good on his youngest son. All it gave him was nothing but a broken heart he said.

Nico: Oh man.

Edo-Rin: That's awful.

Me: I know. But Gaara forgave his father and gave him another chance when I brought him back.

Nico: That's good.

Me: Yeah. Also I found out that Predecessor Jinchuriki were brought back too. The Predecessor Jinchuriki of the 8-Tails before Killer B, Fugai was brought back and we found out that it was Orochimaru that made him run amok.

Nico: WHAT!? That stupid snake fucker!

Me: I know. I was shocked myself. But I brought back Fugai and explained everything to the Raikage.

Nico: Good.

Me: Yeah.

Edo-Rin: That's awful!

Me: It was. But the worst of all was when Obito brought back my archnemesis Madara Uchiha!

She gasped!

Edo-Rin: HE BROUGHT BACK MADARA!?

Me: Yeah! The very founder and one of the Founding Fathers of the Hidden Leaf Himself. It took everything I had to destroy him and kill him and send him back to hell where he belonged.

Nico: WHOA!

Me: Yeah.

Edo-Rin: That is crazy! But at least you won.

Me: I know.

Nico: HOLY SHIT! Many shinobi that you know!

Me: Yep. All good, bad and beyond pure evil. Rogue Ninjas and deceased members of the Akatsuki included.

Nico: Oh man!

Edo-Rin: That is awful!

Me: Yeah.

Edo-Rin: But it's good you all faced them.

Me: And then some. But we saved the world from total annihilation.

Edo-Rin: Good.

Me: Yeah. Now where were we. Sorry I had to get that off my chest.

Edo-Rin: No worries.

Nico: Madara can rot in Hell

Me: Amen to that. I gave him the Black Abyss so there's no way in hell Anti-Monitor is going to bring him back anytime soon.

Naruto and the ninjas cheered that the Planet destroying devil Madara was gone forever.

Me: Lets see here. WOLF FIRE STYLE NINJA ART: MOONLIGHT FIRE HEAVEN!

I formed a huge blue ball of fire in my hand and it looked like I was holding a blue giant sun in my hand and I threw it and it hit Edo-Rin and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

She was down and had her leg, arm and part of her body burned off and she was regrowing it.

Edo Rin: I can do this all day!

Me: (Laughs) You sure can. Being an undead shinobi means your chakra and power is endless. But I can do this all day too.

Nico: My turn! WIND STYLE NINJA ART: RAZOR DUST CYCLONE!

Nico formed a tornado of razor blades and it enveloped Edo-Rin and slashed her all over into ribbons and she was reduced to paper shreddings.

Me: WHOA! Nice one Nico!

Nico: YEAH!

But Edo-Rin reformed after being turned into shredded paper!

Nico: Geez!

Me: Take it from me Nico. I tried to kill a Reanimated Shinobi with some of my strongest attacks and no matter how hard I tried they just kept coming back for more.

Nico: Whoa!

Kakashi: I know the feeling too. LIGHTNING BLADE!

He fired a blast of lightning from his hand and blasted her.

Me: WOLF MOON WIND STYLE NINJA ART: DIVINE WIND OF THE JANUARY MOON!

I fired massive tornadoes of wind and the technique combined with the Lightning and formed a lightning cutting tornado and shredded her all over leaving only her head!

Me: YEAH!

Nico: WOW! That was a great combo!

But her head regrew back everything!

Nico: WHOA!

Batman threw a Batarang and it hit her and exploded!

Superman fired laser vision blasts and blasted her.

Me: YEAH!

But Edo-Rin was still regrowing herself back!

Nico: Man we'll need our ultimate techniques for this one!

?: Perhaps we can help!

Out came the gene-slammer of Raging Earth and the embodiment of Slash Beast!

Nico: Tara Tsuchinova!

Me: The Raging Earth Gene-slammer! Wow!

Sarah Slash: And Sarah Slash, Embodiment of Slash Beast.

Cyborg: Aw yeah! Awesome to see you Sarah!

Sasuke the Android: You too!

Sarah Slash: You too Cyborg and Sasuke. Been a while.

Rin Nohara: Lets bring her down!

Nico: (gets out Jet Stingray and Volt Kraken's Ridewatches) Feel the power of sea animals!

Nico activated them and fired waves of energy and lightning and blasted Edo-Rin and blasted her all over.

Kakashi fired lightning blasts. Rin fired fire blasts.

Batman and Superman fired lasers and energy.

Tara fired rocks and earth and Sarah slashed her all over.

Me: YEAH! Now if this doesn't finish it nothing will.

I formed a powerful ball of energy in front of me.

Me: BIG BANG KAMEHAMEHA!

I FIRED A MASSIVE BLAST OF ENERGY AND COMPLETELY OBLITERATED EDO-RIN IN AN INSTANT!

Me: YEAH! THAT DID IT!

Nico: YEAH!

We high five!

Nico: How did you meet Cyborg and Sasuke?

Sarah Slash: I met Cyborg when he was battling Brother Blood and I helped him destroy him.

Me: Wow! That is cool! We killed Brother Blood back in 2018 and the H.I.V.E. are partly in the M.O.E.

Nico: And some are in the Redemption Squad.

Me: Yep.

Sarah Slash: Yeah and I met Sasuke when he and Goemon and friends were tearing apart the Peach Mountain Shoguns.

Nico: Cool!

Me: That is awesome! Tara do you have any good memories of Nico?

Tara Tsuchinova: I sure do. When me and Nico battled a bunch of pirates off the coast of Somalia and killed them and took their treasure.

Nico: Yep.

Me: Awesome! Those guys are nothing but trouble.

Nico: Yeah.

They hugged.

Nico: I've missed you.

Tara Tsuchinova: Same here.

Me: Would you like to join us?

Sarah Slash: We would be honored.

We left the simulator and everyone cheered wildly.

Later the mascots were getting ready.

Kimiko: Might as well go with you guys to see what kind of trouble you're causing today

Poromon: Okay but we are not going to do anything that will get us in trouble.

Me: Just a precautionary thing.

Poromon: Okay.

We were off to a special place. We arrived in DISNEYLAND!

Me: Disneyland!

Qin: WOW!

Xenia: Awesome!

Poromon: YAY!

Siobhan MacSlaigh: (Scottish Accent) Ach This actually isn't so bad laddies.

Poromon: Yeah! Lets have some fun.

We walked around Disneyland.

We saw it all and more.

Lola: Cool! I've always wanted to come here!

Laney: Me too!

Lana: Same here!

Me: It's EVERYONE'S childhood dream to come to Disneyland.

Poromon: It sure is.

Poliwag: Yeah!

Luan: This is so fun!

Eddy: You said it!

We had lots of fun and played games, learned about how Disney made Mickey Mouse in 1929 and more.

We even saw some awesome cartoons Walt Disney made a long time ago.

Me: Boy these cartoons sure bring back lots of memories. The Skeleton Dance, Music Land, The Cookie Carnival, Susie the Little Blue Coupe, Casey at the Bat, and so many more.

Nico: Boy no kidding. Ahh good times.

Me: Look here!

We even saw the movie Song of the South from 1946.

Me: Ahh good memories.

Nico: Loved James Baskett from Song of the South.

Nicole: So many good times.

Lola: Yeah.

Eli: Brings back lots of fun memories and more.

Poliwag: Let's go on that ride!

Thundercracker: Which one?

He pointed to Splash Mountain.

Me: Splash Mountain. That was fun.

Nico: Yep.

they went on the ride and it was cool.

Then they came down it fast and then...

KRASPLASH!

With a huge splash they came back down!

Silverbolt: Glad you guys are having fun

Poromon: WE'RE HAVING A BLAST!

Qin: YEAH!

We were having all sorts of fun and even having more fun reliving the old days for some of our favorite cartoons.

We later came back.

Ace (DC): Did you guys have fun at Disneyland?

Poromon: We sure did!

Poliwag: BEST FUN EVER!

Pinkie Pie: YEAH THAT WAS FUN!

Nico: Awesome!

Horsea: We even got souvenirs!

They got postcards, photos, cool Mickey Mouse hats, and so much more.

Nico: We had a lot of fun.

Me: Yep! Now we can officially save that our childhood dreams of going to Disneyland are complete.

May: But we can always come back

Me: Yep.

Nico: That was still fun.

Lola: Yep

Horsea: We didn't even puke on any of the rides

May: Great!

Lola: Yeah

Maria: We're glad you guys had fun.

Poromon: Thanks.

Hippowdon: We sure did!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags,

even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Tubbimura, and he's broken out of prison and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Tubbimura, and he's broken out of prison and causing havoc.

WE GASPED!

Kimiko: What the?!

Raimundo: That tub of lard's broken out of prison, what the?

Omi: (Tibetan Accent) How did this happen?!

Lincoln formed another vision orb, and we saw it: Gerald Vexos broke Tubbimura out and offered him money to kill us. I was so enraged, I blew steam out of my nose like a bull!

Me: That son of a...!

Lincoln: Venn's brother really is nothing more than slime!

Cadenza Cthugha: He took after his brother all too well! Damn them both! Where's he at, Lincoln?

Lincoln: That tub of lard's in Texas.

Clay Bailey: We better saddle up and head out, partner.

Me: That's right. We're taking that tub of lard down and sending him off to Vypra, she'll straighten him out.

Nico: I like that idea. Alright, gang, let's get ready to head to Texas and send that tub of lard straight to Vypra.

Lincoln: He no longer has Lumpus to rely on, but relying on Venn Vexos' younger brother who's also a lowlife just like him, that's crossing a serious line!

Me: Yeah!

The previous group came.

Rex Goodwin: Can me, Roman, Carly Atlas, Devack, Misty Tredwell, Kalin, Greiger, General Schwarz, Ben Ravencroft and Felix Faust go with you guys?

Nico: Yes you all can come with us.

Camie: Yeah!

Qin: Cool!

Vegeta: Bokrua, which Gene Slammer do you think you'll meet next?

Nico: Daemon next.

Me: Whoa man.

Camie: Oh boy.

Nico: I know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Lilith, The Mother of All Vampires and the main antagonist of Tales from the Crypt Presents: Bordello of Blood, who's come back from the dead for revenge on Lincoln for killing her years ago. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw our old enemy, Lilith, The Mother of All Vampires and the main antagonist of Tales from the Crypt Presents: Bordello of Blood, who's come back from the dead for revenge on me for killing her years ago.

Maria Ying Xiao: I remembered you telling me about that, Lincoln. I should've known Lilith would come back, she's never been known to stay dead, but in any case, if she thinks she's gonna get away with trying to get revenge on you, she's sadly mistaken.

Nico: Uh oh, The Ambassador of The Eight Demon Sorcerers is about unleash Elemental Mayhem on The Mother of All Vampires, this should be good. Alright, team, let's head on out, we're off to Texas.

Lincoln: Where we're gonna hogtie Tubbimura and run him out of town on a rail, and straight to Vypra, and once we get done with him, you and your vampiric minions are next, Lilith! (ROARS)

Maria Ying Xiao: Oh crud. Now, you've really gone and done it, Lilith, well, no skin off our noses, you undead bitch, you've had this coming for centuries.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Texas and take down Tubbimura and send him to The Masters of Evil, and once we got done with him, Maria Ying Xiao and Lincoln are going to destroy our old enemy, Lilith, The Mother of All Vampires from Tales From The Crypt Presents Bordello of Blood who came back from the dead to seek revenge on Lincoln for killing her, and they're going to make sure she never comes back.

We were off to Texas

We arrived.

Clay: (inhales) Ahh! YEEHAW! It feels great to be back in Texas!

Tuddrussel: YEEHAW! Boy does it sure feel great!

Me: Got to love the Texas Land!

Camie: Yeah!

Tuddrussel: While we're here we're going to eat a good steak.

Me: Always do love Texas beef.

Roman Goodwin: We should call Onyx

Nico: Good idea.

Roman Goodwin: Even though it's his turn today he will do great.

Camie: Cool!

Onyx came.

Onyx: Here I am.

Me: Cool!

Airi: Still sad that we've met all the Mega Man Embodiments, Nico?

Nico: A bit. That was the highlight of my day.

Clay: Cheer up, partner. Now we can focus on rounding up Sonya's team

Nico: That's true.

Qin: Yeah it'll be fun.

Lola: Cool!

Nico: You're right.

Stormhawk: Besides you guys are doing great meeting all my team.

Camie: We sure are.

Carly Atlas: I think we can agree that the more teammates we reunite with Sonya, the better

Nico: You're right.

Qin: Yeah.

Nico: Lets get this mission started then.

Me: Good idea.

Stone Man: I can hit Tubbimura with a stone fist

Me: Ooh! Nice!

J.D. 2: Yeah! Wait! I sense a Shen Gong Wu.

Me: Really? Which one?

J.D. 2: The Shard of Lightning.

Me: Wow! It's here in Texas.

Devack: Let's eat some steak first. Like we promised Tuddrussel

Me: Good idea. Can't fight on an empty stomach.

We went to a local steakhouse.

We were having huge Texas Size Steaks.

Me: (Eating steaks) Mmm!

Nico: (Eating) Delicious!

Me: Texas is widely known for having some of the best steaks in the country.

Qin: That is for sure. (Eating) Mmm!

Lola: Yeah.

Clay: (Eating) Mmm! Delicious! I missed the Texas steaks.

Soundwave: Steak: Delicious.

Me: It sure is Soundwave.

Lynn: Boy I'll say.

Lynn was eating a lot of Steaks. She loved piling on the protein.

The Ripping Friends were eating lots of steaks too.

Tuddrussel: (Eating) Mmm!

We were really having good food and we were stuffed.

Tuddrussel: (BURPS) Ahh boy that was great.

Me: You said it Tuddrussel.

Tuddrussel burped.

Larry 3000: You're an animal.

Me: That's funny.

Otto Osworth: Last time I was here with Time Squad it was to help Albert Einstein. He was here in Texas selling Used Cars instead of being a Physicist.

Me: I don't think Albert Einstein would do well in the Car Business.

Misty Tredwell: Did he sell the cars well?

Otto: Yeah. Everyone loved him until we got him to reveal the truth.

Me: I heard they wanted to tar and feather him.

Otto: Yeah but I told them that Albert Einstein was a great man and a great hero to many.

Lola: Wow.

Misty Tredwell: Cool.

Matilda: At least it wasn't illegal. Like my father's operation was.

Me: Yeah that is a different story Matilda.

Xenia: Yeah.

Camie: At least Harry and Zinnia are back in jail.

Lola: True.

Nico: Yep. Shall we get to work on finding the Shard of Lightning?

Maria: We should.

Me: Awesome.

We paid for the food and went to find it.

But then Lincoln had a Premonition.

Lincoln: WHOA! Guys I had a premonition. I know who it is we're facing for the Akuma. It's Clay's Akuma, TerraDraco. The Hypothetical Akuma of Clay Bailey and he is a dragon of earth, rock, mud, boulders, lava, crystal and all things of the earth. He was made because of the Heylin killing all his friends and vowed to destroy them all.

WE GASPED!

He showed us a sketch of him and he was a dragon made of Earth!

Me: WHOA MAN!

Nico: That is crazy! And he was made by the Heylin killing all his friends!?

Jack Spicer: That is not right! Sure we were bad but murder was the last thing we would ever do!

Flash Man: Except maybe for Chase Young's evil side

Me: Yeah he is capable of killing anyone that gets in his way.

Camie: Yeah. So instead of all the Heylin it should be Chase Young that this Akuma is after.

Lola: I agree.

Me: Yeah no kidding. I still got a score to settle with Chase's evil side.

Xenia: Same here.

Me: Yeah.

Kalin: Where is he right now?

Eli: Over that way!

He pointed to a cow farm 400 yards east.

We were off and we saw TERRADRACO!

Me: WHOA! What a dragon!

Flashwing: WOW! That is really cool!

We landed.

TerraDraco: Howdy everyone. You all came.

Draco: I must admit Clay you look great for a dragon.

TerraDraco: Thank y'all kindly.

Motormaster: Clay? Is that you?

TerraDraco: Yes it's me Motormaster. I'm sorry y'all have to see me like this but it's for me to destroy the Heylin.

Me: The one you should be after however is Chase Young's evil side. He is the one that killed all your friends and made you take out your rage on the Heylin in General.

Xenia: Yeah!

Me: Also we have a beef with him too.

Lincoln: You know all about how he was the mastermind that lead to many of my enemies and my sisters trying to kill me right?

TerraDraco: I sure do Lincoln and I'm sorry y'all had to go through all that.

Lincoln: I know Clay.

Greiger: Clay, you need to calm down.

TerraDraco: Not until that monster Chase is dealt with.

Me: And believe me Clay, I want him dead just as much as you do but at least wait until he makes his move and then you can kill him.

TerraDraco: Fair enough. Okay sorry we have to tussle like this.

Me: No worries.

I fired waves of energy and blasted him all over and Onyx bashed him on his head.

Onyx charged at him and bashed him all over

Nico: YEAH!

TerraDraco: My turn!

He fired lava bombs from his mouth and they hit the ground by us and exploded!

KRABBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMM!

Me: WHOA! That is hot!

Camie: YEAH!

Nico: It was also too close!

Me: Yeah!

I fired waves of energy and blasted TerraDraco all over and knocked him down and he was out.

Me: YEAH!

Qin: He's out cold!

Sinnertwin: Yeehaw, partner!

Me: YEAH! That was awesome!

Qin: Yep!

Nico: Now to face Tubbimura.

Me: And he'll come to us when we find the Shard of Lightning.

Then a laser fired from my crest in the middle of my forehead and it was leading to the Shen Gong Wu. It was on a rock in the middle of a lake!

Me: There it is!

Camie: Cool!

Qin: That was easy.

Onyx: You guys go ahead. I'll gather the rest of the usual battle members.

General Schwarz: You go do that.

Me: Okay.

He vanished.

Nico: Now it's time for the entrance.

Me: Yep. Look!

We saw TUBBIMURA!

Me: There he is!

Nico: Target sighted.

Razorclaw: You think he notices us yet?

Me: No he doesn't.

Qin: Lets get him.

Nico: Entrance time!

We went at him.

Tubbimura: (Japanese Accent) Soon I will have my revenge.

Then the spirits of the Shaolin arts appeared and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off above him and then a Phoenix Cry was heard and we came out.

Me: Hello Tubbimura. Nice day for a buttkicking isn't it!

Ben Ravencroft: I'm guessing you're after the Shard of Lightning too?

Tubbimura: That's right!

Me: You're not going to get it!

Nico: YEAH!

I teleported and went for the Shen Gong Wu!

Tubbimura: Oh no you don't!

He went for it and we both grabbed it and we glowed.

Me: Oh I know what's coming. I challenge you Tubbimura to a Xiaolin Showdown. Burger Bomb Dodgeball!

Tubbimura: Say what?

Blot: That's got me hungry again already!

Me: I made it up. It's like dodgeball but we use big burgers that are bombs for dodgeballs.

Me: No wagers. Just for the Shard of Lightning.

Tubbimura: Game on!

Me: LETS GO! XIAOLIN SHOWDOWN!

Felix Faust: We know you didn't.

Me: It was all mostly Chase Young's Dark Side and ONLY him. The rest were all just pawns in his grand scheme.

Lola: YEAH! Mainly me and some of my sisters!

Tubbimura: What a dishonorable thing he did.

Me: Then Again, Chase NEVER HAD any honor!

Nico: Actually the real Chase Young was honorable. His Dark Side? Not so much

Lincoln: You've got some nerve escaping prison, Tubbimura. But of course, the one to blame for that was J.D.'s old enemy, Gerald Vexos, who's also the younger brother of my old enemy, Venn Vexos.

Me: And who basically caused a calamity making a wish on The Black Star Dragon Balls. But, enough of that, are you gonna come quietly or is this going to get ugly.

Tubbimura: Not a chance. Gerald Vexos promised me money to destroy you all.

Me: Are you kidding me? Gerald's dirt poor and so was Lumpus.

Suddenly, we saw an army of thugs from Colorado heading for us, and I recognized them as Gerald Vexos' men.

Me: What the?! Gerald, you son of a bitch!

Lori: Hey, let's make him feel some extra pain!

Crash Bandicoot fired a ricocheting rainbow, white, and blue energy as it hit Tubbimura, and he was howling in pain.

Nico: We sure did.

Myotismon: You should take care of that Hippowdon.

Nico: I will.

?: That is for sure!

A figure came out and it was JOYSTICK JAMEN from episode 5 of Kiramagers!

The Joystick Jamen was created by Carantula to take control of people and ruin society as he could fully influence a person's movements. He was first seen attacking a factory where he took control over a factory worker on a forklift and made him crash through a wall of boxes. Before he could do much more though, Sena arrived on foot and tried to stop the vehicle with a blast from Tametomo's Kiramai Shot flattened the tires, allowing the worker to flee. The entire team of Kiramagers then confronted him but he took control of Shiguru and forced him to attack the others. After a momentary retreat, Tametomo realised that the joystick was what controlled Shiguru so he tried to shoot it off with his Kiramai Shot but the Jamenshi easily shrugged it off. However, using some teamwork and whilst Sayo held down Shiguru, Sena restrained the Joystick Jamen whilst Juru gave Tametomo a boost into the air, allowing him to fire discs into the joystick, jamming it and rendering his control abilities utterly useless. Outnumbered and outgunned, the Joystick Jamen was forced to retreat.

The Joystick Jamen later returned shortly after the awakening of Mashin Carry and Mashin Rolland in "Sector P23", a balcony overlooking Tokyo. He now had "multi-target locking" (presumably granted by Carantula) and planned to take control of the entire city. However, the Kiramagers arrived and Tametomo changed to fight him personally only for the Joystick Jamen to take control of Juru, forcing him to attack the others before some Bechats swarmed and overwhelmed Tametomo. Luckily, Juru managed to break free of his control just before he could kill Sena and helped Tametomo to overwhelm the Bechats. It transpired that this was part of a plan for Tametomo to duplicate himself and have the clone act as a distraction so that he and Shiguru could control Juru and make him put on a show for his Mashin. Although his goal was fulfilled, an enraged Joystick Jamen broke fre of them so Juru changed and they did thier roll call. Whilst Tametomo and Sayo weakened him with thier Kiramai Shots, Sena and Shiguru hit him several times with thier Kiramai Swords. Juru then finished the Joystick Jamen off with his Kiramai Buster's Dazzling Kiramai Charge.

Juru: Joystick Jamen!

Joystick Jamen: Been a while rangers!

Me: I remember you! You were sent to control people like in video games to ruin society!

Joystick Jamen: That's right! Good memory.

Me: Yep.

Nicole: You are my kind of Jamen. As goddess of Video games it would be cool to see you battle me.

Joystick Jamen: (LAUGHS) That would be fun!

Emu: You're my kind of Jamen too, actually

Joystick Jamen: Cool! I love video game powered heroes!

Qin: Nice!

Dark Spicer: I got two new aliens to show you.

He fired a darkness blast and it formed into Blood and Honey Pooh and Piglett!

I fired waves of energy and blasted them.

Me: Like my Nightmare Style Techniques!

Me: Yep.

Gaspard: But wait, don't the Dragonballs scatter all over the world?

Me: Normally yes. But the Black Star Dragonballs scatter all over the Galaxy.

Gaspard: Oh man! That's gonna be like trying to find a needle in a haystack!

Me: A haystack that's over 100,000 lightyears wide with over 100,000,000,000 stars. But with the technology we have I managed to find them on the seven planets.

Lord Drakkon: That's good!

Lord Drakkon: Well whoever it was that made that wish definitely has a death warrant signed. Do you know who did it?

Lincoln and his harem: EARTH FINAL SMASH: EXPLODING STONE BLAST!

Lincoln and his harem fired giant exploding stones at Tubbimura and they exploded as they hit him, but he didn't die from the explosion, he wound up getting really big boo-boos!

Tubbimura: (Groans)

Onyx punched him hard.

He was knocked out more

Then, Lincoln tied him up in a rainbow, white, and blue energy straitjacket, and Lincoln lifted Tubbimura off the ground with his left hand and he opened a portal that led to The M.O.E., and he threw Tubbimura inside as the portal closed. We cheered wildly as we holstered our weapons and we powered down and Clay's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty red, white, and blue planets orbiting around his legs, twenty smaller red, white, and blue planets orbiting around his waist, smaller planets orbiting his fingers, medium sized planets orbiting around his wrists and ankles, Third Eye, and massive blonde angel wings and four sets of larger blonde angel wings underneath his massive blonde angel wings are permanent.

Clay: That'll teach that bloated varmint.

Nico: Yep, and wait until Vypra gets through with him.

Me: He's so gonna regret it.

Lincoln: Big time. Now, there's one last thing to do and one last loose end to tie up: our old enemy, Lilith, The Mother of All Vampires.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, better get out here, Lilith, I can smell your blood in the air.

A figure came out, and it was none other than our old enemy, Lilith, The Mother of All Vampires and main antagonist of Tales from the Crypt Presents: Bordello of Blood, and she came back for revenge.

Lincoln: I can't believe that you've come back from the dead, you've got some nerve, Lilith.

Lincoln, Maria Ying Xiao, Nico, and I went after Lilith, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lilith and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Maria Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Maria Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was really really making Lilith even more angrier and even more insane than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Lilith, and we found ourselves in Heaven.

We're stopping your blood-drinking murderous rampage right here and right now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Lilith.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Lilith's stomach and a cluster of white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Lilith hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Lilith was now on her last legs and she was really really mangled.

Then, Lincoln grabbed Lilith and she was unable to fight back because his body was letting off a very powerful aphrodisiac that put her under his spell, and then, he bit her hard on the right side of her trapezius and he began sucking out and devouring her blood and he even began sucking out her soul. Then, when he was done, Lilith was left as a desiccated corpse drained dry of life, and he drained her soul of energy and banished her to The Black Abyss and her body turned to ashes.

We cheered wildly as we holstered our weapons and powered down and Maria Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive rainbow angel wings and four sets of large rainbow angel wings underneath her massive rainbow angel wings are permanent.

Maria Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, Lilith. Thanks for helping me take down Lilith, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Me and Nico: Our pleasure, Maria.

Suddenly, Maria Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and The Demon Sorcerers flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Maria Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: Lincoln, what on Earth happened to Lilith? It was like she fell under your spell and she was unable to fight back, it was as if your body let off a powerful pheromone that paralyzed her.

Adriana Ardelean Dracula: (Romanian Accent) (GASPS) I think I know what that was: in addition to being a powerful Alpha Vampire-Werewolf hybrid in addition to his hyperpuberty, very strong genes that he got from his family, natural charisma, kind personality, masculinity, rugged looks, powerful body that he'd gained through years of working out and training, and manliness, Lincoln also has the ability to let off a supernaturally potent and powerful aphrodisiac pheromone that not only enhanced his own infinite-times high levels of libido and other sexual aspects, but in the case of evil female vampires and werewolves, if caught in the area, immediately fall under his control, and that makes it easier for him to feed on them and absorb them.

Nico: What the?

Amara Roshansa: My sisters and I almost lost control of ourselves when that happened, but Lincoln mastered on how to control it. Plus, he even used it to rat out female perverts for The Anti-Pervert Patrol.

Nicole: Hey, I remembered that all too well, and he used it on the whores and sluts of the strip joints I'd shut down years ago.

Me: Hey, now I remember that. But, that was an inherently dangerous move, but still, it worked in the end.

Tamara Asmodeus: And he also fed on my blood which also increased his powers over Lust and Sex infinite-fold.

Me: Yikes! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Leviathan.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. The Sigil of Leviathan appearing means we are running into the next of The Seven Queens of The Netherworld: Angela Leviathan, Avatar of Leviathan, Demon Prince of Envy and Gene-Slammer of Leviamon.

Nico: Oh man. So, what can you tell us about her?

Selene Arcangela: Oh right, Angela Leviathan, Avatar of Leviathan, Demon Prince of Envy and Gene-Slammer of

Leviamon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Leviathan, The Demon Lord of Leviathan and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Leviathan himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Leviathan himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: 'Skayr: You did good, Onyx.

Onyx: Thanks.

Box Ghost: And with no Lumpus this time.

Ssserpent: How shall we celebrate?

Trickster: With more Texas steak

Me: I did burn up all the calories from the steak with that fight. Sure! More beef it is.

Nico: Yeah! Great job today everyone!

Applejack: YEEHAW! Boy this was a great Texas battle!

Clay: It sure was!

Applejack: (To the viewers) Hope y'all loved this one for the fun and pride of Texas!

Me: I know we all did.

We had another awesome steak dinner and went back home.

We returned home, and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Suddenly, he caught the sight of police sirens in the distance, and he flew out into the night, and he landed on one of the rooftops, and he saw a group of Gerald Vexos' thugs running from the cops.

Caleb Maxwell: Your plan's already starting to fall apart, Gerald. Your revenge for the death of your brother is already ending day by day, and soon, you'll be joining your asshole brother in the darkness of Oblivion forever.

Then, as the thugs got near, Caleb Maxwell descended with his twin pistols and started firing as the scene goes into slow-motion.

THE END

Another awesome fanfic done.

This was a fun one for Clay and us.

Get ready for an explosive battle as we take on Ronan the Accuser in Captain Marvel's Day to Shine

See you all next time.

PHOENIX AND GUARDIANS VS ACCUSER

Ronan the Accuser is back

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to the next planet, Krypton, and as he was flying, he saw our next target, the Seven Black Star Ball, but he saw a familiar figure who we thought we'd never see again, the figure was none other than Gabriel Tinsley, Sarah's so-called father and murderous lowlife and he was back from the dead and he still wants revenge on him, Sarah, and all of us for killing him. Lincoln woke up, but so did his harem and kids too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, Lily. I found the Seven Black Star Ball and it's on Krypton like the computer said, but here's the bad part: it's in the hands of Gabriel Tinsley.

Lincoln's harem and kids gasped.

Selene Arcangela: What the? Sarah's murderous so-called father's back?!

Thunder Sparkle: This is really bad.

Lincoln: No doubt about it.

Sarah Tinsley: I can't believe that son of a bitch, he just refuses to stay dead!

Paige: We got to tell everyone tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear the truth, and no doubt about it, they're also going to be pissed. But, it's best that I be the one to tell them tomorrow.

Girl Jordan: Good idea.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to the next planet, Krypton, and as I was flying, I saw our next target, the Seven Black Star Ball, but I also saw a familiar figure who we thought we'd never see again, the figure was none other than Gabriel Tinsley, Sarah's so-called father and murderous lowlife and he was back from the dead and he still wants revenge on me, Sarah, and all of us for killing him.

WE GASPED!

Gohan: Wait, Gabriel Tinsley's back?! I thought he was finally gone after your curse took his life last year.

Lincoln: I thought so too, but it appears Gabriel's come back once again for revenge.

Nico: That son of a bitch, he's dead worse than dead when we go after him today!

Me: You said it, Nico.

Mrs. Tinsley came in.

Mrs. Tinsley: I also want in too, Lincoln. That man ruined my daughter's life all those years ago and he turned her into an outcast. I was planning on getting a divorce from him years ago, and I had a journal of all the things Gabriel had done to me and Sarah, but then, I got kidnapped and imprisoned by The Joto and it left Sarah all alone and with Gabriel.

Goku: When Sarah told us her story, we were horrified, and Lincoln and most of his family were the only ones who stood up for her when everyone else treated her like an outcast, and it wasn't just everyone else who treated her like an outcast.

Eli: Yep. Isn't that so, Lori?

Lori: Please, don't remind me.

Lincoln: Because of your condescending dark side, you wanted to separate me from Sarah, but then, I told you off big time for that, and that's when you finally realized that Sarah isn't to blame, her evil father was.

Luna: We were also pretty angry with you, Lori.

Leni: So was I.

Rita: But, you eventually apologized to Sarah, honey. But, back to the matter at hand, now that we know the Seven Star Ball is on Krypton, we just need to get it back and get rid of Gabriel Tinsley once and for all.

Lynn Sr.: After everything he forced Sarah to do, he deserves to die once and for all and never come back.

Mrs. Tinsley: You're right. Gabriel's already proven that he was nothing more than a remorseless evil and murderous bastard who only cared about himself and destroys the lives of those he encountered, and for what he did to Sarah, he'd since crossed the line of no return. This time, we're ending him once and for all, and this time, he will never rise again.

Lincoln: That's for sure, Mrs. Tinsley. Gabriel's going to pay for what he did, he deserves no mercy and he will suffer the wrath of all of us times infinity.

Me: You said a mouthful.

Nico: Yep.

Captain Marvel woke up to see Mega Auroras staring at her

Mega Auroras: Morning Carol. Time for a brand new day and breakfast.

Captain Marvel: Oh it's my turn to shine isn't it.

She went and got dressed and came down to the table. We were having pancakes, eggs and steaks.

We were hungry.

Later it was time for the rescue. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12325.7: The U.S.S. Valorous Phoenix is en route to the next planet where one of the Black Star Dragonballs is located and it's gonna be on planet Krypton, Superman's home planet. Our mission is to get the 7-Star Dragonball there back.

Nico: Boy this will be awesome.

Qin: It sure will.

Camie: Yep. How much time do we have?

I looked at my device.

Me: 363:15:32:33.

Nico: We're making good progress.

Qin: We sure are.

Bright Man: I agree there.

Nico: Bright Man, I want to thank you, Frost Walrus, and your teams for coming.

Bright Man: No problem Nico. This will be so fun and cool.

Layla Lumina Amano: I agree there. Right sis?

Nene Amano: You said it.

Nico: What do you two like to do in your free time?

Layla Lumina Amano: We like playing chess and also playing Skylanders games on TV.

Nico: Cool!

Nene: Yeah it's really fun.

Camie: That is cool.

Lola: It sure is.

Me: I agree.

Spyro: I'm honored that you like playing our games on TV.

Whirlwind: We all are.

Camie: Awesome.

Nico: Yep.

Nene: Yeah.

Nico: Chess is actually a good game

Layla Lumina Amano: It sure is.

Nene: We build strategy prowess with it.

Camie: That is true and cool.

Piper Willowbrook: That is too true. Just like how we overpowered the Bagra Army Forces in my days.

Xenia: That is true.

Me: Yep. Wow! Yesterday was awesome!

Clay Bailey: YEEHAW! Perfect day for Texas fun.

Lola: It sure was!

Nico: We ate some good steak

Me: Boy we sure did.

Qin: And we faced Tubbimura.

Lola: Yeah! And J.D. that was an awesome Xiaolin Showdown you did.

Me: Thanks! We should make up more awesome challenges like that to make it fun.

Omi: (Tibetan Accent) I agree there too.

Nico: Yep.

Raimundo: Haven't done a Xiaolin Showdown in a long time.

Me: I know. Feels like forever.

Nico: Probably because we have most of the Shen Gong Wu

Me: That is true. It has been a while.

Camie: Yeah. But that was cool seeing one in action.

Qin: Yeah I agree.

Lola: Yep.

Kimiko: That was awesome though. But there are potential Heylin Recruits for the M.O.E still out there.

Jack Spicer: I agree there too.

Me: And Evil Chase Young is still out there too.

Nico: I have to say. When he's not working for Lumpus, Tubbimura isn't that bad

Me: Yeah that is true.

Nico: By the way J.D. where did you come up with the idea for a Xiaolin Showdown challenge like that?

Me: Oh I made it up. I made up this book of ideas for them should it come.

I pulled out a blue notebook of them.

Me: Burger Bomb Dodgeball, Cheese Swamp Battlezone, Planet Hop Jumpfight, Lava Surf Battles, you name it.

I showed the notebook to Nico and he saw them.

Nico: Wow! These are awesome ideas.

Qin: Those are cool.

Nico: (Drools) And I would love doing that Cheese Swamp Battlezone one.

WE LAUGHED!

Me: (LAUGHS) Yeah I know how much you love cheese.

Lisa Loud: We have arrived at our destination.

Nico: Oh screen.

We saw that we were at the planet Krypton.

Me: Planet Krypton.

Maria: We're here.

Nico: Yep. And scans show this is where the 7-Star Black Star Dragonball is located.

Camie: Yep.

We went down and landed and got out and we were on Krypton.

Me: Wow!

Superman: Feels good to be back home on Krypton.

Supergirl: It sure does.

Maria: Let's fan out and find that Dragon Ball

Me: Good thing I always have this just in case. Bulma gave it to me.

I pulled out the Dragon Radar.

Nico: The Dragon Radar! Of course!

Me: I forgot that Master Goku had it. He gave it to me just in case.

I pressed the button and it showed the ball was 25 klicks ahead.

Me: 25 klicks ahead.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Krypton to get The Seven Black Star Ball, and as my dream foretold last night, it's in the hands of Sarah's so-called father, Gabriel Tinsley The Psychotic Bloodthirsty Heartless Serial Killer.

WE GASPED IN HORROR!

Me: WHAT THE?!

Luan: Oh man! I thought we were done with Sarah's heartless psychotic bloodthirsty so-called father.

Lincoln: We know him better than that, Luan.

Sarah Tinsley appeared along with her mother.

Sarah Tinsley: Lincoln's right, we knew that bastard wasn't going to stay dead and forgotten that easily.

Anna Anyanova: I really thought we were done with that murderous asshole and after everything he did to you and your Mom, Sarah.

Lincoln: But, this is where it ends here and now: we'll make absolutely sure that Gabriel dies once and for all, and he's getting sent to The Black Abyss.

Eman Reynolds: You said it.

Me: Just like Lincoln's dream he had last night said.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have resurrected Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and they sent them after us, and if that wasn't bad enough, Sebastian has gone fucked-up crazy thanks to the side effect of Lincoln and his Guardian Angels removing the Karmic Curses from him: his toxicity's taken hold and he's going to kill us all.

Lincoln: Oh crud, we got a nasty case of quadruple trouble!

Me: Lincoln, what's wrong? Oh God, who did Morgana and her minions bring back?

Lincoln: It's not good, it appears Morgana and her minions have resurrected our old enemies, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and they sent them after us, and if that wasn't bad enough, Sebastian has gone fucked-up crazy thanks to the side effect of us removing the Karmic Curses from him: his toxicity's taken hold and he's going to kill us all.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, those assholes from the past are back, and Sebastian, you've gone too fucking far!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you tear Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang apart, and about Sebastian...!

Lincoln: I know, we can't wait until the two months are up, knowing how dangerously unpredictable and extremely murderous he truly is, we need to remove the side effects and fast!

Suddenly, Crash Bandicoot appeared along with the rest of the team who also arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: I literally can't believe Morgana and her minions have brought Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang back, and if that wasn't enough, Sebastian's literally gone batshit crazy and is going to kill us.

Lincoln: But, it'll end just the same. Gabriel's going to get The Black Abyss along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, but as for Sebastian, what we've got in store for that toxic bastard will make him wish he never fucked with me.

Nikiya: That's for sure.

Crash Bandicoot: We better get going and fast if we want to kill Gabriel Tinsley, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang.

Lincoln: That's right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were

glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Gabriel Tinsley) AHA! There you are, you bloodthirsty serial killer asshole! I just spotted Gabriel Tinsley, he's 20 yards away, but he's coming right at us and he's out for blood again. (Sensed Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, along with Sebastian) And I just spotted Morgana's next sets of puppets and Sebastian.

Me: Let's tear them apart.

Stella heard a Pokemon cry.

Stella Zhau: Guys look!

We saw a Stoutland.

Me: Cool a Stoutland!

Stella Zhau: Oh and the poor thing is hungry.

She gave it apples and food.

Stoutland: Thank you.

She ate them.

Stella Zhau: You're welcome. Want to come with us?

Stoutland: Sure!

Stella Zhau: Awesome!

Me: You won't regret it!

Nico: But stay close to us

Stoutland: Okay.

Qin: Good.

Girl Jordan: LOOK OUT!

We saw a fireball coming at us and we dodged it and it hit the ground and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Me: WHOA!

Qin: LOOK!

We saw a Regifire!

Xenia: WHOA!

Me: Regifire! Wow! This one is hot!

Nico: It sure is!

Qin: Yeah!

It fired more fireballs and we absorbed them.

Me: YEAH!

Pepperdance: (Cajun Accent) Ooowee! This one packs a wallop! Wonder who it is.

She used Telepathy and then gasped!

Pepperdance: (GASP) Well I'll be a Carolina Reaper Pepper dipped in chocolate syrup! It's my sister Naga Jolokia!

Me: WHOA! Your sister is named after the scientific name of the Ghost Pepper!?

Camie: WOW! That is nuclear hot!

Nico: No kidding!

Me and Pepperdance went to face her.

Pepperdance: Ooowee! Naga it's me Pepperdance! Can you hear me?

All she did was throw more fire and we absorbed it.

Me: Boy this one is WAY TOO HOT to handle!

Lola: No kidding!

Qin: YEAH! Blazing!

Pepperdance: Ooowee! But lets show her some fire!

Me: Lets bring the heat!

Me and Pepperdance fired a massive blast of fire and blasted her down.

I snapped my fingers and she reverted back and was a girl with red hair, pink eyes, had Regifire in the middle of her forehead and had a dark red version of Pepperdance's cutie mark on her arm and it had flames on the peppers. She also had fire angel wings.

We wrapped her in a blanket and brought her over to us.

Me: Wow! She has intense fire powers.

She woke up.

Naga Jolokia: (Groans)

Pepperdance: Ooowee. Naga are you all right?

Naga Jolokia: (Cajun Accent) Pepperdance? Ooowee! Pepperdance y'all are here!

They hugged.

Pepperdance: Ooowee! So glad yer here too sis.

Me: You are one spicy girl though Naga. I love peppers and hot sauce.

Pepperdance: Naga makes her own spicy hot sauces and grows peppers like y'all do J.D.

Me: Where have you been all my life?

Qin: (LAUGHS) Funny.

Me: You were turned into a Regifire by Dark Gale.

Naga Jolokia: (GASP) I remember!

She was in a neon red suit and was injected. Then her temperature flared up fast and melted the table and turned into REGIFIRE! She ran out of there.

FLASHBACK ENDS

Naga Jolokia: That was awful.

Me: We'll kill Dark Gale soon.

Nico: What's your role in Sonya's team?

Naga Jolokia: I'm the fire master of the team and I use fire to burn my enemies. Also I am one of the team chefs.

Sonya: She makes really awesome nuclear hot 20 alarm chili.

Me: WHOA! We'll have to try some of that.

Shaggy: Like I bet it's as hot as my famous five alarm hole in the bowl chili.

Me: (LAUGHS) Looks like you and Shaggy have some spicy competition.

Naga Jolokia: Ooowee! We sure do.

Sakura Knudson: I love Shaggy's five alarm chili. It's so good.

Qin: (LAUGHS) It sure is.

Nico: And what do you do outside of your team?

Naga Jolokia: I am a restaurant chef and work at a spicy food and cajun cuisine restaurant.

Me: Ooh! My kind of restaurant.

Nico: (LAUGHS) Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome red clothes and they were as spicy as she was.

Naga Jolokia: Ooowee! I look as hot as a Carolina Reaper pepper dipped in Spicy Garlic Hot Sauce.

Me: You sure do.

Nico: We'll have to try some of your food later

Me: Right now we got a job to do.

Qin: Yep.

We then took off into the air and we set out to get The 7 Black Star Dragon Ball and destroy Gabriel Tinsley, and send him, Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang to The Black Abyss and take down and cure Sebastian.

We were flying in the air, and we spotted our target: The 7 Black Star Dragon Ball, and it was in the hands of Gabriel Tinsley The Psychotic Bloodthirsty Heartless Serial Killer and Sarah's so-called father, and he was heading right for us in a bloodthirsty fit of rage again!

Lincoln: I've had it up to hear with that bloodthirsty serial killer. This is where it all ends for you, Gabriel Tinsley!

Lincoln fired orbs of elemental forces from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Gabriel Tinsley and they hit him and exploded, and he screamed in insane rage as we landed, and when he saw Lincoln and Sarah again, he went mad with rage and tried to gouge their eyes out with a knife, but Lincoln and Sarah Tinsley fired energy blasts that sent that bloodthirsty serial killer flying into a rock. He got out, but he bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 7 Black Star Dragon Ball to his hand.

Gabriel Tinsley: GIVE THAT BACK RIGHT NOW OR I WILL SLIT YOUR THROAT AND DRINK YOUR BLOOD!

Lincoln: Oh, shut up. You've got some goddamn nerve coming back from the dead again, Gabriel!

Lori: You know, it's bad enough we've had to deal with your hide two times in the past, now we have to deal with you again for the third time. You ever hear the saying, "Three

Strikes and You're Out!" Well, this is literally it: this time, we're gonna make sure that you stay dead forever.

Gabriel Tinsley: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! I'M GOING TO KILL ALL OF YOU! I WILL DESTROY EVERYTHING!

Lincoln: And those are indeed the last words you've said, Gabriel, and now, it's time for you to pay the price for your crimes.

Me: Yeah!

Sarah Tinsley: You make me sick "Dad!" You ruined my life!

BUT THEN SOMETHING SNAPPED IN SARAH TINSLEY AND THEN SHE GOT EXPLOSIVELY MAD AND WE SAW INTENSE FIRE BURNING IN HER EYES AND SCLERA!

Sarah Tinsley: (ENRAGED SCREAMING) I WILL MAKE YOU SUFFER! NO MORE! NO MORE!

SARAH KICKED HIM DOWN!

KRABLAM!

MASSIVE FIERY EXPLOSIONS!

Nico: UNBELIEVABLE!

Qin: WHOA!

Lincoln: HOLY SHIT!

Nico: And we have another surprise for you!

We were filming the entire fight with Sarah and Gabriel!

WE WERE SHOWING IT TO EVERYONE ON EARTH SO THEY COULD SEE IT!

Eli: Tell them the truth!

Gabriel: Okay okay! I did all that and tried to make Sarah like me.

Eli: So they can hear you!

GABRIEL SANG LIKE A BIRD! AND EVERYONE ON EARTH WAS SHOCKED AND HORRIFIED! THEY WERE FOOLISH TO BELIEVE THAT SARAH WAS LIKE HER FATHER! WHEN IN TRUTH SHE ISN'T!

Lincoln: And Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, you better get out here right now, there's no use in hiding.

We then saw our secondary targets: Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and they had the demonic Alicorn on their foreheads.

Tyler Corso: You stupid motherfuckers! You're going to pay for this fucking humiliation!

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and one by one, he began absorbing them, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When he was done and the stingers changed back, nothing was left of Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang except for their clothes, and he also drained the souls of Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang of all their energy and sent them to The Black Abyss.

?: LINCOLN LOUD! TEAM LOUD PHOENIX STORM! YOU'RE ALL GOING TO DIE!

Lincoln dodged an incoming attack, and we saw who it was that did it: it was Sebastian Mendez, but he was possessed by his toxicity due to the side effect of removing the Karmic Curses, and he's now gone completely mad. But, Lincoln fired a beam of light which hit Sebastian in the chest, and he fell to the ground, and we saw something come out: it was Vicky's Evil Bug.

Lincoln: What the heck is that?!

Timmy Turner: Yuck! That's the Evil Bug that made Vicky into what she was, it wound up on him?!

Lincoln was about to trap Vicky's Evil Bug in a powerful shatterproof jar and send it to Vypra, but Sebastian awoke and...!

SQUISH!

HE SQUASHED THE BUG!

Sebastian Mendez: That's for turning me even more evil, you little monster!

Nicole sealed its spirit in The Book of Vile Darkness before Sebastian could send it to The Black Abyss.

Well, then, let's get him!

Caleb Maxwell, Cage Blunt, Travis Tackett, Allie Maxwell, and James Blunt went after Gabriel Tinsley, and Caleb Maxwell fired bullets at him, and he got hit, and Chris and the other Watchers appeared and started firing at him as well, and Caleb Maxwell, Cage Blunt, Allie Maxwell, James Blunt, and Travis Tackett fired blasts of Divine Darkness and dark energy and they hit Gabriel Tinsley, and he got sent flying into another Kryptonian crystal cluster, he got back out, but he let out a loud roar of rage.

Nico: Also this!

Mrs. Tinsley: GABRIEL! YOU SON OF A BITCH!

When Gabriel turned to hear who it was that said that, his face turned white as a ghost.

Gabriel Tinsley: Maria?! No, I killed you!

Mrs. Tinsley: You didn't kill me, Gabriel. I was kidnapped and imprisoned by The Joto for years, and after I was rescued by Lincoln and J.D., Lincoln told me everything that you put Sarah through, you put her through Hell! I always knew you've been nothing but trash to me and Sarah, but to find out the Hell you've put her through and causing her to be made an outcast to the point of her falling into severe depression and she almost took her own life if Lincoln hadn't saved her. You truly are the worst person I've ever met, you scum of the Earth, and you've had this coming for a long time!

MRS. TINSLEY ATTACKED GABRIEL TINSLEY WITH TONS OF KNIVES THAT SHE HAD WITH HER AND SHE SWUNG THEM AT HIM AND EACH OF THEM MADE SOME REALLY NASTY LACERATIONS ALL OVER GABRIEL'S BODY.

SLASH!

Mrs. Tinsley: This is for years of pain and suffering you put me and Sarah through!

SLASH!

Mrs. Tinsley: This is for murdering all those college girls all over the country!

SLASH!

Mrs. Tinsley: This is for forcing Sarah to help you get rid of their bodies!

SLASH!

Mrs. Tinsley: And this is for making her suffer through an absolute living Hell by destroying her life and turning her into an outcast! You absolute scum of the Earth!

WHEN MRS. TINSLEY WAS DONE, GABRIEL TINSLEY WAS COVERED IN REALLY NASTY BLEEDING SCARS ALL OVER HIS FACE AND BODY, AND HE WAS BEYOND MEGA FUCKED-UP INSANE AND CRAZY WITH RAGE AND ANGER!

Gabriel Tinsley: YOU BITCH! THIS TIME, I'M GOING TO KILL YOU AND SARAH FOR THIS! YOU WILL ALL FUCKING DIE!

Sarah Tinsley: Shut up, Dad! I've absolutely had it up to hear with you!

WE GASPED!

Nico: WHOA!

Me: This is it!

Lincoln: Her rage is about to be unleashed. Gabriel's crossed one too many fucking lines when he went on his mass murder spree across the country, and he also especially went too far in ruining Sarah's life by forcing her to help him get rid of the bodies of all of his victims. He did as he pleased for far too long.

Gohan: Yep, and now, Sarah's about to repay her so-called father for all the years of psychological abuse that he put her through.

Goku: Don't think Lincoln's going to be left out though, after all, Gabriel despises him as well and that also included the day we went to the prison and Lincoln told Gabriel off.

Nico: I still remember that day all too well. It's men like Gabriel that give all fathers a bad name, and being a father himself, Lincoln's going to tear Gabriel to shreds! (To Gabriel Tinsley) And too bad that Babidi isn't here to save your ass!

Gabriel Tinsley: I DON'T NEED ANYONE'S FUCKING HELP TO KILL YOU ALL!

Rita: You're still nothing more than a pile of garbage, Gabriel, you have zero remorse for everything that you put your own daughter through! We had to get her to a therapist to help her after you were sent to prison for life!

Lynn Sr.: You've always been nothing more than crap to both your daughter and to your own wife, Gabriel. You know what, there have been days that I wish I could kill you and make you choke on your own blood, but I relented since I certainly didn't want to stoop to your level of depravity, but you brought all of that on yourself!

THAT MADE GABRIEL TINSLEY GO FUCKING MAD WITH ANGER AND RAGE!

Sarah Tinsley: Thank you, Mr. Lynn. And now, it's time we ended this once and for all, you're never coming back from the dead ever again, Gabriel Tinsley!

Gabriel Tinsley: YOU LITTLE BITCH!

Stoutland charged at him and blasted him with a powerful energy blast.

Suddenly, something within Sarah Tinsley's mind snapped as the memories of the unholy Hell that she was put through thanks to Gabriel Tinsley over the years rushed through her head and her dark purple eyes turned neon dark purple and she was surrounded by a yellow and dark purple, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, darkness, phoenixes, and light and dark angels, she unholstered her massive Elemental HERO Chaos Neos' Twilight Chaos Angelic Greatsword of Twilight Chaos Angel Justice from her back, and as she angrily approached Gabriel Tinsley, she left yellow and dark purple, white, and blue energy, stars, aura energy, white and blue heavenly flames, light, darkness, phoenixes, and light and dark angels with every step.

Sarah Tinsley: No matter how many years have passed, it's clear that you're still the same as ever, Dad, and I still have never forgotten about the Hell that you put me through ever since Mom got kidnapped by the Joto all those years ago. (SUDDENLY STARTING TO GET NTH-DEGREE PISSED OFF TO THE INFINITE POWER AS HER ENERGY AURA FLARES UP EVEN MORE EXTREMELY) And I still had not forgotten of what you did: you forced me to help you get rid of the bodies of all the college girls that you murdered as well, and after you got arrested, everyone treated me like an outcast and that caused my life to go downhill when I developed severe depression and I almost committed suicide due to it, and if not for Lincoln, I wouldn't be here right now..., YOU RUINED MY LIFE YEARS AGO AND YOU SHOWED ABSOLUTELY ZERO REMORSE FOR ALL OF YOUR DAMN CRIMES, YOU MISERABLE, ABUSIVE, BLOODTHIRSTY, MURDEROUS SON OF A BITCH! YOU ABSOLUTELY MAKE ME SICK TO NO END, TO THINK I SHARE THE SAME BLOOD AS YOU IS DISGUSTING TO NO FUCKING END! GABRIEL TINSLEY, THIS IS THE LAST TIME I EVER HAVE TO SEE YOUR FUCKING FACE EVER AGAIN, THIS TIME YOU BETTER STAY FUCKING DEAD!

WE GASPED IN PURE SHOCK AND TERROR: SARAH TINSLEY HAS SNAPPED, AND GABRIEL TINSLEY IS NOW UP SHIT CREEK WITHOUT A PADDLE!

Me: OH SHIT!

Nico: SARAH'S FUCKING LOST IT! NOW, GABRIEL'S UP SHIT CREEK WITHOUT A GODDAMN PADDLE!

Lincoln: It's been coming for a very long goddamn time! HIT THE DECK! SHE'S GOING TO BLOW!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF EMILY MCKALE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO

INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF ELEMENTAL HERO CHAOS NEOS, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF ELEMENTAL HERO CHAOS NEOS WENT BACK TO EARTH AND SARAH TINSLEY GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Sarah Tinsley screamed like an infinite-times fucked-up madwoman to the infinite power and she was surrounded by a massive vortex of yellow and dark purple, white, and blue energy with stars, aura energy, white and blue heavenly flames, light, and darkness surrounding the vortex, there are phoenixes, light and dark angels, and Elemental HERO Chaos Neos flying around the vortex, and in the vortex is a yellow phoenix with blood red eyes glaring at Gabriel Tinsley: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortex.

Me: INCREDIBLE!

Nico: UNREAL!

Lincoln: THIS IS IT! YOUR TIME'S FINALLY UP, GABRIEL! NOW, YOU'RE FINALLY GOING TO GET WHAT YOU DESERVE, IT'S TIME FOR YOU TO PAY FOR THE PAIN AND SUFFERING YOU CAUSED TO SARAH, HER MOM, AND MANY OF YOUR MURDERED VICTIMS IN THE PAST!

Gabriel Tinsley screamed with pure rage and ran at the vortex to kill Sarah Tinsley again, but the force of the vortex and the wind gusts blew Gabriel Tinsley right into another crystal cluster as he crashed into it, and he got out, but he wound up getting more bloody wounds and he spat out blood again and he went mad again with rage!

Suddenly, The Unity Crystals on my J.D. Nico: HOLY GREAT BALLS OF FIRE!

Me: THIS IS IT!

Lincoln: IT'LL START RAINING BLOOD SOON, BRACE YOURSELVES! AND IF ANYONE'S BLOOD IS GOING TO BE SPILLED, IT'S YOURS, GABRIEL TINSLEY!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, THE POWERFUL LANDS OF EQUESTRIA, AND THE PLANETS AND STARS OF THE UNIVERSE GLOWED AND ALL THEIR ENERGY FLOWED INTO SARAH TINSLEY! THEN, AS SOON AS THE VORTEX FADED, SARAH TINSLEY EMERGED FOREVER CHANGED!

We were amazed by Sarah Tinsley's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Gabriel Tinsley saw it, he went absolutely fucked up insane beyond imagination and ran at Sarah Tinsley to kill her yet again, but Sarah Tinsley fired a massive barrage of yellow and dark purple, white, and blue energy, stars, aura energy, white and blue heavenly flames, light, darkness, phoenixes, and light and dark angels which hit Gabriel Tinsley and sent him flying into another crystal cluster, he got out again, and he was even more madder than ever!

But, I can never forget what you did in the process, you had single handedly destroyed Sarah's life before and after you were sent to prison forever, and Sarah was right cutting all ties with you because you were never going to change your horrendous ways at all! You walk the path of a murderer creeping your way through the dark and anyone who got in your way, you took their lives with no remorse for any of their relatives or friends showing that you only cared about yourself and no one else, not even your own daughter or her mother, your own wife who you got married to. That's a lonely path and it's one that'll follow you into death once more. Gabriel Tinsley, may you suffer for eternity with not a kindred soul to give you solace!

WE REALLY CHEERED WILDLY WHEN LINCOLN SAID THAT!

POW!

Maria: That was for trying to hurt Horsea!

Lincoln, Sarah Tinsley, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Gabriel Tinsley, and we fired extremely powerful blasts of rainbow, white, and blue energy, yellow and dark purple, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Gabriel Tinsley and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Sarah Tinsley did the same by firing yellow and dark purple, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Sarah Tinsley, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Gabriel Tinsley even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Gabriel Tinsley, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth,

Your bloodsoaked murderous rampage ends here and now!

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Gabriel Tinsley.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done to Sarah years ago, you deserved what awaited you two years ago: death by our hands, and I said it before, and I'll say it again. You have never loved your daughter at all, you tried to drown her in Lake Huron when she tried to get the life raft, and you kept pushing it out of her way, and you enjoyed seeing her suffer, and I can't forget that you forced her to bury the bodies of the women that you murdered. Because of it, you destroyed your own daughter's life and her reputation at school, everyone ostracized her because of your crimes. She was forced to carry the guilt with her, and she believed it was all her fault, but it wasn't: it was you, the blood of all those dead women are on your hands, Gabriel!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Gabriel Tinsley's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your murderous bloodthirsty rampage ends here and now!

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth,

Lincoln did one final powerful energy slash that hit Gabriel Tinsley hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gabriel Tinsley was now on his last legs and he was really really mangled.

Gabriel Tinsley: YOU...! YOU...! YOU THINK YOU YOU ALL WON?! NOW, WHAT?! YOU EXPECT ME TO BEG LIKE A DOG?! FUCK YOU! FUCK YOU ALL!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You never understood the concept of life whatsoever, Gabriel Tinsley, all you ever cared about was yourself and causing pain and suffering. You abused Sarah and her mom for years, and you've shown absolute zero remorse for your behavior, nor for the crimes you've committed against your victims. You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering to too many innocent people. And now, this is where you meet your end.

Lincoln raised his massive greatsword above Gabriel Tinsley's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED GABRIEL TINSLEY AND HE SLICED HIS BODY TO RIBBONS AND HIS HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HIS HEAD AND HEADLESS BODY AND HE WAS FINALLY BANISHED TO THE BLACK ABYSS FOREVER!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Good riddance forever, you absolute asshole.

We cheered wildly as we holstered our weapons and powered down and Sarah Tinsley's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller yellow and dark purple planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized yellow and dark purple planets orbiting around her wrists and ankles, eleven massive and long yellow wolf tails, and massive yellow angel wings and four sets of large yellow angel wings underneath her massive yellow angel wings are permanent.

Sarah Tinsley: It's all over for you, Dad, you've hurt me for far too long and your victims have gone unavenged for the last time. I don't ever want to see your face ever again.

Lincoln: You've hurt Sarah for the very last time, you piece of crap, and now, this shall be your final resting place.

Suddenly, Sarah Tinsley wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sarah Tinsley's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Elemental HERO Chaos Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Sarah Tinsley sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nico: That was a really really intense battle, but we did it!

Me: You said it.

Lincoln: Yep, not only did we get the 7 Black Star Dragon Ball back, but we also finally got rid of that miserable bastard, Gabriel Tinsley, forever. Now, we have five more to collect from the five other villains who have them: Evil Anakin The Evil Dark Side of Anakin Skywalker, Mesa Florence's Insane Daughter Despising Mother, Pain of The Akatsuki, A Clone of Mia The Heartless Rich Girl Despising Witch, and The Joker from Neo Gotham 2039.

King Kai: (Telepathically) At the rate all of you are going along with the advanced technology you all have, you'll have all Seven Black Star Dragon Balls back on Earth in no time. Oh, and Gerald Vexos is already starting to lose it big time.

Me: Good, he can fucking suffer for all I care. He deserves it for causing it, he and his brother are both heading for The Black Abyss after we get all Seven Black Star Dragon Balls back.

King Kai: (Telepathically) Uh, actually, J.D., there's something I need to show you.

King Kai made a one-way viewing window for us to see, and it showed that Gerald Vexos decided to go to Morgana Midnight Sparkle and The Midnight Princesses, and he asked them to bring back Venn Vexos which she agreed to. She used her dark magic and brought back Venn Vexos from the dead.

Me: That bitch!

But, then...!

MORGANA MIDNIGHT SPARKLE DOUBLE-CROSSED GERALD VEXOS AND SHE FIRED A BLAST OF DARK MAGIC AT VENN VEXOS WHICH HIT HIM IN THE CHEST KILLING HIM AGAIN, AND WHEN HIS SPIRIT APPEARED, MORGANA MIDNIGHT SPARKLE FIRED ANOTHER BLAST OF DARK MAGIC AT HIS

SPIRIT AND SENT HIM TO LIMBO AND TRAPPED HIM THERE FOR ALL ETERNITY!

WE GASPED IN HORROR!

Maria: She double crossed him!

Gerald Vexos: NO! NO! VENN!

Morgana Midnight Sparkle: (LAUGHING INSANELY AND MALEVOLENTLY) And now, you're next, you pathetic mortal!

Gerald Vexos: YOU FUCKING DOUBLE-CROSSED ME! YOU FUCKED-UP CRAZY WITCH!

Gerald Vexos escaped as the one-way viewing window closed.

Me: I don't believe it, Gerald got his wish of getting his brother back, only for...! Morgana Midnight Sparkle, you absolute fucked-up crazy witch!

Lincoln: This is why you should NEVER trust Morgana Midnight Sparkle: she's just that evil along with the other Midnight Princesses!

Nico: That witch double-crossed Gerald and killed Venn and trapped him in Limbo for all eternity just like with Voldemort. Now, she's really gone and done it.

Me: Brought him back all for nothing.

Catherine Fontaine: Without a doubt, she needs to die once and for all along with her minions.

Lincoln: And that's exactly what we're going to do to them when we go after them and Dark Gale along with Elise Elexton, Catherine.

Nico: How do you feel Sarah?

She then hugged Lincoln and broke down crying and Lincoln comforted her.

Nico: Oh man.

Qin: Poor Sarah.

Sarah Tinsley: (Crying hard) I'm just glad he's gone! (WAILING)

Lincoln: It's okay Sarah. It's okay. It's okay.

Camie: Poor girl.

Nico: Nice job Stoutland!

Stoutland: Thanks Nico. It was fun!

Me: Yeah!

Poromon: Want some beer?

Stoutland: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Sarah Tinsley was crying hard.

Nico: Oh, Bright Man. What do you like to do in your free time?

Bright Man: I work for the police department. I use my flash stopper power to freeze criminals in place so the cops can arrest them easier.

Me: Cool! Like a flashbang without the flash and it stops them long enough for the cops to bust them.

Camie: Clever.

Xenia: Yeah!

Sheila: And he does a great job at it.

Sarah cried hard.

Lincoln comforted her.

Lori: Oh poor Sarah.

Horsea cuddled up to Sarah.

Horsea: There there Sarah.

Lincoln: It's okay Sarah. He's gone now forever.

Ace Ukiyo: What happened to Sarah again?

Me: Her life was a living nightmare. Her father was a deranged serial killer and he killed a bunch of people. Most of them college girls. He wanted Sarah to help him and made her do terrible things against her will. After he was sent to prison he destroyed her life, her reputation and all that. He made her an outcast from humanity. The blood of all those people were on his hands. She was forced into doing all that.

Manaphy cuddled up to Sarah.

Neon went over to her.

Neon: Sarah I'm so sorry.

Neon comforted her.

Manaphy: But he's gone forever now

Me: He may be gone for good but the damage was already done. The wounds will never heal emotionally and mentally.

Xenia: Yeah.

Camie: Oh man.

Qin: What Gabriel did was unforgiveable.

Lola: Yeah.

Me: What he did broke the sacred bond between daughter and father. Lincoln vowed that if he ever saw him again he would make sure he paid for it big time with the Black Abyss.

Qin: Yeah.

Eli: But I'm glad he is gone.

Me: And we got the 2nd of the Black Star Dragonballs.

I had the 7-Star Ball in my hands.

Nico: 2 down.

Me: 5 to go.

Lola: Yep.

I put the ball in my bag.

Sarah was crying hard and then she fell down and was out cold.

Lincoln: She's okay. She just fell asleep.

Poromon: We're gonna order something later

Me: Okay then.

Qin: It's not thousands of bottles of beer is it?

Poromon: No way! It's something for all of us to enjoy.

Me: Okay.

Nico: But Venn going to Morgana Midnight Sparkle? Not very smart.

Xenia: Gerald got big time double-crossed.

Qin: Yeah!

Me: What a monster!

Naga Jolokia: That is for sure.

Homer: You're not gonna order beer robots?

Me: Homer!

Homer: What?

Poromon: No it's not beer robots.

Homer: Oh man.

Nico: Better luck next time.

Bart: Better luck next time home boy.

Homer: WHY YOU LITTLE!?

He strangled Bart!

Lily tazed Homer.

He let go.

Poliwag: Homer, if we'll order beer robots, we'll let you know

Homer: Okay.

Qin: That was funny though.

Lola: Yeah.

Camie: Yeah it was.

Horsea: You'll see what we'll order later.

Nico: Okay.

Qin: Yeah.

Horsea: But you guys will love it

Me: Okay.

Nico: We'll see what it is later. Now we got the next part of the mission.

Me: The Anothers.

Eli: And we have Frost Walrus, Captain Marvel, Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad

Universe), Pterrack and Spike & Chester.

Qin: Whoa!

Me: So Bright Man, Layla Lumina Amano, Hikari Angel, Winona Wolf, Oracle Ophanim and Tanya Thra are up.

Nico: Yep.

Eli: I sense the Another Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad Universe), Pterrack and Spike & Chester are 1 person and it's the Destruction Cyclone Gene-slammer.

Qin: Cool!

Nico: There they are!

We saw Another Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad Universe), Pterrack and Spike & Chester!

Qin: WHOA!

Lola: This will be cool.

Another Mazelda: (In a girls voice) It sure will.

They merged and reverted back and it was the Destruction Cyclone Gene-slammer.

Nico: (GASP) Aria Kazestorm!

Aria Kazestorm: Awesome to see you Nico.

Nico: Same here.

Me: Wow you're a master of wind. And I bet Dr. Vellenxia did this to you right?

Aria Kazestorm: That's right.

Me: I had a feeling. By the way is the Another Frost Walrus and Captain Marvel friendly or hostile?

Aria Kazestorm: Friendly but you may want to watch out. The Another Captain Marvel is a funny one.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: Now we wait.

Qin: Yep.

But then...

BONK!

Nico got hit in the head with a coconut!

Nico: OW!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Nico: HEY!

Me: Ouch.

Nico: And Patrick that guy was me!

Patrick: Sorry.

Nico: OKAY WHO IS THE WISEASS!?

Me: I think THEY Are!

We saw Another Frost Walrus and Captain Marvel!

Nico: Oh the Anothers. Hit me on the head with a Coconut will you!?

Another Frost Walrus: (In a girls voice) She always does that.

Me: (GASP) That voice.

She reverted back and it was the Embodiment of Typhoon!

Me: (GASP) Maysak Typhoon! Wow!

Nico: The Embodiment of Typhoon! Wow!

Me: Yep and she has the intense powers of the storms and also has amazing ice powers too.

Maysak Typhoon: Yep. I'm a living storm in human form. It's awesome.

Frost Walrus: That is awesome and amazing.

Nico: And your friend? Who hit me on the head with a coconut?

Another Captain Marvel: Sorry about that.

Captain Marvel: That voice!

She reverted back and was a girl with purple hair and had blue eyes with dark blue sclera and had purple clothes and blue butterfly wings.

Captain Marvel: (GASP) Pandora!

Captain Marvel and Pandora hugged!

Shanan: That is cool! She's an Icarusian from the planet Icarus Prime. She is from a race of butterfly people that have light powers.

Nico: Cool! Do you know her Carol?

Captain Marvel: I sure do. She is a little girl I saved from the Yon-Rogg.

Me: I remember him.

Captain Marvel: Yeah.

Kaito (gets out Megaranger gear): Did Swartz promise you anything?

Zocks (Gets out Gingaman gear): Because we can grant it instead

They got In Space and Lost Galaxy weapons.

Maysak Typhoon: No he didn't. I used my wind powers and blasted him into the wall and Pandora bashed him with watermelons and knocked him out.

Sakura Knudson: That explains why I found him crashed into the wall with watermelon all over him.

Nico: Ouch.

Me: Nice one.

Maysak: Yeah we ran out of there shortly after.

Me: Nice.

Sougo (gets out In Space Ridewatch): Can we visit your planet sometime?

Geiz (gets out Lost Galaxy Ridewatch): It sounds interesting.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Pandora: Sure! It's really amazing.

Qin: Wow!

Xenia: Cool!

Lincoln: Lets separate you girls first.

We did so.

We got the battles underway.

Nico: (gets out Frost Walrus' Ridewatch) Chill out!

May: (Gets out Hatman Ninjas' Ridewatch) Hats off to you! HYAH!

Maria: (Gets out Pterrack's ridewatch) This bird has power.

Layla Lumina Amano: (Gets out Mazelda's ridewatch) Lets shine down!

They used the powers of Frost Walrus, Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad Universe), Pterrack and Spike & Chester and blasted the Anothers all over.

Me: YEAH!

Then Bubble Crab, Vulture (Scooby Doo), El Stomacho, Munch (Slugterra), Crush and Silkmoth Fangire came.

Nico: YEAH! Nice team Bubble Crab!

Bubble Crab: Thanks Nico!

Silkmoth Fangire: (To me) YOU ARE A MOTHERFUCKING TURDCHEWING SACK OF SHIT!

Me: OH YEAH!? BACK AT YOU YA MOTHERFUCKING PISSANT!

Bubble Man: My team's next.

Me: Yep.

Then out of a portal of darkness came DAEMON!

Me: WHOA! DAEMON!

Qin: UH OH!

Daemon: (In a girls voice) Looks like the fun has started.

Nico: Diana Dae? Wow!

She reverted back and was a girl with black hair, red eyes, black clothes, black angel wings and had Daemon in his true form on her forehead, skirt and shirt and had a pentagram tattoo on her arm and had a hell sword.

Diana Dae: Awesome to see you again Nico. I got this. (ECHOING) EVIL INFERNO!

She fired a powerful blast of fire and blasted the anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Diana Dae: Thanks.

Me: You're not one of the Digidestined?

Diana Dae: No unfortunately no.

Me: Oh that's okay.

Camie: Do you have any good memories of Nico?

Diana Dae: I sure do. When me and Nico went down into hell to the 9th Circle to rescue my mother. She was wrongfully damned for treachery and we rescued her.

Me: Wow! We know what Hell is like and that was scary.

Xenia: It sure was.

Laney: Yeah.

Nico: But we saved her.

Me: Cool.

Nico and Diana hugged.

Nico: I've missed you.

Diana Dae: Same here.

We went back home to Earth.

Lincoln: Whoa, we're here in the submarine in the world of the 1997 Sega video game Deep Fear, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to help John Mayor destroy the creatures created by The Parasite Cell, and we're also going to destroy the submarine which'll also destroy The Parasite Cell forever.

Nicole: I remember this all too well, and it's just like what happened in the world of Resident Evil, but inside a submarine, so we're going to be facing mutated crew members and scientists.

Me: Luckily, we're prepared for it.

We then took out scrolls that got out weapons: guns, machine guns, torches, bullets, ammunition, you guessed it.

Bright Man: Alright, now we should get going.

Lincoln: Right.

Sharon State: We got to meet up with John and quick.

Gena Weisburg: I only hope that we're on time. Come on.

We met up with John Mayor, and we saw the situation: some of the crew members were turning into horrific mutated monsters, and we'd been blasting them with bullets and burning their bodies. But, we also saw that some of the other crew members were being killed by the creatures.

Nico: This is really horrific!

Me: What on Earth? We need to find out how this is happening.

John Mayor: I managed to find one of the scientists here, she can tell us what we're dealing with.

Eli: Good idea.

We immediately rushed out, and we met up with another version of Dr. Gena Weisburg, a molecular biologist who worked for the world famous medical appliance manufacturer, Medical Industry, along with the chimpanzee, Anthony, and the real Dr. Gena Weisburg began to explain everything.

Dr. Gena Weisburg: I was assigned to the Underwater refueling facility, the Big Table, as the company had rented a section of the underwater facility. Following the recovery of a mysterious space pod that crashed in the Pacific Ocean, I was assigned to examine the pod's sole occupant, Anthony. But, I eventually learned the pod belonged to NASA and that Anthony himself was a subject of Project: Mercury, he was launched into space 40 years ago. The facility's commander at the time, Clancy Dawkins, became interested in Anthony's longevity and initiated the "Deep Blue Project", in which Anthony was to be subjected to a series of experiments in hopes of developing a cold sleep apparatus.

Lisa: But, that's not the end of it.

Dr. Gena Weisburg: No, I saw Clancy's plan could benefit mankind as not only it would have made extended space travel be possible, but also help people suffering from incurable diseases, and I'd ultimately agreed to partake in the project, serving as research director. Clancy had me as well as a few selected Navy personnel stationed in the Navy Area to isolate the project's existence from the Big Table's occupants. During my time studying Anthony, I gradually bonded with the primate, becoming his only friend due to her own lonely upbringing causing her to sympathize with him. After weeks of extensive tests on Anthony's blood, I eventually discovered the truth behind Anthony's longevity, a new parasite-like bacterium inhabiting Anthony's body, which I dubbed the Parasite Cell.

Lincoln: The very thing that's been infecting the crew members.

Dr. Gena Weisburg: Upon further research, I also learned that the Parasite Cell was in fact a mutated strain of VMH-117, a harmless bacteria commonly found on primates, and I deduced that the bacteria was mutated due to to Anthony's direct exposure to space radiation during his time in space, and his very presence would cause everybody within the facility to be unknowingly exposed to the bacterium.

Nico: But, we haven't been infected not only thanks to our powers, but our bodies have the ability to fight off those kinds of infections.

Lisa: But, as a result, The Parasite Cell eventually got out of control and had infected the Navy Area's personnel transforming them into hostile creatures, and the outbreak had extended to the nuclear submarine, SEA FOX, and eventually the rest of the Big Table.

John Mayor: If he gets out, then...!

Lincoln: The whole world is next.

John Mayor moved in to kill Anthony, but then, we saw the another version of Dr. Gena Weisburg mutate into an enormous amorphous blob while crying for John to help her.

Then, we fired energy blasts that hit the another version of Dr. Gena Weisburg, and we injured her to the point that she'd appeared to regain her sentience, tearfully explaining her reasons for defending Anthony and leading the entire facility and its inhabitants to their doom. We holstered our weapons and powered down.

Gena Weisburg: It looks like we stopped her. Now, we must set the facility's self-destruct sequence, and there's a way out.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Leviathan on her forehead, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Leviamon and Leviathan, she has a demonic greatsword in hand and with her are the the ten girls.

Lincoln: (GASPS) Angela Leviathan, Avatar of Leviathan, Demon Prince of Envy and Gene-Slammer of Leviamon.

Angela Leviathan: That's right, and I got the girls away from the monsters. Come on, we got to set the facility to self-destruct.

We set the place to self-destruct according to Gena Weisburg's instructions, and we headed for the space capsule, and there we saw Anna Lawrensen's pet pit bull, Rambo, waiting for us as John Mayor went inside with him and we were going to teleport out of here. Then, we saw Anthony, who was determined to use the capsule to escape and spread the Parasite Cell within him to the surface world.

But before he could, the another version of Gena tearfully restrained Anthony.

Lincoln: Gena, what is she...?

Gena Weisburg: She's doing the same thing I've done: restraining Anthony so he couldn't escape.

Another Dr. Gena Weisburg: You're right about everything, I can't let Anthony live. Hurry, you must leave.

We nodded, and we teleported the capsule out of here and escaped in time because the facility began flooding, leading Anthony to drown and the another version of Gena to be destroyed in the facility's self-destruct sequence, thus ending the threat of the Parasite Cell.

Lincoln: Rest in peace.

Gena Weisburg: I hoped never to have to revisit that nightmare ever again.

Sharon State: Same here.

Lisa: This transgression will not stand! The president's not going to like hearing of this!

John Mayor: What happened here is not going to go unanswered, the president's not going to like hearing of this.

Lincoln: We're going to report this to the president when we head home. (To Angela Leviathan) And it's so good to see you again, Angela.

Angela Leviathan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Angela Leviathan had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Angela Leviathan was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Angela Leviathan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Angela Leviathan and hugged her, and Angela Leviathan is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Angela Leviathan: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo

with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Angela Leviathan, Avatar of Leviathan, Demon Prince of Envy and Gene-Slammer of Leviamon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Leviathan, The Demon Lord of Leviathan and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Leviathan himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven

Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Leviathan himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Angela.

Lincoln with his massive muscular arms still wrapped around Angela Leviathan leaned his head down the right side of Angela Leviathan's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Angela Leviathan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Angela Leviathan with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Angela Leviathan: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Angela Leviathan.

Angela Leviathan had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Angela Leviathan's waist, and he leaned down to her face and kissed her on the lips, and with Angela Leviathan's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Angela Leviathan had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Angela Leviathan: (In Heaven) My God.

Then, we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Alma Judikhali from The Most Notorious ＂Talker＂ Runs the World's Greatest Clan, Xanastaku and Zyanya from Onyx Equinox, Tarta and Tatra from Magic Knight Rayearth, and Itsumi Sumikawa, Kayo Sakurai, Konomi Suzue, Mitsuki Sagara, and Yuka Sumikawa from Cherish Pizza wa Ikaga Desu ka.

Lincoln: Oh wow, it's Alma Judikhali from The Most Notorious ＂Talker＂ Runs the World's Greatest Clan, Xanastaku and Zyanya from Onyx Equinox, Tarta and Tatra from Magic Knight Rayearth, and Itsumi Sumikawa, Kayo Sakurai, Konomi Suzue, Mitsuki Sagara, and Yuka Sumikawa from Cherish Pizza wa Ikaga Desu ka.

Nicole: And Angela did an awesome job getting them out of here and away not only from the hostile mutated creatures, but also, from Anthony as well.

Lincoln: Angela definitely made sure of that, her powers over hellfire burn any hostile organisms that try to infect her.

Travis Tackett: Just like with our powers and more powerful bodies and immune systems, but for her, it involves the powers of hellfire.

Lincoln: Right, Travis. Anyways, are you girls okay?

Alma Judikhali: Yes, we're okay, thanks to you.

Then, when Alma Judikhali and the other nine girls saw who it was that saved them from the mutant creatures, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of

Alma Judikhali: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alma Judikhali: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alma Judikhali, Xanastaku, Zyanya, Tarta, Tatra, Itsumi Sumikawa, Kayo Sakurai, Konomi Suzue, Mitsuki Sagara, and Yuka Sumikawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was really shocked we went into the world of the 1998 Sega video game, Deep Fear.

But, when Lincoln showed what we did in killing every last creature there and taking down the another version of Dr. Gena Weisburg who regained her sentience and stopped Anthony, the chimpanzee who was carrying The Parasite Cell in his body, and died as the facility self destructed, everyone cheered and ran to us and hugged us and Lincoln's harem kissed him. Lincoln and Angela Leviathan have a lot of catching up to do, now that she's back in town.

Maria: Damn, you guys went into the world of the Sega video game, Deep Fear, and you had to deal with mutated crew members who turned into hostile creatures.

Lincoln: It was like an underwater version of Resident Evil, but we survived it and ended what could have been a dangerous worldwide threat.

Nico: That's for sure.

I got off the phone with the president.

Me: And I also told The President about it, and he found out about the project from 40 years ago, it wasn't even shut down.

Caleb Maxwell: It was still in progress, but now after what happened, I think it's safe to say that the project of this egomaniac has been shut down forever.

Cage Blunt: That's for sure.

Travis Tackett: Messing with something that is labelled a threat to the whole world is basically playing with fire.

Nico: That's also like messing with the forces of nature, Travis, but you're right about that.

Nicole: Either way, I hope never to go through something like that ever again!

Lincoln: Same here.

Selene Arcangela: (Shudders) I think I'm gonna have nightmares for a week!

After Lincoln and all of us dealt with an underwater Resident Evil like nightmare in the world of the 1997 Sega video game, Deep Fear, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Angela Leviathan saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Angela Leviathan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Angela, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Angela Leviathan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Angela Leviathan: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the phone rang and Travis Tackett went to answer it.

Travis Tackett: Hello?

Captain Whitten: Travis, it's Captain Whitten. I just got word that some guys you knew from when you were turned into a vampire are in the city. One of the guys' names is Trevor.

Travis Tackett: (GASPS) Trevor? He's one of the guys who bullied me before and after I was turned into a vampire, and in one incident, I accidentally lost control when they were harassing me and Cage in Inez County, Kentucky and I killed them. Captain, don't do anything, I'll be right there.

Travis Tackett hung up.

Lincoln: Trouble?

Travis Tackett: Afraid so. These guys are from my past when I lived in Kentucky before and after I'd been turned into a vampire, and it looks like they're back for revenge on me for losing control after they harassed me and I accidentally killed them. You guys stay here, I've got to take care of this big problem.

Travis Tackett flew out of The World Tree Estate and landed in the city.

Travis Tackett: Trevor! I know you and your gang are here, you better come out here right now!

Then, a couple of male cats dressed in punk clothes from 1969 came out, they were Trevor and his gang.

Trevor: I should've known you'd show up here again, Travis! You murdered us!

Travis Tackett: Yes, it's true I murdered you, but you caused me to lose control. Of course, you had no idea I was turned into a vampire all those years ago.

Trevor: I don't care, we're gonna make you and your friend pay, and that girlfriend of yours will weep over your dead body.

Travis Tackett didn't lose control.

Trevor: What the?! You...!

Suddenly, we felt Travis Tackett's energy rise as his blood red eyes turned neon blood red and he was surrounded by a black and blood red, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels.

Travis Tackett: If you thought you could make me lose control again, you're sadly mistaken. But, I can't take kindly you threatened my blood brother and my girlfriend, and for that, you and your pals are heading for jail.

WE WERE STUNNED: TRAVIS TACKETT TRANSFORMED JUST LIKE CALEB MAXWELL, AND THAT MADE TREVOR AND HIS GANG PISS THEIR PANTS, BUT THEIR FEAR TURNED BACK INTO RAGE AND THEY SCREAMED IN RAGE!

Travis Tackett: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Scared, Trevor? (Smirks) You should be.

Travis Tackett went after Trevor and his gang, and he fired extremely powerful blasts of black and blood red, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels at them, and they exploded as they hit Trevor and his gang

Then, he attacked them with his massive greatsword leaving bleeding scars on them, and he also slashed at them with his gold-plated armored claws, and it was making Trevor and his gang angrier than ever.

Trevor: I don't care if you are a badass vampire now, you're still nothing more than a loser!

Travis Tackett: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Seriously, even after forty years passed since you and your gang died, you still held on to that mentality? No, Trevor, if anything, you and your gang are the real losers. Yes, it's true your lives were brought to an end when you made me go berserk, but you brought it on yourselves when you bullied me, I didn't have it great like you and the other kids when I was still mortal, my dad was a chronic drunk who was abusive and my mom died when I was young, but when I met Cage, everything changed for me even if it meant being turned into into a vampire by pulling an asshole move by getting drunk on alcohol and had drugs in my system. I wanted to leave the life I had to suffer through, and though true that Cage said wouldn't make my life better, I still took the risk.

Trevor: Why, you...!

Travis Tackett fired blood red energy blasts that turned into straitjackets and tied Trevor and his gang up.

Travis Tackett: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And if you think you want me to kill you all again, you're sadly mistaken. You guys are going to juvie, I still have evidence of all the crap you all did to me over three decades ago.

Travis Tackett whistled, and immediately, the cops arrived and they took Trevor and his gang away.

Casey Antonio: Looks like I've got some work to do.

Jack Howard: I know you work with juveniles, but these guys from thirty years ago are a different case, and they know Cage and Travis from that time as well, so take Cage with you.

Casey Antonio: Got it.

Adriana Ardelean Dracula: (Romanian Accent) This almost reminded me of the day I turned you into a vampire, Lincoln.

Then, Travis Tackett appeared back in The World Tree Estate.

Travis Tackett: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, he had a good life and family until Chase Young's Dark Side decided to try and break it apart, and Lincoln got stabbed by Dark Lynn who took hold of Lynn. But, it's true, both of our stories on how we got turned are connected. Now, Trevor and his gang are going to be sent to juvie: apparently, when they came back, they remained in the same age they were when they died.

Travis Tackett holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty black and red planets orbiting around his legs and twenty black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer blonde tail, and his massive blonde angel wings and four other sets of massive blonde angel wings underneath his massive blonde angel wings are permanent.

Cage Blunt: And you remained in control the whole time, I almost thought Trevor and his gang tried to piss you off again.

Travis Tackett: Not this time.

Then, Travis Tackett was hugged by Leela Salyers and kissed on the lips as she hugged him and he returned that gesture.

Nico: But, still, that was really awesome, Travis.

Me: Without a doubt.

Lincoln: Those guys are in some serious trouble when the cops take care of them.

Roxy Drake: We'll let Casey handle them.

Casey Antonio: I'm also bringing Cage with me as well, since these guys are from the late 1960s, I'm gonna need a vampire's help with that.

Cage Blunt: Smart move.

We got a shower, and then, Lincoln, Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker are heading to Aquarius.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on

it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

Avery Texasbronco: Wow, so this is Aquarius, it sure is beautiful.

Lincoln: It sure is, Avery, and it's perfect for our first date, shall we?

Lincoln, Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker and hugged them in their abnormally massive and powerful muscular arms, and Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquarius, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Avery Texasbronco, Bailey Texasbronco, Celia Texasbronco, Delia Texasbronco, Emily Texasbronco, Heather Cheesemuncher, Ivy Cheesemuncher, Jenny Cheesemuncher, Kara Cheesemuncher, Lila Cheesemuncher, Orin Snowwalker, Pearl Snowwalker, Rana Snowwalker, Sara Snowwalker, Tara Snowwalker, and Uta Snowwalker are in your harem, Linky.

Jenna: You guys had no trouble at all.

Bailey Texaswalker: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Cascade Kingdom for another round.

Me: Awesome!

Nico: Who wants to go with me?

Me: You know I'll go with.

Nico: Cool.

Jared: I'll go too as well.

Maria: Me and the Fashion Brigade too because you know.

Me: Good idea.

Ace Bunny: Me and Ben 10,000 will go as well.

Me: Okay.

Nico: Lets go then.

We went into the Simulator and it activated and we were in CASCADE KINGDOM!

Me: Here we are.

Nico: Wow! So awesome.

Nicole: Yep and you guys are in for some fun with the next baddies. There's gonna be 4 of them this time.

Qin: WHOA! That's a lot.

Camie: Yeah.

Ace Bunny: Wonder who they are.

Lincoln: Well I had a huge premonition on them. They are what I call the 4 Cottages of Food Doom. Their names are the Following:

Smoked Goudadark - The Hypothetical Akuma of Jerry Mouse and he is a goofy and silly cottage made entirely out of cheeses. He has cheese powers and more. He was made because he was fed up with Tom always coming after him and more and decided to get even with him and smash each of his 9 lives out of him.

Chateau Fearpizza - Tne Hypothetical Akuma of Shaggy and he is a house made entirely out of pizza and is always scared of everything! He was made because of the Cheese

Monster, Burger Monster and Pizza Monsters destroying all the restaurants in the city and he became this to destroy those monsters. But he always backs out because of his fear and cowardly yellow streak

Villa Salmonia - The Hypothetical Akuma of The Sea Captain from The Simpsons and yes he is a house made entirely out of fishsticks and it is funny. He was made because of Homer eating all of his food at the All You Can Eat Seafood Buffet Restaurant and vowed to kill Homer.

And Hut Fruitopia - The Hypothetical Akuma of The Flying Dutchman turned into a Vegetarian and he is a living house made entirely out of fruits and vegetables. Perfect for Herbivores and all Vegetarians. He was made because of Squidward mocking his ship and vowed to turn him into fruit and eat him

WE GASPED!

Lincoln came in and showed us sketches of them. They were houses made entirely of cheese, pizza, fishsticks and fruits and vegetables.

Me: WHOA! They're living houses of food!?

Ace Bunny: Didn't see that coming.

Nico: (DROOLS) I'm gonna eat the cheese one!

Lincoln: Oh yeah!

Nico: YEAH!

Me: Lets see.

I looked at saw that they were at the spot where the Dinosaur was supposed to be sleeping.

Me: There they are up there!

We went to face them!

Villa Salmonia: (Seadog Accent) Yargh! Good to see you all here.

Chateau Fearpizza: Like zoinks! It's good you're all hear!

Smoked Goudadark: Yeah it sure is!

Hut Fruitopia: It sure is guys!

Nico: (CRAZY TALK) GIMME THE CHEESE! I'M GONNA EAT SOME CHEESE!

Ace Bunny: Sorry about Nico.

Me: Holy Krabby Patties! You guys look awesome as houses of food! And you too Shaggy. Wow! I've known you for as long as I can remember and Pizza is number 1 out of your favorite foods. But then again you eat EVERYTHING!.

Chateau Fearpizza: (LAUGHS) Like being made of pizza is one of the best things thats happened to me.

Me: (LAUGHS) Yeah!

Jared: Boy I could eat you Flying Dutchman like this. I am a vegetarian after all.

Nico: GIMME SOME CHEESE NOW!

Me: Geez dude control yourself!

Nico: GIMME THE CHEESE!

Me: Man!

Chateau Fearpizza: (LAUGHS) Like he sure likes cheese doesn't he?

Me: Cheese is one of his all time favorites! He can't eat enough of it!

Villa Salmonia: Yargh that is a boy with a good appetite.

Me: I agree captain.

Hut Fruitopia: That is awesome too.

Me: You guys don't eat yourselves do you?

Chateau Fearpizza: Like no way. We let others eat us.

Me: Oh. Thank goodness you don't eat yourselves like Billy did. One time he turned into solid chocolate and couldn't stop eating himself.

Billy: I couldn't help it! I was so yummy!

Ace Bunny: I bet you were.

Sakura Knudson: (LAUGHS) That is funny though. Man Shaggy you look awesome as a house of pizza! I could eat you all up in one bite!

Chateau Fearpizza: (LAUGHS) Like yeah you could Sakura.

Me: Sorry we have to do this guys!

Nico: GIMME THE CHEESE!

NICO BUSTED OUT OF MY ARMS AND RAN FAST AND ATE THE ENTIRETY OF SMOKED GOUDADARK IN ONE BITE!

NICO BELCHED! Out came Jerry's eyes.

Smoked Goudadark: That always makes me laugh.

Me: Sorry about that Jerry. You know how much Nico loves cheese as much as you do.

Smoked Goudadark: That's all right. If it were Tom I would have crushed him.

Me: you got that right but it's still an iconic thing for him to chase you.

Smoked Goudadark: True.

Me: Lets dance!

We fired waves of energy and blasted them all over.

Me: Feel better Nico?

Nico: (LOUD BELCH) Oh that was sweet Nirvana!

WE LAUGHED!

Qin: Wait just the eyes can talk after you eat them?

Me: Like how those ghosts in Pacman do.

Qin: Oh yeah! I remember that.

Nico: (gets out Frost Walrus' Ridewatch) Chill out!

Nico activated it and fired waves of ice and froze them.

We fired waves of energy and blasted them all over.

Me: OH YEAH!

Ben 10,000: It's hero time!

He turned into Ultimate Ben!

Ben 10,000: ULTIMATE HUMONGOUSAUR!

He grew giant and smashed them all over.

Ace blasted them with energy waves.

But then a huge blast of water hit Nico and blasted him down!

Nico: HEY!

Me: LOOK!

We saw a Regiaqua!

Me: Regiaqua!

Nico: WHOA!

Eli: I sense something human about it.

Rockhoof: (Scottish Accent) Lets see here.

He used telepathy.

Rockhoof: Oh man! That's Celine Dahlstrom Rockhoof!

Me: You know her?

Rockhoof: She's my descendant!

WE GASPED!

Me: Oh man! I got this!

I snapped my fingers and she reverted back and was a girl with blond hair, blue eyes and had blue angel wings and Regiaqua on her forehead and had a blue version of Rockhoofs cutie mark on her arm.

I wrapped her in a blanket.

Nico: Lets finish this first before we talk to her.

Ben 10,000: Right!

We fired waves of energy and Jared ate Hut Fruitopia!

Lincoln ate Villa Salmonia.

And Leni ate Chateau Fearpizza.

Me: OH YEAH!

Then...

MASSiVELY LOUD MONSTROUS BELCH!

They released a huge belch!

Me: WHOA! Man that was loud!

Nico: Did we win?

Me: Yes you did.

Lincoln: Yeah!

They were bloated.

We high five.

Celine woke up.

Me: Celine? Are you okay.

Celine Dahlstrom Rockhoof: (Norwegian Accent) I think so. What happened?

Me: You were turned into Regiaqua by Dark Gale.

Celine Dahlstrom Rockhoof: (GASP) I remember.

She was in an ocean blue suit and injected and she turned into water and melted out of her suit and turned into Regiaqua! She escaped through the drains.

FLASHBACK ENDS

Celine Dahlstrom Rockhoof: It was awful.

Me: Well we're going to kill Dark Gale soon.

Lincoln: Yeah.

Nico: What's your role in Sonya's team?

Celine Dahlstrom Rockhoof: I'm the Lingual translator and hydromancer mage of the team.

Me: Cool! Language translation is cool.

Celine Dahlstrom Rockhoof: It sure is. Outside the team I'm a Cartographer and Linguistics professor and archaeologist.

Me: You would get along great with Milo Thatch.

Celine Dahlstrom Rockhoof: I sure would. Also I like studying about my heritage of Rockhoof.

Me: He's Applejack's favorite legend and she and her family love him.

Rarity: Indeed. Lets get you some new clothes darling.

The fashion brigade gave her new awesome blue clothes.

Celine Dahlstrom Rockhoof: Wow! I look awesome!

Me: You sure do.

We later left the simulator and everyone cheered for us.

Me: YEAH!

Lana: Awesome!

But then me and Lana saw glows on our arms and we saw our cutie marks glowing.

Me: (GASP) The map is calling both you and me Lana.

Lana: It sure is!

Me: Well looks like friendship is in trouble.

Nico: Good luck guys.

Me: Won't need it.

Me and Lana went to the map room.

Later the mascots had everyone at the table.

Daniella Grey: I wonder what you guys ordered.

Nico: Yeah.

Jirachi: It'll be here in a sec.

DING DONG!

Nico went and got the door.

Nico saw Bobby in a Thai Restaurant Delivery uniform and he had a huge bag of food.

Bobby: Hola Nico. Delivery.

Nico: Bobby? You work for a Thai Restaurant too?

Bobby: I sure do. It's awesome.

Nico: Come on in.

Bobby came in with all sorts of Thai food and the mascots gave him money. Everyone got curry and more from Thailand.

Ace Ukiyo: Wow! Bobby works in many things doesn't he?

Lori: He literally has a lot of jobs. Lifeguard, pizza delivery man, everything.

Laney: He has to support his family.

Poromon: We got you all lunch.

Nico: Awesome. We're hungry.

Sarah Tinsley: I'm starving.

Camie: Cool.

Nico: Bobby has to support his family all the time. His mother is an E.R. Nurse and she works 18 to 20 hours a day at the hospital caring for those that are critically ill and dying and in need of emergency care. She's pretty much away from home most of the time so Bobby has to work a lot to care for his family.

Bobby: It's true guys.

Ace Ukiyo: Wow! That's a lot of work.

Nico: Yep.

Poromon: We bought Thai food from this really awesome Thai Restaurant that just opened up 3 weeks ago and wanted to share it with you all for delivery.

Nico: Nice!

Everyone got good food.

Nico: Gracias Bobby.

Bobby: Denada Nico. See you tonight babe.

Lori: Thanks Boo boo bear.

He left.

Ace Ukiyo: Aww so cute.

Tigress: Lets dig in.

They got to eating.

Nico: Mmm! (Eating) Delicious!

Laney: I'll say! (Eating noodles)

Lola: Uh oh!

They saw NUMBUH 4 WITH HUGE UGLY SWOLLEN LIPS AND DROOLING UNCONTROLLABLY!

Nico: WHOA! Is that what happens when Numbuh 4 eats coconut?

Numbuh 5: That's right.

Laney gave him a shot and it cured him.

Numbuh 4: (GASP) Whew thanks Laney.

Laney: No problem.

Nico: Guess I should have warned you about there being coconut in the curry.

Bart: Oh and I forgot to mention that I can't eat shrimp. I'm allergic to it.

Nico: Oops.

Bart: I picked it out. It's good.

Qin: It sure is.

Agnes Skinner: Seymour can't have any either

Nico: Really Mrs. Skinner?

Agnes Skinner: Yeah he's allergic to peanuts.

Nico: Yikes.

Sam Sparks: I know the feeling too.

Camie: Yeah Thai Food has coconut, shrimp and peanuts in it.

Poromon: We'll have to remember to have that taken out next time.

Nico: Good idea. But thanks for lunch guys.

Poromon: No problem.

Slipstream: I wonder what the friendship problem is

Twilight Sparkle: The map doesn't really say but it shows where it's located.

Nico: Where was it at?

Twilight Sparkle: Somewhere out in the ocean.

Nico: Hmm. That's unusual.

Air Raid: I guess we'll have to find out what it was when J.D. and Lana get back.

Lola: Yeah.

---

35 minutes earlier, me and Lana were flying over the Pacific Ocean.

Me: Strange that the Friendship Problem is all the way out here in the middle of the ocean.

Lana: Yeah. I wonder what it is out here.

Me: It's probably on a deserted island somewhere but we'll have to find out.

I looked at my radar.

Me: We're coming up to it.

Lana: Check out that cruise ship.

Me: Wow! Wait look.

We saw Marina sitting on a rock crying all by herself.

Me: Marina? Oh man.

Me and Lana flew in.

Me: Marina? Marina are you okay?

Marina: (Sniffles) Oh hey guys.

Lana: What happened?

Marina: Sharko broke my music box!

Me: What!?

Lana: Why would he do that? He loves you.

Me: Yeah! Wait why don't you start at the beginning and tell us what happened.

Marina: Okay.

She told us that she was going to sleep and while listening to music from her prized music box. It was a purple box with a seahorse that plays a cute song she loves that she got from her father King Poseidon for her birthday when she was little. That music box means so much to her. Then she was woken up somehow and the next thing she knew Sharko crushed it and was saddened by it.

Me: Oh man. That music box is very special to you.

Lana: Yeah.

Marina: It is.

Me: Maybe Sharko can tell us what went down. Is that cruise ship yours?

Marina: Yeah it is.

Me: Wow that is a nice boat. We'll go ask sharko.

We went onto the boat.

Me: Feels like we should be taking a cruise.

Lana: Sure feels like it.

Sharko was trying to fix the music box.

Sharko: Oh hey guys.

Me: Hey Sharko. We heard what happened to Marina. We got her side of the story but we want to hear your side.

Sharko: Okay this was all an accident. It's like this.

He told us that as Marina was going to sleep, Zig came in and was going to kidnap her to eat her. Sharko was going to stop him but a chase ensued and Zig accidentally bumped the table and Sharko crushed the music box! Marina screamed and yelled at him and she cried and was sitting on that rock. And the rest is history.

Sharko: And that's what happened.

Me: That stupid jerk!

Lana: Man that stupid Zig!

Me: Let me take a look at it.

I looked at the music box. What's left of it.

Me: Hmm. Nothing I can't fix.

I fixed it with my powers and made it good as new.

Me: There we go. Good as new.

Sharko: You're a lifesaver J.D.

Lana: Uh oh!

WE SAW ZIG GOING AFTER MARINA!

Me: Why that little repulsive fleabag!

We went to face him.

Me, Lana and Sharko jumped and stopped Zig and I punched him and Lana bashed him in the face.

Lana kicked him and sent him flying!

Me: Whew!

But Zig came back.

Sharko came gave Marina the newly repaired music box and she was glad to have it back.

Sharko: J.D. fixed it for you and made it good as new.

Marina: Oh thank you guys so much.

Me: No problem.

Zig came back and we thrashed him over and over and over. 40 times.

We sent him flying back to the M.O.E.

Me: YEAH!

Marina: Aw thank you guys so much and Sharko I'm sorry I yelled at you.

Sharko: It's okay.

Sharko told her what happened and she was mad at Zig.

Marina: That Zig!

Me: Yeah. He's like a fly and is a constant nuisance.

Lana: Yeah no kidding!

Lana and Marina hugged.

Our cutie marks glowed and we knew what that meant. Our mission was done!

Me: YEAH! We're done with our Friendship mission!

We high five.

Later me and Lana came back.

Me: We're back!

Lana: Yeah!

Air Raid: How was it?

Me: Really awesome! Oh boy you guys got Thai food? Cool I'm starving.

Poromon: We saved it for you guys.

Nico: The mascots got us lunch.

Me: So that's what you guys ordered.

We got to eating and told everyone what went down.

Nico: What!? So Zig broke Marina's music box and she got mad at Sharko for it!?

Laney: Man that jerk!

Qin: Yeah!

Me: I know. That music box Marina has is very special to her.

Lana: Yep.

Burst Man: That was good food

Me: It sure is.

Carol: (LOUD BELCH) Oh pardon me.

Qin: (LOUD FART) Oops! Sorry.

Horsea: Are you allergic too, Qin?

Qin: No remember when I said that Thai food gives me really bad gas?

Nico: It's true.

Qin: Yeah. (LOUD FART) Sorry.

Nico: No worries.

Maria: Nico can fix that.

Nico: Yep.

Qin: (LOUD FARTS) (FART FART FART! FART FART FART! LOUD FART)

Nico: WHEW! MAN!

Xenia: Wow.

Nico snapped his fingers and she was cured.

Qin: Ahh thanks Nico.

Nico: No prob.

Qin: Still good though.

Came: Yeah.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags,

even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Ronan the Accuser, he's returned from the dead thanks to Anti-Monitor and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln rang the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like seeing again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Ronan the Accuser, he's returned from the dead thanks to Anti-Monitor and he wants revenge.

WE GASPED!

Captain Marvel: What?! Ronan's back?! This isn't good!

Me: I knew one day he'd return, and he's going to be massively pissed at us for killing Thanos, and he's going to take it out on me. But, that idiot's in for a huge surprise: I'd grown a whole lot more powerful since that day, I'm gonna rip him limb from limb, and rip his heart out of his chest, and I'm going to force him to eat his own heart.

Eli: Just like Nico did to Swartz.

Nico: Ooh! Now, that's a good one! Lincoln, where's he at?

Lincoln: He's where we first fought him years ago: Xandar.

Me: Where it began long ago.

Nico: And where it'll all end. Alright, team, let's go, the time to destroy Ronan the Accuser has come.

Lincoln: Ronan's time is up, he will pay for everything he's done in the name of Thanos.

Me: Yep. And we killed him back in 2018.

Lola: I remember that.

The previous group came.

Onyx: Can me, Lord Drakkon, Myotismon, Baron Mordo, Number 7, Zs'Skayr, Dark Spicer, Box Ghost, Ssserpent and Trickster go with you guys?

Nico: Yes you can. We're going to planet Xandar to battle Ronan.

Lord Drakkon: I knew he would return.

Nico: After we destroy him forever we'll come back for burgers.

Patrick: Can I get a large #1, extra size?

Lily: But Patrick aside from the Thai Food you also ate three orders of fried oyster skins! [Patrick opens his mouth, the fumes emerging from it. A foghorn sounds.]

Patrick: I love fried oyster skins.

Nico: (Sniffs) OH GOOD GOD! Patrick that is a nasty odor.

Qin: YUCK!

Laney: NO KIDDING!

Caitlyn: Nico, which Gene Slammer do you think you'll meet next?

Nico: I am going to hate this one. MaloMyotismon next.

WE GASPED!

Qin: WHOA MAN!

Camie: A gene-slammer of the very Digimon that caused you so much pain!? That is crazy!

Me: Yeah!

Nico: I know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed dark energy signals with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemies, Mother Miranda, along with Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento, who've returned thanks to the madness of Morgana Midnight Sparkle, and they all want revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figures we saw are none other than our old enemies, Mother Miranda, along with Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento, who've returned thanks to the madness of Morgana Midnight Sparkle, and they all want revenge.

Allie Ying Xiao: I remembered you telling me you destroyed Alcina Dimitrescu when she and Evil Luna showed up to cause havoc two years ago, and you also did a Four Houses Extinction attack that also killed Mother Miranda, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento. If they thinks they're gonna get away with trying to get revenge on you, they are sadly mistaken.

Nico: Uh oh, The Ambassador of Shendu, The Demon Sorcerer of Fire is about unleash The Flames of The Phoenix on those monsters, this should be good. Alright, team, let's head on out, we're off to the planet Jupiter.

Lincoln: We will finish what we started long ago, and destroy Ronan the Accuser once and for all and send him to The Black Abyss, and once we get done with him, you're next, Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento! (DRAGON ROAR)

Allie Ying Xiao: Oh crud. Now, you all have really gone and done it, this time, we'll make sure you all die here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and we got the ship ready and all of us headed out to Xandar to destroy Ronan the Accuser, and once we got done with him, Allie Ying Xiao and Lincoln are going to destroy our old enemies, Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento who came back from the dead to seek revenge on Lincoln, and they're going to make sure they never come back.

We were off to Xandar

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12328.3: The U.S.S. Valorous Phoenix is en route to the home planet of the Guardians of the Galaxy, Planet Xandar and we're heading there to destroy Ronan the Accuser, the very monster from where we first met the Guardians back in 2018. Our mission is to kill Ronan once and for all.

Me: We have 6 years of pain to dish out.

Myotismon: We should call Swordsman.

Nico: Good idea.

We did so.

Swordsman: I'm here everyone. So Ronan is back.

Me: Yep. We faced him back in 2018.

Camie: What happened back then?

Me: Oh right. Well it was a really awesome adventure.

I went over what happened in chapter 516 in Loud House Revamped.

When I was done everyone that hadn't heard about it was shocked and in awe!

Camie: WOW! That is cool!

Laney: It sure was.

Bleez: We should use a Star Blade on Ronan.

Me: Good idea Bleez.

Qin: Yeah!

Lola: This will be cool.

Gamora: I remember back in 2018 it was where we first met all of you.

Me: That was back when I showed everyone the Saturn Insane Asylum.

Star Lord: That was awesome though.

Drax: It sure was.

Me: Yep. And we were in the process of finding the Infinity Stones.

Number 7: How many were there?

Me: We had 1 so far back then. The Reality Stone. The red one. That one was in the hands of Freakshow.

Nico: Yep.

Me: And then Ronan had the Power Stone. The Purple one. That was the one that gave me the most powerful challenge.

Camie: Wow!

Xenia: Amazing!

Me: But all together there are 6 Infinity Stones.

Nico: Yeah.

Blizzard Man: Which one was next after that?

Me: The Space Stone. That was the blue one. It was in the Cosmic Cube and we had that with us after we used it to bring back all those killed by Voldemort.

Nico: I remember that!

Lola: Yeah!

Blizzard Man: Wow! Which one was after that?

Me: The Soul Stone. The Orange one. That one had a nasty requirement and that was to sacrifice someone precious to you in order to get it.

Dark Spicer: Peter Griffin, right?

Me: Bingo. We found a loophole in the requirement and got the stone that way by sacrificing Peter Griffin.

Nico: Yep.

Qin: Yeah.

Me: Also well we ran out of ideas for them on how to humiliate him and Dark Lois.

Lola: Yeah.

Dark Spicer: Wow. Which one was next after that?

Shanan: The Time Stone. The Green one.

Me: That one was in Dr. Strange's Amulet.

Dr. Strange: Yeah I had that one with me.

Lola: Wow!

Me: And lastly was the Mind Stone. The Yellow One. That one was in Loki's Staff.

Sinestro: I remember that.

Me: Yep.

Ace Ukiyo: How strong are the stones?

Me: Their power is immeasurable. These are said to be the very stones that created the very entire universe itself.

Ace Ukiyo: (GASP) Their power is that immense!?

Me: Yep.

Trickster: And altogether, they could wipe out half the universe.

Me: Yep and we watched what they could do on Infinity Wars and Endgame and lets just say that when we killed Thanos and his followers we prevented tons of terrible shit from happening. On December 26th, 2019 we fought Thanos and destroyed him and that cemented our place in history as the most powerful force in the entire universe.

Gai Kurenai: Wow! That is amazing.

Me: Yeah. I have all the Infinity Stones on my sword. Their power is now with me.

Nico: Yep.

Gai Kurenai: That is incredible.

Nico: That way, no one gets them again.

Me: Yep.

Gai Kurenai: Amazing.

Qin: Yeah.

Gai Kurenai: Wait! I just remembered. J.D. is it all true that Kang the Conqueror was really responsible for setting everything into motion and how he made you what you are?

Me: Yep. Every single word of it. It was all 100% true. Kang made me what I am today as part of a plan for the Avengers to retire and have me take their place. But it backfired in his face big time.

Nico: I swear to you he didn't want them dead.

Me: No he just wanted them to retire. He was getting tired of the Avengers beating him and foiling his plans. So he made me what I am to take their place. But he didn't count on one very fatal flaw in his plans.

Gai Kurenai: And that is the Avengers joining you guys!

Me: Bingo!

Nico: And other heroes joining us.

Gai Kurenai: Wow!

Me: Yep. But it did answer many of my questions as to what happened back then and why. My harem, my team, everything. It was all real and thanks to Kang.

Nico: Yep. Kang was the Catalyst behind it all. He made J.D. and us into what we are.

Camie: Wow! I was shocked about all that.

Lola: Yeah we all were.

Lord Drakkon: I was there when I heard him say all that. I couldn't believe it! Now we know why Kang did all that back then.

Me: I know. And I'm glad I got my answers.

Nico: Me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at planet Xandar.

Maria: We're here.

Rocket Raccoon: Good old Xandar.

Groot: I am Groot.

Rocket Raccoon: It sure is good to be home.

Maria: It's amazing.

Lola: Yeah.

We got to landing and we landed in the middle of the city.

Me: Here we are.

Camie: Wow! So this is Xandar.

Qin: It's amazing!

Nico: For many of you guys it's your first time here.

Me: Its been 6 years since we were here last time.

Lola: I know.

Nebula: I'll help in killing Ronan as well. It was Thanos who was in charge of Ronan to begin with. Consider this me getting rid of the reminders of that monster.

Me: Ronan is the last reminder we have to get rid of Thanos for good.

Qin: That's right.

Lola: Yeah.

Nico: But yes, you can help with that, Nebula.

Gamora: And I'll assist too.

Nebula: Wouldn't have it any other way.

Me: Cool.

Lincoln then had a Premonition.

Lincoln: (GASP) OH MY GOD! Captain Marvel turned into that!? Oh man!

Nico: What is it Lincoln?

Lincoln: I know who were going to face for the Akuma. It's Captain Marvel's Akuma, Admiral Bloodskull! The Hypothetical Akuma of Captain Marvel and she is a very dangerous and devious one that is as ruthless as Red Skull. She was made because of HYDRA killing the Avengers and in a cruel twist of irony was forced to join HYDRA and became this Monster!

WE GASPED IN SHOCK!

Lincoln showed us a sketch of her and she looked like a female version of Red Skull!

WE WERE SHOCKED!

Me: Oh my god!

Inque: Oh, don't tell me she speaks German now!

Me: That would be appropriate for her. But Steve I don't think you would want to face this version of Red Skull.

Captain America: No I sure wouldn't. One Red Skull for me is more than enough.

Me: Yeah. Not only that but when I faced Red Skull he put up one helluva fight.

Vince: I remember that!

Carol: Yeah I was there when that happened.

Me: That was brutal too. We both were equally matched back then. I wasn't nearly as powerful as I am now but it was brutal.

Nico: I wasn't there when it happened but I heard you guys did great killing him.

Me: Yep.

Ssserpent: Where is she?

Eli: 750 yards up ahead.

Nico: Lets go then.

Me: Be ready for anything though. If she is anything like Red Skull then she is gonna be dangerous.

We went to find her.

We looked for her.

Paragus: If she says "Heil HYDRA", I'm gonna lose it!

Qin: I always HATED that.

Me: I hate HYDRA too.

Nico: Okay where are you?

Eli: There!

We saw ADMIRAL BLOODSKULL!

Me: Admiral Bloodskull, I presume? Or do you prefer to be called Lady Red Skull?

Admiral Bloodskull: (German Accent) Ach so you all have come. Perfect. Und it's time to meet your doom! HEIL HYDRA!

Paragus: SERIOUSLY?!

Me: You did say you were going to lose if she said it!

Qin: YEAH!

Camie: It's true!

Inque: And it looks like I was right about the German Accent.

Nico: Yep.

Box Ghost: Carol? Is that really you?

Admiral Bloodskull: Nein! Now it's time to die.

Box Ghost: Uh I'm already dead.

Me: Lets see how tough you are as this.

I jumped and kicked her and knocked her down.

She got up and I blocked a punch and kicked her in her face.

POW!

I punched her in her stomach and dealt her a powerful uppercut.

She did a spinning axe kick and I dodged it and flipped and kicked her in her face.

She was knocked down.

Nico: WHOA! Nice moves.

Scrapper: You need to calm down!

She pulled out a laser gun and fired a blast that blasted Scrapper's arm off!

Scrapper: (SCREAMS) OUCH!

I kicked the laser gun out of her hand and caught it.

Me: Wow! Plasma ion cutter laser. Very impressive.

I kicked her down and she got back up!

Zs'Skayr: I guess we're doing this the hard way

Me: I knew it wasn't going to be easy.

I dodged her punches and kicked her and punched her and kicked her down.

Swordsman slashed her with his sword.

Lola fired blasts of fire and blasted her down.

Captain America: J.D.!

He gave me his shield and she fired a laser blast and I deflected it back with it.

Me: WOW!

Admiral Bloodskull: My turn!

She went at me and had a powerful energy saber ready and I blocked it with the shield and kicked it out of her hand and I caught it and slashed her with it.

Qin kicked her in the face.

Me: Whoa! Plasma Ion Energy Saber. Powerful.

Swordsman charged at her and slashed her and I threw the shield and it hit her on the head and knocked her out cold.

SMASH!

Qin: WHOA!

I caught the shield.

Captain America: Wow! Well done!

Me: Thanks Steve. That was cool.

Nico: YEAH! Where did you learn how to use all those moves?

Me: During my travels all over the world I mastered lots of martial arts moves and even made some of my own.

Nico: Wow! That is awesome!

Qin: Yeah!

Nico: How come you didn't use any energy blasts?

Me: I wanted to save my energy and power for Ronan. I'm going to hit him with everything I got.

Lola: Good reason.

We got to fixing Scrapper.

Scrapper: Wow that blaster packed a wallop.

Camie: It sure did.

Armada Starscream: The important thing is that it didn't hit you where it would really hurt.

Scrapper: That is true.

Drag Strip: Don't worry, Scrapper. Boss can heal your arm.

Scrapper: Thanks.

Nico: Nothing we can't handle.

We fixed him up.

Scrapper: That's better.

Camie: Cool.

Baron Mordo: Now to find Ronan.

Eli: Uh guys look!

We looked up and saw RONANS SHiP! THE DARK ASTER!

Me: That's his ship!

Xenia: WHOA!

Batch: Let's do our entrance as soon as he lands

Me: Good idea.

We hid and he then landed.

The door opened and out came RONAN THE ACCUSER!

Qin: There he is.

Me: Lets get him.

We went at him.

Ronan: I know you are here J.D. You will pay for your crimes against me.

Then the spirits of those Ronan killed came and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Crimes against you? More like Crimes against the entire universe!

Ronan: J.D.!

Me: Long time no punch Ronan.

Ronan: And not only that. For your crimes for killing Thanos as well as preventing his resurrection, I hereby sentence you to death!

Drakkon: See, this is why you'd do badly in a courtroom

Me: Leave the law and order stuff to the professionals! Murderer! And another thing, Thanos got what he deserved. Just like you will! And for the record...

I then powered up and released my aura and then in a massive vortex of energy I transformed! I then transformed into my new SUPER ANGEL-EBONWU-VAMPIRE-WEREWOLF-DRAGON-DEMON-MERMAID-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD BUFFALO VAMPIRE WEREWOLF JANUARY WOLF MOON MYTHOLOGICAL PHOENIX GOD ANGEL JUSTICE AND COSMIC ETERNAL HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC ETERNAL HARMONONIOUS THUNDERBIRD

I'm more powerful than ever before.

Ronan: I wonder how it's going to be, when one of us is dead!

Me: The only one that's going to die is YOU!

Ronan: We'll see...

Unfortunately for him, Star Lord interrupted him.

Star Lord: (singing and dancing) Oooh child things are gonna get easier. Oooh child things will be brighter. (to Ronan) Listen to these words.

Horsea: What is he doing?

Star Lord: Oooh child, things are gonna get easier. Oooh child things will be brighter. (to Ronan) Now bring it down hard! (dances hard) Someday…

Mevya: What's he doing?

Star Lord: (singing) Pull it together…

Ronan: What are you doing?

Star Lord: Dance-off bro, me and you. (to Gamora) Gamora.

Gamora shook her head no.

Star Lord: Settled I'll take it back.

Ronan: What are you doing?

Star Lord: I'm distracting you, you big turd blossom.

Me: Long enough for me to do...

I teleported and then kicked him in the face and kicked him in his stomach.

I formed a huge warhammer.

We went at each other and we swung our hammers and when the heads hit each other it released a massive and explosively powerful shockwave of pure fire and energy.

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOOOOOMMMMMMMMMMMMMMMMMMMMMM
MMMMMM!

The explosion was so powerful and so devastating that it shook the planet. Luckily the force field was holding.

Ronan fired energy blasts from his hammer and I dodged them and fired energy blasts at Ronan. They exploded with incredible power.

KABOOOMMM! KABOOOOOMMM! KABOOOOM!
KABBBBOOOOOOOOOMMM!

A figure came out and it was MUSHROOM WORLD from episode 2 of Zenkaigers!

After Barashitara retreated after the Zenkaigers' initial victory, Irujude began experimenting with the Kinokotopia Gear, creating Mushroom World by installing it on the chest of a Kudakk. Mushroom World immediately began generating mushrooms everywhere, including on the heads of others and especially Gaon. However, he was quickly found by Kaito and Juran, with Ijirude sending his World Monster down to fight them. He tried to stop them from transforming by overwhelming them with his club hands, but they were quickly able to transform and restrain his arms, although he then threw them off. The two were surprised to learn that the Tojitendo Dynasty was using variations of their Sentai Gears but quickly shrugged it off, and Kaito unleashed the power of Sentai Gear 06, which summoned the power of Google V to give them the ribbon weapons. With it, they confused Mushroom World by twirling them around then tripped Mushroom World in a game of Jump-rope, electrocuting him with the ribbons afterwards. Overwhelmed, he sprayed mushroom spores and then disappeared in an explosion of spores.

Later, as the Zenkaigers held a rally to gain support, Mushroom World and Irujude met on a balcony overlooking the city where he remained confident that his plan would succeed. When Irujude asked why almost every sentence he said had "shroom" in it, he commented that he was worried that he'd forget who he was since he was only recently transformed into a World Monster and Irujude decided to move to Phase 2. Said phase was to unleash the mushroom's true powers, unleashing poisonous spores that would eventually kill humanity and leave the Earth open for Kikaitopia to conquer. However, Juran (who was naturally immune to the spores due to being a robot) and Kaito (who was wearing a mask) were able to confront the duo before being joined by Gaon, who had decided to join the team to end Tojitendo's reign of terror. Mushroom World quickly summoned Kudakks to aid them. Although they swiftly destroyed the henchmen with the Shadow Dance granted by the Hurricanegers, Mushroom World snuck up on Kaito and sent him flying with a Smash Punch. Juran took him on as Gaon caught Kaito just to be sent flying by the Galactica Mushroom attack, so Gaon took him on as Juran slammed into a distant balcony, quickly throwing down Mushroom World. The World Monster tossed a minivan at Gaon but he jumped over it and overwhelmed Mushroom World with his claws before tossing him into the air where Kaito jump kicked him down. Mushroom World recovered but Kaito and Gaon finished him off with the Grand Zenkai attack which obliterated him instantly and caused all of his mushrooms to disappear, saving Tokyo

---

Nico: Mushroom World!

Swordsman: I never actually think I'd get the chance to kill Ronan the Accuser of all people

He stabbed him in the head and slashed his head.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and he stabbed them into Ronan the Accuser's chest, and he began absorbing him and he and all of us assimilated Ronan the Accuser's Superhuman strength, Superhuman speed, Superhuman reflexes, Nigh-invulnerability added to our true invulnerability and invincibility, Accelerated healing factor, Nigh-immortality added to our true immortality, High-level fighting skills, High intelligence, Intimidation, Political skills, Leadership, Brilliant military strategies, Expert combatant, Hammer mastery, Environmental adaptation, Toxic immunity, Enhanced physical attributes and endurance, Invisible field creation, Eye lasers, Energy absorption and projection, Molecular manipulation, Force field generation, Control over gravity, Control over the elements, Weather control, Creation of time-motion displacement fields, Interstellar teleportation, Hyperspatial passages, and Flight, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, Ronan the Accuser was completely drained of all his powers and strength and he looked like a toothpick. Then, I plunged my hand into his chest, ripped out his heart, and forced him to eat it as I shoved it into his mouth, and Ronan the Accuser fell to the ground and died, and we finally banished him to The Black Abyss forever.

We cheered as we holstered our weapons and powered down.

We were really amazed by Allie Ying Xiao's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento saw it, they ran at Allie Ying Xiao to kill her, but Allie Ying Xiao fired a massive barrage of crimson red, white, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, dragons, phoenixes, and angels and they hit Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento and sent them flying into a wall, they got back out, but they screamed in rage.

Lincoln, Maria Ying Xiao, Nico, and I went after Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Allie Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Allie Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento even more angrier than ever.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento's stomachs and a cluster of white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento were now on their last legs and they were really really mangled.

Then, he also drained them dry of their life forces and sucked out their souls, and he drained their souls of energy and banished them to The Black Abyss and their bodies turned to ashes.

We cheered wildly as we holstered our weapons and powered down and Allie Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive crimson red angel wings and four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Allie Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your faces ever again, Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento. Thanks for helping me take down Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Allie.

Me and Nico: Our pleasure, Allie.

Suddenly, Allie Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Allie Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Shendu, Demon Sorcerer of Fire flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Allie Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That'll serve Mother Miranda, Alcina Dimitrescu, Bela Dimitrescu, Cassandra Dimitrescu, Daniela Dimitrescu, Karl Heisenberg, Salvatore Moreau, and Donna Beneviento right. They had a lot of nerve coming back from the dead, and I can blame Morgana and her demonic minions for that one.

Lincoln: Without a doubt it had those she-demons behind it.

Eli: Sore losers.

Laney: No, they're more than that, absolute monsters is what I would call them!

Twilight Sparkle: When we finally go after Dark Gale, they will also pay for their crimes once and for all.

Me: And we'll make sure they never come back! So,Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Belphegor.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. The Sigil of Belphegor appearing means we are running into the next of The Seven Queens of The Netherworld: Sharon Belphegor, Avatar of Belphegor, Demon Prince of Sloth and Gene-Slammer of Belphemon.

Nico: Oh man. So, what can you tell us about her?

Selene Arcangela: Oh right, Sharon Belphegor, Avatar of Belphegor, Demon Prince of Sloth and Gene-Slammer of Belphemon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Leviathan, The Demon Lord of Sloth and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Belphegor himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven

Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Belphegor himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep.

Saix: And so ends Ronan the Accuser.

Ebon: And any traces of Thanos.

Cargill: Good riddance.

Me: Thank goodness.

Iron Lung: How should we celebrate?

Eccentro: Any restaurants in Xandar?

Star Lord: Not that I know unfortunately.

Nico: Well we'll still have good food back home. Good job today everyone.

Qin: Awesome.

Gamora: (To the viewers) Now we are rid of Thanos and his followers forever.

Nico: Yep.

We went back home to Earth and had a good meal at Lynn's Table.

We returned home, and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Suddenly, he felt a cold chill in the air, and he turned around and saw four ghosts appear: they were his old friends, Mark Davis, Logan Michaels, David Johnson, and Benny Edwards. Then, he followed the ghosts, and he arrived at an apartment in the eastern part of Manhattan, but it had a dark aura of dread as there was a history of murders and suicides that took place there since before his death, and due to it, those who went in there were either murdered or took their own lives and were left as restless spirits.

Caleb Maxwell: Mark, Logan, David, Benny. Why did you idiots enter into that apartment so long ago? One day, I'm ending the curse that hangs over the apartment, and then, I'm going to find the person who did this and I'm going to end him forever.

Caleb Maxwell returned home and went to sleep.

Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Next is Fluttershy's day to shine and we're going to battle Sir Fangar and send him to the M.O.E.

See you all next time.

Fluttershy of Chima VS Ice

Fluttershy and Nature always show great love together

In the pre-dawn hours at 12:45 AM, Hitch Trailblazer was asleep and he was dreaming. He had a really amazing and interesting dream. He had seen himself and Sparky in an amazing and unknown part of Equestria that he never went to and he was in a forest. He was walking around and saw all kinds of beautiful flowers and more. Even the animals were cool.

But then he and sparky saw a pink wing butterfly and it fluttered around him.

Butterfly: Find me.

Hitch and Sparky followed it and it showed a hidden tunnel and it was under a tree. He went through a vine tunnel and got to a hidden door and it had Fluttershy's cutie mark on it. He opened the door and it lead to a BEAUTIFUL FLOWER OASIS ROOM and it had lots of flowers with birds, butterflies, animals of all kinds and more in it.

Then Sparky and Hitch saw what looked like a glass coffin and he went over to it and gasped.

But before he could open it he woke up.

Hitch Trailblazer: (GASP) I know where Fluttershy of my world is! We'll have to find her on the main mission

---

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to New York, and as he was flying, he saw someone on top of The Empire State Building: it was a young male who was tall at 6'11" in height and had a super-strong bodybuilder's physique, long midnight black hair going down to the upper part of his back with dark purple ombre streaks on the back, peach-colored skin, and he was dressed in a long midnight black trenchcoat with dark purple inlay inside the coat and for the coat's collar, black jacket, short-sleeved dark purple shirt with a snake on it, long black pants with belt and silver snake head for the belt buckle and silver snake heads around the belt on his waist, black knee high boots with silver snake heads for the buckles of the boots, and black fingerless gloves with silver-armored claws covering his fingers.

But, then, Lincoln felt a dark presence around him as he saw that in the man's right hand was none other than The Spirit Reaper, the large menacing scythe of Orochi, The Serpent King, and when he picked up his head, he'd opened his eyes, but his eyes were light green with snake pupils like those of Orochi X, the second reincarnation of Orochi, and what's even more horrifying was when Lincoln saw the male's face was suddenly being covered in the same markings that Orochi had, and he had a horrific dark purple and blue aura around him. Lincoln woke up, but so did his harem and kids too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, Lily, and it'll also concern Caleb Maxwell first thing tomorrow.

Suddenly, a vision orb appeared levitating in front of Lincoln, and he and his harem saw into it as it showed Mustafar, and they saw The Five Star Ball, but bad news: it's in the hands of Evil Anakin, the dark side of Anakin Skywalker. The vision orb vanished.

Lincoln: And we just found The Five Star Ball.

Ronnie Anne: And in the hands of Evil Anakin. Well, you know what this means?

Girl Jordan: We're getting it back and making that monster pay for his crimes.

Paige: Plus, we got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, and knowing Caleb, it will concern him, along with Lori since we'd faced Orochi before and when we turned him back into Yinglong and sent Orochi's eight incarnations to The Black Gates.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, I found The Five Star Ball, it's on Planet Mustafar, but bad news: it's in the hands of Evil Anakin.

WE GASPED!

Eli: Oh crud.

Nico: Damn, I thought we were done with that guy!

Me: Same here. So, we got to get The Five Star Ball back and send Evil Anakin to The Black Abyss, it'll just be like the duel on Mustafar.

Luna: Only, this time, he ain't coming back ever again.

Lincoln: Right. Oh, and I had a dream last night, and this concerns you, Caleb: last night, my dream took me to New York.

Lincoln explained what happened in his dream, and when he was done, we were horrified. Plus, when Caleb found out who it was, he was horrified too.

Caleb Maxwell: Oh my God, that man you saw in your dream last night, that was my old friend from high school, Alex Rodriguez. Apparently, he went missing five years ago from New York University, and no one has been able to find him since then.

Suddenly, a vision orb formed in Lincoln's left hand, and we saw that Morgana Midnight Sparkle and her minions were the ones who kidnapped Alex Rodriguez and they resurrected the eight incarnations of Orochi, and they used their dark magic and forced him to absorb them into his body, thus giving him the powers of Orochi and his God of Destruction incarnation, Orochi X, leading to what happened to him. The vision orb vanished.

Caleb Maxwell: Those...unforgivable...! They did this to my old friend, they're gonna pay!

Fu Xi: Resurrecting the eight incarnations of Orochi and forcing your old friend to absorb them into his body, there truly is no line they are willing to cross.

Taigong Wang: Truly, their blasphemous actions can never ever be forgiven.

Yinglong: What they'd done bringing the eight incarnations of Orochi back, and forcing an innocent person to absorb them and leave him down a terrible path, they cannot be forgiven.

Caleb Maxwell: I've got to save Alex, if there is a way to free him from the demonic power of The Serpent King, it's a possibility that he can be safely restored to normal.

Allie Maxwell: What those Hellspawn she-demons did to Alex can't be forgiven, now it's personal!

Lincoln: I'll also help too, besides, I've got a little surprise in store for him.

Nico: This should be a good one.

Me: I'm also looking forward to seeing the surprise for myself.

Fluttershy woke up to see Meowscarada staring at her

Meowscarada: Morning Fluttershy.

Fluttershy: Oh good morning Meowscarada.

Meowscarada: You ready for your fun day?

Fluttershy: Oh I sure am.

Meowscarada: Time for breakfast.

She went and got dressed and went to the table and was having tea and fruit salad.

Later it was time for the rescue and the U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12330.1: The U.S.S. Valorous Phoenix is en route to the planet Mustafar for the 3rd Black Star Dragonball and we're going there to find the 5-Star Dragonball and bring it back.

Me: Mustafar is really gonna be intense.

Qin: Yeah it sure is.

Lola: Yeah! That place is hot and lethal.

Camie: It sure is.

Ikki Igarashi: I remember it's where you guys found Vice.

Me: Yep.

Nico: Bubble Man, I want to thank you, Bubble Crab, and your teams for coming

Bubble Man: No problem Nico. This is gonna be awesome and cool.

Selene Saiken: It sure will be awesome.

Nico: Selene, what do you like to do on your free time?

Selene Saiken: I like making my own bubble soaps. I make bubble soaps for everyone.

Lincoln: She makes fruit syrup bubbles and they are edible syrup bubbles.

SpongeBob: Ooh! That is my kind of bubbles.

Patrick: Mine too.

Xenia: Cool!

Spongebob: Can I try some?

Selene Saiken: Sure!

She pulled out Strawberry Bubbles.

Selene blew bubbles and they formed into Krabby Patties. SpongeBob opened his mouth and ate them.

SpongeBob: (Slurps) Yummy! Strawberry Bubble Krabby Patties.

Nico: That is cool!

Me: It sure is.

Laney: Yeah!

Selene Saiken: It's fun and awesome.

Nico: It sure is!

Me: Yeah!

Lola: Yep. Wow! Man yesterday was explosive!

Qin: It sure was! We killed Ronan the Accuser and erased all trace of Thanos forever.

Laney: Good riddance!

Star Lord: How did you like my song and dance?

Me: It was awesome Peter! Man you showed your stuff!

Lola: Yeah!

Camie: That was awesome!

Star Lord: Yeah that was cool!

Captain America: We also saw the first Avenger turned Akuma

Captain Marvel: Yeah! I was turned into a female version of Red Skull.

Me: That was shocking Carol.

Nico: Yeah! But J.D. that was really impressive that you faced Red Skull before I joined you guys.

Me: Yeah Red Skull put up one helluva fight.

Nico: I know. Also that was scary seeing Captain Marvel as a female Red Skull.

Paragus: Her saying Heil HYDRA made me go nuts!

Horsea: I thought she was going to Heil Hitler

Me: Yeah.

Laney: Thank goodness she didn't.

Camie: But at least Ronan is gone.

Me: That is for sure.

Camie: Yeah.

Me: One thing is for sure, HYDRA can bite my big fat fucking ass

Nico: How many balls do we have again?

Me: 2 so far. We have balls 2 and 7.

Qin: Okay so this will be number 3.

Me: Yep.

I looked at my device.

Me: We have 362:17:32:34.

Nico: We're actually making good progress.

Me: Yep so far so good.

Qin: That is for sure.

Camie: I agree.

Hitch Trailblazer: Yeah! Hey guys I had an interesting dream and I think I know where my worlds version of Fluttershy is.

Me: Really Hitch?

Nico: Can you tell us all about it?

Hitch Trailblazer: Sure.

He did so and we were shocked and amazed!

Me: Wow! Just like how I surmised and predicted.

Nico: We'll have to find her later.

Me: Yep. First lets do the rescue.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the volcano planet of Mustafar!

Me: Planet Mustafar.

Anakin: The very place where me and Master Obi Wan battled.

Me: I'll never forget that one.

Nico: It's Very Hot.

Me: Yep. Not Valmorg hot but hot enough.

Qin: Yep.

We got to landing and we got out and we saw the surface.

Me: Here we are.

Ace Ukiyo: Wow! So this is Mustafar.

Camie: Yep this is it.

Ikki Igarashi: Wow!

Vice: This is where you guys found me.

Nico: You thought Qin was pizza

Qin: (LAUGHS) Yeah that was funny. But if Mad Mike turned me into a pizza I'm sure you would eat me Vice.

Vice: (LAUGHS) Yeah that is true.

Lola: (LAUGHS) Yeah.

Nico: Yep. But we have been to this planet many times before.

Qin: We sure have.

Nico: Lets be careful.

I used the Dragon Radar and it showed the ball located 630 klicks east.

Me: It's that way at 630 klicks.

Nico: Okay.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Mustafar to get The Five Black Star Ball, and just as we saw last night, it's in the hands of Evil Anakin, the Dark Side of Anakin Skywalker.

Me: Just as you told us this morning, and I'm looking forward to killing that monster once and for all.

Nico: Same here.

Eli: Same with me.

Maridia Amidala then appeared.

Maridia Amidala: I still remembered seeing the duel between Obi Wan and Anakin when he was under the influence of The Dark Side of The Force, Palpatine really is nothing more than a monster. When we do face him, he and every Sith Lord in existence will be wiped from the galaxy forever!

Lincoln: And we'll start by getting rid of Evil Anakin.

Suddenly, Lincoln had a premonition, and it's not good: it appears Alex Rodriguez is coming after us, and it appears the darkness of Orochi's demonic chi has taken hold of him.

Lincoln: Oh crud.

Me: Lincoln, what's wrong?

Lincoln: It's not good, Alex Rodriguez is coming after us, it appears the darkness of Orochi's demonic chi has taken hold of him.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, whatever you have planned, I hope it saves Alex's life.

Lincoln: It will.

Suddenly, Crash Bandicoot appeared along with the rest of the team who also arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as possible.

Lori: So, we're here on Mustafar to take down Evil Anakin and get back The Five Star Ball, and when Caleb found out Alex Rodriguez is coming after us, he was already getting worried beyond belief.

Cage Blunt: And we understood why: they were friends back in high school, and to find out his best friend got kidnapped by those Hellspawn she-demons and forced to absorb the eight incarnations of Orochi and turn into that, he was pretty angry.

Caleb Maxwell: They're gonna pay for what they did.

Crash Bandicoot: We better get going and fast if we want to kill Evil Anakin, get the Five Star Ball back, and cure Alex Rodriguez.

Lincoln: That's right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were

glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Anakin) AHA! There you are, you monster of The Dark Side of The Force! I just spotted Evil Anakin, he's s 20 yards away, but he's coming right at us and he's out for blood again. (Sensed Alex Rodriguez) Oh no, and I just spotted Alex Rodriguez.

Nico: Let's get going.

Piper heard a Pokemon cry.

Piper: Hey look.

We saw a Vulpix.

Me: A Vulpix! Wow!

Piper: Oh poor thing. Are you hungry?

Vulpix: I sure am.

Piper gave her food.

Vulpix: Thanks.

She was eating apples.

Piper: Wanna come with us?

Vulpix: Sure!

Piper: Awesome! You won't regret it.

Nico: Nope.

Qin: Yeah.

Nico: This planet is actually perfect for you.

Vulpix: Boy it sure is.

Me: Yep. Perfect and fiery.

Lola: Yeah.

Vulpix hopped on Piper's shoulder

Piper: Yeah! This will be great.

Camie: It sure will be.

Lola: I agree!

Nico: Lets keep going.

Me: Right.

But then we saw a REGISKY!

Me: REGISKY! Wow!

Nico: What's that doing here?

Nicole: No idea.

Moonlight Raven: Hmm. I wonder.

She used her telepathy and gasped.

Moonlight Raven: (GASP) That's my sister Blue Moonlight Raven!

Me: Oh man! We got to help her!

We went over to her.

Moonlight Raven: Blue it's me Moonlight!

All she did was charge at her.

We dodged her.

Me: She won't listen to you but maybe this.

I fired blasts of fire and blasted her down.

Qin: OH YEAH!

She fired waves of wind at us and we dodged them.

Nico: She's not going down easy!

Me: Nope!

I fired waves of lightning and electrocuted her.

Then I snapped my fingers and she reverted back. She had sky blue hair, blue eyes, Regisky in the middle of her forehead and blue angel wings and had a blue version of Moonlight Raven's cutie mark on her arm.

Me and Moonlight wrapped her in a blanket and we brought her over.

Me: Wow.

She woke up.

Blue Moonlight Raven: (Groans)

Moonlight Raven: Blue? Are you okay?

Blue Moonlight Raven: Moonlight? (GASP) Moonlight!

They hugged.

Moonlight Raven: I'm so glad you're okay.

Me: You were turned into a Regisky by Dark Gale.

Blue Moonlight Raven: (GASP) I remember!

She was wearing a sky blue suit and was injected. Then she was turned into pure wind and flew out of there as a Regisky!

FLASHBACK ENDS

Blue Moonlight Raven: It was awful.

Lola: Well we're going to destroy Dark Gale soon.

Camie: Yeah.

Nico: What's your role in Sonya's team?

Blue Moonlight Raven: I'm a darkness and water master. I banish my enemies to the darkness of the netherworld.

Camie: Cool!

Blue Moonlight Raven: Outside the team I'm a fashion model. I try on awesome new outfits.

Moonlight Raven: She put on so many amazing clothes and outfits.

Camie: Wow that is awesome.

Maria: We'll get along just fine.

Leni: We totes will.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her an awesome new sky blue ensemble and it was amazing.

Blue Moonlight Raven: I look great!

Nico: You sure do.

Qin: Yeah!

Blue Moonlight Raven: Yeah! This is awesome.

Lily: Yep.

Nico: Lets go after our target.

We took off into the air and we set out to get The 5 Black Star Dragon Ball and destroy Evil Anakin and send him to The Black Abyss and save Alex Rodriguez from what Morgana and her minions did in forcing him to absorb the eight incarnations of Orochi and turn into the person Lincoln saw in the dream last night.

We were flying in the air, and we spotted our target: The 5 Black Star Dragon Ball, and it was in the hands of Evil Anakin The Malevolent Dark Side of Anakin Skywalker, and he was heading right for us in a bloodthirsty fit of rage again!

Lincoln: I've had it up to hear with this monster. This is where it all ends for you, Evil Anakin!

Lincoln fired orbs of fire which grew even stronger by feeding on the infinite fire and heat of Mustafar from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Evil Anakin and they hit him and exploded, and he screamed in insane rage as we landed, and when he saw us again, he went mad with rage and tried to attack us with his lightsaber, but Lincoln fired Force blasts and Force Lightning that sent that monster flying into a rock. He got out, but he bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 5 Black Star Dragon Ball to his hand.

Evil Anakin: GIVE THAT BACK RIGHT NOW OR I WILL KILL YOU ALL!

Lincoln: Oh, shut up. You've got some goddamn nerve coming back from the dead again, Evil Anakin.

Me: You selfish monster! You're going to pay for your crimes!

Eli: That's right. (Draws lightsaber) Evil Anakin Skywalker, in the name of The Galactic Senate of the Republic, you are under arrest!

That angered Evil Anakin, but before he could attack us, he was slashed in the back, and we saw a really nasty bleeding deep scar on his back. Then, we saw who it was that did it: a young male who was tall at 6'11" in height and he had a super-strong imposing bodybuilder's physique, long midnight black hair going down to the upper part of his back with dark purple fire ombre streaks on the back, peach-colored skin, and he was dressed in a long midnight black trenchcoat with dark purple inlay inside the coat and for the coat's collar, black jacket, short-sleeved dark purple shirt with a snake on it, long black pants with belt and silver snake head for the belt buckle and silver snake heads around the belt on his waist, black knee high boots with silver snake heads for the buckles of the boots, and black fingerless gloves with silver-armored claws covering his fingers.

But, we saw that in the man's right hand was none other than The Spirit Reaper, the large menacing scythe of Orochi, The Serpent King, and he had light green eyes with snake pupils like those of Orochi X, the second reincarnation of

Orochi, and what's even more horrifying was that his face was covered in the same markings that Orochi had, and he had a horrific dark purple and blue aura around him: it was Alex Rodriguez, Caleb Maxwell's old friend from his days in high school.

Caleb Maxwell: (Gasps) Alex...!

Alex Rodriguez: (Demonic Echoing Voice) The battle rages, now show me why I haven't slain you all yet.

Suddenly, Alex Rodriguez took back control of his body as the facial tattoos disappeared.

Alex Rodriguez: C-Caleb! Please, kill me! I can't keep it controlled any longer!

Caleb Maxwell: No! I'm not going to kill you, don't be an idiot, Alex! We're going to save you!

But, then, Orochi's demonic chi took control of him again, and the facial tattoos reappeared.

WARRIORS OROCHI 3 OST: THEME OF OROCHI X - FATAL MIX

Alex Rodriguez: (Raises his Spirit Reaper and points it at us) (Demonic Echoing Voice) Come, end me if you can, end this nightmare of yours.

Lincoln: This won't end in the way you hope, Alex.

Lincoln positioned Brísingamen and he fired a wave of fire, ice, and light that hit Alex Rodriguez hard in the chest. Then, he summoned the Sacred Treasure Mjölnir and he smashed it down to the ground and summoned lightning from the skies that hit Alex Rodriguez.

Suddenly, Alex Rodriguez fired a blast of infernal dark energy at Lincoln, but he dodged it, and then, he summoned the Sacred Treasure Taijitu and he augmented his massive greatsword, and he fired a beam of powerful light that hit Alex Rodriguez disorienting him.

Yinglong: Impressive work, Lincoln.

Alex Rodriguez: (Demonic Echoing Voice) How? How is this...?!

Suddenly, Alex Rodriguez took back control of his body as the facial tattoos disappeared. But, then, we saw the purple and blue energy aura flare up extremely.

Alex Rodriguez: I won't allow this power to control me anymore! I control it, it does not control me!

Suddenly, Alex Rodriguez began reigning in the powers of Orochi and Orochi X, The Serpent King's second reincarnation and The God of Destruction, and then, we saw a black shadow leave him and it had the faces of The Midnight Princesses, and it was destroyed forever.

Alex Rodriguez: I...I did it. I finally reigned in the powers of Orochi and Orochi X, The Serpent King's second reincarnation and The God of Destruction. You lose, Morgana.

Evil Anakin: YOU...! LITTLE...!

Evil Anakin charged at Alex Rodriguez, but he swung his Spirit Reaper scythe and he fired a powerful cutting wave of dark energy at Evil Anakin and sent him flying into a rock, he got back out, but he let out a loud scream of rage.

We punched him down.

I ignited my lightsaber.

They fired waves of darkness and blasted him.

Nico: You know Palpatine was evil, right?

Evil Anakin: From my point of view, the Jedi are evil. Not doing much to help Onderon. Expelling Ahsoka without evidence!

Me: That is fucking bullshit! What Palpatine told you was nothing but a bunch of grade A Fucking Lies!

Camie: He poisoned your mind with lies!

Xenia: YEAH!

Evil Anakin: I want all the Jedi to suffer!

Eli: WELL THEN YOU ARE LOST!

Nico used Shiv's powers to turn his hand into a light blade and then sliced off his hand

SLASH!

ANAKIN SCREAMED!

Me: WHOA MAN! That's gonna hurt!

Laney: Ouch.

Me: (Imitating Darth Vader) There is no escape. Don't make me destroy you.

Poromon pecked him.

POINK POINK POINK POINK!

Poromon: And this! (LIGHTNING JAVELIN)

HE FIRED A POWERFUL BLAST OF LIGHTNING AND ELECTROCUTED HIM!

Me: Taste this!

I fired waves of Force Lightning and electrocuted him all over.

Eli fired waves of Force Lightning and electrocuted him all over!

Poliwag slapped him with tail.

WHAP WHAP WHAP WHAP WHAP!

Horsea squirted ink into his eyes.

Manaphy fired an energy blasts and blasted him.

We fired more Force Lightning and electrocuted him all over.

Me: This is what you get for killing all those Jedi and all those people! Their blood is on YOUR HANDS!

Nico: And for believing the lies of a Fucking Madman!

Mevya hopped over to him and fired energy blasts from his mouth.

I fired more Force Lightning blasts and electrocuted him more.

Me: How can you be so fucking gullible Anakin! Is this what your mother would have wanted!? Is this what Padme would have wanted!? Is this what your children and family would have wanted!? To see you turn to the Dark Side!? To see you turn into the very monster you swore to kill!?

Nico: Palpatine would have died quickly if you didn't turn on Mace Windu!

Me: But instead you chose to slice him in half like a piece of meat!

Evil Anakin: THE JEDI ARE EVIL JUST LIKE EVERYONE ELSE!

Me: They are not the evil ones Anakin! It's you!

Nico: Actually, he attacked Mace Windu so Palpatine could Force Lightning him out of the window

Me: Noted.

Evil Anakin: The Jedi are evil! All the Jedi were trying to take over!

Me: That's a fucking Lie!

Eli: The Jedi are the defenders of peace! You were a great Jedi! But you turned into the very opposite! You are the evil one! The Jedi are good, you are evil!

Obi Wan: That's right Anakin! You were the chosen one! It was said that you would destroy the Sith! Not join them! Bring Balance to the Force! Not leave it in darkness!

Nico: I'm glad Qui Gon died before he could see what you caused!

Me: If he could see what you did Anakin, he would be rolling in his grave!

Xenia: YEAH!

Obi Wan: You were my brother Anakin! I loved you!

Me: And so did Padme! And your mother!

Evil Anakin: (ENRAGED) I HATE YOU!

Our auras flared up explosively!

Nico: Dammit, you said it before we could do this!

Nico pushed him into the lava.

He got burned all over and screamed in agony as he was on fire! We looked away as he was being burned!

Eclair: It's horrible!

Me: Lets just finish him off and get it over with! Lets just put him out of his fucking misery.

Allie Maxwell fired bullets at Evil Anakin, and he got hit hard, and he went ballistic to the core and roared again in rage!

Alex Rodriguez: Let me have a turn at this bastard.

Alex Rodriguez went after Evil Anakin, and he swung his Spirit Reaper scythe at the monster, but he dodged it. Then, he fired dark energy blasts, summoned fireballs, fired lightning bolts from his left hand, and he also fired blasts of ice at Evil Anakin, and he got hit hard. Then, he leapt up into the air, and he vertically-spins rapidly in the air before descending and smashing his scythe on the ground, emitting a massive electric shockwave on impact which Evil Anakin got caught in its path and was sent flying into another rock.

Then, he charges energy within his left hand for a brief moment before he fired a massive red beam of energy forward which hit Evil Anakin again, and that really really pissed him off even more as he charged at Alex Rodriguez who briefly fazed himself to become invincible while he stands upright, and then, he emits a damaging red and black shockwave surrounding the ground around him, and it also emits red bolts of energy to also trap a skyward Evil Anakin into its range, and it also hit him within its reach several times as he flew back to us, and Evil Anakin got back up, but he was beyond pissed off.

Maridia Amidala: I think you've done enough damage, Alex. Now, it's my turn.

Suddenly, Maridia Amidala's red eyes turned neon red and she was surrounded by a red and orange, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, light, darkness, phoenixes, and angels, she unholstered her massive greatsword in her right hand and summoned her One-Winged Angel Keyblade in her left hand, and as she approached Evil Anakin, she left red and orange, white, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, light, darkness, phoenixes, and angels with every step.

Maridia Amidala: I will never forgive you for what you've done, Evil Anakin. I can't believe that you let yourself be seduced by the Dark Side of The Force and you turned your back on The Republic, and it led you down a path of darkness. This is the last straw, and now, I will see to it that you pay the price for all of your crimes.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF MARIDIA AMIDALA WITH INCREDIBLY DEVESTATING AND

UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE DRAGON WENT BACK TO EARTH AND MARIDIA AMIDALA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Maridia Amidala was surrounded by a massive vortex of red and orange, white, and blue energy with stars, aura energy, white and blue heavenly flames, fire, flames, light, and darkness surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at Evil Anakin: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortex.

Me: INCREDIBLE!

Nico: UNREAL!

Lincoln: THIS IS IT! YOUR TIME'S UP, EVIL ANAKIN! YOU'RE GONNA GET WHAT YOU DESERVE, IT'S TIME FOR YOU TO PAY FOR THE PAIN AND SUFFERING YOU CAUSED TO THE ENTIRE GALAXY!

Evil Anakin screamed with pure rage and ran at the vortex to kill Maridia Amidala, but the force of the vortex and the wind gusts blew Evil Anakin right into another rock as he crashed into it, and he got out, but he wound up getting more bloody wounds and he spat out blood again and he went mad again with rage!

Evil Anakin: You worthless fools! I will destroy the Republic and bring peace to the galaxy!

Alex Rodriguez: You think you're bringing peace to the galaxy. No, you're merely perpetuating more pain and suffering, and now, you're going to pay for your arrogance!

Lincoln, Maridia Amidala, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Evil Anakin, and we fired extremely powerful blasts of rainbow, white, and blue energy, red and orange, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Evil Anakin and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Maridia Amidala did the same by firing red and orange, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Maridia Amidala, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Evil Anakin even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Evil Anakin, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf

Your bloodsoaked murderous rampage ends here and now!

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Evil Anakin.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done to in hurting every last innocent soul in the galaxy, betraying Obi Wan, Ahsoka, and the Republic, and hurting Padme, you deserve every last bit of pain for your crimes.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Evil Anakin's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your murderous bloodthirsty rampage ends here and now!

Lincoln did one final powerful energy slash that hit Evil Anakin hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Evil Anakin was now on his last legs and he was really really mangled.

You betrayed Obi Wan, Ahsoka, and the entire Jedi Republic, and even worse, you hurt Padme deeply with your betrayal. You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering to too many innocent people across the galaxy. And now, this is where you meet your end.

Lincoln raised his massive greatsword above Evil Anakin's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED EVIL ANAKIN AND HE SLICED HIS BODY TO RIBBONS AND HIS HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HIS HEAD AND HEADLESS BODY AND HE WAS FINALLY BANISHED TO THE BLACK ABYSS FOREVER!

We cheered wildly as we holstered our weapons and powered down and Maridia Amidala's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large red and orange planets orbiting around her legs and twenty smaller red and orange planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized red and orange planets orbiting around her wrists and ankles, eleven massive and long red wolf tails, and massive orange angel wings and four sets of large orange angel wings underneath her massive orange angel wings are permanent.

Maridia Amidala: It's all over for you, Evil Anakin, your days of inflicting pain and devastation to the galaxy in the name of The Sith are all over.

Lincoln: And it also serves as a message: when we face Palpatine in the future, he and ever last Sith loyal only to him will pay for their crimes.

Caleb Maxwell: You said it. (Sensed something) Oh crap. Look!

Suddenly, we saw the armies of Orochi heading right for us to kill us.

Alex Rodriguez: (Growls) Da Ji, you've got some nerve!

Alex Rodriguez smashed his scythe into the ground and sent waves of erupting dark fire and darkness at the armies of The Serpent King, and then, he sucked them into a dark sphere, and after that, the sphere explodes and sent them high up into the air when he conjured fireballs from mid air, and then, he sent them at the armies of Orochi and they were incinerated.

Me: Nice one. And wait, did you just say...?!

Lincoln: So, Morgana and her minions weren't the only ones who formed that plot, they had the help of Da Ji, Kiyomori Taira, Kyubi, and Hundun.

Nico: That sadistic fox, she's going to pay for this!

Caleb Maxwell: Well, now we know they were also behind what'd happened to you, Alex. Don't worry, we'll get our revenge on those demons.

Lincoln: Wait, Caleb. We've dealt with them before, and they are really dangerous.

Lori: He's right, we'll wait for them to come after us. Besides, now that Morgana's plan failed, I'm sure it's only a matter of time before Da Ji and the others try to rebel against them.

Zhen Ji: If that happens, Morgana and her minions will kill them.

Lincoln: You may be right, Lady Zhen Ji. Despite that Da Ji, Kiyomori Taira, Kyubi, and Hundun are powerful demons, Morgana and her minions are far more powerful than them, if Da Ji tries to rebel, they will end her, Kiyomori, Kyubi, and Hundun and send them to Limbo for all eternity, just like what they did to Venn Vexos.

Sun Shang Xiang: In any case, we'll need to keep a closer eye on Morgana and her minions, along with Da Ji and the other servants of Orochi.

Allie Maxwell: I don't know what Morgana was even thinking, but her plan was foiled, and Alex was not only saved, but he reigned the immense powers of Orochi and Orochi X in and got rid of the dark demonic chi of The Serpent King from within his body. But, I can't forgive them for what they did in kidnapping him and forcing him to absorb the eight incarnations of Orochi into his body along with the immense powers of Orochi and Orochi X, they crossed a line they shouldn't have, and now, I'm going to give them Hell when we face them!

Cage Blunt: Oh great, now they really made Allie angry.

Travis Tackett: Along with Caleb as well.

Caleb Maxwell: That's right, now there's going to be double the amount of Hell to pay!

Me, Nico, and Lincoln: Yikes!

Qin: Oh, this isn't going to end well!

May: (GULPS) This is gonna get ugly!

Me: Big time.

Maria: Nico, don't forget we're dealing with Palpatine in May.

Nico: I won't forget.

Me: That's why we're saving it for Star Wars Day on May 4th.

Obi Wan: I can't believe this is what Anakin would turn into

Maridia Amidala: May the Force be with him as he finds redemption in the man he once was and not this monster that Palpatine turned him into.

Me: Yeah.

Luke Skywalker: My father was turned into a monster.

Me: Yeah.

Princess Leia: What he did was horrible.

Me: It was.

Nico: Nice job Vulpix!

Vulpix: Thanks Nico! That was fun!

Piper: It sure was!

Poromon: Want some beer?

Vulpix: Sure!

Poromon: YAY!

He opened a beer and drank it.

Vulpix: Ahh! (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the beer party! (BELCH!)

Vulpix was drunk.

Poliwag: Sing the abc's!

Vulpix: (Belching) ABCKHWJBOSJYMSDFMYKSOV!

WE LAUGHED HYSTERICALLY!

Nico: Oh, Bubble Man, what do you like to do in your free time?

Bubble Man: I am a soda maker and I make extra bubbly fizzy soda.

Qin: Ooh nice.

I snapped my fingers and Vulpix was back to normal.

Lola: That is cool.

Nico: Can we have some of that soda?

Bubble Man: I haven't brought any with me at the moment. But back home I'll give you some.

Nico: Looking forward to it.

Camie: Yeah..

Obi Wan: I can't believe I failed Anakin.

Me: Obi Wan it's not your fault. This was an evil version of him.

Anakin: He is what I was like before.

Nico: But we just dealt with him.

Me: Nico, Obi Wan is still in guilt from that back then.

Nico: Oh right you saved him from himself before I joined you all.

Me: Yeah long story.

Naga Jolokia: Who wants to try some of my chiil later?

Me: You know I'm there.

Nico: Me too.

Jeri Katou: I'll have some.

We nodded.

Me: Looks like we all want to do so.

Naga Jolokia: Ooowee! Nice!

Poliwag: It can't be any hotter than this place.

Naga Jolokia: I wouldn't want to spoil the surprise.

Lola: Oh boy.

Xenia: Nice.

Pepperdance: Famous last words, Poliwag.

Poliwag: Yep. That's right.

Nico: Sonya, are you happy we're picking up the pace in reuniting you with your teammates?

Sonya: I sure am. And this will make things much faster and awesome.

Camie: Awesome.

Lola: Yeah.

Nico: At least this way, you'll have much of your team back by the time of the Ridonculous Race

Qin: Yep.

Varie: That is true.

Camie: Yeah.

Nico: It will be awesome and we'll have more than enough forces to kill Dark Gale.

Horsea: We sure will.

Lola: Yep.

Me: But Dark Gale better start writing their wills.

Qin: Yeah. Now we have the Anothers to face.

Eli: We have Another Bubble Crab, Fluttershy, Vulture, El Stomacho, Munch (Slugterra), Crush and Silkmoth Fangire

WE GASPED!

Fluttershy: Another me? Goodness.

Me: So Bubble Man, Selene Saiken, Delta Westbrook, Natalie Knudson, Bubbles Soapra and Bubbles Maria Santiago.

Eli: And the Anothers minus Bubble Man and Fluttershy are 11 people.

WE GASPED!

Me: Oh man.

Nico: There they are!

We saw Another Vulture, El Stomacho, Munch (Slugterra), Crush and Silkmoth Fangire!

Qin: WHOA!

Another Vulture: (In a girls voice) This will be fun too.

They merged and split into 11 people and they were the gene-slammers of the Cloudians!

Nico: The Cloud Sisters!

Sakura Cloud: That's right! Sakura Cloud.

Michiko Cloud: Michiko Cloud.

Niara Cloud: Niara Cloud.

Aria Cloud: Aria Cloud.

Adrien Gekko: They sure are. And my signature monsters are perfect for this.

Me: Yeah. And also girls are the Another Bubble Crab and Flutterhy hostile or friendly?

Akira Cloud: Friendly and they are awesome.

Camie: Cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Now for backup. (TURNS DIAL) VOLT KRAKEN FORCE 6!

She summoned Volt Kraken, Maga Basser, Hot Pepper (TTG), General Grievous, Berserker (MHA), Thunderhog, Fugai, Ranke and Kamira and Thylaco.

Qin: YEAH!

Nico: Now we wait.

Nico then covered his face and head with his arms.

Me: Huh? What did you do that for?

Poromon: Yeah. Why?

Nico: In case someone tries to prank me like before.

Me: I see.

Qin: Oh.

Poliwag: That's a good idea.

Qin: Yeah.

Me: Look!

We saw Another Bubble Crab and Fluttershy!

Camie: Whoa!

Nico: There they are!

Another Bubble Crab: (In a girls voice) (British Accent) Looks like the fun began earlier.

She reverted back and was the gene-slammer of Umbral Soul!

Nico: Eclipsa Umbra!

Eclipsa Umbra: Good to see you Nico.

Nico: You too. Eclipsa is from England and is a master of darkness and she has an awesome talent to use bubbles made of darkness.

Bubble Crab: That is cool! Just like me with bubbles.

Nico: Yep.

Me: Cool!

Nico: And your friend?

Another Fluttershy: I believe that um... Fluttershy knows me.

Fluttershy: (GASP) Goodness. I know that voice.

She reverted back and was a girl with blue hair, blue eyes, yellow and green clothes and pink boots and had blue angel wings and had a bluebell cutie mark on her arm.

Fluttershy: Bluebell!

She ran and hugged her.

Fluttershy: I'm so happy to see you.

Bluebell: Oh me too sister.

Fluttershy: Bluebell is my little sister.

Daffodil Bloom: Sister!

She hugged Bluebell too.

Kaito (gets out Wizard gear): Did Swartz promise you anything

Zocks (Gets out Gaim gear): Because we cam grant it instead?

They got Wizard and Gaim weapons.

Eclipsa Umbra: No he didn't because we used the cover of darkness and escaped.

Bluebell: we sure did.

Camie: Wow!

Sakura Knudson: Good.

Sougo (gets out Wizard Ridewatch): Fluttershy's family has gotten bigger

Armor Time! (Drumroll to upbeat music) Please! Wizard

Geiz (Gets out Baron Ridewatch): Laval is even in it

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor

Laval: They are right.

Bluebell: I heard. And I'm so proud of her.

Me: We all are.

Eclipsa Umbra: That is amazing.

Lincoln: Lets separate you first.

We did so.

We got the battles underway

Nico: (gets out Bubble Crab's Ridewatch) You've made me crabby!

May: (gets out El Stomacho's ridewatch) I'M HUNGRY!

Maria: (Gets out Crush's Ridewatch) I'm gonna crush you!

Selene Saiken: (Gets out Vulture's Ridewatch) This bird is hungry.

They fired waves of energy and elements with Bubble Crab, Vulture, El Stomacho, Munch (Slugterra), Crush and Silkmoth Fangire's powers.

Then out came Gargantula (Skylanders), Cloudian - Altus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Acid Cloud and Cloudian - Turbulance came.

Nico: WHOA! Nice team Gargantula!

Gargantula: Thanks Nico.

RD Leni: (SCREAMS IN FRIGHT!) SPIDERS!

Web Spider: My team's next. Madame Web actually suggested members for me

Me: Yep.

Qin: Yeah!

?: That is awesome.

MaloMyotismon came!

Me: (GASP) MaloMyotismon!

Qin: UH OH!

MaloMyotismon: (In a girls voice) It's okay. I'm a friend.

Nico: Belinda Belial! Wow!

She reverted back and was a girl with black hair, red eyes, black and red clothes and black demon wings and had MaloMyotismon in the middle of her forehead and shirt and skirt and had a pentagram on her arm and had a deadly scythe in her hand.

Belinda Belial: Awesome to see you again Nico. I got this. (Echoing) SCREAMiNG DARKNESS!

With the powers of Sodom and Gomorrah, she fired blasts of darkness and blasted the Anothers and I caught the ridewatches and purified them.

Me: OH YEAH!

Nico: Nice job!

Belinda Belial: Oh yeah!

Brittney: Whoa so the legends are true! You are the Avatar and Embodiment of Belial, the Grand Marquis of Hell. The Spirits of the Netherworld told me all about you.

Belinda Belial: That's right Brittney and I do have quite a reputation.

Camie: Boy you sure do.

Lola: Yeah.

Selene Saiken: Do you have a favorite memory of Nico.

Belinda Belial: I sure do. When me and Nico went down to Hell and battled the most evil figures of history in the 7th Circle.

Me: Whoa been there and did all that. We know what that is like.

Camie: Scary.

Nico: Yep.

Nico and Belinda hugged.

Nico: I've missed you.

Belinda Belial: Same here.

We later went back home and we had the 5 Star ball. 3 down and 4 to go.

Vectorman destroy Warhead and send him to The Black Abyss forever.

Lincoln: Whoa, we're here in the world of the 1994 Sega video game Vectorman, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to help Vectorman destroy Warhead and send him to The Black Abyss forever.

Nicole: I've been waiting for an opportunity to come to this world for a long time, and Warhead is finally going to pay for his crimes!

Me: Same here.

Nico: This is going to be one awesome battle.

Alex Rodriguez: This is my first time being on one of the rescues.

Caleb Maxwell: We'd become part of Lincoln's rescue team since last year, and you're going to like it: taking on many dangerous villains and either sending them to The Black Abyss, or if there are those worthy of being in The Masters of Evil, we take them down and send them to Vypra.

Cage Blunt: But, for Warhead, we're sending him to The Black Abyss, so no need to hold back on him.

Travis Tackett: I don't know, Cage. You know Alex just went through. Well, you know.

Alex Rodriguez: Yes, I know. But, I reigned in the immense powers of Orochi and Orochi X, and the dark destructive urges are no longer there, so I'm alright.

Bubble Nan: I hope so, you went through Hell due to Morgana and her minions.

Lincoln: And let's not forget Da Ji had a hand in that too. Alright, let's get going.

We met up with Vectorman, and we proceeded onwards as we killed many of Warhead's Orbots and saved the other Orbots and humans from Warhead's madness. But, then, we saw more of Orochi's men heading for us.

Alex Rodriguez: Again?!

Alex Rodriguez went in front of us and stood against the approaching army of Orochi's men, and we saw Alex Rodriguez raise his Spirit Reaper scythe in the air, and then...!

SMASH!

Alex Rodriguez smashed his scythe into the ground and generated an electric shockwave of black and red energy that sent the army of Orochi's men flying and all of them were killed as they landed.

Alex Rodriguez: How pathetic.

Nicole: Yikes. It looks like he's really gotten the hang of using Orochi's dark powers.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Belphegor on her forehead, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Belphemon and

Belphegor, she has a demonic greatsword in hand and with her are the nine girls.

Lincoln: (GASPS) Sharon Belphegor, Avatar of Belphegor, Demon Prince of Sloth and Gene-Slammer of Belphemon.

Sharon Belphegor: That's right, and I got the girls away from Warhead, and he's already driven mad by hatred.

Lincoln: It's time.

Nicole: The final battle against that villainous Orbot has come. Let's go.

Alex Rodriguez: You've hurt too many innocent Orbots and humans with your cruelty and madness. (Demonic Echoing Voice) Come, Warhead, come if you think you're brave enough to take us on. But, it matters not either way, you will still die a horrible and cruel death at our hands.

Warhead sent more and more of his evil armies of Orbots at us only for them to get cut down by Alex Rodriguez using his Spirit Reaper scythe.

Alex Rodriguez: (Demonic Echoing Voice) If you have finished playing games, then come and face us.

Suddenly, we saw a villainous mean Orbot coming at us: it was Warhead, and boy, was he even more pissed off!

Then, Lincoln fired a power leeching energy blast that hit Warhead, and he sucked out and absorbed Warhead's exceptional physical strength, immense durability, mind-control abilities, fireball projectile blasts, lightning beams, regeneration, and limitless stamina, and he also sucked out Warhead's energy and he sent him to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: And that is the end for you and your reign, Warhead. (To Sharon Belphegor) And it's so good to see you again, Sharon.

Sharon Belphegor: You too, Lincoln, it's been seven years since we last met.

Suddenly, Sharon Belphegor had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Sharon Belphegor was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Sharon Belphegor: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Sharon Belphegor and hugged her, and Sharon Belphegor is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sharon Belphegor: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Sharon Belphegor, Avatar of Belphegor, Demon Prince of Sloth and Gene-Slammer of Belphemon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Belphegor, The Demon Lord of Sloth and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Belphegor himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Belphegor himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Sharon Belphegor a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Sharon.

Lincoln with his massive muscular arms still wrapped around Sharon Belphegor leaned his head down the right side of Sharon Belphegor's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Sharon Belphegor: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sharon Belphegor with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Sharon Belphegor: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sharon Belphegor.

Sharon Belphegor had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Sharon Belphegor's waist, and he leaned down to her face and kissed her on the lips, and with Sharon Belphegor's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Sharon Belphegor had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Sharon Belphegor: (In Heaven) My God. Oh, Lincoln, the nine girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the nine girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. The nine girls are Riko Ikazuchi from Sex Is Part of Undercover Agents' Job?, Sukumi Natsumize from Nasty Girl Freezing Tsundere, and Natsumi Jinno, Emerald, Mei Kamisaka, Ruby, Lapis, Zircon, and Megumi from Star Jewel.

Lincoln: Oh whoa, it's Riko Ikazuchi from Sex Is Part of Undercover Agents' Job?, Sukumi Natsumize from Nasty Girl Freezing Tsundere, and Natsumi Jinno, Emerald, Mei

Kamisaka, Ruby, Lapis, Zircon, and Megumi from Star Jewel.

Nicole: Travis was right telling everyone to go, and I saw why: these girls are really sexy.

Lincoln: And easy targets for perverts, which means if I see any perverts, I'll beat them up. Are you girls okay?

Riko Ikazuchi: Yes, we're okay, thanks to you.

Then, when Riko Ikazuchi and the eight other girls saw who it was that saved them from Warhead, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and Riko Ikazuchi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Riko Ikazuchi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Riko Ikazuchi, Sukumi Natsumize, Natsumi Jinno, Emerald, Mei Kamisaka, Ruby, Lapis, Zircon, and Megumi with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, serves Warhead right.

Lincoln: Yep, and I sucked out all his powers and abilities and made them my own. Plus, Alex did a lot to anger him even more.

Nico: Especially with all the havoc he'd wrought upon the evil Orbots.

Me: That's for sure.

Lori: Morgana tried to turn Alex into a carbon copy of Orochi, but her plan failed when Lincoln saved him and he reigned in the immense powers of The Serpent King and his second reincarnation as The God of Destruction.

Leni: And to also find out Da Ji had a hand in it too, she's going to pay for this one day when she dares to come after us.

Luna: We'll be keeping an eye on her and the rest of Orochi's minions though, Morgana's still got them on a tight leash.

Nicole: That's true, and there's no telling when Da Ji plans on rebelling against Morgana now that her plan to get her lord back was forever ruined.

Yinglong: Da Ji caused both The Mystic Realm and the human world enough trouble for the last time.

Taigong Wang: When she does make her move, her punishment will indeed be severe.

Nu Wa: Even after all the times we defeated her, Da Ji refuses to learn her lesson.

Fu Xi: Well, there's only one fate that's already waiting for her.

Lincoln: Death and banishment to The Black Abyss. Vypra already found out about it from us, and she's pretty angry not only at Morgana and the Midnight Princesses, but also Da Ji as well.

Nico: That conniving witch just doesn't know when to give up. Oh well, she brought this on herself.

Me: You said it.

After Lincoln and all of us destroyed Warhead and banished him to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sharon Belphegor saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Sharon Belphegor: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sharon, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Sharon Belphegor: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Sharon Belphegor: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm went off, and when Lincoln went to check the computer, he saw who it was that triggered it along with sensing four massive energy signals: they were none other than Bojack, Bido, Bujin, and Kogu: they've been brought back from the dead by Morgana Midnight Sparkle and the Midnight Princesses and she sent them after us.

Lincoln: Morgana, this time, you've gone too far!

Gohan: Bringing back Bojack, Bido, Bujin, and Kogu and sending them after us, she really is playing with fire with us.

Alex Rodriguez: That's going to be her fatal mistake. I'm heading out there right now to deal with them.

Alex Rodriguez flew outside, and he saw Bojack, Bido, Bujin, and Kogu heading right for The World Tree Estate, but Alex Rodriguez fired four blasts of darkness at them, but they deflected them, and Alex Rodriguez descended.

Alex Rodriguez: I'm giving you one chance to depart immediately.

Bojack: I would rather break your neck.

Suddenly, we felt Alex Rodriguez's energy rise as his green eyes with snake slit pupils turned neon green and he was surrounded by a dark purple, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Infernal Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, snakes, demons, phoenixes, and angels.

Alex Rodriguez: That was your last chance, by saying that threat to me, now there is no escape for you. I hope you've said your last and final goodbyes.

Alex Rodriguez has transformed into SUPER ARCHANGEL-SNAKE-DEMON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS DIVINE INFERNAL DARKNESS HELLFIRESTORM ALMIGHTY SNAKE DEMON TRUE IMMORTAL DEMON SNAKE PHOENIX GOD ARCHANGEL OF DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS DIVINE INFERNAL DARKNESS HELLFIRESTORM ALMIGHTY SNAKE DEMON TRUE IMMORTAL DEMON SNAKE PHOENIX GOD ARCHANGEL JUSTICE AND DIVINE TRUE COSMIC ETERNAL HARMONY UNIVERSAL ETERNAL HEAVEN COSMOS DIVINE INFERNAL DARKNESS HELLFIRESTORM ALMIGHTY SNAKE DEMON TRUE IMMORTAL DEMON SNAKE PHOENIX GOD ARCHANGEL DEATH!

WE WERE STUNNED: ALEX RODRIGUEZ TRANSFORMED JUST LIKE CALEB MAXWELL, AND THAT MADE BOJACK, BIDO, BUJIN, AND KOGU ENRAGED, AND THAT CAUSED BOJACK AND KOGU TO TRANSFORM INTO THEIR FULL-POWER FORMS!

Alex Rodriguez: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, the two of you decided to transform into your full power forms upon seeing me transform. Then, come, let us enjoy the Hell that's about to come!

Alex Rodriguez went after Bojack, Bido, Bujin, and Kogu, and he fired extremely powerful blasts of dark purple, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, Infernal Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, snakes, demons, phoenixes, and angels, and they exploded as they hit Bojack, Bido, Bujin, and Kogu.

Then, he attacked them with powerful swings of his massive scythe, and he left bleeding scars on them, and he also slashed at them with his gold-plated armored dragon claws on his left hand, and it was making Bojack, Bido, Bujin, and Kogu even angrier than ever.

Then, Alex Rodriguez smashed his scythe into the ground and sent waves of erupting dark fire and darkness at Bojack, Bido, Bujin, and Kogu hitting them, and then, he sucked them into a dark sphere, and after that, the sphere explodes and sent them high up into the air, but they rebounded and flew back to the ground, and that made them even angrier than ever.

Suddenly, Lincoln appeared and turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and one by one, he stabbed them into the chests of Bojack, Bido, Bujin, and Kogu and he began absorbing them, and he and all of us assimilated Bojack's Superhuman abilities, Ki manipulation, Psycho barrier, Shapeshifting, Sheathing himself in Ki, and Teleportation, Bido's Superhuman abilities and Energy blasts, Bujin's Psychic powers and Superhuman abilities, and Kogu's Superhuman abilities, Hand-to-hand combat skills, Transformation, and Swordplay, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when he was done and the stingers changed back, nothing was left of Bojack, Bido, Bujin, and Kogu except for their clothes and Lincoln took Kogu's sword as a trophy, and he drained their souls of energy and banished them to The Black Abyss, and Lincoln flew back inside and continued working out.

Then, Alex Rodriguez came back inside.

Caleb Maxwell: Looks like you also had your chance to shine, Alex. You tore through Morgana's next set of puppets.

Alex Rodriguez: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And Lincoln finished them off by absorbing them and sending them to The Black Abyss.

Alex Rodriguez powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty dark purple planets orbiting around his legs and twenty dark purple smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized dark purple planets orbiting around his wrists and ankles, eleven massive and long midnight black wolf tails, and his massive midnight black angel wings and four other sets of large midnight black angel wings underneath his massive midnight black angel wings are permanent.

Nico: Still, it serves them right.

Me: They deserved it though.

Goku: That's true.

Gohan: After everything they've done, they deserved to die.

Lincoln: Especially after what Bojack did to Zangya, how despicable.

Caleb Maxwell: That's true, and next time, Alex, take any dangerous fights to a different planet. If I see any damage to the city, I'm gonna kick your butt!

Alex Rodriguez: I didn't damage the city.

Me: He's right, he put up a defensive barrier around the city, and you weren't serious about kicking his butt, were you?

Caleb Maxwell raised an eyebrow, and I knew he was serious.

Nico: Oof, he was serious.

Alex Rodriguez: We did take the same self defense classes and he took me down pretty hard in the past. But, against Cage and Travis, true, he held out and triumphed, but he did get taken down by them.

Cage Blunt: And he wound up getting bitten by us.

Travis Tackett: He knew how strong we vampires are, but his adrenaline made him lose all reason and he just focused on taking us down.

James Blunt: That was also combined with getting nightmares of you two every night for a month and a half, and he was basically a mess.

Caleb Maxwell: Mr. Blunt.

Marlene Maxwell: I have to agree with James on that one, honey. You did look like a horrid mess.

Marlene Maxwell showed the photo, and Caleb was indeed a horrid mess with messy hair and bloodshot eyes like Hell!

Me: OH! Oh man, now that's just gruesome!

Nico: JEEZ! That's horrible!

Caleb Maxwell: Okay, yes, it really is horrible: not being able to get any sleep due to nightmares, and I wound up getting pretty irritated easily.

We got a shower, and then, Lincoln, Ferra, Rabbid Rosalina, and Scratch are heading to Dedede Resort.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ferra, Rabbid Rosalina, and Scratch are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Ferra, Rabbid Rosalina, and Scratch all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Scratch: Wow, so this is Dedede Resorts, it sure is beautiful.

Lincoln: It sure is, Scratch, and it's perfect for our first date, shall we?

Lincoln, Ferra, Rabbid Rosalina, and Scratch dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout

area Lincoln created, and Ferra, Rabbid Rosalina, and Scratch got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Scratch: (Swooning) Oh man, Lincoln really changed a lot from the 11-year-old from seven years ago into a true man. So incredible and manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ferra, Rabbid Rosalina, and Scratch and hugged them in their abnormally massive and powerful muscular arms, and Ferra, Rabbid Rosalina, and Scratch placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Ferra, Rabbid Rosalina, and Scratch and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dedede Resort, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ferra, Rabbid Rosalina, and Scratch on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ferra, Rabbid Rosalina, and Scratch are in your harem, Linky.

Ferra, Rabbid Rosalina, and Scratch showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Scratch: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lightning Dust, Lena, and Zipp Storm's final mission

Me: Anyone else want to go with Lightning Dust, Lena, and Zipp Storm? Besides Nerissa, Elena, Bombo, Lightning Dust's teammates, Zick's parents, Kairi Yano, Keiichiro, and Lupin?

Aang: I'll go.

Kyd Wykkyd: So will I

Hotaru Tsuchigumo: I will go too.

Utakata: Me too.

Me: Okay then.

Nico: Anyone else?

Lincoln: Me and my siblings will go as well.

Me: Okay then.

Nico: All right lets go.

We were off!

We arrived.

Kaito Touma: Hey guys!

Me: Hey Kaito!

Zipp Storm: Guys, meet Nerissa, Elena, Bombo, Lightning Dust's teammates, Zick's parents, Kairi Yano, Keiichiro, and

Nerissa: Awesome to meet you. I'm Nerissa, one of the Guardians of Candrakar.

Kaito Touma: Oh I see.

Me: Yeah like how we were because of Dark Orb Contamination issues.

Kaito Touma: Oh.

Zob Zick: I'm Zick's dad Zob.

Greta: And I'm Greta, Zick's mom.

Kairi Yano: I'm Kairi Yano, leader of the LupinRangers.

Keiichiro: I'm Keiichiro, Leader of the PatRangers.

Kaito Touma: Wow pleasure to meet you guys. Whoa no way! Are you Arsene Lupin III? The notorious gentleman thief?

Lupin: That's right. Pleasure to meet you. And also Kairi and his team are the helpers of my great grandfather Arsene Lupin I.

Kaito Touma: Wow! It's an honor.

Aang: My name is Aang and I'm the Avatar of the Air Nomads.

Kyd Wykkyd: And my name is Kyd Wykkyd. Pleasure to meet you.

Kaito Touma: Same here.

Lincoln: Awesome to meet you. I'm Lincoln Loud and these are my siblings.

Lori: Pleasure to meet you. I'm Lori.

Lisa: Greetings. I'm Lisa.

Lily: And I'm Lily.

Kaito Touma: Wow! The Loud Family it's an honor. That's a lot of kids!

Me: I know and their mom and dad all thought it was cute to start their names with the letter L. (Whispers to Kaito) They're not a big believer of condoms too.

He snickered too.

Eli: And this little guy in my arms is Leo. He's the youngest.

Kaito Touma: Aww he's adorable.

Me: Yeah.

Leo: Uwa.

Hotaru Tsuchigumo: I'm Hotaru Tsuchigumo. It's a pleasure.

Utakata: And I'm Utakata, the 6 Tails Jinchuriki.

Kaito Touma: Wow it's an awesome honor to meet you all.

Kairi Yano: Me and my team are the Thieves everyone's talking about

Me: Kairi's team the LupinRangers are thieves and Keiichiro's team the PatRangers are the police.

Nico: The theme for the LupinRangers and PatRangers are cops and robbers.

Kaito Touma: Wow! Like the Police and Criminals.

Me: Exactly.

Luan: My boyfriend's archenemy's trademark line is based on the LupinRangers line.

Kairi Yano: Here's an advanced notice: We're taking your treasure.

Me: Dark Spicers line is this. Here's Your Warning: Your ass is about to be kicked.

Kaito Touma: Oh he tweaked it to suit him.

Me: Yep.

Kairi Yano: We think it's cool.

Keiichiro: Same with Maxxor and my line. By order of the GSPO, we're Taking you down by force.

Me: Maxxor made it like this. In the Name of the Tribal Alliance, We're taking you down by force.

Eli: It's true.

Me: I add this to Kairi and Keiichiro's lines to spice it up. And we're going to kick your big ugly fucking ass.

Kaito Touma: Nice! I like it. What does GSPO stand for?

Me: It stands for the Global Special Police Organization. It's an interstellar police force that brings in the galaxies most dangerous criminals.

Kairi Yano: Like the Ganglers and me and my team.

Kaito Touma: That is amazing.

Me: It sure is.

Nerissa: I also was a villain before

Kaito Touma: Really?

Me: Yep. Back at the end of 2018, Nerissa put up one helluva fight and it also resulted in the entire planet almost being ripped apart.

Nico: It's true.

Eli: That was an amazing battle.

Nerissa: I was saved from myself by J.D.

Me: It's true.

Kaito Touma: Wow! That was cool.

Me: It was.

Kaito Touma: So, these are your teammates, Lightning Dust?

Lightning Dust: These are them. After we were kicked out of the Wonderbolts, we formed a daredevil group called the Washouts.

Me: Rolling Thunder was kicked out of the Wonderbolts for flagrant disregard for hazardous weather. She barreled through a raging thunderstorm with over 900 million volts of electricity.

Kaito Touma: WOW! That is dangerous!

Me: Yeah.

Short Fuse: And as you know I have anger problems. I can't control my temper.

Me: We're doing everything we can to correct that.

Lightning Dust: And I nearly seriously hurt Twilight Sparkle and Rainbow Dash and friends.

Me: Yeah. They were as reckless as we were when we were starting out. But we were like that because of Dark Orb Contamination.

Nico: Dark Orbs of Xehanort were poisoning us and making us more aggressive and dangerous.

Kaito Touma: That is rough!

Me: It was. And we found out when when we met Lightning Dust that she and Rainbow Dash had a REALLY NASTY history together.

Zipp Storm: It's a long story.

Short Fuse: But Lightning Dust is the best damn teammate we've ever had

Kaito Touma: I can see that. That is amazing.

Lightning Dust: Yeah we do a lot together.

Nico: Anyway, has there been any trouble recently?

Kaito Touma: Well theres been reports of mysterious singing being heard in the forest.

Me: That definitely rings a few bells.

Nico: Yeah we've had a couple of incidents happen with some of the previous Ultraman groups we met where we met mermaids.

Eli: It's true.

Then Lincoln had a premonition.

Lincoln: WHOA! Guys I just had a premonition. We're going to battle Hotaru's Akuma, Aquawind. The Hypothetical Akuma of Hotaru Tsuchigumo and a master of water, wind and the forces of the sky. She is a voluptuous mermaid of the sky. She was made because of the Akatsuki killing Utakata and vowed to destroy them and help Naruto bring peace to the world the right way.

WE GASPED!

Me: WHOA!

He showed a sketch of her and she was a voluptuous mermaid with pink hair and green angel wings.

Me: Wow! She is beautiful.

Hotaru: Wow! A Winged mermaid is perfect for me.

Utakata: And she wants to kill Pain of the Akatsuki for killing me.

Kaito Touma: Wow! Who were the Akatsuki?

Me: They were a group of rogue ninjas that I faced in 150,000 years that were trying to destroy the world with the power of the tailed beasts.

Utakata: Creatures of Chakra that me and 8 others carry within us.

Me: It's a long and very terrible story.

Hotaru: I think it's very coincidental that me and Utakata came.

Me: I agree Hotaru.

Nico: Yeah. Where is she?

Eli: (Concentrates) She's in that very forest about 50 miles to the west.

Nico: Then lets get moving then.

Kaito Touma: Right! Wait how did Lincoln know about her coming?

Me: Lincoln is our chief psychic and he alerts us beforehand about what evil forces are coming our way.

Lana: Our brother is very gifted in tons of things.

Laney: It's true.

Me: Yep. He's come a long way since we first met back in 2016.

Kairi Yano: Kaitou Change!

Keiichiro: Keisou Change!

They transformed!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

Keiichiro: PAT1!

Me: YEAH!

Nico: Lets head out.

We were off!

We were flying.

Nico: Keep your eyes peeled.

Me: Right.

We heard singing.

Me: Wait! Hear that?

We heard amazing and beautiful singing.

Lincoln: Wow.

Hotaru: That sounds like my Akuma.

Utakata: She does have a great singing voice.

Saiken: (In Utakata's head) Be careful Utakata. The Akuma is dangerous here.

He nodded.

We flew down and went into the forest and got to an amazing hidden lake in a forest grove!

Me: WOW!

Nico: What a beautiful lake.

Laney: It sure is.

Nico: No sign of her yet.

Me: Wait look!

We saw sitting on a rock, AQUAWIND!

Me: There she is.

We went over.

Me: Aquawind?

Aquawind turned and saw us.

Aquawind: J.D. been a while and Utakata I'm so happy to see you.

Utakata: I am too Hotaru.

Me: Hotaru you look amazing like this.

Aquawind: I get that a lot. I am so upset about what the Akatsuki did to Utakata.

Me: I know. But you don't have to worry about them anymore. They're all dead. Except for Konan. She's in the redemption squad.

Nico: We should call Maria right now.

Me: Good idea. Scuse me.

Aquawind: No worries.

I called Maria and she instantly came.

FLASH.

Maria: Hey guys!

Me: Whoa! That was fast.

Maria: Yeah Instant Transmission.

Me: Cool!

Maria: Sorry about that. I'm Maria Dunbar, 2nd in Command of the Redemption Squad.

Kaito Touma: Awesome to meet you

Maria: Now to call for backup. (TURNS DIAL) WALRUS FORCE 6!

She summoned Frost Walrus, Mazelda, Hatman Ninjas (Rayman), Chef Swinegang Pork (X-Squad Universe), Pterrack and Spike & Chester.

Eli: YEAH!

Nico: Oh yeah!

Me: Now where were we? Oh right.

Aquawind: I was devastated when Utakata died.

Me: I know. But I killed the Akatsuki just like I killed the Magaki Group.

Nico: The Magaki Group?

Me: They were a group of bandit ninjas lead by Shiranami. They were trying to steal a Forbidden Jutsu that the Tsuchigumo Clan created that was capable of obliterating an entire village. It was called Fury and it packed as much power as a 50 megaton nuclear blast.

THEY GASPED!

Nico: SAY WHAT!?

Me: I know. It was THAT POWERFUL.

Hotaru: It was passed down from my grandfather En no Gyōja and he put the jutsu in a scroll and embedded it in my back.

Me: Yep. Hotaru was essentially turned into a living bomb because of that. But I took the scroll of the jutsu out of her and had it put in our vault in our Only To Use as a Last Resort option section.

Nico: Smart thinking there.

Hotaru: Yep.

Aquawind: I agree there.

Kairi Yano: That was very intense

Me: Yep.

Aquawind: And I will always be grateful to J.D. for destroying the Magaki Group and the Akatsuki. Now I want to help Naruto achieve peace the right way.

Me: Awesome.

Maria: So you want to be put in the Redemption Squad and the M.O.E. That can be arranged.

Me: Yep. First we got to fight. Sorry about this.

Nico: Yeah. But learning about all of J.D.'s experiences in 150,000 years is amazing.

Me: Lets do it!

Kairi Yano: Here's an advanced notice: We're taking your treasure!

Keiichiro: By order of the GSPO, We're taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Aquawind: Oh yeah? Come and get me!

I flared up my power.

Kairi Yano got out his Full Bottle.

Kairi Yano: Listen to the song of your death!

DON OCTAVIO!

TARANTELLA NAPOLETANA PLAYS!

He danced and fired waves of energy and blasted Aquawind all over.

Me: YEAH! Whoa now you got me craving pizza!

Keiichiro got out his Fullbottle.

Keiichiro: Let bring the Eye of the Tiger!

EL JEFE!

Keiichiro fired blasts of fire and lightning and blasted her down.

Nico: YEAH!

Me: Here's a technique I learned from the Magaki Group! IMPERMANENCE OF WORLDLY THINGS!

The Magaki Group creates a shard that breaks up into multiple shards and impales the opponent. According to Yamato, it is said to be quite a formidable technique.

I fired massive shards at her and cut her all over.

Nico: WHOA! That was powerful!

Me: The Magaki Group in 150,000 years were some of the most formidable adversaries we've ever faced. Their use of teamwork and collaboration techniques was absolutely off the charts amazing. They showed amazing techniques that I mastered all by myself.

Nico: WOW! That is incredible!

Me: Yeah!

Lupin got out his Fullbottle.

Lupin: This rat is deadly!

BUG EATEN!

He fired waves of energy and blasted her.

Me: Now here is this! HURRICANE THUNDERCLAP!

Akaboshi and his group surround and entrap their opponent in a pyramidal, pink-glowing barrier, then cause the barrier to explode, injuring or, ideally, killing the person within it

---

I entrapped Aquawind in a pyramid and then...

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

It exploded!

She was hurt.

Nico: WHOA! That was awesome!

Laney: I'll say!

Me: YEAH!

Aquawind: Wow! But if the Magaki group were here they would be shocked to see you use their own techniques against them.

Me: Yep. You know those old sayings "Beat Them At Their Own Game" and "Fight Fire with Fire"?

Aquawind: I know those sayings.

Me: Good.

Hotaru: Now here is me. WATER STYLE: WATER GUN!

She fired a blast of water from her mouth and blasted her.

Me: YEAH!

Nerissa got out her Fullbottle.

Nerissa: (LAUGHS LIKE MANDARK!)

MANDARK!

She fired a blast of energy and blasted her all over.

Eli: YEAH!

Nico: Just like how Mandark laughs!

Nerissa: Well it is his trademark trait.

But then a huge vortex of leaves hit Aquawind.

We saw that it came from a Regiroot!

Me: WHOA! Regiroot!

Nico: What's that doing here?

Me: I think I know why? That could be one of Dark Gale's gene-slammers!

Kaito Touma: Dark Gale?

Me: That's the name of an evil organization that is out to take over the World. Long story.

I used my telepathy and it was someone that knows all about Mistmane!

Me: (GASP) Melody Mistmane!? Oh man! Mistmane told me all about her. I got this! Fight on without me.

I went over.

Me: Melody! Calm down.

All she did was blow grass at me.

I dodged it.

Me: Okay then.

I fired blasts of energy and blasted her all over.

She used vines to restrain my legs.

Me: Oh so that's how you want to play it!

I flared up my fire and burned them off.

I then snapped my fingers and she reverted back and was a girl with green hair, purple eyes, and had Regiroot in the middle of her forehead and had a darker green version of Mistmane's cutie mark on her arm and had green angel wings.

I wrapped her in a blanket.

Me: There.

I helped her up and she woke up.

Melody Mistmane: (Groans) What happened?

Me: Ugly story but you'll be alright Melody.

Melody Mistmane: J.D.?

Me: We are in the middle of a battle.

Nico: Is she okay?!

Me: She's okay!

Leni: Let me and Maria give you new clothes.

The fashion brigade gave her awesome green clothes.

Melody Mistmane: Wow! I look amazing!

Me: You sure do. We'll talk later. Right now we got to win this.

But then a laser blast hit Aquawind and blasted her.

We saw The Embodiment of Ultimate Grey Matter appear!

Me: (GASP) Lori Neutron!

Lori Neutron: (Grunts) No relation to Jimmy Neutron! (Grunt) But I'm here!

She fired laser blasts and blasted Aquawind.

Me: WHOA!

Nico: That's cool she shares the same last name as Jimmy.

Me: Yeah she may share the same last name but she holds no bloodties to him. Also Lori has a very powerful brain like Jimmy's She has a powerful IQ of 40,000.

Nico: WHOA!

Me: Yep. She graduated Grade School, Middle School, High School and University at the age of 3.

Lisa Loud: That is most very impressive.

Me: It sure is.

Lori lost control and fired a laser blast at Kyd Wykkyd

Kyd Wykkyd teleported away and I deflected the blast and it hit her.

I fired the Antidote ray and injected the Antidote.

Melody Mistmane: I'll help bring her under control!

Me: Okay!

Kyd charged at her and teleported all over and kicked her down.

Melody used powerful magic and formed an energy dragon and it roared and she blasted Lori all over.

Nico: WHOA! That is powerful!

Me: Just like her ancestor, Melody is a very powerful and amazing sorceress.

Nico: Wow!

Me: But her magic prowess is as strong as Mistmane times 1,000,000.

Nico: WOW! That is amazing! I'm sure she would give Sable Spirit a rough battle like Mistmane did centuries ago.

Me: No doubt there.

Aang charged at her and fired waves of fire and water and blasted Lori all over.

Melody fired blasts of grass and a dragon and blasted her all over.

Nico: WOW!

Aang got out his Fullbottle.

Aang: Time for this Avatar to get a clue.

CLUEMASTER!

He fired waves of wind and energy and blasted Lori.

Nico: Take that!

Melody Mistmane: Lets see if this helps stop her.

She then used powerful magic and grew vines and entombed her in a vine cocoon!

Me: WHOA!

Nico: That did it!

Elena Potato: Way to go Melody!

Kaito Touma: That was amazing!

Then the antidote took effect and she was back to normal.

Lori Neutron: Oh man! What hit me? I felt like I was shoved into a black hole and forced to endure the weight of the 4th dimensional space field of tachyon particles times 4.6 times ten to the -427th power.

Nico's head then started sparking!

Nico: Um... ow!

Me: Told you she was that smart.

Lana: Here Nico.

Lana gave him a big block of ice for his head.

Nico: Thanks Lana.

Elena Potato: My turn!

She fired a wave of energy and blasted Aquawind.

Zick's parents and the Loud Kids fired energy blasts and knocked her down.

Kaito Touma: My turn! ULTRAMAN MAX!

HE TURNED INTO ULTRAMAN MAX!

He was ready!

He fired a wave of energy and blasted her all over.

Kairi Yano: Lets get her!

Keiichiro: YEAH!

Nico: Here are your Legend items.

Nico game them to him.

Kaito Touma: Cool!

Me: You'll like your archenemy.

Kaito: Lets see what it can do.

He got out his Fullbottle.

FLESH JELLY!

He fired waves of blood and blasted her down.

Me: YUCK!

Nico: Flesh Jelly? One of the Dungeons and Dragons monsters?

Me: Yep.

Nico: That one was a disgusting one. I didn't like that one because of how gross it looked.

Me: It was gross. Sheila said it was the grossest monster she and her friends faced on Eberron.

Nico: Really?

Me: Oh yeah.

Maria: I remember how me and Shiv battled that one too.

Kairi Yano: What do you think?

Kaito Touma: WOW! That was cool!

Me: It sure was.

Nico: Yeah!

Me: You were battling Flesh Jelly in the RPG game weren't you?

Maria: We sure were.

Nico: Nice.

Maria fired water and drenched her.

Me: Anyway now we can finish this.

We fired waves of energy and blasted Aquawind down.

We won!

Me: YEAH!

Kairi Yano: With that we bid you a final Adieu.

Keiichiro: Mission accomplished!

Nico: YEAH!

Me: WHEW!

Nico: What's your role in Sonya's team?

Melody Mistmane: Well as you all saw I am the Nature Magic Mage of the team and I use my powers to help combat our enemies.

Me: That is awesome.

Melody Mistmane: But outside the team like my ancestor Mistmane, I am a magical sorceress and know all kinds of spells and more new ones that even my ancestor would be proud of.

Me: Boy you really have come a long way.

Nico: I agree.

Eli: Your ancestor is now part of the team and she has come a long way herself.

Melody Mistmane: That's what I heard and it'll be awesome to meet her.

Kaito Touma: That's crazy that she was turned into a Pokemon.

Me: I know. It's all because of Dark Gale. They are an evil organization that we're going to destroy during the Ridonculous Race in a couple of weeks.

Nico: Yep.

Melody Mistmane: I'm glad you guys are.

Lola: Thank goodness.

Kaito Touma: Wow! Go get them. But wait if you guys are competing in the Ridonculous Race, won't that leave Gotham Royal York vulnerable?

Me: Normally yes but I already went and thought ahead about that. I turned the city into a huge floating city.

I pulled out blueprints and showed them.

Kaito Touma: Wow! That is genius! Now you can watch the city and compete at the same time.

Me: Yep. We sure can.

Nico: Um... cue flashback.

Jamesdean5842: Oops sorry.

Melody was strapped to a table and injected. She was in a green suit. She busted out and went into the floor as roots and came out as a Regiroot. She busted through the wall and ran.

FLASHBACK ENDS

Melody Mistmane: It was terrible.

Me: I know.

Kaito Touma: Wow! Go get them. But wait if you guys are competing in the Ridonculous Race, won't that leave Gotham Royal York vulnerable?

Me: Normally yes but I already went and thought ahead about that. I turned the city into a huge floating city.

I pulled out blueprints and showed them.

Kaito Touma: Wow! That is genius! Now you can watch the city and compete at the same time.

Me: Yep. We sure can.

Kaito Touma: Zipp Storm, ever since I met you, Lena, and Lightning Dust, I've seen you as sisters

Zipp Storm: Really? Oh Kaito!

Lena and Lightning Dust and Zipp hugged!

Me: Awesome! Looks like Pipp is gonna have Kaito as a sibling too.

Nico: Yep.

We later went back home.

We later came back.

May: Hey guys! How did it go?

Me: Really awesome!

We told everyone what happened.

May: WHOA!

Mistmane: My goodness and Melody it's so good to meet you.

Melody Mistmane: Same here Ancestor.

Nico: Aww.

Me: Awesome. Now I believe it's Ocellus's turn next right?

Nico: That's right.

Qin: Awesome!

Ocellus: Cool! This will be fun!

Me: We already knew this was coming because of us meeting Nico's friends as the Embodiments of the Kaijudo Civilizations.

Nico: Yep. Ocellus, you, Ink Rose and Lola Ferrington are up for missions next.

Ink Rose: Amazing!

Ocellus: This will be cool!

Qin: Yep.

* * *

Later we were at the table for lunch.

Lily Goodall: Are we really doing this?

Nico: Yep.

Naga came out with a big pot of her chili.

Naga Jolokia: Here it is guys.

The chili was a glowing neon red chili!

Naga Jolokia: My famous 20 Alarm Chili.

She poured us all bowls of it and man was it spicy.

Me: (Sniffs) Wow it smells good.

Naga Jolokia: It sure is. Dig in.

I took a bite and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMM!

A massive fiery explosion blasted out of me and I had my fire aura active.

Me: WHOA! That is good!

Jeri Katou ate some and then...

KRABOOOOOOOOOMMM!

A massive jet stream of fire exploded out of her mouth and it hit Maria!

Jeri Katou: (Wheezing) Spicy! But good!

Nico: (Eating) (BURPS STREAMS OF FIRE) Whoa! That is good!

Lynn ate her chili and it was awesome!

Lynn: (LOUD BURPS)

She was belching fire like no tomorrow!

Cilan: Allow me to do a taste test.

Cilan tasted it.

But then...

LOUD BURPS OF FIRE!

HE BELCHED OUT FIRE AND IT HIT FRED JONES AND BURNED HIS EYEBROWS OFF!

Poliwag ate some and then...

LOUD BELCH!

HE BELCHED OUT FIRE!

Poliwag: WHOA! That is good!

Me: Boy I'll say!

We were eating and man was it good!

Fluttershy ate some. She belched out a lot of fire and it burned Velma's eyebrows off too!

Fluttershy: Oh pardon me.

Naga Jolokia: I make my chili with the hottest peppers and hot sauce ever. Moonscar Island peppers and the Grim Reapepper sauce.

Me: Whoa!

Nico: Wow! That is lethal and good.

Me: I love it.

I ate it and licked my bowl clean.

Me: Ahh.

Naga gave me some more.

Me: Oh boy.

I was eating more.

Me: So delicious.

Cybertron Menasor: (Irish Accent) (LAUGHS) J.D. is one super spicy lad. He ate over 30 bowls of Chief Wiggum's chili and couldn't get enough of it.

Lola: It's true.

Lana: And J.D. farted non-stop from it too.

Me: They are right on that.

Nico: Yeah.

Skywarp: How do you think it affects Cybertronians?

Nico: Boy I don't really know. Cybertronians can't eat food like we can.

Rattrap: He's right on that one.

Cheetor: Yeah I don't know if we can eat food like humans can.

Rhinox: I've eaten wild bean vines and the result was not very pleasant.

Camie: What happened?

Me: Trust me you do not want to know.

Qin: Lets just say that it was the most humiliating defeat of Megatron's entire career.

Jamesdean5842: (LAUGHS) She's right on that. It was not very pleasant. It was something that Megatron was never gonna be able to live down.

Camie: Geez.

Skydive: Rattrap, you're the Guinea pig. You taste it

Rattrap: Hey hey hey hey hey. I may be a rat but I am not one to get myself blown to scrap by spicy food!

Tigatron: (LAUGHS) Rattrap may be crazy but he is not that crazy.

Dinobot: No he is too much of a malodorous rodent and a coward.

Rattrap: Hey shut up leatherlips!

Rhinox: Knock it off!

SpongeBob: Mr. Krabs, Guy Grazer set the thermostat to 72.

Mr. Krabs gasped. THEN HE GOT REALLY ENRAGED AND TURNED RED AND WAS BOILING LIKE A TEAPOT!

HE WHISTLED LIKE ONE! AND THEN...

Mr. Krabs: (SUPER ENRAGED SCREAMING) GGGGGGGUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUUYY

YYYYYYYYY!
GRRRRRRRRRRRRAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
AAZZZZZZZZZZZZZEEEEEEEERRRRRR!

Mr. Krabs ran for a transporter and went to the Uranus Prison and then once there...

KRAWHAP!

GUY GRAZER SCREAMED IN PAIN!

KRAWHAM! KRAPOW! KRABLAM! KRABASH!

MR. KRABS WAS BEATING THE FUCKING SHIT OUT OF HIM!

Mr. Krabs: WHY DID YOU TOUCH MY THERMOSTAT!?

Guy Grazer: I DON'T KNOW WHAT YOU'RE TALKING ABOUT!

Mr. Krabs: BULLSHIT GUY!

KRABLAM! KRABLAM!

SCREAMS OF EXCRUCIATING AGONY!

SMASH SMASH SMASH!

Guy Grazer: CURSE YOU TEAM LOUD PHOENIX STORM!

Me: YIKES! I hate to be Guy Grazer right now.

Qin: Me too.

Lola: Yeah.

Many of us were having red smoke come out of our mouths, noses and ears and we were sweating and crying from the intense spice.

Bubble Man: WHEW! Man that is spicy.

Rage Mage: Bubble Man, can we have your soda now? We need something to cool us off

Bombshell: (British Accent) I agree there too. We need it.

Bubble Man: Okay then.

He went and got us his own soda called Bubble Storm Fizz. It was blue raspberry flavor.

We drank some and then huge clouds of steam came out of our mouths, noses and ears.

Lily: Ahh! Man that is much better.

Lynn Sr.: (STEAM SIZZLES) You said it honey.

Bubble Man: I make my own soda called Bubble Storm Fizz. It's as good a soft drink as the Fenokee Fizz and douses a tummy blaze of up to 100 alarm fires.

Me: Wow!

LOUD MASSIVE BELCH!

Many of us burped.

Nico: Wow!

Poliwag tried some.

Poliwag: (Gulping)

He drank it.

Poliwag: Ahh. (LOUD BELCH)

Wakko: (Drinking)

Wakko finished his and then...

LOUD MASSIVE LONG BELCH!

WE LAUGHED HYSTERICALLY AT THAT ONE!

Poromon tried some.

Poromon: (Gulping)

He drank it.

Poromon: Ahh. (LOUD BELCH!)

We were really belching from it.

Me: Wow! That is full of fizz to make it long belches.

Bubble Man: Yep.

Horsea tried some.

Horsea: (Gulping)

She drank it.

Horsea: Ahh. (LOUD BELCH) Oh excuse me!

Manaphy tried some.

Manaphy: (Gulping)

She drank it.

Manaphy: Ahh. (LOUD BELCH) Oh pardon me!

Mevya tried some and he drank it all.

Mevya: Ahh. (LOUD BELCH!) Whoa! Pardon me.

Camie: That was really good chili though.

Zuria: Boy I'll say!

Toru Hagakure: It sure was. Man I'm stuffed.

Naga Jolokia: I'm glad you guys liked it.

Me: We sure did.

Hoppip tried some.

Hoppip drank all of it and belched.

Hoppip: WHOA! Pardon me!

Nico: (LAUGHS)

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it's none other than Sir Fangar, and he's causing havoc in Chima. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh man, we've got trouble in Chima.

Eli: It's been a long while since we've had trouble in Chima.

Lincoln: It sure has.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency: I just had a vision and I saw who it was that we're going to confront today: to our shock, it's none other than Sir Fangar, and he's causing havoc in Chima.

EVERYONE GASPED!

Fluttershy: Sir Fangar. We haven't faced him before during my missions to Chima.

Me: No, we haven't.

Lincoln 2: (Through Lincoln's crest) That's right, we haven't. Sir Fangar is the leader of The Saber-Tooth Tiger Tribe and the primary tribe of The Ice Hunters who were present during The Fire VS Ice Wars, and his goal is to conquer Chima. Well, that's not going to happen.

Me: Not a chance in Hell. We're taking Sir Fangar down.

Lincoln: And I got an idea, we'll have him sent to The Masters of Evil.

Nico: That's a great idea, Lincoln, I'll contact Vypra and let her know she's got a new member heading her way.

Nico did so.

Maria: We better get going if we want to stop Sir Fangar.

Nico: Right, Maria. Alright, team, let's go, we got to stop Sir Fangar and send him to Vypra.

Lincoln: His dream of conquering Chima is about to take a severe hit, we're stopping his conquest here and now.

Me: Lets see what it says about him.

I pulled up his info.

Sir Fangar is the overarching antagonist of Legends of Chima series, serving as one of the two unseen overarching antagonists (alongside Scorm) of Season 1, the overarching antagonist of Season 2, and the main antagonist of Season 3.

He is the King of the Saber-Tooth Tiger Tribe and the leader of the Ice Hunters who seeks to conquer and freeze all of the magical world of Chima and rule it.

He was voiced by Christopher Molineux.

Prior to the series

Fangar, along with the other "ground born" were welcomed up into the Phoenix City for education and civilizing. Fangar rose above his peers and was among the Fluminox's "best students". However, after years of studying, Fangar felt he had learned all there was to learn and set his eyes on a more ambitious goal of taking over Chima. The now self-dubbed Sir Fangar built an army and crushed anything that came in his way. Eventually, Sir Fangar reached Mt. Cavora with his army. The Phoenix had only one chance left. They performed a ritual called the Great Illumination which drastically changed the landscape and banished Sir Fangar's army into the Gorge of Eternal Depth, freezing them over the years, losing pieces of his flesh and exposing his bones.

During the series

Later, Sir Fangar returned to Chima and attacked Mount Cavora and The Phoenix Temple, but Flinx turned into The Ninth Phoenix and threw Sir Fangar and the Ice Hunters off The Phoenix Temple. After this event, Sir Fangar turned good.

When it was done we were shocked!

Qin: WHOA!

Lola: Wow! So that's why he is gonna be in the M.O.E. He turned good in the end.

Camie: Yeah.

Hitch Trailblazer: First we got to find Fluttershy from my world.

Me: Right that is first.

The previous group came.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Cargill: Can me, Krusty, Patty & Selma, Skinner, Rich Texan, Saix, Ebon, Iron Lung, Bronze Kneecap and Eccentro go with you guys?

Patty: And are we heading to Laval's world for this?

Nico: Yes you guys can come with us and yes we are. But first we got to follow Hitch to find the Fluttershy from Sunny's world.

Hitch Trailblazer. I had a dream that lead me to her.

Camie: Yep he told us so this morning.

Krusty: This will be interesting.

Transquito: Boss, which Gene Slammer do you think you'll meet next?

Nico: Davis will like this one. ExVeemon next.

Davis: Cool!

Me: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive

angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed dark energy signals with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Hiruko Ubusuna, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw was none other than our old enemy, Hiruko Ubusuna, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge.

Hayley Ying Xiao: I'm familiar with the crimes Hiruko committed, that dark sorcerer is going to pay for this with his life.

Nico: Uh oh, The Ambassador of Bai Tza, The Demon Sorcerer of Water is about to unleash the Waters of The Mermaid on that dark sorcerer, this should be good. Alright, team, let's head on out, we're off to Chima.

Lincoln: We're taking down Sir Fangar and sending him to The Masters of Evil, and once we get done with him, you're next, Hiruko Ubusuna.

Hayley Ying Xiao: You will never ever be forgiven for your blasphemous crimes of using dark magic for your dreams of world conquest, and for that, you will pay the price for your crimes, Hiruko.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Chima to take down Sir Fangar and send him to The Masters of Evil, and once we get done with him, Hayley Ying Xiao and Lincoln are going to destroy Hiruko Ubusuna who's come back for revenge on us.

We were off to Chima. But first Ponyville into the Everfree Forest.

We were walking through the Everfree Forest.

Twilight Sparkle: Stay close everyone. The Everfree Forest is a dangerous place.

Me: From personal experience we know and we will be careful.

Lola: Okay.

We walked through the forest.

Hitch Trailblazer: This way.

We followed Hitch down a path.

Hitch lead us down the path to a tree like the one he saw in his dream.

Hitch Trailblazer: This is where I saw the entrance to Fluttershy's grove.

Then my sword was reacting to something.

Me: My sword.

I unsheathed it and the Jewel of Kindness was glowing.

Me: We must be getting close.

Lilja: (Icelandic Accent) We sure are.

Bluebell: Goodness.

Krusty: Lets call Carmen Dillo.

Fluttershy: That's a good idea.

We did so.

Carmen Dillo came.

Carmen Dillo: I'm here.

Me: Great.

Carmen Dillo: This isn't Laval's world.

Metal Man: We're making a quick stop.

Carmen Dillo: Oh right! You guys are finding Sunny's worlds versions of Twilight and friends.

Qin: YEp.

Hitch Trailblazer: Here!

We saw a wooded tunnel.

Me: This what you saw Hitch?

Hitch Trailblazer: Yep.

We went through the tunnel and we then got to a huge door with Fluttershy's cutie mark on it.

Hitch Trailblazer: This is the door I saw.

Fluttershy: Goodness!

Lilja: Wow.

Daffodil Bloom: Amazing.

Hitch then found the button and opened it and then we gasped! WE SAW AN AMAZING HIDDEN FOREST OASIS JUST LIKE HOW I PREDICTED! It was full of butterflies, flowers and many kinds of animals.

Me: Wow!

Laney: This is beautiful.

Camie: Amazing!

Qin: Wow!

Rich Texan: Hey, Fluttershy! You here? We need to hurry up and reveal yourself so we can move onto Fangor!

Me: This is Sunny's worlds Fluttershy we're finding.

Fluttershy: I'm right here.

Rich Texan: Oh sorry.

Hitch Trailblazer: Wow! This is amazing. Look!

We saw glass coffin of leaves and vines and flowers and inside it, locked in a state of hibernation and suspended animation was Sunny's worlds version of Fluttershy!

Me: There she is!

She looked like Fluttershy but her pegasus wings had pink feathers!

Hitch Trailblazer: It's her!

Me: Just like I predicted.

We went over to her.

Me: Looks like she was here for over a thousand years.

Nico: Wow.

Hitch Trailblazer: I wonder.

He touched the coffin and then a massive surge of energy and magic off the charts exploded out with incredible power!

Me: WHOA! WHAT POWER!

A MASSIVE BEAM OF LIGHT EXPLODED OUT AND FORMED INTO FLUTTERSHY'S BUTTERFLY CUTIE MARK AND THEN THE MAGIC EXPLODED OUT AND SPREAD ALL OVER THE WORLD AND FLUTTERSHY'S COTTAGE WAS TURNED INTO AN AMAZING MANSION OF BEAUTY AND HER SANCTUARY WAS MORE BEAUTIFUL THAN EVER! THE FORESTS AND GARDENS WERE AMAZING ALL OVER TOO!

Then the coffin opened and she awoke for the first time in 1,000 years!

Fluttershy G5: (Groans) What happened?

She saw us.

Twilight Sparkle: Fluttershy?

Fluttershy G5: Twilight? Is that you?

Twilight Sparkle: It's a long story.

Me: We have an amazing story to tell you.

We told her everything that happened and more.

Fluttershy G5: My goodness! I got so much to get used to.

Me: I know. Opaline destroyed everything Twilight worked so hard to accomplish. But Opaline is gone for good.

Mr. Boss: You remember the mascots, right?

Fluttershy G5: I sure do and I can never forget the most adorable mascots of the team.

Qin: Awesome.

Fluttershy: Boy a lot of things have happened with us and more.

Fluttershy G5: It sure has. I got so much to catch up on.

Hitch Trailblazer: I know and we can help you.

Me: We are in the process of restoring everything Twilight accomplished.

Dirge: I hope you remember these 4 boobs too.

Dirge got out pictures of Officer X, Fifi, Phantom, and Shaw.

Fluttershy G5: Oh yes I do. They caused too much trouble for the mascots.

Me: Yep.

Fluttershy G5: Now that I'm back I can help my friends once again.

Nico: We got so much for you to catch up on. But lets go to Chima now.

We went out of the forest and Fluttershy saw her cottage fixed up and more amazing than ever. The magic made it more awesome.

We then went to Chima.

We arrived.

Laval: Oh it's so good to be back home.

Fluttershy: It sure is amazing.

Qin: I agree.

Ebon: There are lots of tigers here

Me: Yep.

Lilja: It sure is amazing that you got to learn the secrets of Chi here mom.

Fluttershy: Oh yes and it's really amazing and great.

Ransack: This is probably our first time fighting Fangor

Qin: Yes it is.

Fluttershy: I never faced him before on my ambassador missions.

Fluttershy G5: I have a feeling this will be interesting.

Camie: I agree there.

Lilja: Yeah.

Daffodil Bloom: And it's not the first time we faced ice villains before.

Xenia: I agree there

Bronze Kneecap: We fought King Scorm last time

Me: Yeah that's right!

Carmen Dillo: I remember that. That was amazing.

Camie: That was fun.

Laney: It sure was.

Fluttershy G5: We should've been more prepared for Opaline.

Sunny Starscout: You can't blame yourself for what happened. Opaline appearing like that happened without warning.

Misty Brightdawn: I just can't believe that she would push you down like that and make you cry which lead to so much distrust and more.

Me: (GROWL) Man what a monster!

Camie: Opaline was pure evil incarnate!

Horsea cuddled up to her.

Fluttershy G5: Oh thank you Horsea.

Me: I'm sorry guys. What Opaline did really infuriates me. She was a ruthless and heartless monster.

Sunny Starscout: I know. What an evil monster. Opaline got what she deserved.

Hitch Trailblazer: I agree there too. I'm glad she is gone.

Camie: So are we.

Nico: And she actually is gone. The Anti Monitor didn't bring her back.

Me: Thank goodness. And I gave her the Black Abyss while she was still in the Black Gates.

Xenia: Good.

Fluttershy: Yeah.

Fluttershy G5: But it's great to be back with my friends again. I've missed so much.

Me: You sure have. But we have a long way to go.

Lola: Yep.

Then Lincoln had a premonition.

Lincoln: Whoa! I just found out who the Akuma is today. It's Doomdryad, The Hypothetical Akuma form of Fluttershy. She is what we call a dark dryad and she has control over all the animals and nature. She loves all her friends of the animals with great kindness. She was made because of Elmyra Duff's abuse over so many animals over the years and she made it her mission to teach that animal hurting brat some manners by maiming her and leaving her scarred and tormented by nightmares of animals forever.

WE GASPED!

Lincoln showed us a sketch of her and she looked like a dryad woman with demonic dragon wings.

Me: WHOA MAN!

Qin: That is scary.

Fluttershy: I agree there!

Blitzwing: Another version of Fluttershy encountered today.

Me: Except this is her Akuma. I can understand why she would want to take down Elmyra Duff.

Camie: Me too. Because of Fluttershy's love for animals and she won't stand for Elmyra hurting them.

Lola: Yeah! Elmyra loves animals too. Far too much.

Eccentro: Where is she now?

Me: I think there!

We saw a huge and amazingly beautiful rose flower bud.

Camie: Wow! What a flower.

Xenia: That is beautiful.

We went over to it.

Then it bloomed and out came DOOMDRYAD!

Doomdryad: It's so good to see you all here.

Me: Wow! A dryad is very fitting for you Fluttershy.

Lilja: The Tree Spirits of Greek Myth are amazing too.

Doomdryad: They sure are.

Skull Man: Fluttershy? Is that you?

Doomdryad: Yes it's me Skull Man.

Birds and animals came to her and she loved and cared for them.

Doomdryad: What Elmyra did to so many of my friends is awful. I love my animals and butterfly friends so much and I will never let a monster like Elmyra hurt them.

Me: Well that's one amazing thing that has never changed about you and that is your amazing love and kindness for all animals.

Lilja: That is too true.

Iron Lung: You need to calm down!

Me: Iron Lung wait.

Doomdryad: Do you know where Elmyra is?

Me: As a matter of fact I do. She's right behind you.

We saw Elmyra and she was coming for Buster and Babs Bunny!

Elmyra Duff: BUNNY WUNNIES I WANT TO HUG YOU AND SQUEEZE YOU INTO ITTY BITTY PIECES!

Buster and Babs screamed in fright!

Nico: She's all yours.

Doomdryad: Thank you.

Elmyra was near Buster and Babs and then Doomdryad grabbed her and had her look her in the face.

Doomdryad: Just who do you think you are you little brat!? Feel the pain of all the animals you hurt!

HER EYES GLOWED A MALEVOLENT RED!

ELMYRA THEN SCREAMED IN FRIGHT AS SHE HAD HER OWN SINS AGAINST THE ANIMAL KINGDOM TURNED AGAINST HER! SHE WAS EXPERIENCING HELL LIKE YOU WOULDN'T EVEN BEGIN TO IMAGINE! SHE WAS BEING SQUEEZED, TORTURED, ABUSED, MAIMED AND BUTCHERED LIKE HOW ELMYRA DID TO SO MANY ANIMALS AND MORE AND BEYOND! IT WAS HORRIFYING! SHE SCREAMED AND THEN CONVULSED IN PAIN AS SHE WAS TRAPPED IN AN ETERNAL NIGHTMARE OF HER OWN MAKING!

Me: HOLY SHIT! That was like the Penance Stare!

Doomdryad: It's my own version of it called The Sagedoom Stare.

Me: Except it's reserved more for those that do crimes against the animal kingdom.

Doomdryad: Exactly.

Ghost Rider: That is amazing. I had no idea there were different kinds of Penance Stares.

Qin: I think we just witnessed a more terrifying and deadlier version of Fluttershy's stare.

Fluttershy: That is amazing.

Doomdryad: It sure is.

Nico: Sorry we have to do this.

Doomdryad: It's okay. Come at me.

I fired waves of energy and blasted her all over.

Carmen Dillo charged at her and rolled and smashed her all over.

Qin: YEAH!

Xenia: Take that!

Melody Mistmane: Shall we show her our skills ancestor?

Mistmane: You read my mind.

Melody and Mistmane: DRAGON MAGIC HELIX!

They fired green dragons and it formed into a helix and blasted her all over.

Nico: That's right. You didn't do a combo yet

Melody Mistmane: That's right.

Me: But that was awesome!

Rarity: That was really great darlings!

Sweetie Belle: The family of our favorite legend is a force to be reckoned with.

Maria: Wait. Is she down yet?

Me: Not yet.

She got up.

Doomdryad: My turn!

She fired waves of leaves and flowers and we dodged them.

We fired waves of energy and blasted her all over the place.

Xenia fired an arrow and it hit her and exploded and knocked her out.

Me: BULLSEYE!

Waspinator: Waspinator may have peed in fright just now

Me: Do Cybertronians even do that?

They just whistled as their way of saying Too Much Information to Tell.

Me: Oh. Sorry.

Saix: Can you blame him?

Me: No.

Nico: Now to find Sir Fangar.

Me: Just follow the ice.

We saw an ice trail going to the Capital of Chima.

Beast Wars Inferno: All this ice is nothing to me and the Royalty.

Nico: That is for sure Inferno.

Qin: Yeah!

Nico: Lets go.

We went to find Sir Fangar and we saw him and his forces 750 yards ahead and closing in on the castle!

Skinner: Let me thin out his troops

Nico: Lets all do it! ENTRANCE TIME!

We went at them.

Sir Fangar was marching with his men. But then the spirits of nature and fire appeared and swirled around them and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off above them and fireballs rained down and blasted them and then a phoenix cry was heard and we came out.

Me: The heat is on!

I fired waves of fire and blasted them all over.

Skinner blasted them too.

Ulmar: Here's my ride!

A Viledriver appear and Ulmar hopped on it and blasted them with fire.

Sir Fangar: So Team Loud Phoenix Storm. Nice of you to come.

Me: We aim to please.

Sir Fangar: I'm surprised you fought Scorm before me.

Selma: He was the more powerful threat.

Me: But he is gone forever.

Qin: You don't have to be like this.

Camie: You turned good before. Now you can do so again.

Sir Fangar: I know. (to Laval) But it's been about 2 years since you were in battle here. Can't let you get sloppy, can I?

Laval: True. But I was teaching my skills to everyone here.

Me: It's true.

Fluttershy: And now you have us to play with too.

She formed phoenixes of flowers and blasted Sir Fangar all over the place.

Meowscarada charged at him and fired waves of energy and leaves and blasted him.

Nico: Yeah!

Sir Fangar: Fluttershy that is really impressive that you can do that with nature and chi.

Fluttershy: It is amazing.

Krusty: Lets give him a good show! (LAUGHS GOOFILY!)

Krusty charged at him and juggled bombs.

Krusty and Bomb Man: BOMBS OF COMEDY BARRAGE!

They threw bombs and blasted Sir Fangar all over.

MASSIVE AND POWERFUL FIERY EXPLOSIONS!

Patty and Selma charged at him and blasted him with fire.

Fire Man: Lets burn!

Patty and Selma and Fire Man: FIRESTORM BLAST WAVE!

They fired waves of fire and blasted him.

Rich Texan charged at him and blasted him.

Plant Man: Lets bring the Texas power!

Rich Texan and Plant Man: PLANTS OF TEXAS BLAST!

They fired waves of energy and leaves and blasted him all over.

Skinner charged at him and blasted him.

Bart: Lets do it like old Times Skinner!

Skinner and Bart: LAW OF THE PRINCIPAL BLAST!

They fired waves of energy and blasted him all over.

Me: YEAH!

Ebon charged at him and fired darkness blasts.

Shadow Man: Lets bring the shadow!

Ebon and Shadow Man: SHADOWS OF DARKNESS BLAST!

They fired waves of darkness and blasted him.

Saix: MOON SHINE DOWN!

He went into his berserker mode and charged at him and bashed him all over.

Cutter Kirby: Lets slice and dice!

Saix and Cutter Kirby: SLICING OF THE MOON BLAST!

They fired waves of blades of the moon and slashed him all over.

Skinner charged at him and blasted him.

Bart: Lets do it like old Times Skinner!

Skinner and Bart: LAW OF THE PRINCIPAL BLAST!

They fired waves of energy and blasted him all over.

Me: YEAH!

Ebon charged at him and fired darkness blasts.

Sir Fangar: Yes, we've heard about it, but you won't win against us!

Suddenly, we saw an army of thugs from Colorado heading for us, and I recognized them as Gerald Vexos' men.

Lincoln, Hayley Ying Xiao, Nico, and I went after Hiruko Ubusuna, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids,

Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Hiruko Ubusuna, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Hayley Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Hayley Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Hiruko Ubusuna even more angrier than ever.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Hiruko Ubusuna.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire

Then, Lincoln charged and smashed his rainbow energy infused left fist into Hiruko Ubusuna's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln did one final powerful energy slash that hit Hiruko Ubusuna hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Hiruko Ubusuna was now on his last legs and he was really really mangled.

Then, Lincoln grabbed Hiruko Ubusuna and he sucked out and absorbed Hiruko Ubusuna's Dark Magic, Onmyoujutsu, Summoning, Elemental abilities, Manipulation, and Cunning, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, he also drained him dry of his life force and sucked out his souls, and he drained Hiruko's soul of energy and banished him to The Black Abyss and his body turned to ashes, and he also made the scroll-like gojufu talismans of Hiruko Ubusuna his own.

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Good riddance forever, you mad sorcerer.

We cheered wildly as we holstered our weapons and powered down and Hayley Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive blue angel wings and four sets of large blue angel wings underneath her massive blue angel wings are permanent.

Hayley Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, Hiruko Ubusuna. Thanks for helping me take down Hiruko Ubusuna, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Hayley.

Me and Nico: Our pleasure, Hayley.

Suddenly, Hayley Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hayley Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Bai Tza, Demon Sorcerer of Water flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Hayley Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That'll serve Hiruko Ubusuna right. He had a lot of nerve coming back from the dead, and I can blame Morgana and her demonic minions for that one.

Lincoln: Without a doubt it had those she-demons behind it.

Eli: Sore losers.

Laney: No, they're more than that, absolute monsters is what I would call them!

Twilight Sparkle: When we finally go after Dark Gale, they will also pay for their crimes once and for all.

Me: And we'll make sure they never come back! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Satan.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. The Sigil of Satan appearing means we are running into the last of The Seven Queens of The

Netherworld: Myra Satan, Avatar of Satan, Demon Lord of Wrath and Gene-Slammer of Daemon.

Nico: Oh man. So, what can you tell us about her?

Selene Arcangela: Oh right, Myra Satan, Avatar of Satan, Demon Lord of Wrath and Gene-Slammer of Daemon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Satan, The Demon Lord of Wrath and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Satan himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Satan himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep.

Grumblemon: That's a strike!

Ranamon: Sugah, that's in bowling.

Arbormon: This is more like soccer.

Mercurymon: But it still got the job done.

Grumblemon: But that was awesome!

Rainbow Dash: I was just about to say the same thing!

Fluttershy: (LAUGHS) Yeah!

Brick: How should we celebrate?

Nico: Lets go to Sugarcube Corner.

Pinkie Pie: Oooh! Good idea guys!

Me: Yeah!

Nico: Great job everyone!

Po: (To the viewers) Boy today was AWESOME!

Me: Yeah it was!

We went to Sugarcube Corner for some sweets. We had fun. We later returned home and enjoyed the rest of the day and went to sleep and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Suddenly, he felt a cold chill in the air, and he turned around and saw four ghosts appear: they were his old friends, Mark Davis, Logan Michaels, David Johnson, and Benny Edwards. Then, he followed the ghosts, and he arrived at an apartment in the eastern part of Manhattan, but it had a dark aura of dread as there was a history of murders and suicides that took place there since before his death, and due to it, those who went in there were either murdered or took their own lives and were left as restless spirits.

Caleb Maxwell: Mark, Logan, David, Benny. Why did you idiots enter into that apartment so long ago? One day, I'm ending the curse that hangs over the apartment, and then, I'm going to find the person who did this and I'm going to end him forever.

Caleb Maxwell returned home to rest.

Next up is CatDog's day to shine as we battle Bob the Killer Goldfish.

See you next time.

CATDOG VS MAD GOLDFISH

Bob the Killer Goldfish is back

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to Planet Namek, and as he was flying, he saw our next target: the 3 Star Ball, but the really bad news: it's in the hands of Mesa Florence's daughter despising insane mother and she was freed from the Epiales' Eternal Sleepless Nightmare Vengeance Curse, and she's out for revenge! Lincoln woke up, but so did his harem and kids too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, Lily, I just found the 3 Star Ball on Planet Namek, and the bad news, it's in the hands of Mesa Florence's insane mother, and the bad news is she's been freed from the Epiales' Eternal Sleepless Nightmare Vengeance Curse, and now, she's out for revenge.

Lincoln's harem gasped.

Mesa Florence: What the Hell? I thought that curse couldn't be broken!

Lincoln: It appears Morgana found a way to break the curse.

Mesa Florence: I can't believe her, that bitch. Tomorrow, Mom's going to die here and now. I'd since cut all ties with that old hag before and after Dad divorced her and kicked her out of the house.

Selene Arcangela: I hated your Mom for a very long time, Mesa, she broke the sacred bond between mother and daughter and became a religious fanatic, that witch deserves to die, and tomorrow, we'll make sure of that.

Paige: Plus, we got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be pissed.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Planet Namek, and as I was flying, I saw our next target: the 3 Star Ball, but here's the bad news: it's in the hands of Mesa Florence's daughter despising insane mother and she's been freed from the Epiales' Eternal Sleepless Nightmare Vengeance Curse, and she's out for revenge on us.

WE GASPED!

Me: I thought we were finally through with that old hag after you and Mesa gave her the beatdown of her life and you cursed her with that curse, Lincoln.

Lincoln: I thought so too, but Morgana used her black magic and freed Mesa's insane mother from the curse.

Nico: Now, she's really going to get it! So, we're heading for Planet Namek to get the 3 Star Ball back and we're going to kill Mesa's insane mother.

Mesa Florence: That's right. I'd since cut my ties with her before and after Dad divorced her and he kicked her out of the house.

Suddenly, a vision orb formed in Lincoln's left hand, and we saw that Damian Maxwell has broken out of his shackles and is coming after us to still kill Caleb Maxwell and Allie Maxwell once again. When Alex Rodriguez saw Damian Maxwell, he gripped his head in pain.

Caleb Maxwell: Alex, what's wrong?

Alex Rodriguez: I thought I'd never have to see his face again, and Caleb, there's something that I need to tell you and all of you as well. I happen to know Damian all too well, though I wish I hadn't, and the truth is: he's my dad.

WE GASPED!

Then, we saw the same vampire cross on his right arm as soon as he lifted up the long sleeve of his long-sleeved black coat.

Allie Maxwell: So, that means...?

Alex Rodriguez: Yes, Allie, and my real name...is Gabriel Maxwell, and like Caleb, I'm Mom and Dad's eldest son and that made Michael and Felicia my two siblings, and I'm also the cousin of you and Caleb. My story began not long after your Dad's scumbag relatives came and murdered Michael, Felicia, and Mom, I came home from college one day after the news hit of their deaths, and I went to comfort Dad, but he became so cold and heartless, and he was fixated on one thing: getting revenge on your Dad.

Caleb Maxwell: Mom never told us about it.

Gabriel Maxwell: That's because your Mom didn't want you or Allie to worry, but Aunt Marlene knew you were smart and you'd figure out something was wrong. I tried for years to get Dad to stop with this insane desire for revenge on your Dad and he also plotted to kill you guys as well, but before I could stop him, Dad stabbed me in the stomach with a knife, and I had to spend a week in the hospital and they arrested my Dad for attempted murder, and I wanted to know why he did it. He said it's because I got in the way of his desire for revenge. I was so furious, he gave into his desire for revenge and he was willing to get his revenge, he even tried to kill his eldest son. It was there I swore to stop Dad no matter what, and when the news hit of your death at Drake's hand, I knew I had to stop this curse of violence, so I began training my body and mind really hard in order to stop Dad and my ex-cousin, Drake, along with your Dad's scumbag relatives. But, then, I wound up getting kidnapped by Morgana and her minions, and you know the rest.

Caleb Maxwell: My God. Okay, that's it, we need to stop Uncle Damian and fast, this curse of violence needs to end now.

Marlene Maxwell: Without a doubt.

Lincoln: Your dad's not going to listen to reason though, you know that.

Gabriel Maxwell: I know, that hard-ass isn't going to listen, so we're going to resort to brute force.

CatDog woke up to see Furfrou and Liepard staring at them

Furfrou: Morning Dog.

Liepard: Morning Cat!

Cat: Oh morning you two.

Dog: Morning!

Liepard: Time for breakfast!

Dog: HI HO DIGGETTY! LETS GO CAT!

ZOOM!

Cat: WHOA! EASY DOG!

They ran to the table and sat down. We were having sausages and steaks and ham and fish.

Cat: Oh boy!

Dog: Lets dig in!

They got to eating!

Later it was time for the rescue. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12335.2: The U.S.S. Valorous Phoenix is en route to the planet Namek to get the 4th Black Star Dragonball and our mission is to also battle whoever is there too.

Camie: Yeah.

Piccolo: It'll be good to be home again after all this time.

Varie: I can't wait.

May: Boy last time we were there was when Nico, me and Maria were there to avenge the Saiyan Race.

Camie: That is awesome.

Lola: Yeah.

Web Spider: That was awesome to hear about.

Me: Yep.

Nico: Web Spider, I want to thank you, Gargantula, and your teams for coming

Web Spider: No problem Nico. This will be awesome and fun.

Silk: It sure will.

Me: It'll be awesome having you with us Cindy.

Silk: Same here.

Me: Yep. All of you are going to love it.

Spider Woman (Ashley Barton): I agree too.

Nico: Silk, how did you get your powers?

Silk: Coincidentally it was the same way Peter got his powers.

Spiderman: A Radioactive Spider Bite. I wasn't the only one that was bit by a radioactive spider that day.

Silk: Nope. It was the same with me and Ashley Barton here.

Spider Woman (Ashley Barton): It's true.

Me: Wow!

Nico: That's nice to hear.

Qin: Yeah.

Mayday Parker: I inherited my powers from my father.

Jessica Drew: I got my powers as a result of a sideeffect from the antidote I was given.

Spider Girl (Legion of Superheroes): I don't remember how I got my powers unfortunately.

Me: Well it'll come to you.

Camie: Yeah.

Nico: Wow. Fluttershy you did awesome yesterday.

Fluttershy: It sure was a fun adventure.

Lola: Yep.

Me: And also as a bonus Operation Magic of Friendship Reconstruction is now in full swing.

Nico: We saved the Fluttershy of Sunny's world

Me: We sure did.

Qin: Yep.

Lola: One down and 7 to go.

Camie: Yeah.

Lola: This is gonna be awesome.

Fluttershy G5: It sure is and I'm so excited and happy to be back home with my friends.

Me: We're so glad.

Nico: And we visited Chima again

Me: Yeah we sure did.

Fluttershy: It was so amazing to see it.

Lola: It sure is.

Camie: Yep.

Lana: And another awesome bonus was Fluttershy's Akuma giving that monster Elmyra Duff a really awesome version of the Penance Stare.

Nico: We also defeated Fangar.

Qin: We sure did.

Cat: That was so fun. And I do know it's me and Dog's day to shine today.

Dog: Boy it sure is Cat. I wonder who we're going to face.

Cat: Most of our enemies are in the M.O.E.

Me: We'll have to find out soon.

Qin: Yeah.

Nico: It's good to have you with us, Jessica.

Jessica Drew: It's an honor. I'm so excited.

Camie: We all are.

Nico: Sorry it took so long.

Jessica Drew: It's okay. But it will be fun and cool.

Lola: Yeah.

Camie: It sure will be awesome.

Lisa: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Namek! It was a green planet.

Maria: We're here.

Nico: Planet Namek.

Piccolo: Home.

We landed and we got out.

We saw that the planet Namek was a beautiful planet and it was home to many islands and more.

Me: Wow so this is the planet Namek.

Camie: It's amazing.

Me: Master Piccolo, your home planet is amazing.

Piccolo: It sure is. And it has a lot of good memories too.

Goku: Most of them bad because of us battling Frieza and his men here.

Me: And lets not forget Meta Cooler and the Big Gete Star.

Maria: Let's fan out and find the Dragon Ball

Me: Wait Maria.

I pulled out the Dragon Radar and activated it.

Me: That way. 500 klicks to the north.

Nico: The 3 Star Ball right?

Me: Yep.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Namek to get the 3 Star Ball, and just as we saw last night, it's in the hands of Mesa Florence's insane daughter despising mother.

Me: Just as you told us this morning.

Nico: I can't believe that old hag's back, and that Morgana broke the curse you put her under two years ago after you and Mesa took her down.

Qin: Well, that's the last straw, that old hag's going straight to The Black Abyss, she's too dangerous to let live.

Lincoln: We wanted her to spend the rest of her days alone in the asylum, but you're right, she's too dangerous, that day when she broke out to kill Mesa and Ella proved it.

Mesa Florence: I still remembered that, but that ends here, I'm getting rid of that religious fanatic old hag once and for all, and she's never coming back.

Lincoln: That's for sure.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle has resurrected Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and they also freed Joshua, Drake, and Noah Timaeus from prison, and they turned them into 12'5" hulking muscular behemoths using muscle growth serums, virility and testosterone booster serums, and bull growth hormones and sent them after us.

Lincoln: Oh man! Morgana, now you've really gone too far!

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back?

Lincoln: It's not good, it appears that Morgana Midnight Sparkle has resurrected Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and they also freed Joshua, Drake, and Noah Timaeus from prison, and they turned them into 12'5" hulking muscular behemoths using muscle growth serums, virility and testosterone booster serums, and bull growth hormones and sent them after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do, Nico, I've had it with those thugs to last an eternity.

Ed Cowart: We got here as soon as possible.

Lori: So, we're here on Planet Namek, it really is amazing. But, now it's been tainted by that religious fanatic, and now, we got word that Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor were brought back by Morgana Midnight Sparkle, along with their gangs of male thugs, and they also freed Joshua, Drake, and Noah Timaeus.

Cage Blunt: All the more reason to kill them all and send them all to The Black Abyss.

Caleb Maxwell: That's for sure, and Uncle Damian's also here, so we got to watch it with him.

Crash Bandicoot: We better get going and fast if we want to kill Mesa Florence's ex-mom and get the 3 Star Ball back.

Lincoln: Along with dealing with Morgana's next set of puppets.

Me: Yep.

Nico: That backstabbing witch! Mrs. Florence is gonna wish she was never born.

Xenia: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Mrs. Florence) AHA! There you are, you old hag! I just spotted that religious fanatic, she's 20 yards away, but he's coming right at us and he's out for blood again. (Sensed Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus) And I just spotted Morgana's next army of puppets.

Nico: Let's tear them apart.

Cole heard a Pokemon Cry.

Cole: Look guys!

We saw a Mega Pyroar!

Me: Whoa Mega Pyroar!

Jeri: Looks like my Pyroar are gonna have some friends.

Nico: Yep.

Me: He's hungry.

We gave it apples.

Mega Pyroar: Thank you so much.

He ate them.

Me: Perfect for you too because you govern the lion Cole.

Cole: It sure is.

Xenia: Yeah.

Cole: You want to come with us?

Mega Pyroar: I would be honored.

Xenia: Awesome!

Camie: You won't regret it.

Nico: No you sure won't.

THEN WE HEARD AN OMINOUS GHOSTLY WAIL!

Shaggy and Scooby had their hair stand straight up!

Shaggy: ZOINKS! WHAT WAS THAT!?

Nico: Maybe this planet's haunted!

Me: I don't think so! LOOK!

We saw a REGIGHOST!

Qin: WHOA! Regighost!

Lola: WOW!

Shaggy: ZOINKS!

Nico: What's that doing here?

Me: I think it's the next gene-slammer.

Cozy Glow: Let me see.

She used her Telepathy.

Cozy Glow: (GASP) That's my sister Raven Bishop!

WE GASPED!

Me: Lets go then!

Me and Cozy went over to her.

Cozy Glow: Raven it's me! Your little Cozywozy.

All she did was grab her.

But Cozy Glow slipped through her fingers.

Me: Wow! Nice one.

She fired a Shadow Ball at us and we dodged it.

It hit the ground and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO OMMMMMMMM!

Nico: WHOA! That was powerful!

Me: Looks like we're going to have to do this the hard way.

Cozy Glow: Yep.

Me and Cozy fired energy balls and blasted her all over.

Nico: (snickers) Cozywozy?

WHAP!

May slapped him across the head.

Nico: OW!

Nico got a Shadow Ball in the face for his troubles

KRABOOOOOOOOMMMM!

The explosion burned him bad.

Nico: Ouch.

Me: Okay this has to stop before we all get hurt.

I snapped my fingers and she reverted back and was a girl with dark blue hair, red pink eyes, black angel wings and had Regighost in the middle of her forehead and had a dark blue version of Cozy Glow's cutie mark on her arm.

I wrapped her in a blanket and we brought her over.

Me: She was tough.

Nico: No fucking kidding.

Me: Ooh are you okay?

Nico: I'll be fine.

She woke up.

Raven Bishop: (Groans)

Cozy Glow: Raven? Raven are you okay?

She saw Cozy.

Raven Bishop: Cozy? (GASP) Cozy!

She hugged her little sister for the first time in a while.

Raven Bishop: Oh Cozy I'm so sorry I wasn't there for you.

Cozy Glow: It's okay.

Me: Raven are you okay?

Raven Bishop: I am now.

Me: You were turned into a Regighost by Dark Gale.

Raven Bishop: (GASP) I remember!

FLASHBACK!

She was in a black body suit and was injected and she phased out of thetable and through the wall and turned into a Regighost and flew out.

FLASHBACK ENDS.

Raven Bishop: It was awful.

Me: I know. But we will kill Dark Gale soon.

Camie: Were you trying to save Cozy Glow from her madness?

Raven Bishop: Yes I was. When our mother died Cozy lost her mind and vowed to find a way to bring her back.

Me: Your sister went through a lot before and after the Great War with The Royal Defenders.

Twilight Sparkle: It's a crazy story.

Raven Bishop: Tell me everything.

We did so and went over her history and how she tried to take over Equestria as well as how we redeemed her durin the 20 Days of Darkness and more.

Raven Bishop: (GASP) Oh Cozy.

Cozy Glow was crying.

Raven Bishop hugged her and comforted her.

Raven Bishop: It's okay Cozy. It's okay.

Nico: What's your role in Sonya's team?

Raven Bishop: I'm the Necromancer of the team and I have mastery over the forces of the undead.

Shaggy: ZOINKS! Like that is scary.

Me: But that is cool.

Raven Bishop: It sure is. But outside I'm a funeral director and I help bury the dead.

Lucy Loud: You and I will get along great. I am a funeral director too.

Me: Lucy has her own funeral service called Lucy's Lament. Long story but it's true.

Raven Bishop: I can see that.

Cozy Glow: I tried to commit suicide!

Me: Yeah. Your sister tried to kill herself at Twilight's School and we went to stop her but we told Cozy that we would never kill her because it goes against our code. I saw that she was hurting on the inside. Sunset told us that she was like this because she lost her mother, your mother, due to a terminal disease. I resurrected her and freed her from the darkness inside her.

Camie: Yeah that was crazy.

Nora Valkyrie: Po Kong was there back then.

Nico: Yep.

Raven Bishop: Oh man. Cozy it's okay. It's okay.

Ren: Nora, why are you pointing that out?

Nora Valkyrie: Just stating the facts.

Ren: Oh.

Cozy Glow: I was a wreck back then! (CRYING) I'm so sorry sis! I'm sorry for everything!

Raven Bishop: It's okay Cozy. It's okay. I knew you were hurting and I tried to help you as best as I could. But you grew into an amazing lady and I'm proud of you.

Aurora Shine: We all are.

Raven Bishop: (GASP) MOM!

Raven hugged her.

Aurora Shine: Yes I'm back for good thanks to J.D.

Raven Bishop: I'm so happy.

Me: We all are.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new awesome dark blue clothes and an amazing undead sword.

Raven Bishop: Wow I look great.

Me: You sure do.

Poromon: Feel better, Cozywozy?

Me: Poromon!

Raven Bishop: Poromon please don't call her that. Only I'm allowed to do that.

Poromon: Sorry.

Me: Nico got socked in the face by a shadow ball from you.

Raven Bishop: Sorry about that.

But then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

We saw a massive explosion and saw some of the people of Namek fighting Mesa's former mother without us!

Nico: The party started without us!

Me: UCH! How rude! Some people just don't know how to be fucking patient!

Xenia: YEAH!

Raven Bishop: What's going on?

Me: We'll explain later! Right now we got a fight on our hands!

We took off into the air and we set out to get The 3 Black Star Dragon Ball and destroy Mrs. Florence, along with Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus and send them to The Black Abyss.

We were flying in the air, and we spotted our target: The 3 Black Star Dragon Ball, and it was in the hands of Mesa Florence's insane religious fanatic mother, and she was heading right for us in a fit of murderous rage again!

Lincoln: I've had it up to hear with that religious fanatic. This is where it all ends for you, you witch!

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Mrs. Florence and they hit her and exploded, and she screamed in insane rage as we landed, and when she saw Mesa again, she went mad with rage and tried to attack her with a knife, but Lincoln fired Ki blasts that sent that old hag flying into a rock. She got out, but she bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 3 Black Star Dragon Ball to his hand.

Mrs. Florence: GIVE THAT BACK RIGHT NOW OR I WILL KILL YOU ALL!

Lincoln: Oh, shut up. You've got some nerve coming after us again, Mrs. Florence.

Mesa Florence: I thought Lincoln's Epiales' Eternal Sleepless Nightmare Vengeance Curse would keep you trapped in an eternal sleepless nightmare, but Morgana decided to fuck that up. But, Lincoln was right, you've got some nerve coming after us again, Mom.

Mrs. Florence: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! YOU RUINED MY LIFE, MY REPUTATION, EVERYTHING, AND I HATE YOU AND YOUR SISTER FOR THAT, YOU BITCH! I WILL KILL YOU, THAT BRAT, AND THAT FREAK IF IT'S THE LAST THING I EVER DO!

Mesa's energy aura flared up thanks to that old hag's hate. Then...!

POW!

Mesa Florence punched her hard in the face!

Mesa Florence: You will not lay one hand on Ella or Lincoln, you old hag! You know what, I regret not killing you two years ago, but that ends today. Today, this is where you die!

Lincoln: That's right, you don't deserve to live a single second further.

Me: YEAH!

Qin: People like you give all mothers everywhere a BAD NAME!

POW!

Mesa punched her mother in the face

Mega Pyroar charged at her and fired massive blasts of fire and blasted her.

BUT THEN SOMETHING SNAPPED IN MESA FLORENCE AND THEN SHE GOT EXPLOSIVELY MAD AND WE SAW INTENSE FIRE BURNING IN HER EYES AND SCLERA!

Mesa Florence: (ENRAGED SCREAMING) I WILL MAKE YOU SUFFER! NO MORE! NO MORE!

Nico gripped her tight on her neck and she was choking.

Nico: YOU GIVE ALL KINDS OF PARENTS EVERYWHERE A REALLY HORRIBLE BAD NAME! Mesa's dad made the right choice when he divorced you and threw you into the nuthouse! Lincoln: And Jude Anniston, you, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with your gangs of male thugs, and Joshua, Drake, and Noah Timaeus, you better get out here right now, there's no use hiding.

Suddenly, we felt massive tremors on the ground, and then, we saw Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus, and they've indeed been turned into 12'5" hulking muscular behemoths by Morgana Midnight Sparkle using muscle growth serums, virility and testosterone booster serums, and bull growth hormones.

Noah Timaeus: WE'RE GOING TO CRUSH YOU LIKE THE GODDAMN BUGS THAT YOU ARE!

Suddenly, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus, and one by one, he began absorbing them and assimilating their massive superhuman strength, massive levels of virility, and massive amounts of testosterone, and his abnormally massive and powerful upper and lower body

muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus except for their torn pants, and he also drained the souls of Jude Anniston, Noah Castellanos, Nathaniel Balenciaga, and Caleb Windsor, along with their gangs of male thugs, and Joshua, Drake, and Noah Timaeus of all their energy and sent them to The Black Abyss.

Me: At least, we got rid of those assholes for good.

Monica Anniston, Audrey Castellanos, Isabella Balenciaga, Marceline Windsor, Abigail Windsor, and Hailey Timaeus: That's for sure.

Suddenly, Lincoln's deep sapphire eyes, Third Eye, and the four sets of rainbow eyes on the shoulder blades of his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings glowed, and his rainbow, white, and energy aura flared up extremely as he gained another astronomically massive power boost.

Lincoln: Morgana tried to use the same tactic Dark Lori and Dark Lisa did on my last rescue with the Jock Jockerson clones, but she failed, and I found out that I can also turn male criminals into 12'5" hulking muscular behemoths by injecting them with muscle growth serums, virility and testosterone booster serums, and bull growth hormones from my tails, or also, by biting them with my fangs, in addition to turning them into vampires or werewolves.

Suddenly, we saw a thug go after us, but Lincoln bit his right trapezius with his fangs and he injected him with muscle growth serums, virility and testosterone booster serums, and bull growth hormones, and werewolf venom. Then, he let out a growl as his muscles grew to massive size and he sprouted brown fur, brown wolf ears, and wolf tail, his shirt fell apart, and he let out a howl as he was turned into a werewolf, and the newly turned werewolf went after and really tore Mrs. Florence apart with his claws leaving slash marks on her prison jumpsuit.

Then, the thug was absorbed by Lincoln, and he was sent to The Black Abyss.

Nico: (WHISTLES) Say, next time, you think you can do that to some thugs from I took down back in New Jersey?

Lincoln: I'll see what I can do. Right now, it's time we took care of that religious fanatic and send her on a one-way trip to The Black Abyss.

Me: Right, this is the last time we ever have to deal with you, you religious fanatic!

Lincoln's Guardian Angels: AND YOU'RE GOING TO PAY FOR BACKSTABBING YOUR TWO DAUGHTERS AND HUSBAND AND ONLY CARING ABOUT YOURSELF, YOUR RELIGIOUS FANATICISM, AND YOUR REPUTATION, YOU OLD HAG! WE'RE GONNA TEAR YOU APART LIMB FROM FUCKING LIMB, YOU NUTCASE!

THAT REALLY REALLY MADE MRS. FLORENCE SUPER MEGA PISSED OFF BIG TIME!

We were amazed by Mesa Florrence's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Mrs. Florrence saw it, she went absolutely insane beyond imagination and ran at Mesa Florrence to kill her yet again, but Mesa Florrence fired a massive barrage of green and yellow, white, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, winds, moths, phoenixes, and angels which hit Mrs. Florrence and sent her flying into another rock, she got out again, and she was even more madder than ever!

But, when the final straw came when you threatened Mr. Florrence to either throw them in an orphanage or get a divorce, your heartless threat backfired, and having had enough of that religious fanatic, found the courage and decided to get a divorce from you, and I was happy for him doing so, you're nothing but a heartless religious fanatic and an uncaring unloving old hag who only cared about yourself, your reputation, and your religious fanaticism. Mrs. Florrence: YOU ABOMINATION! WHY CAN'T YOU JUST FUCKING DIE?! DIE! DIE!

Gabriel Maxwell: That's the last straw, you don't ever tell your own child to just die, you're no mother at all, you're just an old hag and a spiteful old witch! I hope you're ready to die!

Lincoln, Mesa Florrence, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I and all of us went after Mrs. Florrence, and we fired extremely powerful blasts of rainbow, white, and blue energy, green and yellow, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Mrs. Florrence and they exploded with incredible power as they hit her.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Mesa Florrence did the same by firing green and yellow, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Mesa Florrence, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Mrs. Florrence even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Mrs. Florrence, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Evil Anakin.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Evil Anakin's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering. You deserved to have your life ruined by your own actions, and now, this is where you meet your end.

Lincoln raised his massive greatsword above Mrs. Florrence's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED MRS. FLORRENCE AND HE SLICED HER BODY TO RIBBONS AND HER HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HER HEAD AND HEADLESS BODY AND SHE WAS FINALLY BANISHED TO THE BLACK ABYSS FOREVER!

We cheered wildly as we holstered our weapons and powered down and Mesa Florrence's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large green and yellow planets orbiting around her legs and twenty smaller green and yellow planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized green and yellow planets orbiting around her wrists and ankles, eleven massive and long green wolf tails, and massive green angel wings and four sets of large green angel wings underneath her massive green angel wings are permanent.

Mesa Florrence: I never want to see your face ever again, you old hag. You caused me, Ella, and Dad enough pain for one lifetime.

Lincoln: She deserved it, Mesa.

?: YOU LITTLE SHITS! I'M GOING TO KILL YOU!

Caleb Maxwell: Speaking of murderous parents...!

We then saw our other target, Damian Maxwell, and he was still out to kill Caleb Maxwell and Allie Maxwell in his misguided desire for revenge.

Caleb Maxwell: You really don't even know when to quit, do you, you hard-ass?

Damian Maxwell: SHUT THE FUCK UP! YOU LITTLE SHITS, I'M GOING TO KILL YOU AND GET MY REVENGE FOR THE DEATHS OF JESSICA, MICHAEL, AND FELICIA!

Gabriel Maxwell: Oh, that's just fucking rich!

Suddenly, Damian Maxwell saw Gabriel Maxwell, and his face turned pale.

Damian Maxwell: You?! But, that's impossible, I thought you were...!

Gabriel Maxwell: Too bad for you, I didn't.

Suddenly, we felt Gabriel Maxwell's energy rise as his green eyes with snake slit pupils turned neon green and he was surrounded by a dark purple, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, Infernal Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, snakes, demons, phoenixes, and angels.

Gabriel Maxwell: And I tried for years to get you to stop with this insane desire for revenge on Uncle Marcus and stop you from trying to kill Caleb and Allie too, but before I could stop you, you stabbed me in the stomach with a knife, and I had to spend a week in the hospital and you got arrested due to it, and you said it's because I got in the way of your desire for revenge. Do you have any idea of how furious I was at you, you gave into your desire for revenge and you were always willing to get revenge, especially after you tried to kill me, your eldest son. I swore to stop you no matter what, and when the news hit of Caleb's death at

WE WERE STUNNED: GABRIEL MAXWELL TRANSFORMED JUST LIKE CALEB MAXWELL, AND THAT MADE DAMIAN MAXWELL REALLY ENRAGED!

Gabriel Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I'm sorry to piss you off to no end with this, Dad, but this needs to end here and now!

Gabriel Maxwell went after Damian Maxwell, and he fired extremely powerful blasts of dark purple, white, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, Infernal Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, snakes, demons, phoenixes, and angels, and they exploded as they hit Damian Maxwell.

Then, he attacked him with powerful swings of his massive scythe, and he left bleeding scars on him, and he also slashed at him with his gold-plated armored dragon claws on his left hand, and it was making Damian Maxwell even angrier than ever.

Then, Gabriel Maxwell smashed his scythe into the ground and sent waves of erupting dark fire and darkness at Damian Maxwell hitting them, and then, he sucked him into a dark sphere, and after that, the sphere explodes and sent him high up into the air, but he rebounded and flew back to the ground, and that made him even angrier than ever.

Damian Maxwell: I WILL NOT STOP UNTIL THOSE WRETCHED BRATS OF MY SISTER ARE DEAD! THEIR DAD'S SCUMBAG RELATIVES TOOK THE LIVES OF MY WIFE AND MY KIDS! They cost me everything!

Gabriel Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Are you completely crazy?! Do you think Mom, Michael, and Felicia will approve of this?!

That made Damian Maxwell gasp.

Lincoln: Whoa, what did he do?

Caleb Maxwell: He reached him through the mention of Aunt Jessica and our cousins, which we didn't do the first time we dealt with him.

Gabriel Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake

I heard from Uncle Christiano of all the times you beat up Uncle Marcus, and that you tried to kill Caleb when he was sixteen along with Allie who was only a little girl.

Damian Maxwell: Those scumbags took everything from me when they killed your Mom and your brother and sister, and I wanted revenge!

Gabriel Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) By murdering your own niece and nephew?! That's not revenge, that's murder! You tried to take the lives of Aunt Marlene's two kids because of it, that's why I swore to stop you! Killing them isn't going to bring Mom, Michael, and Felicia back, instead you'll be labelled as a murderer. That's why Uncle Christiano saved Caleb that day, but when I found out from him about what you did and when I told him of why you were like this, we all swore to stop you, this circle of violence needs to end now!

Suddenly, Gabriel's words hit Damian hard in the heart: he saw that what he was doing was wrong.

Damian Maxwell: Ever since your Mom, Michael, and Felicia were murdered, I was completely lost in so much despair and hatred, I also forgot that Caleb and Allie were innocent and didn't deserve to be caught up in the maelstrom, and above all, I hurt you as well, Gabriel. I...

Caleb Maxwell and Allie Maxwell: (GROWLS)

Marlene Maxwell: You better get your dad out of here, Gabriel, before my two kids try to beat him to a pulp.

Gabriel Maxwell beamed his dad home and he powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty dark purple planets orbiting around his legs and twenty dark purple smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized dark purple planets orbiting around his wrists and ankles, eleven massive and long midnight black snake tails, and his massive midnight black angel wings and four other sets of large midnight black angel wings underneath his massive midnight black angel wings are permanent.

Me and Nico: Nice work.

Gabriel Maxwell: Thanks.

Nico: That's another bad parent dead.

Me: Good fucking riddance to bad fucking rubbish.

Mesa then broke down crying and Lincoln comforted her.

Mesa Florence: (Crying) How could my own mother be so selfish!? She was supposed to show me love!

Lincoln: There there Mesa.

Me: Poor Mesa.

Nico: Nice job Mega Pyroar!

Mega Pyroar: Thanks Nico! It was fun.

Poromon: Want some beer?

Mega Pyroar: Oh no thanks.

Poromon: Okay.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Nico: Web Spider, what do you like to do in your free time?

Web Spider: Hmm. Well I am a habitat builder at the zoo. I build habitats for the animals and use my webbing to make sure they don't escape.

Becca Chang: And he does a great job at that.

Xenia: Awesome.

Mesa was crying hard.

Lincoln: It'll be alright Mesa.

Horsea cuddled up to her.

Me: Aw.

Qin: So adorable.

Lola: Yeah.

Nico: I can't believe Mesa's mother was that evil.

Lola: What a selfish bitch.

Camie: No kidding.

Gatomon: Later, I would like all the fish mascots to join me for a meeting

Lana: Oh boy.

Me: (Whispers to Nico) I smell another Gatomon fish eating scheme coming.

Gatomon: Except for Mevya.

Mevya: Fine. I'll just help Kevin with his car.

Kevin: I could use the help.

Lana: I'll help too because of my auto repair abilities.

Kevin: Thanks Lana.

Me: (Whispers to Nico) Better watch Gatomon though.

Nico nodded.

Poromon: Do we even have any fish mascots?

Irma: There's Goldeen.

Laney: Magikarp.

Qin: Uhh...

We looked around.

Flounder: I may not be a mascot but I can attend.

Ariel: Just be careful Flounder.

Eli: Yeah. Sis worries about you.

Flounder: I'll be okay.

Nemo: I can attend too

Dory: And me too.

Qin: You got to be kidding me.

Lola: (GULPS)

Coach Gills: I'll attend only if Horace comes with me.

Gatomon:…You're not invited then.

Coach Gills: Well, there's no need to be mean about it

Nico: Yeah.

Gatomon: Sorry.

Nico: I think that's about it.

Gatomon: (shrugs) Okay. I think that can be enough

Me: Yeah. (Whispers to Nico) I don't like it Nico. I think Gatomon is going to eat them all.

Nico: (to me) It can't be helped. She's a cat

Me: Well yeah you're right.

Qin: Yeah.

Nico: Oh Twilght, Girls, that was so awesome how you did your own version of the mascots Blood and Honey attack.

Poromon: Yeah that was clever.

Twilight Sparkle: Thanks

Poliwag: I didn't even know about that

Twilight Sparkle: We made it ourselves. If you guys can come up with something like that for Blood and Honey, we can do something for it too.

Me: That was clever. Hey Nico maybe we should come up with something like it for Bikini Bottom Horror.

Nico: What do you mean.

Me: You know like do our version of the Blood and Honey attack like the mascots do it except with the Tortured One.

Nico: Oh I get it.

Maria: We'll need volunteers.

Me: Hmm. Lori how about you and your family for that?

Lori: Literally a perfect idea.

Qin: Yeah!

Nico: Then it's settled.

Me: Cool.

Mesa calmed down.

Mesa: I'm okay now. I'm okay.

Me: Good.

Camie: This makes number 4 of the Black Star Dragonballs found.

Nico: Yep. How much time do we have?

I looked at my device.

Me: 361:14:32:43.

Nico: Still plenty of time.

Qin: Yep.

Me: But we're making really excellent progress. We're at the halfway mark.

Camie: We sure are.

Lola: Then after that we can teach Gabriel Vexos a lesson and destroy him.

Qin: Yeah!

Nico: We'll make him pay for causing this shit!

Me: YEAH!

Qin: That is for sure!

Me: Still can't believe the battle started without us! HOW RUDE!

Irma: Just like during my day to shine.

Xenia: No kidding!

Me: Yeah!

Eli: Now for the next part of our mission.

Nico: The Anothers.

Eli: (Concentrates) Whoa! We got Another Gargantula (Skylanders), CatDog, Cloudian - Altus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Acid Cloud and Cloudian - Turbulance

Cat: WHOA! So another version of me and Dog!

Me: Wouldn't it be cool if it was a female version of you guys?

Dog: That would be cool!

Nico: So Web Spider, Silk (Cindy Moon), Spider Woman (Ashley Barton), Spider Girl (DC Legion of Superheroes), Spider Woman (Jessica Drew), and Spider Girl (Mayday Parker).

Lola: Yep.

Eli: And I sense the Another Cloudians are 1 person.

Me: Ooh! Nice.

Nico: THERE THEY ARE!

We saw Another Cloudian - Altus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Acid Cloud and Cloudian - Turbulance!

Me: WHOA!

Adrien Gekko: Anothers of some of my monsters! This will be awesome!

Lola: Yeah!

Another Altus: (In a girls voice) It sure will be awesome.

They merged and it was the gene-slammer of FIEND'S HAND!

Nico: Farah Marina!

Me: Whoa! The gene-slammer of Fiend's Hand! That's a scary one!

Farah Marina: It sure is. Awesome to see you again Nico.

Me: Every time I think about that card Fiend's Hand it reminds me of a horrific nightmare I had a long time ago.

Farah Marina: Does it really?

Me: Yep. It's about shapeshifting aliens that lived in a swamp that take on many forms and on a hill is a terrifying house that is haunted.

Nico: (GULP)

Farah Marina: Boy that is crazy.

Me: I know.

Maria: Was it that bad?

Me: OH IT WAS TERRIFYING! I didn't sleep for a week after that!

Nico: GEEZ!

Bloo: Boy that reminds me of a scary movie me, Wilt, Eduardo and Coco saw a long time ago.

Me: What movie was that?

Wilt: It was called The Curse of The Cannibal Ghost of The Haunted House on Horror Hill. It was a creature feature about a ghost that eats other ghosts.

Me: WHOA! That's quite a mouthful title. But that sounds like something my dad saw years ago.

Nico: Really?

Me: Yeah.

Qin: That is cool though.

Me: By the way are the Another CatDog and Gargantula friendly or hostile?

Farah Marina: Friendly and they are cool.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now we wait.

Me: Yep.

But then I saw a pie coming at me.

Me: HIT THE DECK!

I ducked and then...

KRASPLAT!

It hit May and splattered all over her face.

But the pie was filled with blood!

May: EW!

I smelled it.

Me: It's blood!

Nico: A Blood Pie?

Farah Marina: Oh the Another CatDog is a prankster. I forgot to mention that.

May: HEY!

Me: At least Carrie didn't get hit.

Carrie White: Thank goodness.

Nico: OKAY WHO IS THE WISEASS!?

But then...

KRASMASH!

A BOWLING BALL SMASHED INTO NICO'S FACE!

Nico: OUCH!

I pulled it off him.

Me: Geez!

Nico: What a ball of pain.

But then...

BONK BONK BONK BONK BONK BONK BONK BONK BONK!

MARIA GOT HIT ON THE HEAD WITH 9 COCONUTS!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 9 COCONUTS!

Maria: OUCH! PATRICK THAT GuY wAS ME!

Patrick: Sorry.

We saw Another Gargantula!

Me: WHOA! Another Gargantula.

Nico: Wow.

Another Gargantula: (In a girls voice) Sorry about that guys. My friend is crazy.

She was the gene-slammer of GRUESOME GOO!

Nico: Gaia the Gruesome!

Me: Gruesome Goo's gene-slammer! Wow!

Gaia the Gruesome: That's right and I'm a master of disguise.

She turned into Gargantula, the Web Spider, Laney, Lola, Lana, Lily and even me.

Me: WOW! Perfect shapeshifting. You would be a great infiltrator and a spy.

Web Spider: Yeah!

Then Another CatDog came and threw a bear trap and then it clamped onto May's butt!

SNAP!

May: YEOWCH!

We pulled it off.

Nico: JUST WHO ARE YOU?!

Then Another CatDog changed back and it was a girl with cat ears and a dog tail and she had green clothes and green angel wings.

Cat: (GASP!) Melora CatDog!

They jumped and hugged her.

Dog: HI HO DIGGETTY! Great to see you.

Melora CatDog: You too Cat and Dog. Sorry about all the pranks. I was saving those for the Greasers and Rancid.

Cat: It's okay.

Nico: PRANK US WILL YOU!? (GROWLS)

Me: Nico calm down.

Cat: Melora is our bodyguard. She is one of our best friends from Nearburg that defended us from the Greasers and Rancid Rabbit.

Dog: She even got us into all of our favorite restaurants.

Me: Cool!

Cat: Yeah she would use many awesome pranks on the Greasers and Rancid and make them cry home to their mommies.

Me: Cool and funny. Rancid Rabbit hated everything fun. Everything he did was awful.

Laney: Now the Greasers and Rancid are in the M.O.E.

Melora CatDog: Awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: WHOA! The Foster Spawn!

Nikita Nightmare: I like the way you think! You turned into the monster that scared him shitless.

Sakura Knudson: And ran out of there.

She turned back.

Gaia the Gruesome: Yep.

Me: Clever.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Web Spider's Ridewatch) Time to web you up!

May: (Gets out Eye of The Typhoon's ridewatch) I am the Eye of the Hurricane!

Maria: (Gets out Acid Cloud's ridewatch) I am the Acid Rain!

Silk: (Gets out Altus' Ridewatch) Time for these clouds to hit you.

They used the powers of Gargantula (Skylanders), Cloudian - Altus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Acid Cloud and Cloudian - Turbulance and blasted the Anothers.

Then Golden Guard, Takomaxor, Grimskull, Phoenix King Ozai, Commander Mozar (2003) and Kang the Conqueror came.

Nico: Whoa! Nice team Golden Guard.

Golden Guard: Thanks Nico.

Torch Man: My team is next!

Nico: So, you're in a team now, Kang?

Kang: I sure am!

Me: Awesome!

?: That is awesome!

ExVeemon came!

Me: ExVeemon! Wow.

ExVeemon: (In a girls voice) It sure is cool!

Nico: Veronica Vee! Wow!

She reverted back and it was a girl with blue hair, blue eyes, blue clothes and had blue angel wings, ExVeemon in the middle of her forehead, on her skirt and shirt and had a blue sword.

Veronica Vee: Awesome to see you Nico. I got this. (ECHOING) V-LASER!

She fired an X Laser blast and blasted the Anothers and I caught their ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Veronica Vee: That was fun.

Me: Do you have any favorite memories of Nico?

Veronica Vee: I sure do. When me and Nico went into the Digital World and we battled the Digimon Emperor at that Old West town. I heard he is in your prison so I'm going to rip him apart.

Me: You do that and that was also where they battled Starmon from what I heard.

Camie: Yeah.

Nico: Yep.

Nico and Veronica hugged.

Nico: I've missed you.

Veronica Vee: Same here.

We later went back home.

Lincoln: Whoa, we're back in the world of The Legend of Dragoon, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to destroy our old enemy, Melbu Frahma, along with Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld who've also returned from The Black Gates, and this time, we're sending them to The Black Abyss forever.

Nico: But, this time, we're ending this here and now, and he and his minions are all heading for The Black Abyss.

Eli: This is going to be one messy fight, but one that'll end with all of them dead and gone forever.

Caleb Maxwell: That's for sure. Their schemes and powerhungry ambitions end here together with their lives.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, red eyes, black angel wings, red and black clothes, red hairband, the sigil of Satan on her forehead, long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, demons, phoenixes, and angels on the coattails, and on the back is Daemon and Satan, she has a demonic greatsword in hand and with her are the seven girls.

Lincoln: (GASPS) Myra Satan, Avatar of Satan, Demon Lord of Wrath and Gene-Slammer of Daemon.

Myra Satan: That's right, and I got the girls away from Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld, and one by one, he began absorbing them and assimilating their powers, abilities, and magic, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the stingers changed back, nothing was left of Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld except for their clothes, and he also drained the souls of Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld of all their energy and sent them to The Black Abyss.

Lincoln: This is the end for you, Melbu Frahma, along with Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and

Zieg Feld, and may you never come back. (To Myra Satan) And it's so good to see you again, Myra.

Myra Satan: You too, Lincoln, it's been seven years since we last met.

Suddenly, Myra Satan had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Myra Satan was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Myra Satan: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Myra Satan and hugged her, and Myra Satan is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Myra Satan: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Myra Satan, Avatar of Satan, Demon Lord of Wrath and Gene-Slammer of Daemon, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Satan, The Demon Lord of Wrath and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Satan himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the member of The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Satan himself, and Angela Leviathan is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Angela Leviathan a very powerful demon greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Nico: We were really stunned when we found out Lincoln also knows Seven Queens of The Netherworld just like J.D.

Me: Me too, and they're just as powerful as the legends say.

Lincoln: They've proven that time and time again, and no one, not even Lucifer's legions were a match for them, and now that you're here, Myra.

Lincoln with his massive muscular arms still wrapped around Myra Satan leaned his head down the right side of Myra Satan's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Myra Satan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Myra Satan with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Myra Satan: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Myra Satan.

Myra Satan had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Myra Satan's waist, and he leaned down to her face and kissed her on the lips, and with Myra Satan's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Myra Satan had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Myra Satan: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the seven girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. The seven girls are Arisa Hikami, Kanon Mikagami, Leyla Sanders, Miona Anjo, Nagisa Hihara, Otoha Tsuchiura, and Rinka Kazane from Maid of the Dead.

Lincoln: Oh whoa, it's Arisa Hikami, Kanon Mikagami, Leyla Sanders, Miona Anjo, Nagisa Hihara, Otoha Tsuchiura, and Rinka Kazane from Maid of the Dead.

Nicole: Travis was right telling everyone to go, and I saw why: these girls are really sexy.

Lincoln: And easy targets for perverts, which means if I see any perverts, I'll beat them up. Are you girls okay?

Arisa Hikami: Yes, we're okay, thanks to you.

Then, when Arisa Hikami and the six other girls saw who it was that saved them from Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lenus, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental

Arisa Hikami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Arisa Hikami: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arisa Hikami, Kanon Mikagami, Leyla Sanders, Miona Anjo, Nagisa Hihara, Otoha Tsuchiura, and Rinka Kazane with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, serves Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld right.

Lincoln: Yep, and now, they'll never terrorize the world ever again.

Nico: It's been two years since we'd dealt with them before, and now, we're finally done with Melbu Frahma and his minions.

Me: They deserve to be in The Black Abyss forever.

Eli: They were nothing more than monsters, they deserve to be wiped out forever.

After Lincoln and all of us finally got rid of Melbu Frahma, Commander, Emperor Doel, Feyrbrand, Fruegel, Gehrich, Greham, Lloyd, Man in Hood, Mappi, Nomos, Regole, and Zieg Feld and banished them to The Black Abyss forever, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Myra Satan saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Myra Satan: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Myra, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Myra Satan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Myra Satan: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm went off, and when Lincoln went to check the computer, he saw who it was that triggered it: they were none other than Anise from World of Mana, Dema, the False Goddess and the primary villainess in Echoes of Mana, King Stroud of Lorimar, the central villain of the video-game Dawn of Mana, Thanatos, the mysterious lich sorcerer and main antagonist of the action-RPG video game Secret of Mana, Chronos from Dragalia Lost, Morsayati from Dragalia Lost, Elysium, the major antagonist in Dragalia Lost, and Xenos, The Progenitor and the overarching main antagonist of Dragalia Lost: they've been brought back from the dead by Morgana Midnight Sparkle and the Midnight Princesses and she sent them after us.

Lincoln: Morgana, this time, you've gone too far!

Lincoln flew outside, and he fired energy blasts at Anise, Dema, King Stroud, Thanatos, Chronos, Elysium, Morsayati, and Xenos which knocked them down, and he landed and they were enraged at Lincoln.

Suddenly, before they could attack, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and one by one, he stabbed them into the chests of Anise, Dema, King Stroud, Thanatos, Chronos, Elysium, Morsayati, and Xenos and he began absorbing them, and he and all of us assimilated Anise's Nigh-omnipotence, Absolute dominion over Mavolia and everything evil, Ability to create demonic beings and evil artifacts, Possession, Corrupting influence, Soul absorption, Chronokinesis/time manipulation, Spatiokinesis/space manipulation, Essokinesis/reality warping, Ability to assume a gigantic, mightier demon form, Resurrection, and Immortality, Dema's Supreme divine powers, Influence over the multiverse, Ability to grant power to followers, and the ability to turn into an eldritch demonic titan, King Stroud's High-level swordsmanship, Mastery of magic, Powerful Ice-Magic, Political power, and enormous demonic powers, Thanatos' Incredible dark powers, Control over dark magic and evil forces, Mastery of the Shadow Element and many others, Possession, and Life-energy drain, Chronos'

Then, when he was done and the stingers changed back, nothing was left of Anise, Dema, King Stroud, Thanatos, Chronos, Elysium, Morsayati, and Xenos, and he also drained their souls of energy and banished them to The Black Abyss, and Lincoln flew back inside and continued working out.

Selene Arcangela: That was another set of Morgana's minions sent to The Black Abyss, but she's not even done yet.

Lincoln: No matter what, I'm not letting Morgana get away with her schemes, Selene, I'll just keep on absorbing her minions and sending them to The Black Abyss, and when the time comes, she will die.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

TTG Mari Jiwe McCabe/Vixen, Whirlwind, Sonic Boom, Lenna, Penna, Penny Calmmind, Mia Sportpassion, Diem Turbopassion, Linda Voicebelle, Hannah Songbook, Helga Sportbrain, and Claire Sportbrawn showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Whirlwind: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Cascade Kingdom for another round.

Qin: Cool!

Nico: Who wants to come with?

Vert: Me and Flash will go.

Me: And me and Lincoln too. Just in case.

Nico: Okay.

We went into the Simulator and it activated and we were at CASCADE KINGDOM!

Nico: Here we are.

Nicole: And you guys are gonna be in for a treat.

Lincoln: Yep. I just had a premonition. We're going to face Hokuto's Akuma. Her name is Ciceadoom. The Hypothetical Akuma of Hokuto from the Hidden Star Village and a master of stars, nebulae, galaxies and more. She is a living nebula and also her body can turn into any nebula in the galaxy. She was made because of Akahoshi and the crimes he did to the Hidden Star Village and vowed to make him pay for them all

WE GASPED!

Me: WHOA! What does she look like?

He pulled out a sketch of her and we saw that she was a woman that looked like a living nebula.

Nico: WHOA!

Me: Akahoshi you are one nasty monster!

Lincoln: Yeah no kidding.

Nico: Hard to imagine he did all that.

Flash: I'll look for her.

Me: Go for it.

ZOOM!

He then came back 5 seconds later.

Flash: Found her. She's on that hill up there.

He pointed to the hill that the Tyrannosaurus slept on.

Me: Lets go.

We were off. We then saw her and landed.

Ciceadoom: So you all came.

Me: Wow! Hokuto you look amazing like this!

She had the Trifid Nebula form in her. Then the Lagoon Nebula.

Me: Wow! The nebulae you form in you are awesome.

Nico: Yeah.

Me: Like you are literally one with the stars.

Ciceadoom: I agree there. And it sure is cool.

Nico: You really look nice.

Ciceadoom: Thanks for the compliments. Where's Akahoshi?

Me: Well he is dead. But there is a strong chance he might come back.

Nico: And if he does he will pay. Big time. But J.D. can you remind me what it is he did?

Me: Sure. In 150,000 years, Akahoshi the Deputy Hoshikage to the 3rd Hoshikage of the Hidden Star Village was angered by the fact that the Star Training was discontinued. He assassinated the 3rd Hoshikage to keep the training going. What he didn't know however was that the Alien Chakra from the star was poisoning the village and destroying their bodies from the inside.

Nico: Oh right! Yeah that was awful.

Me: It was. We killed Akahoshi and avenged the Third Hoshikage and we have the Star locked away in the vault.

Nico: Wow!

Me: Akahoshi claimed it was all for the good of the Star Village and claimed that the Star will make them stronger.

Natsuhi: That may be but it was all a huge mistake there.

Hokuto: It was the reason why I lost trust in the Star Village.

Nico: Oh man.

Me: Yeah it was awful.

Ciceadoom: I'm glad you guys stopped the Star Training and saved my village.

Me: We are too. Sorry we have to do this Hokuto but it's the only way to get you to stop.

Ciceadoom: I understand.

I fired a blast of energy and blasted her down.

Vert got into the Saber

He drove and smashed her down.

Flash ran and bashed her all over.

Ciceadoom: My turn.

She fired star blasts and I deflected them back.

Me: WOW! That was powerful. You are one with the nebula. But watch this.

I used my quirk and showed the Witches Head Nebula in the constellation of Eridanus and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck her all over.

Nico: WOW! Yeah!

Flash: FYI, that kind of training is hazardous to one's health!

Me: YEAH! Uh no offense but I don't know what the hell they were thinking using that kind of training!

Ciceadoom: None taken but yeah I agree with you.

But then a blue Dragon Flame blast flew in and hit Ciceadoom!

Me: WHOA!

We turned and saw REGIDRAGO!

Me: WHOA! Regidrago!

Nico: Whoa! Where did that come from!?

Me: I think it's the next gene-slammer.

Flash Magnus: Let me see.

He used his telepathy and gasped!

Flash Magnus: That's my descendant! Megan Flash Magnus!

Me: Oh man! Fashion Brigade you better get in here!

They then came in.

Me: You guys stall her. I got this.

I went over to Regidrago!

Me: Megan calm down and lets talk.

All she did was fire an energy beam and I deflected it and it hit her.

Me: Okay then.

I fired waves of energy and blasted her all over. Then I snapped my fingers and she reverted back. She was a girl with purple blue hair, blue eyes, blue angel wings, had Regidrago in the middle of her forehead and had a yellow version of Flash Magnus's cutie mark on her arm.

I caught her and wrapped her in a blanket.

Megan Flash Magnus: (Groans) What happened? Where am I?

Me: Long story Megan. You were turned into Regidrago by Dark Gale.

Megan Flash Magnus: (GASP) I remember! It was awful.

She was in a blue body suit and injected and then she busted out of the table and turned into Regidrago and flew out!

FLASHBACK ENDS

Megan Flash Magnus: It was awful.

Rarity: Well lets get you some new clothes darling.

The Fashion brigade gave her awesome new dark purple and blue clothes and she had a star sword in her hand.

Megan Flash Magnus: I look really awesome.

Me: You sure do.

Nico: (gets out Bubble Crab and Web Spider's Ridewatches) Time for this crab to web you up!

He activated them and fired waves of webs and bubbles and blasted Ciceadoom all over.

Vert and Flash ran and blasted her.

Lincoln and me blasted her with lightning.

We fired energy blasts and knocked her out!

Me: OH YEAH!

Nico: Take that!

We high five!

Nico: What's your role in Sonya's team?

Megan Flash Magnus: Well I am the daredevil acrobat master and dragon master of the group. I use powerful and amazing daredevil stunts that even the greatest gymnastics stars and acrobats would love and admire.

Me: Cool! Like how me and Kick Buttowski do in dodgeball.

Megan Flash Magnus: Yep. And also as you know I am the direct descendant of Flash Magnus and I am always fearless when in the face of danger and always am ready to take on any challenge.

Me: Ooh I think that's awesome that you are ready to face any challenge in the face of adversity.

Megan Flash Magnus: Yep. And also outside the team I am a martial arts instructor and know many kinds of moves that not many know about.

Me: Wow! Think you can teach us?

Megan Flash Magnus: Sure.

Me: Cool!

We left the simulator and everyone cheered wildly for us.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Gatomon was having her meeting with the fish mascots.

Gatomon: I bet you all are wondering why you're here today

Flounder: Yes.

Magikarp: Why is it?

Me: And 3...2...1...

Gatomon poured ketchup on them.

Gatomon: You're all here to FEED ME! MUST EAT FISH!

Flounder: RUN FOR YOUR LIVES!

THEY SCREAMED AND RAN FAST!

Nico: Oh boy there they go!

Me: Yep. I knew this was gonna happen!

Chili: Lets go stop a cat from eating!

Me: I got an idea!

I teleported!

I got to the Masters of Evil HQ and saw Ed Bighead working on Salmon bushes.

I came up to him.

Me: Sorry Ed but I need one of your Salmon bushes.

Ed Bighead: Uh oh. Gatomon still trying to eat the fish mascots?

Me: Yep.

Ed Bighead: Here.

He gave me seeds for them.

Me: Thanks Ed.

I teleported back.

Gatomon: FISH, GLORIOUS, FISH! I'M VERY ANXIOUS TO TRY IT!

Logan Goodall: I'm glad one of us is having one with this!

I teleported in.

Me: I got an idea!

I went to the estate park and planted the seeds and grew them and then out came salmon bushes!

Me: There!

Chili: Ariel, you probably should see this!

Ariel gasped as she saw that Flounder was about to be eaten by Gatomon

Flounder: Help Ariel!

Me: COME AND GET IT GATOMON!

She smelled fish in the park and saw SALMON BUSHES!

Me: All yours!

Gatomon: FISH!

She ate some of the fish!

Nico: Are those Ed Bigheads Salmon Bushes?

Me: Yep. He gave me some seeds for this.

Nico: Smart thinking.

Me: I used my magic to make them produce endless fish for her.

Acid Storm: Ariel, you're not mad at Gatomon, are you?

Ariel: Oh no I'm not. I know it's part of a cats nature.

Flounder: I won't be mad ether.

Tom: Boy Gatomon's chasing of the mascots sure brings back memories.

Jerry: It sure does.

Qin: Good times.

Slingshot: It's a good thing Mevya and Coach Gills didn't attend after all!

Me: Thank goodness.

Qin: Yeah!

Lola: They backed out at the right time.

Me: Yep.

Snaptrap: Gatomon, this time, your craving for fish has gone too far!

Nico: I agree! But that was clever using Ed's Salmon bushes. Where did you think up that?

Me: Oh Rocko told me all about it.

Rocko: (Australian Accent) I remembered how Mr. Bighead grew salmon bushes and I figured why not have those for Gatomon mates.

Nico: Very clever.

Me: Yeah.

Nico: But Gatomon you got to stop eating the fish mascots!

Qin: Yeah it's not healthy to eat others.

Maria: You set up a meeting just to commit cannibalism!?

Gatomon: Yes I did! I LOVE FISH! (EATING SALMON)

Mandy: Maybe something is in her brain?

Me: Hmm.

I pulled out a tricorder and analyzed Gatomon with it.

Me: Oh man! This is worse than I thought! Gatomon's fish cravings are off the scale and her sanity is close to a breakdown. This can only mean one thing!

Nico: What is it?

Me: Salmonella Snail!

I showed a picture of it on my tricorder. It was an ugly pink snail with 4 eye stalks and it had a pink shell!

Nico: WHAT THE FUCK IS THAT!?

Me: It's like a Catastrophe Snail except instead of bad luck it causes an insatiable appetite for fish. But it only affects cats

Brittney: He's right. It's right here.

She showed a picture of it in her books.

Nico: WHOA! What a nasty snail!

Lola: No kidding.

Kari: Do you have anything to say for yourself?!

Gatomon: (Eating fish)

Nico: How did that snail get in her?

Me: Maybe it was on one of the chases we had on one of the blind dates. Once a Salmonella Snail is inside your head he plugs his shell right into your brain and once plugged in he would be reprogramming your mind to eat nothing but fish. INCLUDING The Fish Mascots.

Nico: OH MAN! So that's what was causing her to eat all that fish these last few months!

Kari: We got to get that out of her!

Me: And I know how.

I licked my finger and covered it with spit.

Me: Time for a wet willie.

I stuck my finger into her ear!

SQUISH!

YUCK!

The spit went to her brain and then formed into a hand and pulled out the snail and it was on my finger!

Me: Here's our culprit guys! The source of Gatomon's fish cravings.

Nico: Ugly little turd!

Maria: Is it a girl?

Salmonella Snail: Of course I'm a girl you freak!

Maria: HEY!

I had Grim roast the snail.

Grim: Escargot.

Marinette ate it.

Marinette: Cest magnifique.

Mandy: YUCK!

Gatomon: (WITH A SPLITTING HEADACHE) Oh man what hit me? (STOMACH GRUMBLING) UH OH!

SHE VOMITED UP LOTS AND LOTS AND LOTS AND LOTS OF FISH!

Me: OH SICK!

Nico: Where did you find time to eat those?!

Gatomon: I don't remember!

Me: Good god! That is a lot of fish.

Camie: Yuck!

Gatomon: But what hit me?

Me: You were infected with a Salmonella Snail. It was making you eat all that fish and even going after all the fish mascots to eat them.

Gatomon: What!? Oh man! Guys I'm so sorry!

Me: We thought it was natural instincts but it turned out to be something worse.

Gatomon: Man that explains why I had all that fish!

Kari: Do you still crave fish?

Gatomon: Not as much as I did before.

Lola: That's good.

Gatomon: Only when we come across fish

Me: I don't think you want to eat those.

Gatomon: You're right. Those are now gross.

Me: Yeah.

Billy: You aren't the only one Gatomon. I got infected with a Catastrophe Snail and it gave me bad luck.

Camie: Yeah.

Qin: Yeah that was awful.

Lola: It was.

Gatomon: But at least I'm free.

Kari: Good. Lets go watch TV.

Me: Yeah.

We went to watch TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Bob the Killer Goldfish, he's back from the dead and he wants revenge on us and he still wants to eat Earthworm Jim. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Someone you guys fought against long ago?

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not happy to see again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than Bob the Killer Goldfish, he's back from the dead and he wants revenge on us and he still wants to eat Earthworm Jim.

EVERYONE GASPED!

May: ARE YOU KIDDING ME?! I THOUGHT WE TAUGHT THAT OVERGROWN WORM-EATING GOLDFISH A LESSON!

Nicole: It looks like we need to teach that overgrown worm eater another painful lesson!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed as another vision orb formed: and we saw that overgrown goldfish has the help of The Greasers and Rancid Rabbit from another universe.

Me: What the Hell? He also has the help of The Greasers and Rancid Rabbit from another universe?!

Lincoln: Since today's CatDog's day to shine, they will try to make CatDog suffer. But, we've dealt with them before, and they're gonna wish they died a quick and painless death, because they are going to die a slow and painful one!

Nico: Uh oh, now they're in a lot of trouble. So, where's that overgrown goldfish at, Lincoln?

Lincoln: Right where we first stopped him: La Planeta de Agua.

ARRIBA!

Me: Where it all began long ago.

Eli: That is an ocean planet.

Nico: And where it'll end. Alright, team, let's go, we're off to stop that killer goldfish.

Lincoln: And send him off to Vypra, she'll handle him.

The previous group came.

Duskmon: Hey guys. Why do I smell fish?

Me: Don't fucking ask.

Electrocutioner: Can me, Mumbo Jumbo, Knightbrace, Fixer, Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon and the Rowdyruff Boys go with you guys?

Butch: And seriously. What happened?

Nico: Yes you guys can come with us.

Me: We found the source of Gatomon's insane cravings for fish.

Brittney: It's this.

She showed a Salmonella Snail.

Mumbo Jumbo: Salmonella Snail!? So a variant of Catastrophe Snail was causing her insane cravings for fish.

Me: I know, I gave her a wet willie and pulled it out with my spit. Grim taught me how to do that.

Grim: It was like back when I did so on Billy mon.

Transquito: Boss, which Gene Slammer do you think you'll meet next?

Nico: Yolei will like this one. Aquilamon next.

Nicole: Nice!

Qin: Cool!

Yolei: All right!

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed dark energy signals with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Michael Korvac from the Prime Universe, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw was none other than our old enemy, Michael Korvac from the Prime Universe, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge.

Helena Ying Xiao: Are you kidding me? Morgana, you've got some nerve!

Nico: Uh oh, The Ambassador of Ambassador of Dai Gui, The Demon Sorcerer of Earth is about to unleash the fury of The Earth of The Golem on that monster, this should be good. Alright, team, let's head on out, we're off to La Planeta de Agua.

ARRIBA!

Lincoln: That fish isn't going to eat Earthworm Jim, not on our watch, and once we get done with him and his helpers, you're next, Michael Korvac.

Helena Ying Xiao: You will never ever be forgiven for your crimes, Korvac, this time, we'll make sure you stay gone forever.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to La Planeta de Agua (ARRIBA) to take down Bob the Killer Goldfish and send him to The Masters of Evil, and once we get done with him, Helena Ying Xiao and Lincoln are going to destroy Michael Korvac from the Prime Universe who's come back for revenge on us.

We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12337.1: The U.S.S. Valorous Phoenix is en route to the ocean planet La Planeta De Agua (ARRIBA) and our old enemy Bob the Killer Goldfish is back. Our mission is to face him and send him to the M.O.E.

Knightbrace: Let's call Mr. Mittens.

Me: Good idea.

Mr. Mittens came.

Mr. Mittens: I'm here guys.

Qin: Awesome.

Lincoln: We'll unleash the wrath of sharks on him

Block Man: Because sharks eat fish.

Me: Yep.

Lenny (Shark Tale): Except me. I'm a vegetarian.

Gatomon: I at least still want to eat Bob!

Grumblemon: That's perfectly fine

Cat: Save some of him for me.

Mr. Mittens: What am I? Chopped liver?

?: No that's what I am.

We saw a jar of Chopped Liver and a rimshot was heard.

Magma Man: I hope I can still use my flames there.

Me: We can Magma Man.

Nico: Yeah.

Magma Man: Awesome.

Earthworm Jim: I'm going to make that fish eat dirt!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at La Planeta De Agua (ARRIBA) and it was an ocean planet!

Me: Wow!

Maria: We're here.

Nico: La Planeta De Agua (ARRIBA)!

Arbormon: What's with the Arriba part?

Deadpool: It was how it was said after the Narrator would say the planets name in the show Earthworm Jim.

Jamesdean5842: Yeah I thought it gave a really nice touch to it.

Arbormon: That makes sense.

Birdbrain: That's actually a nice touch.

Me: Yeah.

Nico: Okay we're going to convert the ship into a submarine and go underwater.

Camie: COOL!

Me: Yep.

We went down to the planet and landed on the water and we had the ship turn into a submarine and we saw that the planet was a massive ocean world.

Me: WOW! So this is La Planeta De Agua (ARRIBA!).

Nico: Wow it's amazing that this is here.

Brick: Look at all the fish here!

Boomer: There's so many!

Me: Well it's an ocean planet. What did you except?

Camie: It sure is beautiful.

Varie: Perfect for the Neptune Crusaders to call home.

Lily: Boy it sure is.

Gatomon: All these fish would be perfect. But I'm saving my appetite for Bob the Killer Goldfish.

Camie: No kidding.

Nicole: Lets not forget that he is also the easiest boss in all the Earthworm Jim games too. All it takes is one punch from Jim.

Horsea: Can I swim here, Maria?

Maria: We sure can.

Me: Wait look!

WE SAW THE HUGE UNDERWATER CITY!

Nico: Is that the city?

Earthworm Jim: It sure is.

Me: Looks like we're here.

Camie: Wow!

Horsea jumped into the water

SPLASH!

Maria: Wow! Look at this.

Horsea: This is amazing!

Nico: Lets prepare to dock.

We saw a dock tube into the city.

Me: Here we go.

We went into the city.

Me: Wow! It's like an aquarium.

Earthworm Jim: It sure is.

But then something grabbed Earthworm Jim under our noses.

Nico: Okay Jim you lead the way. We'll follow. Jim?

We saw that he was gone. But then we heard NUMEROUS SOUNDS OF FIGHTING AND WE SAW EARTHWORM JIM BEING BEATEN UP BY A HUGE MUSCLE CAT WITH THE NUMBER 4 ON IT!

Nicole: It's Number 4!

Nicole bashed him off Earthworm Jim!

Nico: Long time no see!

Nico punched him in his face and bashed him down.

He ran off.

Camie: Man what a gifted speaker.

But then Lincoln had a premonition!

Lincoln: Oh man! This is a horrible one! I know who it is we're facing for the Akuma. His name is CatDombie. The Hypothetical Akuma of CatDog and he is a zombie version of CatDog. He has the powers of fish and squeaky mice and bones, steaks, pork and meat. He was made because of all the abuse they suffered at the hands or paws rather of the Greasers and Rancid Rabbit and vowed to rip those buttfaces to shreds

WE GASPED!

Lincoln showed a sketch of him and he looked like a ZOMBIE CATDOG!

Me: OH GOOD GOD! A Zombie CatDog!

Sixshot: Does he eat brains?!

Lincoln: I think he's like the Marvel Avengers Zombies we faced on Halloween.

Nico: Oh man! This is awful!

Qin: YEAH!

Me: Those stupid Greasers and Rancid! They went too far this time.

Camie: YEAH!

Nico: Lets go find him.

Eli: He's down that tunnel.

We then smelled the rotten stink of death!

Me: EW! Oh good god! At least his stench is recognizable!

Nico: OH YUCK!

We went to face him.

Mercurymon: You think the Greasers and Rancid from that world are here too?

Me: It's likely. Lincoln's premonition did pick them up here.

Qin: Yeah.

We walked and then we saw a figure and it was CATDOMBIE!

We gasped!

Catbie: So you all made it.

Dogbie: I always knew you would.

Me: My god! CatDog you look horrible!

Catbie: No thanks to those putrid Greasers and Rancid!

Pharaoh Man: Cat? Dog? Is that you two?!

Catbie: Yes it's still us.

Me: You two remind me of what we faced when we took on the Zombie Avengers.

Nova: Yeah that was scary!

Ace Ukiyo: Was it that bad?

Me: Oh it was terrible Ace! On Halloween 2 and a half years ago we battled Zombie versions of the Avengers that were made because of a virus from another world and it turned them into zombies. They still retained their minds but were bloodthirsty killing machines.

Nova: Yeah I was scared shitless from them.

Camie: YIKES!

Nico: And that world's Spidey ate his Aunt May and MJ.

Ace Ukiyo: OH YUCK!

Me: That was gross!

Catbie: Boy no kidding!

Dogbie: I agree.

Me: Yeah.

Mr. Mittens: But you need to calm down now.

Catbie: Not until we kill the Greasers and Rancid.

Me: They really crossed the line this time. We'll find those jerks and beat them till they're black and blue!

Catbie: What happened to those versions of the Avengers though?

Ace Ukiyo: I was about to ask the same thing.

Me: We beat them and sent their spirits to the Ghost Zone. What they went through is what I would ultimately call a fate worse than death.

Nico: Yeah.

Ace Ukiyo: Oh man! They did nothing to deserve that.

Me: I agree. We wanted to help them by finding a cure for them but they were too far gone for it.

Lola: Yeah that was awful.

Me: Lets get it on!

I fired a blast of fire and blasted CatDombie all over.

Ranamon: But the ones we know are in our ranks

Me: It's the ones in your world that we need to take down.

CatBie: I know. And kill them for us.

Me: With pleasure. Now I believe we have to stop you.

DogBie: Okay!

Mr. Mittens charged at them and slashed them with his claws.

Me: YEAH!

I fired waves of fire and blasted them both.

Lola: Take that!

CatBie and DogBie: Our turn now!

They jumped at us and we fired waves of energy and blasted them.

Me: You know Zombie Spiderman bit me in the shoulder and died from my poisonous blood.

CatBie: Really?

Me: Yep. As I was in the middle of an Evil Sasuke Rant.

Camie: How rude!

Me: I know. Hey Cat come on.

I revealed my shoulder.

Me: Come on bite me right here. You know you want to.

DogBie: How about this instead?!

He jumped and then they both bit me on the same spot!

CHOMP!

Me: OUCH! That tickles.

But then CatDombie disintegrated into dust and he was sent to the M.O.E.!

Me: Nice!

Nico: (to me) Speaking of that, you didn't even react to Zombie Spidey's emotional words before he died.

Ember McLain: No offense but that was pretty cold

Me: I was just so upset that we didn't help them and cure them.

Nico: Oh. I know but there was nothing that could have been done for them.

Duskmon: And there was also the fact that you were annoyed your rant was interrupted.

Me: No need to remind me of that.

Duskmon: Okay.

Nico: We were still under the influence of Dark Orb Contamination back then.

Me: Yeah.

Nico: Besides, J.D.'s heart was in the right place when he said he wanted to try and find a cure for them.

Me: Yeah it's true.

Nico: Lets focus on the matter at hand. Now we need to find Bob and take him down.

Fuzzy Lumpkins: I noticed that Bob sounds just like me.

Nico: Yeah he does.

Deadpool: Jim Cummings voiced him and he also voiced Cat and many characters we know.

Jamesdean5842: It's true. Jim Cummings has been known for voicing over 400 characters ever since the 1980s.

Nico: WOW! That's a lot!

Me: I know.

Fixer: You think those versions of the Greasers and Rancid are here too?

Lincoln: Definitely.

Evil Star: No, she won't.

Me: That is for sure but that was crazy though. At least we know what was causing her to eat all that fish.

Qin: Yeah.

Key (to Nico): We heard you killed Mesa's mom.

Nico: We sure did.

Wolf (to Cole): You should take care of that Mega Pyroar

Cole: I will.

Bones then came.

Scorcher was first.

Scorcher: (to Jason) Nico's rescue was on Namek. He battled Mesa Florence's insane mom.

Jason: Yeah we sure did and it was awesome! We got the 3-Star Black Star Dragonball back from there and it was cool.

Chomper: And we found out that Morgana Midnight Sparkle was the one responsible for breaking Mrs. Florence's curse we put on her and it lead to her coming after us.

Indigo Zap: That is terrible. But we also got to see what Piccolo's home planet was like too and it was amazing. Not only that but it was also the spot where Nico and Goku battled Frieza before.

Ellie Singh: That was awesome from what I remember.

Sunset Shimmer: It sure was. Wow! Namek was awesome and it was also where Goku and Vegeta and the Z-Fighters battled Meta Cooler too.

Firestorm Shimmer: Hard to imagine that so many battles were all fought there.

Pipsqueak: (British Accent) Yeah no kidding.

Sunburn: Boy that was intense.

Scorcher: Boy it sure was! Nico and the Z-Fighters really had a lot of adventures there from what I remember. But you guys are making really awesome progress in bringing the Black Star Dragonballs back. 4 down 3 to go. Lets do it!

Cybertron Scattershot: We were really in awe too. She tried to get the help Cozy Glow needed but she couldn't find her after what happened with her before we met Twilight and friends.

Gretchen Holland: After the Great War with the Royal Defenders and the battles we had during the 20 Days of Darkness, she tried to find Cozy Glow but couldn't find her because she didn't know she was with us. But she did hear about how she helped defeat her dark side as well as redeem herself.

Rarity: And we're really proud of Cozy Glow for coming so far darlings. But what stunned Raven Bishop was how she almost tried to commit suicide.

Sapphire Ocean: Yeah that was awful. Poor Cozy. But thank goodness that J.D. and everyone helped her and saved her.

Sweetie Belle: And how J.D. resurrected her mother back then.

Gill Grunt: That was awesome back then.

We were really amazed by Helena Ying Xiao's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Michael Korvac saw it, he was enraged and fired energy blasts at her, but Helena Ying Xiao fired a massive barrage of crimson red, white, and blue energy, stars, aura energy, white and blue heavenly flames, earth, rocks, golems, phoenixes, and angels and destroyed the energy blasts and hit Michael Korvac and sent him flying into a wall, he got back out, but he screamed in rage.

Lincoln, Helena Ying Xiao, Nico, and I went after Michael Korvac, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Michael Korvac, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Helena Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Helena Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Michael Korvac even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Michael Korvac, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Michael Korvac. This is where your delusional ambitions end here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Hiruko Ubusuna.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) For far too long, you have gotten away with hurting tens of thousands of innocent people and all for your insane desire to create a new world only for you.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Michael Korvac's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln did one final powerful energy slash that hit Michael Korvac hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Michael Korvac was now on his last legs and he was really really mangled.

Suddenly, Lincoln turned the tip of one of his eleven massive and long white wolf tails into Cell's stingers and it opened up into a large sucker, and Lincoln latched it onto Michael Korvac's head, who struggled to get free, but failed. Then, Lincoln sucked him in and he absorbed him into his body, and he assimilated Michael Korvac's cosmic powers and abilities of energy projection, matter alteration, teleportation, astral projection, energy absorption, energy siphoning, and manipulation of time and space, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done and the suction stinger changed back, he also drained Michael Korvac's soul of all his energy and sent him to The Black Abyss forever.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) Good riddance forever, you delusional god wannabe.

We cheered wildly as we holstered our weapons and powered down and Helena Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive green angel wings and four sets of large green angel wings underneath her massive green angel wings are permanent.

Helena Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, Michael Korvac. Thanks for helping me take down Michael Korvac, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Me and Nico: Our pleasure, Helena.

Suddenly, Helena Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Helena Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Dai Gui, Demon Sorcerer of Earth flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Helena Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's the last time Michael Korvac from our prime universe ever returns.

Lincoln: I made sure of it. Now, he'll never ever return, and I can blame Morgana and her demonic minions for that one.

Lincoln: Without a doubt it had those she-demons behind it.

Eli: Sore losers.

Laney: No, they're more than that, absolute monsters is what I would call them!

Twilight Sparkle: When we finally go after Dark Gale, they will also pay for their crimes once and for all.

Me: And we'll make sure they never come back! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a massive beautiful phoenix flying in the skies as it left an awesome trail of fire as it crackled in the skies!

Selene Arcangela: (GASPS) The phoenix...! The sign..., is it who I think it is?

Lincoln: It is: The Avatars of The Mythical Beasts!

Me: Whoa! Who are they?

Lincoln: Only the most powerful group in my Guardian Angels, these girls are the Avatars of the most powerful mythical beasts and creatures of legend and myth.

Nico: That's so cool.

Selene Arcangela: But, here's the story: they formed during ancient times.

WE GASPED IN TOTAL SHOCK AND AWE!

Me: Ancient times?! That makes them...!

Lincoln: The first immortal group of Guardian Angels.

Eli: Incredible.

Nico: That means, they saw everything that happened during ancient times perhaps way long before human history, that's really incredible! So, who's the first of The Avatars of The Mythical Beasts?

Lincoln: The phoenix we just saw is the first sign of The Avatars of The Mythical Beasts and who we're meeting tomorrow: Enya Phoenix, Avatar of The Phoenix.

Selene Emperyous: I knew it was her, and you guys are going to like hearing her story, Enya Phoenix, Avatar of The Phoenix, is Lincoln's Guardian Angel who's the powerful leader of The Avatars of The Mythical Beasts, a group of girls who are the Avatars of the most powerful mythical beasts and mythical creatures of legend formed during ancient times. Enya is a powerful master of the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. She's as old as the beginning of the universe itself and she'd lived ever since the beginning of time back when the universe was in its infancy, and for over 13.4 billion years, she's given life to all planets and she loved all life to the fullest. With the very intense flames of life and love, her eternal giving was truly neverending and she gave the power of life to planets filled with joy and love. But, when hate and fear and evil took hold of much of the universe, she'd decided to fight back against that evil. But, there was one light that really strengthened the love and joy she had in her heart, and that light is none other than Lincoln and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever.

Me: That's...so...INCREDIBLE!

Nico: Really incredible! Aw man, we're gonna enjoy meeting these Avatars of The Mythical Beasts tomorrow and in the days to come.

Lincoln: You sure will.

Overdrive: Not to worry. Bob is back in our HQ right now.

El Diablo: He's not in the Black Gates.

Toyman: Same with Number 4.

Villamax: Another job well done.

Weather Wizard: We should celebrate here!

Me: I don't think you guys want to eat fish food and cat food here.

Nico: Yeah. But great job everyone!

Cat: (To the viewers) Boy this was a fun adventure.

Lola: Yeah!

Dog: (To the Viewers) It sure was.

Nico: Yep.

We went back home and had a good meal at Lynn's Table.

We returned home, and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Suddenly, Caleb Maxwell saw the flashing of police lights, and Gabriel Maxwell and Allie Maxwell came into his room.

Allie Maxwell: Looks like we got trouble.

Gabriel Maxwell: Thugs, it looks like.

Caleb Maxwell: Gerald's thugs no doubt. You ready, guys?

Caleb Maxwell, Allie Maxwell, and Gabriel Maxwell flew out into the night, and they pounced on the group of Gerald's thugs with their guns and scythe in hand and the thugs screamed in fear and they were cut down and killed.

Alright, and for tomorrow, the match-up is for Melanie Ying Xiao, Ambassador of Po Kong, The Demon Sorcerer of The Mountain and Master of The Earth of The Golem, and she and Lincoln are going to destroy Diodora Astaroth from High School DxD, who's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Tattooine, and we're going to take on The Fromm Gang, destroy their superweapon, Trigon One, and send the gang off to prison, and just as you saw, we're going to be meeting The Avatars of The Mythical Beasts, an immortal group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times and the most powerful of Lincoln's Guardian Angels, the first one we're meeting tomorrow is Enya Phoenix, Avatar of The Phoenix, she's Lincoln's Guardian Angel who's the leader of a group of girls known as The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Enya is a powerful master of the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. She's as old as the beginning of the universe itself and she'd lived ever since the beginning of time back when the universe was in its infancy and for over 13.4 billion years, she's given life to all planets and she loved all life to the fullest. With the very intense flames of life and love, her eternal giving was truly neverending and she gave the power of life to planets filled with joy and love. But, when hate and fear and evil took hold of much of the universe, she'd decided to fight back against that evil. But, there was one light that really strengthened the love and joy she had in her heart, and that light is none other than Lincoln and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever.

Tirek is back and it's Luster Dawn's day to shine. We're going to battle him and I'm going to redeem Tirek and we're going to destroy his Dark Side.

See you next time.

Sun of Dawn VS Tirek

TIREK IS BACK

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to Cholganna, and as he was flying, he saw our next target: the 6 Star Ball, but the bad news, it's in the hands of Pain of The Akatsuki and he's out for revenge on me because of how I killed him 150,000 years hence and ruined all the Akatsuki's plans. Lincoln woke up, but so did his harem and kids too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, Lily, I just found the 6 Star Ball, but the bad news: it's in the hands of Pain of The Akatsuki and he's out for revenge on J.D. because of how he killed him 150,000 years hence and ruined all the Akatsuki's plans.

Lincoln's harem gasped.

Selene Arcangela: Oh boy, J.D. isn't going to like hearing about this one bit.

Lincoln: Same with Naruto, Killer B, Fu, Utakata, Han, Roshi, Yagura, Yugito, and Gaara. But, this is also the perfect chance for us to get rid of Pain once and for all.

Anna Anyanova: You bet, I've had it up to hear with Pain too.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be pissed.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Cholganna, and as I was flying, I saw our next target: The 6 Star Ball, but the bad news: it's in the hands of Pain of The Akatsuki and he's out for revenge on you, J.D., because of how you killed him 150,000 years hence and ruined all the Akatsuki's plans.

I GASPED!

Me: WHAT?! PAIN'S BACK AGAIN?!

Naruto: That's not good.

Gaara: And he's out for revenge on you again, just how long is he going to keep that up?

Nico: Until he finally kills J.D.

Me: Well, that ends here and now, we're heading for Cholganna and we're not only reclaiming The 6 Star Ball, but we're also going to put down Pain of The Akatsuki once and for all!

Yugito: That's for sure, he deserves to die.

Suddenly, a vision orb formed in Lincoln's left hand, and we saw that our old enemy, Kiyomori Taira, has also been sighted on Cholganna as well, and he appears to be performing some kind of ceremony here.

Luna: Was that...?!

Lincoln: Yep, it's Kiyomori Taira, and it appears he's performing some kind of ceremony.

Nicole: Ceremony? (Realizes something) It can't be...! That's impossible.

Himiko: The ceremony to bring back Orochi, but that's impossible.

Gabriel Maxwell: Oh God no. When I reigned in the immense raw power of The Serpent King and his God of Destruction reincarnation, Orochi's demonic chi was purged from me, but before I could take any action, it escaped and wound up in Kiyomori's hands, and it's also bad too, it had a sample of my blood before my transformation.

Lincoln: That must be the ceremony you and Nicole were talking about, Himiko, it looks like Kiyomori is going to resurrect Orochi using the combination of the sample of Gabriel Maxwell's blood and the immense demonic chi of Orochi.

Yinglong: We need to stop him and fast, or The Serpent King will rise again.

Nico: You're absolutely right, Yinglong. But, Pain will no doubt try to slow us down, so that Kiyomori can complete the ritual.

Utakata: Then, it's decided that Pain must be killed here and now and banished to The Black Abyss, and then, we stop Kiyomori before the ceremony is complete.

Lincoln: And if that happens, The Serpent King will return.

Gabriel Maxwell: Morgana Midnight Sparkle tried to make Orochi return through me, but she failed, she underestimated me, and so did Da Ji. I'm going to put an end to that lying fox's mayhem once and for all when we find her.

Masamune Date: I understand you want to end Da Ji, but don't forget about the other demonic enemies we've dealt with: Kiyomori, Kyūbi, and Hundun, and many of them are just as powerful as her and Orochi.

Lincoln: We'll take them out one at a time, and Kiyomori is the first that needs to be stopped.

Nico: Right, let's finish up with breakfast and get going to Cholganna to get The 6 Star Ball back and kill Pain, and then, we go after Kiyomori.

We finished up breakfast, and we prepared to head to Cholganna to get The 6 Star Ball back and kill Pain of The Akatsuki, and then, we go after Kiyomori Taira and stop his insidious ritual.

Luster Dawn woke up to see Mega Solrock and Mega Lunatone staring at her

Mega Solrock: Morning Luster!

Mega Lunatone: Time for breakfast!

Luster Dawn: Oh morning guys. Better get ready for my day.

She went and got dressed and went to the table. It was all you can eat pancake day.

Me: Morning Luster Dawn.

Luster Dawn: Morning guys. Man I'm starving.

I gave her a huge stack of pancakes.

Me: Have as many pancakes as you like today.

Luster Dawn: Oh boy!

She got to eating.

Later it was time for the rescue. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12339.1. It was time for another awesome rescue and we are heading to the planet Cholganna to retrieve the 6 Star Black Star Dragonball. And battle whoever has it.

Eli: Boy this will be awesome.

Camie: It sure will. How much time do we got?

I looked at my device.

Me: 360:15:23:17.

Nico: We got more than enough time.

Lola: Yep.

Ollie: This was also where we battled me there.

Me: I will admit though Ollie, you looked awesome and badass in that Dark Armor.

Ollie: I know. It was cool.

Grimskull: I agree there.

Camie: Yep.

Torch Man: I'm looking forward to this.

Nico: Torch Man, I want to thank you, Golden Guard, and your teams for coming

Torch Man: No problem Nico. This is gonna be fun and cool.

Qin: It sure is.

Sienna Sigmar Heldenhammer: I'm ready to have some fun on this.

Qin: Awesome Sienna.

Lincoln: Yeah!

Nico: Sienna, what do you like to do in your free time?

Sienna Sigmar Heldenhammer: I like to play video games with Linky and Lily as well as teach them in the arts of the power of the Twin Tail Comet.

Lily: It's really amazing. We're learning new moves we never heard about.

Lincoln: We sure are.

Camie: That is cool!

Hunter: (German Accent) Ja und amazing to hear about because of the power Sigmar had.

Lola: He is a mighty hero.

Camie: He sure is.

Sienna Sigmar Heldenhammer: That's right. Sigmar is a mighty hero and the Twin Tail Comet is a very powerful symbol for me and many of his loyalists.

Me: It sure is.

Camie: Wow!

Nico: He sure is, isn't he?

Sienna Sigmar Heldenhammer: Yeah he sure is. And he is a great and skilled warrior.

Qin: Wow!

Lola: Yeah. Nicole have you ever seen a Twin-Tailed comet like that?

Nicole: No I haven't. But it would be awesome to see one for real.

Nico: That would be awesome to see.

Lana: I'll say!

Sienna Sigmar Heldenhammer: Well you guys are in luck. Because Sigmar's comet is coming to Earth in 2 days.

Me: WOW! How rare is Sigmar's comet coming to Earth?

Sienna Sigmar Heldenhammer: It comes around once ever 75 to 150,000 years.

Lola: WOW!

Qin: That is a once in an eternity event!

Nico: It sure is!

May: Looking forward to it.

Me: Wow!

Sienna Sigmar Heldenhammer: Yep. And Sigmar's Comet has an amazing power that enhances the powers of the masters of the power of the Phoenix times 100,000,000.

Me: WHOA!

Qin: That is intense!

Nico: Wow! This is gonna be amazing.

Sienna Sigmar Heldenhammer: Yep.

Nico: Wow.

Laney: This is gonna be fun.

Me: Whoever we're going to be battling on that day is gonna wish they were never born.

Laney: Yeah! Oh speaking of which we really had fun on La Planeta de Agua (ARRIBA!)

Gatomon: I just can't believe I had a snail in me that was making me eat all that fish! Including the Fish Mascots!

Nico: You ARE a cat.

Gatomon: I know I am but I was literally out of control in eating all that fish! I should have been in more control like that!

Me: That snail turned you into that.

Gatomon: It sure did.

Nico: Well at least it is out of you.

Marinette: And I ate the snail.

Me: (Mwah!) Cest magnifique.

WE LAUGHED!

Nico: That's the people of France for you.

Gatomon: But eating Bob was awesome.

Me: Yes it was. But man WHAT A Bloodbath! We blasted all of his henchmen to pieces.

Nico: No kidding!

Qin: Yeah that was still fun though.

Gatomon: I still like to eat fish though

Nico: We know.

Lola: Jim how did it feel to battle one of your old enemies again?

Earthworm Jim: It was G-ROOVY!

Qin: Yeah it was!

Xenia: (LAUGHS) Yeah it sure was.

Me: Yeah!

Goldeen: At least I don't have to worry about being eaten

Irma: Thank goodness.

Mevya: Yeah no kidding!

Kevin Levin: I agree.

As we were traveling through space, I was watching King-Ohgers and Lana was watching with me.

Me: Whoa those monsters the King Ohgers faced are ugly.

Nico: I know.

Lana: Yeah.

We continued watching.

Me: Whoa! I didn't know the Japanese Dino Charge rangers helped them out.

Tyler: That's cool that our Japanese counterparts did.

Me: Cool! So before they helped us the first time they were at Earth before.

Xenia: Yeah!

Lana: Yeah!

Me: At least we know who our main target is. Dujardin. I once thought it was Rcules. But it was all just a ploy. But I definitely can see a lot of M.O.E. Recruits coming our way when we meet the King Ohgers again.

Camie: Yeah.

Shino: And those zords that the King Ohgers use are all bugs.

Me: That's right Shino. The theme is Knights of Medieval times and Insects.

Qin: Yeah.

Nico: And during that 2 year timeskip of the King Ohgers we were doing the Cosmic Fury Battles.

Camie: Whoa!

Rarity: Yeah. I agree darlings. But the way Hymeno dresses in her kingdom is truly magnicent.

Me: Her dress is beautiful.

Sheila: And Rita and I both have so much in common. We both have an overwhelming sense of justice.

Me: That is true. You both have passions for the law.

Qin: Yeah.

Soji: As an insect Rider myself, I actually like this team

Me: That is too cool. Nico uhh Gira saying he is the Evil King sounds a bit intimidating in my opinion.

Nico: Gira just likes saying that to be dramatic.

Me: Oh. Yeah I can see that he does have a flare for the dramatic.

Fu: Boy me and Chomei will fit right in with the King Ohgers. As the Jinchuriki of Chomei the 7-Tailed Horned Beetle it would be perfect.

Me: I agree too Fu. You would definitely be perfect for that.

Nico: Same here. Shino too. Much of the Aburame clan would be perfect for it as well.

Shino: That is a logical asumption Nico.

Nico: Indeed.

Me: Timon and Pumbaa probably would want to eat all the Bagnarok monsters there because of their love of bugs.

WE LAUGHED!

Qin: (LAUGHS) Yeah they sure would!

Timon: (LAUGHS) Yeah we sure would love to eat them because of our love of bugs.

Pumbaa: (LAUGHS) Yeah no kidding.

Stewie: This explains the timeskip when we fought Zedd

Me: It sure did. It provided a perfect opportunity and window for us to battle Zedd during our Cosmic Fury Battles.

Zayto: That was fun though.

Laney: It sure was.

Nico: Yeah.

Me: Yeah. But it would be funny to see Timon and Pumbaa and Lana eat the Bagnarok.

Lana: I'll say! If we can eat Rantipede we can do so with the Bagnarok.

Nico: GROSS!

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Cholganna.

Horsea: Here we are!

Me: Planet Cholganna.

Xenia: Wow!

Nico: This is where we'll find the 6 Star Ball.

Camie: Yep.

We got to landing and got out.

Me: Wow.

Ollie: This place has bad memories for me and the Cosmic Fury team.

Poromon: I know.

Me: Yeah. Lets see.

I pulled out the Dragon Radar and it showed that it was located 250 klicks ahead to the north.

Me: That way 250 klicks.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Cholganna to get the 6 Star Ball, and just as my dream foretold, it's in the hands of Pain of The Akatsuki.

Me: And he still wants revenge on me because of how I killed him in 150,000 years hence and ruined all the Akatsuki's plans, just as you told us this morning.

Nico: I can't believe Pain's back once again, he sure doesn't know when to quit. Plus, Kiyomori Taira is also here on Cholganna and is performing the ceremony using the sample of Gabriel Maxwell's blood and the immense demonic chi of Orochi that was purged from him after he reigned in the immense raw power of Orochi and his God of Destruction counterpart, Orochi X.

Qin: Pain of The Akatsuki and Kiyomori Taira, two of the most dangerous threats to the world.

Lincoln: Pain has the 6 Star Ball which is what we're after, as we discussed, we need to get it back and destroy him and banish him to The Black Abyss, then, we high-tail it to Kiyomori and destroy him before his ritual is complete.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle has resurrected Miguel Calavera, and sent him after us.

Lincoln: Oh man! Morgana, now you've really gone too far!

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back?

Lincoln: It's not good, it appears that Morgana Midnight Sparkle has resurrected Miguel Calavera, and sent him after us.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you drain him dry of his dark powers.

Lincoln: That's what I'm going to do, Nico.

Lori: So, we're here on Cholganna to get the 6 Star Ball back and kill Pain. Honestly, I knew we would be facing him again, but this time, it'll end with him gone forever, and we also got to stop Kiyomori and end his ritual.

Caleb Maxwell: If we don't stop Kiyomori, then...!

Gabriel Maxwell: The Serpent King will return reborn through my blood. (Sighs)

Yinglong: You've had thoughts of suicide before when you were infected by Orochi's demonic chi.

Crash Bandicoot: We better get going and fast if we want to kill Pain of The Akatsuki and get the 6 Star Ball back.

Lincoln: Along with dealing with Miguel Calavera and stopping Kiyomori Taira's ritual.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Pain) AHA! There you are! I just spotted Pain, he's 20 yards away, but he's coming right at us and he's out for J.D.'s blood again. (Sensed Miguel Calavera) And I just spotted Morgana's next puppet.

Nico: Let's tear them apart.

Camie: Why does Pain want revenge on you so badly J.D.?

Me: Because I ruined his and all of the Akatsuki's plans.

Nico: Can you tell us what happened?

Me: Sure. I was battling Pain in the Hidden Rain Village.

FLASHBACK - 150,000 YEARS HENCE

MASSIVE EXPLOSIONS BLASTED OUT ALL OVER!

I was battling the Deva Path of Pain.

Me: (Voiceover) It was a really fierce battle as I was fighting the Deva Path of Nagato's 6 Paths of Pain. We were pretty much equally matched.

I fired energy blasts and blasted him all over.

He went at me and I ducked under a Chakra Disruption blade and kicked him in the face.

Me: Pain you will never win! Your way to peace will only result in total annihilation!

Pain: You will feel the wrath of Pain.

Me: (Voiceover) We were really fighting hard. But then with my past experiences I remembered that the Akatsuki needed the one critical factor to bring the world to its knees. I looked up and saw the moon.

Me: (In my head) (GASP) The moon! That's it! To enact their plan the Akatsuki need the moon! Without it, their plan will never work! As reprehensible as this is I have no choice! (Out Loud) Stop this attack if you can! (Cups hands) KAAAAAAAAAAA MEEEEEEEEEEEEE HAAAAAAAAAAAAAAAA MEEEEEEEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I FIRED A MASSIVE KAMEHAMEHA WAVE RIGHT AT HIM!

Pain: When will you learn!? ALMIGHTY...

But before he could release his attack the energy blast flew up into the sky RIGHT AT THE MOON!

Pain: WHAT!? NO! IMPOSSIBLE!

The energy blast hit the moon head on and then...

EXTREMELY MASSIVE AND UNBELIEVABLE FIERY EXPLOSION OF INCREDIBLE NOVA STRENGTH!

THE MOON EXPLODED AND WAS COMPLETELY OBLITERATED IN AN INSTANT!

EVERYONE ALL OVER THE WORLD SAW THE MOON EXPLODE RIGHT IN FRONT OF THEIR VERY EYES!

When the smoke cleared the moon was completely destroyed! IT WAS GONE!

Pain: NO! NOOOOOOOOOOOOO! DO YOU REALIZE WHAT YOU HAVE JUST DONE!

Me: Stopped your plan from succeeding! Without the moon you will never enslave the planet!

Pain then roared in explosive rage and went at me and I kicked him in his face.

Me: (Voiceover) Ever since that day Pain has hated my fucking guts ever since and vowed to kill me and make sure I die a painful and torturous death for ruining the Akatsuki's plan for peace.

FLASHBACK ENDS

Me: That's why Pain will always find a way to come back and exact revenge on me.

Nico: WHOA! He really has it out for you! And I thought Crockerfucker's hate was bad enough.

Me: I know.

Konan: And I was there when it happened. It may have been reprehensible but it worked. Without the moon, The

Akatsuki's plan Project Tsuki No Mei was all for nothing.

Nico: As reprehensible as that was I can tell that J.D. had no other choice. I would have done the same thing myself.

Lola: I agree there.

Qin: Yeah.

Connor heard a Pokémon cry.

Connor: Look here.

We saw a Tyrunt.

Me: Cool a Tyrunt.

Nico: Wow!

Connor: Oh you hungry?

Tyrunt: I sure am.

He gave it some apples and food.

Tyrunt: Thank you.

He ate them.

Connor: Wanna come with us?

Tyrunt: I would be honored.

Me: Awesome!

Connor: Cool!

Me: Wait! Master Piccolo, didn't you use a similar method to destroy the moon to stop the Saiyan's from transforming?

Piccolo: Yes as a matter of fact I did. I realized that the Saiyans needed the moon in order to transform into giant apes. So I destroyed it to prevent that from happening.

Me: That's very coincidental. I used a similar method to destroy the Akatsuki's plan forever.

Nico: You sure did.

Laney: Yep.

Lana: Hey look!

We saw a REGIFIGHT!

Me: Whoa! Regifight!

Nico: What's that doing here?

Me: I think I got a good feeling I know why.

Sunny Starscout: I do too.

She used Telepathy and gasped!

Sunny Starscout: (GASP) Galaxia! Galaxia Starscout!

Margo: Galaxia!? Oh man!

Sunny Starscout: That's my older sister Galaxia! We got to help her!

Me: Lets go!

Me, Sunny and Margo went to help her.

Margo: Galaxia! It's me Margo!

Sunny Starscout: And Sunny! Remember?

But then...

POW!

SHE PUNCHED MARGO! AND GAVE HER A NASTY BLACK EYE! OUCH!

Nico: That's gotta hurt!

Margo: (Dazed) Mommy read me the story about the bunny driving a train.

Regifight then punched at us and we dodged her strikes and I kicked her.

Sunny kicked Regifight.

Nico: YEAH!

She then fired a powerful Aura Energy blast and I fired a blast of energy and the blasts collided and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

The explosion formed a massive wall of fire and a huge amount of forest burned.

Nico: WOW! That was powerful!

Qin: WHOA NO KIDDING!

Lola: YEAH!

I then teleported and punched her from behind. Then I snapped my fingers and she reverted back and was a girl with dark magenta hair and had blue eyes and had magenta angel wings and had Regifight in the middle of her forehead and had a blue and purple version of Sunny's Cutie Mark on her arm.

Me and Sunny wrapped her in a blanket and we brought her over.

Margo was given ice for her eye.

Me: Wow this one put up some form of a fight.

Nico: It sure did.

She woke up.

Galaxia Starscout: (Groans)

Sunny Starscout: Galaxia? Are you okay?

Margo: Yeah are you alright?

Galaxia Starscout: Sunny? Margo? (Gasp) Sunny! Margo!

She hugged them both.

Galaxia Starscout: Sunny look at you. You've grown into an amazing young lady.

Sunny Starscout: I have so much to tell you.

Margo: We sure do.

Me: You were turned into a Regifight by Dark Gale.

Galaxia Starscout: (GASP) I remember!

FLASHBACK!

She was in a magenta suit and injected. She busted out of the table and killed NUMEROUS MEMBERS of Dark Gale with ncredible strength and then turned into Regifight and ran out.

FLASHBACK ENDS

Galaxia Starscout: It was awful! I killed many members of Dark Gale in cold blood.

Me: Were they minor members like grunts or soldiers?

Galaxia Starscout: I think so.

Me: Well at least you minimized their forces to a certain extent. Saving us time for when we kill them during the Ridonculous Race.

Galaxia Starscout: Oh.

Nico: How did you meet Margo?

Galaxia Starscout: I met her at the skate park for a roller derby contest and we nailed it and did all kinds of moves that won.

Margo: She is an amazing skater like me and Lynn.

Lynn: She sure is.

Sunny Starscout: I learned all I can about skating from her.

Me: Oh so you taught Sunny how to be an amazing roller skater. That is awesome.

Galaxia Starscout: It sure is and I heard that Sunny is really good at it.

Me: She sure is. Also Sunny has become an Alicorn.

Sunny Starscout: I sure have.

She spread her ethereal wings and showed her Ethereal horn.

Galaxia Starscout: (GASP) Wow!

Me: She became the first ever Earth Pony in Equestrian History to achieve Alicorn status.

Sunny Starscout: It's true.

Galaxia Starscout: That is so cool Sunny! I'm so proud of you!

Qin: We all are.

Nico: What's your role in Sonya's team?

Galaxia Starscout: Well I'm the combat master and I use powerful martial arts moves to take down my enemies.

Me: Cool! So you know all the forms of martial arts?

Galaxia Starscout: I sure do. I taught everyone on the team all I know.

Sonya: She's a really amazing teacher.

Me: That is awesome.

Galaxia Starscout: It sure is. Also outside the team I'm an adventurer and an explorer. I set out years ago to find out what happened to Twilight Sparkle and Friends after the magic disappeared. And after years of searching I succeeded in finding out.

Me: They were put into a state of hibernation after making the unity crystals.

Galaxia Starscout: That's right! How did you know?

Me: I had a dream about it and the Spirit of Harmony told me what happened.

Fluttershy G5: J.D. and his friends found me and brought me back.

Galaxia Starscout: (GASP) Fluttershy! It's so good that you are okay.

Fluttershy G5: Thanks to J.D. and everyone finding me.

Me: Yeah it's a long story.

Galaxia Starscout: I wanted to find out who did all this.

Me: We already did and took care of her. We found out who was responsible for everything that happened to Equestria.

Galaxia Starscout: You did?

Me: Yep.

Nico: It was Opaline. Who Anti Monitor didn't bring back

Eli: It was an evil Alicorn named Opaline Arcana.

Me: She was a totally powerhungry Alicorn that wanted all the magic of Equestria all for herself. She destroyed EVERYTHING that Twilight Sparkle worked so hard to accomplish and tore the magic of friendship apart.

We told her what happened and more and how we killed her and destroyed her reign of terror forever.

Galaxia was shocked and horrified!

Galaxia Starscout: That monster!

Me: She was more than a monster Galaxia. She was pure evil incarnate.

Misty Brightdawn: Yeah she ruined everything Twilight worked so hard to make and accomplish.

Nico: Yeah.

Me: But she is gone for good. She will never terrorize Equestria ever again.

Galaxia Starscout: I'm glad. Also I know where Twilight and the rest of her friends are. I made a book about where they are and my findings. But it's back at the Crystal Brighthouse.

Me: That's back on Earth. But you're on the planet Cholganna lightyears away from home.

Galaxia Starscout: I'll have to get it later then.

Rarity: Lets get you some new clothes first darling.

The Fashion Brigade gave her awesome new magenta sports clothes.

Galaxia Starscout: Wow! I look awesome.

Margo: You sure do.

Me: But the good news is now we have a chance to restore everything that Opaline destroyed.

Xenia: We sure do.

Lola: But we need to do it little by little.

Nico: At least you got Fluttershy back for you.

Fluttershy G5: That is right.

Galaxia Starscout: I am glad about that.

Me: We are too.

Sunny Starscout: And I'm glad to have my sister back too. Same with dad and mom.

Me: We found your mother in the ruins of Canterlot. She was hiding in the restaurant Saffron Masala and Coriander Cumin owned before. And me and Misty here found your dad frozen in a block of ice in the ruins of Opaline's castle in the Kamchatka Peninsula.

Nico: Yeah.

Misty Tredwell: We sure did and that was an amazing reunion for Sunny.

Galaxia Starscout: Oh mom and dad. I've missed them so much. I can tell I got a lot of catching up to do.

Me: Yep. But we'll talk more about what happened later. Right now we got a job to do here.

Nico: That's right. Lets go!

We took off into the air and we set out to get The 6 Star Ball back and kill Pain of The Akatsuki and send him and Miguel Calavera to The Black Abyss along with stopping Kiyomori Taira's ritual.

We were flying in the air, and we spotted our target: The 6 Black Star Dragon Ball, and it was in the hands of Pain of The Akatsuki, and he was heading right for me in a fit of rage.

Lincoln: I've had it up to hear with Pain, this is where it all ends for him.

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at Pain and they hit him and exploded, and he screamed in insane rage as we landed, and when he saw me again, he went mad with rage and tried to attack me, but Lincoln and I fired Ki blasts that sent him flying into a rock. He got out, but he bellowed and screamed with rage! Then, Lincoln used telekinesis and got The 6 Black Star Dragon Ball to his hand.

Me: You've got a lot of nerve coming back, Pain. For far too long, you've always been a thorn on my side, and not even time in prison was enough to dull out the 150,000 years of hatred you harbored towards me, but this was your fault. You and the Akatsuki almost destroyed the Earth with your plan.

Pain: And to that end, I will destroy this entire planet just to get rid of him and all of you!

Suddenly, we saw Orochi's men heading for us, but Gabriel Maxwell summoned fireballs that hit the army of Orochi's men and incinerated them to ashes.

Lincoln: That's it, we've had it up to hear with you for the last time, Pain, you're going to be put down for good, and you are never ever coming back. And Miguel Calavera, you better get out here, there's no use hiding.

Suddenly, we saw our secondary target: the accused 20th Century dark witch, Miguel Calavera, and he did indeed have the Demonic Alicorn on his forehead.

Miguel Calavera: You will all pay for accusing me of being a witch and sending me to my death.

Lincoln: Seriously, even after 100 years passed, you still blame us. No, Miguel, it's true you had dark powers back then, but you deserved your fate a century ago. Now, to make sure you never come back.

Lincoln grabbed Miguel Calavera by the neck with his left hand and he began draining him dry of his dark magic and powers, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Miguel Calavera's red eyes became lifeless and he was completely drained of all his dark magic and dark powers.

Miguel Calavera: (Weakly) W-what did you do to me?

Lincoln: Drained you of all your dark powers and dark magic. Now, to drain you of your life force.

Then, Lincoln began draining Miguel Calavera of his life force and energy as we saw his skin starting to wither as his life was being drained from him and right into Lincoln and he also absorbed Miguel Calavera's soul, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, as soon as Lincoln was done, Miguel Calavera was left as a desiccated corpse drained of life and dark magic and powers, and he also drained Miguel Calavera's soul of all his energy and sent him to The Black Abyss. Then, Lincoln set Miguel Calavera's body on fire and it turned to ashes.

Suddenly, Lincoln's deep sapphire eyes, Third Eye, and the four sets of rainbow eyes on the shoulder blades of his massive white angel wings and four sets of larger white angel wings underneath his massive white angel wings glowed, and his rainbow, white, and energy aura flared up extremely as he gained another astronomically massive power boost, but then, we saw a vision orb form, and it wasn't good: it appears Anti-Monitor has resurrected the magic-draining demonic centaur, Tirek, and he restored him to full strength and youth.

Lincoln and everyone: Anti-Monitor, you bastard...!

Lincoln chanted an incantation, and he used a more powerful version of the spell he used on Tirek two years ago.

Nico: I cannot believe Anti-Monitor did that, the bastard!

Me: We'll deal with Tirek later, right now, we got some unfinished business to take care of.

Cage Blunt: Your old enemy, Pain of the Akatsuki.

Travis Tackett: And Kiyomori Taira.

Me: We have a score to settle Pain!

Pain: So we do.

I went to face him.

Me: Pain you just don't know how much danger you put the world in back in 150,000 years! Don't you realize that the Eye of The Moon plan would have ultimately destroyed the entire planet!? That is not the path to true peace! That is the path to Total Annihilation! You would have ultimately destroyed the world!

Pain: The world will feel pain.

Me: The only one that is going to feel pain is you.

Nico: You forced J.D. to destroy the moon temporarily!

Me: No Nico! I destroyed the moon because I wanted to! I had no other option! It was the only way to make sure their plan wouldn't work!

Nico: Oh that's different.

Pain: AND I WILL STILL KILL YOU FOR THAT!

Me: Don't you realize that your plan would have caused the extinction of Earth and everyone!? If you went through with your plan the Earth would have been lost forever!

Qin: YEAH!

Me: As reprehensible as it was there was no other way!

Poliwag: It was still temporary

Pain: Then you will pay for that times 1,000! I will kill you and kill you again and again until your soul is gone for good!

Me: We'll see about that! For the record I'm not the same as I was when we fought before in 150,000 years. I've gotten more powerful since our last encounter.

Pain: The time for talk is over. It's time for us to end this.

Me: I couldn't agree more.

I then powered up and released my aura and then in a massive vortex of energy I transformed! The explosion was so massive and so powerful and so devastating that it shook the planet with intense force! When the smoke cleared, Pain got up and was mangled up bad.

MASSIVE NUMBERS OF INTENSE FIERY EXPLOSIONS!

Me: YEAH!

I fired a massive barrage of energy blasts.

Pain: ALMIGHTY PUSH!

He blocked them all and when the technique faded I teleported and punched him in the face with devastating force and kicked him in the face and sent him flying into a tree.

SMASH!

Tyrunt charged at him And blasted him with fire.

Nico: Take that!

Me: Now lets see you face this! PLANETARY DEVASTATION!

(GIREI PLAYS)

I formed a ball of gravity and threw it and it hit Pain and sucked him into the sky and it sucked in huge amounts of rock and earth and formed a huge sphere of rock!

Nico: WHOA!

Me: Now for this! FINAL SHINE ATTACK!

I fired a powerful blast of green energy right at it!

THEN PAIN EXPLODED OUT OF THE BALL AND THE BLAST HIT HIM AND EXPLODED WITH INTENSE AND INCREDIBLE

POWER!

He was blasted down with incredible power and he fell to the ground and got up and he was pissed! HE DID NOT LKE THE FACT THAT I USED HIS PLANETARY DEVASTATION ATTACK AGAINST HIM!

Tyrunt then bit his butt.

CHOMP!

Pain: OUCH!

Nico then punched Pain in his face and Tyrunt pulled off his Akatsuki cloak!

He threw it at me.

Me: Hmm. You know I could use this.

I put it on and ripped the sleaves off and I turned the clouds of the cloak into phoenixes.

Me: Perfect!

Rarity: You look amazing with that on J.D. darling.

Me: Thanks Rarity.

I then teleported and kicked Pain and punched him in the face and kicked him down.

Pain: That's my cloak! Give it back!

Me: I think it suits me better than you Pain!

I kicked him in the face.

J.D. 2: Besides this is how I looked when I wore this.

Me: Really? Cool!

J.D. 2: It sure is and it fits you really well too.

Me: Thanks.

Tyrunt then bit his hand.

Pain: Get off me!

Tyrunt wasn't budging.

I then punched Pain in his face many times and kicked him hard.

Tyrunt then bit his neck!

Nico: NICE!

Me: Oh and Pain there's someone who wants to say hello.

Animal Path came.

Me: I believe you know Animal Path? I freed her from our last battle and gave her free will?

Naruto: Okay, guys, you've done enough damage to Pain, and now, it's our turn.

Yugito: That's right, we all intend to make sure Pain pays for all of his crimes.

Fu: He deserves to die for all of his crimes.

Utakata: And he deserves to be wiped from existence for good.

Han: All of the suffering he and the Akatsuki caused can never be forgiven.

Roshi: The same can also be said for the lives they've also taken as well.

Yagura: Indeed.

Killer B: But, here's where we avenge all the atrocities caused by this fool.

Suddenly, the blue, orange, and brown eyes of Naruto, Killer B, Fu, Utakata, Han, Roshi, Yagura, Yugito Nii, and Gaara turned neon blue, neon orange, and brown, and they were surrounded by colored, white, and blue energy auras with stars, aura energy, white and blue heavenly flames, elemental forces, foxes, octopi, bulls, beetles, slugs, turtles, horses, gorillas, wraith cats, ghosts, raccoon dogs, phoenixes, and angels, they unholstered their greatswords, and as they approached Pain, they left colored, white, and blue energy, stars, aura energy, white and blue heavenly flames, elemental forces, foxes, octopi, bulls, beetles, slugs, turtles, horses, gorillas, wraith cats, ghosts, raccoon dogs, phoenixes, and angels with every step.

Naruto: I never thought we'd have to deal with you again, Pain. But, as always, you just don't know when to quit, do you?

Killer B: Even after J.D. stopped all of the Akatsuki's plans and killed you 150,000 years hence, you still refuse to quit.

Fu: And on top of that, for many times, you've tried to destroy the Earth in order to get rid of J.D. in your mad desire for revenge.

Utakata: You deserved to be destroyed that number of times before in the past.

Han: You and the Akatsuki have caused the villages and the world enough trouble for the last time.

Roshi: For too long, so many lives have been lost to you and the entire organization in the schemes of Obito Uchiha.

Yagura: Your desire for "peace" almost led to the destruction of the world, and we will never forgive you for that.

Yugito: That's right, and you've come after J.D. for the last and final time!

Gaara: Now, this time, we'll make sure you stay dead and gone forever, and once we get done with you, we'll have time to go after Kiyomori Taira before his ceremony is completed.

We were amazed by the transformations of Naruto, Killer B, Fu, Utakata, Han, Roshi, Yagura, Yugito Nii, and Gaara, but when Pain saw it, his face turned white as fear finally crept into his face. But, that fear was replaced with rage as he went after them and me, but Gabriel Maxwell swung his massive scythe at Pain a number of times and he left bleeding scars on him, and he fired black and dark purple energy, dark energy, darkness, dark fire, massive red beams of energy, and snakes at him, and he even used Orochi and Orochi X's attacks on him, and they exploded as they hit him, and that just pissed him off even more.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Naruto, Killer B, Fu, Utakata, Han, Roshi, Yagura, Yugito Nii, and Gaara did the same by firing colored, white, and blue energy slashes from their gold plated claws and their massive greatswords, and Lincoln, Naruto, Killer B, Fu, Utakata, Han, Roshi, Yagura, Yugito Nii, Gaara, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making Pain even more angrier than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Pain, and we found ourselves in Heaven.

Lori: There, up ahead!

We then saw a mysterious serpent-themed altar in the distance.

Lincoln: It's Kiyomori, no doubt about it.

We landed, and there we saw our next target: Kiyomori Taira, and he was guarding the altar as he'd created a barrier surrounding the altar.

Kiyomori Taira: (Echoing Demonic Voice) I was hoping that Pain was finally through with all of you, but it looks like I was wrong. But, defeating me will prove useless, it's too late to stop anything.

Caleb Maxwell: Too late...?

Gabriel Maxwell: Kiyomori, you didn't...!

Kiyomori Taira: (Echoing Demonic Voice) (To Gabriel Maxwell) Despite you reigned in the immense powers of Lord Orochi and his reincarnation and God of Destruction counterpart, the demonic chi of my lord purged from your body carried with it a sample of your blood, and with it, Lord Orochi will be reborn once more.

?: Kiyomori, this is where our feud ends here and now.

We then saw two more figures arrive: it was Yoshitsune Minamoto and Benkei.

Sun Quan: Yoshitsune has arrived, along with Benkei. Now, we have a chance to deal with Kiyomori.

Yoshitsune Minamoto: Sorry for my surprise arrival, Sun Quan. And it's also an honor to meet you all, Team Loud Phoenix Storm.

Nicole: You too, Yoshitsune.

Kiyomori Taira: (Echoing Demonic Voice) Ah, Yoshitsune, it's been a long time.

Benkei: As soon as we'd heard you returned once more, we immediately came here to stop you once more.

Suddenly, Gabriel Maxwell raised his massive Gabriel Maxwell's True Cosmic Eternal Harmony Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel Scythe of True Cosmic Eternal Harmony Heaven Cosmos Infernal Darkness Hellfire Firestorm Almighty Snake Demon

True Immortal Demon Snake Phoenix God Archangel Justice, and then...!

SLASH!

Gabriel Maxwell slashed Kiyomori Taira in the chest hard, and it was a really fatal wound.

Kiyomori: (Echoing Demonic Voice) (Weakly) Heh, my time in this world is finally done. Lord Orochi, I have fulfilled my duty...

Kiyomori Taira finally vanished into dust and his spirit was banished to The Black Abyss. Then, we'd moved fast and came to the altar only to see it empty.

Lincoln: We're too late.

?: (Echoing Demonic Voice) Mighty Gods among men.

Lori: Look.

Suddenly, we saw an ominous red portal in the skies, but then, we saw something descend from it: it was a carbon copy of Gabriel Maxwell before his transformation, he was tall at 6'11" in height and he had a super-strong imposing bodybuilder's physique, long white hair going down to the upper part of his back, peach-colored skin, and he was dressed in a long midnight black trenchcoat with red inlay inside the coat and for the coat's collar, black jacket, short-sleeved black shirt with a snake on it, long black pants with belt and silver snake head for the belt buckle and silver snake heads around the belt on his waist, black knee high boots with silver snake heads for the buckles of the boots, and black fingerless gloves with silver-armored claws covering his fingers.

But, we saw that in his hand was The Spirit Reaper, the large menacing scythe of Orochi, The Serpent King, and he had light green eyes with snake pupils like those of Orochi X, the second reincarnation of Orochi, and what's even more horrifying was that his face was covered in the same markings that Orochi had, and he had a horrific dark purple and blue aura around him.

Gabriel Maxwell: So, Kiyomori succeeded in his ritual and brought you back once more through my blood.

Orochi X: (Echoing Demonic Voice) Yes, it was through your blood and my demonic chi that I was made whole again. However, it is far too soon for the stage to be set for the ultimate battle. Go, reclaim the remaining Black Star Dragon Balls, and soon, we will have our ultimate battle.

He vanished. We may have killed Pain of The Akatsuki along with Kiyomori Taira, but we were too late: The Serpent King, Orochi, had returned.

Nicole: I can't believe it, even after we killed Pain of The Akatsuki along with Kiyomori Taira, we were too late to prevent Orochi's return.

Lincoln: We may not have prevented Orochi's return as we'd originally planned, but we have stopped Kiyomori along with Pain, that effort was not in vain. Plus, we still got the remaining two Black Star Dragon Balls to get, and we've defeated Orochi once before, we'll do so again, this time however, we will ensure he finally returns to his eternal slumber.

Me: You're right, Lincoln, and on the seventh day, once we have all seven Black Star Dragon Balls in our possession and prevent the Earth's destruction, we'll go after Gerald

Vexos and destroy him once and for all along with Orochi, Da Ji, Kyūbi, and Hundun.

Taigong Wang, Fu Xi, Shennong, Nu Wa, Yinglong, Yang Jian, Zuo Ci, Susano'o, Kaguya, and San Zang saw the inspiration Lincoln had given to everyone.

Taigong Wang: I knew our assessment was correct as always. Lincoln's given everyone the inspiration in the face of Orochi's return. Soon, the final chapter of The Serpent King's reign is fast approaching its conclusion.

Fu Xi: Even in the face of insurmountable odds and despair, they would never give in. Impressive.

Nu Wa: For Lincoln to remain calm and not give into despair like that, but instead inspire everyone around him including himself, there was always something about him that draws many people to him: a beacon of hope even in times of despair.

Nico: You're right, Lincoln, and we also never give into despair which was what Da Ji was hoping. Too bad for her, we never give into despair.

Cao Pi: Da Ji will try again to cause despair among others, so we should take extra precautions.

Lincoln: You're right, Cao Pi. I know Da Ji's tricks to try and cause despair among others, so I think I should foil all of her plans before she could try anything. (SNAPS FINGERS)

Lincoln snapped his fingers, and he put a curse on Da Ji as it took the form of a phoenix tattooed on her back which we saw through a one-way window.

Lincoln: This is my brand-new Phoenix Retribution Firestorm Vengeance Curse, I created this curse in the event of Da Ji returning, and this curse will react to whenever Da Ji is planning something again to cause us trouble, and when that happens, the phoenix tattoo will travel throughout her body, and once it hits her heart, the curse will strip her of all her dark powers, magic, and immortality and we'll assimilate them, and she will burst into ashes.

WE GASPED!

Me: Yikes!

Nico: Unreal!

Nicole: That's a really impressive curse, Lincoln. Plus, as you said, it's perfect for someone like Da Ji. After all the trouble she's caused to the human world for her own pleasure and amusement along with her sick desire to cause pain, suffering, and cruelty to humans, and what she did in The Mystic Realm in hatching the plot that freed Orochi from his prison, she deserves this curse.

Lincoln: That is for sure!

Tyrunt: He was still tasty.

Camie: Yes he was.

Lola: Yep.

Nico: Nice job Tyrunt.

Tyrunt: Thanks Nico!

Poromon: Want some beer?

Tyrunt: Hey sure!

Poromon: YAY!

He drank some.

Tyrunt: (BARNEY GuMBLE BELCH)

Barney: Welcome to the Drunk Party! (BELCH)

Tyrunt got drunk!

Poliwag: Sing the ABC's!

Tyrunt: (SINGING AND BELCHING) ABCAJJFANFGKWNFMWIVNWOFND!

WE LAUGHED HYSTERICALLY!

Horsea: Yay! New drunk friend!

Nico: YEAH!

Me: Yep.

Camie: Funny and cool!

I reverted Tyrunt back.

Galaxia Starscout: Later, I think I can help you locate Twilight and her friends from our world.

Me: Thanks Galaxia we appreciate it.

Lola: Yeah.

Galaxia Starscout: You're welcome.

Nico: Except Fluttershy, of course.

Fluttershy G5: Yes they already found me.

Qin: Yeah.

Camie: Yep.

Nico: Yeah.

Me: Yep.

Nico: Oh, Torch Man, what do you like to do in your free time?

Torch Man: I am a teacher of Flame-Jitsu and help students master fire powers.

Me: Cool!

Qin: Yeah!

Nico: Now that's hot!

Me: Yep.

Nico: It sure is!

Poromon (to Tyrunt): Now you can present the trailer with us!

Tyrunt: YEAH!

Galaxia Starscout: Wait you mean Blood and Honey? I heard you guys did that huge lawsuit against them!

Nico: We sure did and that was a huge one.

Lola: Yeah!

Poromon: Yep it sure was.

Poliwag: THOSE ABOMINATIONS MUST DIE!

Me: YEAH!

But then my eyes glowed and I was in my subconscious!

Me: What the?

The Spirit of the Tree of Harmony came to me.

Me: Spirit of Harmony. What's wrong?

Spirit of Harmony: It's time to redeem Tirek.

I gasped.

Me: Redeem Tirek? But he is pure evil!

Spirit of Harmony: I know there is good in him and he can be changed. I know you can change him.

Me: Okay then.

I then came back.

Nico: What happened?

Me: The Spirit of Harmony came to me.

I told them everything.

Everyone: WHAAAAAAAAAAAAAAAAATTTTTTTTT!?

Nico: Redeem Tirek? Are you sure?!

Me: Yep that's what she said.

Twilight Sparkle: ARE YOU OUT OF YOUR MIND!?

Me: I know you are skeptical but the spirit and me believe there is good in him.

Nico: We should probably look into his history later

Me: Good idea.

Qin: Yeah.

Lola: I agree.

Nico: I want to make sure we didn't miss anything

Me: Okay.

Qin: I have faith in J.D. He can redeem him.

Twilight Sparkle: Well okay. I believe in him too.

Everyone believed in me.

Me: Thanks guys.

Poromon was eating skyflakes.

Me: What are those Poromon?

Poromon: Sky flakes. Want some?

Me: Oh sure.

I had some and they were good. Salty and chocolatey at the same time.

Nico: They are a kind of cookie cracker that I had all the time when I lived down in the Phillipines.

Fiona Hernandez: Me and Nico and all of his friends had them down there. They are good.

Me: Mmm! They sure are delicious.

Poromon: Glad you like them.

Nico: Yeah.

Me: They sure are tasty.

Qin: I haven't had these in forever. They sure are good.

Lola: Cool!

Poromon: Yep.

Nico: Now it's time for the Anothers.

Qin: Yep.

Eli: (Concentrates) WHOA! We have Another Golden Guard, Luster Dawn, Takomaxor, Grimskull, Phoenix King Ozai, Commander Mozar (2003) and Kang the Conqueror.

WE GASPED!

Me: Whoa! So Torch Man, Sienna Sigmar Heldenhammer, Phoenix Planet, Phoebe Tallores Phoenix, Summer Zuko, and Phoenixmon.

Nico: Yep.

Luster Dawn: Another me!? WHOA!

Starlight Glimmer: This is gonna be interesting.

Eli: I sense the Anothers minus Golden Guard and Luster Dawn are 8 people.

Me: Wow!

Rafael: (GASP)

Me: What is it Rafael?

Rafael: The Anothers are them?

Me: Whoa. I think I know who is coming.

Nico: THERE THEY ARE!

We saw Another Takomaxor, Grimskull, Phoenix King Ozai, Commander Mozar (2003) and Kang the Conqueror.

Me: WHOA!

Another Takomaxor: (In a girls voice) This will be awesome.

They merged and split into 8 people and reverted back and they were the gene-slammers of the Guardian Monsters of Rafael!

Nico: (GASP) The Guardia Sisters!

Sierra Ceal: That's right. Sierra Ceal.

Kelly Kay'Est: Kelly Kay'Est.

Gianna Grarl: Gianna Grarl.

Ellie Elma: Ellie Elma.

Tiana Tryce: Tiana Tryce.

Bianca Baou: Bianca Baou.

Eleanor Eatos: Eleanor Eatos.

Diana Dreadscythe: And Diana Dreadscythe!

Me: Whoa! The Gene-slammers of Rafael's Guardian monsters!

Lola: That is so cool!

Guardian Elma: I am truly honored to meet my gene-slammer.

Guardian Eatos: Same here. It's an honor for me.

Ellie Elma: I am honored too Elma.

Eleanor Eatos: Me too.

Me: This is awesome meeting you girls. Rafael's Guardian Monsters are really amazing.

Kelly Kay'Est: They sure are.

Me: By the way are the Another Luster Dawn and Golden Guard friendly or hostile?

Gianna Grarl: Friendly and they are awesome.

Bianca Baou: Another Luster Dawn is as golden as the sun.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) SPIDER CLOUD FORCE!

She summoned Gargantula (Skylanders), Cloudian - Altus, Cloudian - Eye of the Typhoon, Cloudian - Ghost Fog, Cloudian - Acid Cloud and Cloudian - Turbulance.

Me: YEAH!

Gargantula: WHOA! What a battle! What happened here?

Me: Long story

Nico: Now we wait.

Qin: Yep.

Nico: Wonder what Another Luster Dawn is like.

Me: Hmm. Good question.

Eye of the Typhoon: Yeah. Oh J.D. love the new cloak.

Me: Thanks. Made it from Pain's cloak during the battle.

Nico: That is cool and awesome.

Qin: Yep.

Horsea: It's true.

Me: Yep.

Eye of the Typhoon: It's nice and awesome.

Me: Yeah.

I saw something.

Me: There!

We saw Another Golden Guard and Another Luster Dawn!

Me: There they are!

Nico: Yep.

Another Golden Guard: (In a girls voice) This is gonna be awesome.

She reverted back and was the gene-slammer of Doom Virus Dragon!

Nico: (GASP) Sheila Viram!

Me: The Doom Virus Dragon gene-slammer! That is cool!

Sheila Viram: It sure is. I have been known for having a rather unique and unpleasant attack.

Laney: Which is?

She showed her fangs.

Sheila Viram: I bite my enemies and then they convulse and then 20 seconds later their heads explode.

WE GASPED!

Me: Your bite literally makes heads explode!?

Sheila Viram: Yep.

Me: I got to see this to believe it. Be right back.

I teleported back home and brought a convicted rapist over.

Nico: Who's that guy?

Me: Oh just a random convicted rapist I hate.

Nico: Oh.

Sheila went over and bit him.

CHOMP!

Man: What the...

But then he started screaming and violently convulsing and I stood back and then 20 seconds later...

KRABOOMSPLAT!

HIS HEAD EXPLODED! BLOOD AND BRAIN MATTER AND GUTS SPLATTERED EVERYWHERE!

EEEEEEEEEEEEWWWWWWW!

Me: OH SICK!

Nico: GOOD GOD!

Xenia: That is brutal!

Golden Guard: WOW! What a terrifying form of death!

Me: I got to admit though, that is cool.

Sheila Viram: Thanks. Like a rattlesnake I poison my victims with my virus and they explode.

Me: Brutal.

Sheila Viram: I also have a powerful sense of law and order too.

Nico: Coo!

Sheila: Just like me too.

Sheila Viram: Yep.

Nico: And your friend?

Another Luster Dawn: Someone Luster knows.

She reverted back and it was a younger version of Luster!

Luster Dawn: (GASP) Gold Eclipse!?

Golden Eclipse: Hey sis.

Luster Dawn and Golden hugged.

Nico: You know her?

Luster Dawn: She's my little sister and she is also half of Smolderdash's kind.

Smolderdash: Oh wow! I remember her. I gave her some of my power of the sun as she was dying. She was dying of a blood disease and I used my power to heal it.

Camie: WHOA!

Me: What kind of blood disease did she have? Was it the same one that Michael Morbius had?

Smolderdash: That's right!

Nico: OH MAN! That's horrible!

Golden Eclipse: Yeah. But as a result I got an unexpected Side Effect. I got all of Smolderdash's powers and these amazing sun fire wings too.

Lola: Wow!

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead

They got weapons from Operation Overdrive and Mystic Force.

Sheila Viram: No he didn't because I bit him and we ran as his head exploded.

Me: WHOA! Too bad that didn't kill him for good. He most likely must've regenerated.

Sakura Knudson: That is possible. But that explains why I saw his head explode that day.

Qin: Yuck!

Sougo (gets out Operation Overdrive Ridewatch): Luster Dawn didn't get friendship at first.

Geiz (gets out Mystic Force Ridewatch): But now she does.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Luster Dawn: It's true. And I understand it perfectly now. I have so many friends now and I love them.

Golden Eclipse: That is awesome sis.

Luster Dawn: It sure is.

Lincoln: Lets separate you both first.

We did so.

Camie: Yeah!

Me: Lets get it on!

Nico: (gets out Golden Guard's Ridewatch) Gold is good to go!

May: (Gets out Grimskull's ridewatch) I will smash your skull!

Maria: (Gets out Commander Mozar's ridewatch) Feel the wrath of the Triceratons!

Sienna Sigmar Heldenhammer: (Gets out Takomaxor's ridewatch) I will smash you.

They used the powers of Golden Guard, Takomaxor, Grimskull, Phoenix King Ozai, Commander Mozar (2003) and Kang the Conqueror and blasted the anothers all over.

Then Burn Rooster, Smile Pinkie Pie, Keldra, Ikargen from Kyuranger, Whiplash (He-Man) and Captain Ahab (Dexter's Lab) came!

Nico: WHOA! Nice team Burn Rooster!

Burn Rooster: Thanks Nico!

Twilight and friends gasped as they saw Smile Pinkie Pie!

Mane 8: SHE'S REAL!? (SCREAMS IN FRIGHT!)

Smile Pinkie Pie: HI!

But then...

BRUTAL FIGHTING AND SMASHING AND PULVERIZING!

Mane 8: THIS ABOMINATION MUST DIE!

Poromon: HOLY CRAP! They sure learn fast from us.

Poliwag: They sure do!

Me: Okay you guys that's enough!

I used my stop magic and held them in place!

Me: Vypra wouldn't like it if you beat up her newest recruit.

?: That's right!

Then Eaglemon and Aquilamon came!

Nico: COOL! Eaglemon and Aquilamon!

Aquilamon: (In a girls voice) (Greek Accent) It will be fun though.

Nico: Jiadda Santorini! Wow!

She reverted back and was a girl with magenta hair and purple eyes, Greek Clothes, magenta wings and had a new crest in the middle of her forehead and had Aquilamon on her shirt and skirt and had Greece's Coat of Arms on her arm and had a red digivice and an eagle sword in her hand.

Jiadda Santorini: Good to see you again Nico. We got this! (ECHOING) BLAST RINGS!

Eaglemon: (ECHOING) PHOENIX CLAW!

They fired blasts of energy and fire and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Twilight Sparkle: Uh J.D. can you let us go now?

Me: Huh? Oh. Sorry.

I let them down.

Horsea: Geez!

Qin: I know.

Me: (To Jiadda) You're one of Greece's Digidestined. I can tell because of the Coat of Arms for Greece on your arm.

Jiadda Santorini: That's right.

Me: That is interesting.

Nico: It sure is.

Lana: Do you have a favorite memory of Nico?

Jiadda Santorini: I sure do. When me and Nico met. We battled a bunch of Goblimon running around in Athens and we sent them back home.

Me: So not even the Ancient Cities of Greece were safe from the International Digimon Skirmish.

Jiadda Santorini: Nope. But I gave Nico an awesome Greek feast too.

Nico: We had gyros and patsas.

Rarity: What's that?

Me: Tripe stew. It's a traditional dish they have to welcome people to Greece.

Some of us turned green around the gills knowing what it is.

Nico: Yeah but it's part of their custom.

Me: Yep.

Nico and Jiadda hugged.

Nico: I've missed you.

Jiadda Santorini: Same here.

We later went back home. We had 5 out of 7 Black Star Dragonballs.

Lincoln: Ah, we're here in Tattooine, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to take on The Fromm Gang, destroy their superweapon, Trigon One, and send the gang off to prison.

Me: This is going to be one dangerous fight.

Nico: But, we can't let them use that superweapon on any planet ever, we're destroying it and sending those bastards to prison.

Lincoln: Right, I'm going to destroy it and absorb the parts of the machine into me, I'll need some extra weapons for when we finally go after not only Gerald Vexos, but also, Orochi, Da Ji, Kyūbi, and Hundun.

Sienna Sigmar Heldenhammer: Ooh, now that's perfect, Lincoln.

Suddenly, we saw a massive beautiful phoenix flying in the skies as it left an awesome trail of fire as it crackled in the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair with yellow streaks, red eyes, fire angel wings, white short-sleeved blouse with a phoenix on it, red sleeveless crop top, red skirt, yellow hairband, red knee-high high heeled boots with butterfly buckles, a phoenix on her forehead, long white sleeveless trenchcoat with stars, fire, flames, phoenixes, and angels on the coattails, and on the back is the phoenix, she has a fire greatsword, and with her are the four girls.

Lincoln: (GASPS) Enya Phoenix, Avatar of The Phoenix.

Enya Phoenix: That's right, and I got the girls away from The Fromm Gang.

Caleb Maxwell: Yep. But, I don't see Sebastian anywhere, he better not be planning to hurt us or I swear I'll make him know what real pain is!

Qin: (GASPS)

Caleb Maxwell: Nico I'm sorry to say it, but your old friend is still as undeniably evil and toxic as the day he betrayed you, Qin, and your harem nine years ago, and he needs to suffer every last bit of pain and retribution for his violence and madness.

Nico: Caleb, I know you're mad at Sebastian, and I don't blame you. What he said to us proved that it wasn't a bad habit, but it was the utter malice he had in him ever since we cut our ties with him nine years ago after the wedding incident. But, we'll be keeping a close eye on him, I may have forgiven him, but I don't trust him in the slightest, he still has that darkness in his dark heart.

Me: We'll worry about him later, right now, we got The Fromm Gang to deal with.

We immediately flew out to confront The Fromm Gang and destroy their superweapon, Trigon One, and send them to prison.

We flew through Tattooine, and we saw our targets: The Fromm Gang, and their superweapon, Trigon One.

Lincoln: There they are, and there's their superweapon.

Me: That's their superweapon?! Yikes!

Nico: Oh man, we got to destroy it and fast!

Suddenly, we saw incoming blasts of darkness heading our way and we dodged them: and we knew who it was that did this act, especially when we heard the sound of deranged malevolent laughter in the air!

Qin: Why, that little...! Caleb, you, Allie, Cage, Travis, James, and Gabriel, you want to clobber and trash Sebastian, go get him.

Gabriel Maxwell: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And that's the signal. Caleb Maxwell: Always.

Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, and Gabriel Maxwell flew after Sebastian who went utterly mad, and they clobbered him and tied him up, then, they joined us as we landed and confronted The Fromm Gang, and they had the starship, Trigon One, their superweapon starship.

Sise Fromm: You're too late, Team Loud Phoenix Storm, with our superweapon, Trigon One, we will conquer the galaxy!

Lincoln sped past The Fromm Gang, and as he touched Trigon One, he began absorbing the ship into his body and he also gained brand-new weapons and an incredibly massive power boost, and that made The Fromm Gang super angry and they charged at Lincoln, but then, he made two silver hand cannons appear in his hands and he fired powerful laser blasts at them, and they got hit hard, and the hand cannons disappeared.

Lincoln: Awesome!

Then, Lincoln fired rainbow, white, and blue energy blasts that transformed into straitjackets and tied up The Fromm Gang, and he had them beamed to a special prison in the galaxy, and it's one where not even Jabba the Hutt will be able to get them out even if he pays for their release. We cheered as we holstered our weapons and powered down.

Lincoln: And that is that for The Fromm Gang and their superweapon. (To Enya Phoenix) And it's so good to see you again, Enya.

Enya Phoenix: You too, Lincoln, it's been seven years since we last met.

Suddenly, Enya Phoenix had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Enya Phoenix was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Enya Phoenix: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Enya Phoenix and hugged her, and Enya Phoenix is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Enya Phoenix: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Enya Phoenix, Avatar of The Phoenix, she's Lincoln's Guardian Angel who's the leader of a group of girls known as The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Enya is a powerful master of the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. She's as old as the beginning of the universe itself and she'd lived ever since the beginning of time back when the universe was in its infancy and for over 13.4 billion years, she's given life to all planets and she loved all life to the fullest. With the very intense flames of life and love, her eternal giving was truly neverending and she gave the power of life to planets filled with joy and love. But, when hate and fear and evil took hold of much of the universe, she'd decided to fight back against that evil. But, there was one light that really strengthened the love and joy she had in her heart, and that light is none other than Lincoln and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire, energy, life, love, The Phoenix, immortality, resurrection, rebirth, renewal, reincarnation, and the powers of the Phoenix. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever.

Nico: We were really stunned when we found out about all of you, and that you're the Avatars of the most powerful mythical beasts and creatures of legend and myth.

Me: Same here.

Lincoln: There's more of them to meet in the days to come, and that alone will drive the jerks mad with fear, and now that you're here, Enya.

Lincoln with his massive muscular arms still wrapped around Enya Phoenix leaned his head down the right side of Enya Phoenix's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Enya Phoenix: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Enya Phoenix with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Enya Phoenix: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Enya Phoenix.

Enya Phoenix had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Myra Satan's waist, and he leaned down to her face and kissed her on the lips, and with Enya Phoenix's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Enya Phoenix had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Enya Phoenix: (In Heaven) My God. Oh, Lincoln, the four girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the four girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. The four girls are Mirai Kurumi from The Story of the Girl Who Couldn't Become a Wizard and Sofia Sylphid, Maria, and Goddess Nolyn from Possibly the Greatest Alchemist of All Time.

Lincoln: Oh whoa, it's Mirai Kurumi from The Story of the Girl Who Couldn't Become a Wizard and Sofia Sylphid, Maria, and Goddess Nolyn from Possibly the Greatest Alchemist of All Time.

Nicole: Travis was right telling everyone to go, and I saw why: these girls are really beautiful and two of them are voluptuous.

Lincoln: And easy targets for perverts, which means if I see any perverts, I'll beat them up. Are you girls okay?

Mirai Kurumi: Yes, we're okay, thanks to you.

Then, when Mirai Kurumi and the other three girls saw who it was that saved them from The Fromm Gang along with a deranged murderous Sebastian who went nuts, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and

Sofia Sylphid: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive

power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maria: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mirai Kurumi, Sofia Sylphid, Maria, and Goddess Nolyn with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, serves The Fromm Gang right, and Caleb, Gabriel, Cage, Travis, and James did great tying up Sebastian. Ugh, that guy really is a wild animal and he's dangerously unpredictable.

Nico: That was due to all of the hatred he still harbored towards me, Qin, my harem, Connor, Mindy, and Alicia from nine years ago was unable to be let out when he joined us last year, and since we got rid of his demons, that unfortunately left all his locked-up hatred towards us that needs to be gotten rid of.

Me: Jeez, and he let his own hatred poison him.

Lincoln saw that Caleb Maxwell boarded Sebastian up in his room after throwing him inside after we came back, and we heard Sebastian roaring like a monster.

Caleb Maxwell: That'll teach him.

Cage Blunt: He almost slashed at me and Travis with his claws until Allie kicked him hard in the groin.

Lincoln: (WINCES) Ooh, that's really bad karma.

Qin: We should've kicked him in the groin like that nine years ago during that fight in school in New Jersey.

Nico: And left him hanging on the flagpole tied up with his own intestines!

Allie Maxwell: Jeez, he really pissed you all off those years ago?! My God!

Me: I know I told Nico to finally forgive Sebastian for the Hell he put him, Qin, his friends, and family through, but considering what Sebastian's done in the past, I should've known never to take any sort of chances with someone as dangerous, vile, depraved, insane, and extremely murderous as him.

Lincoln: Wait, we didn't destroy his file on all of his crimes.

Selene Arcangela got out a pitch black file folder with his name in blood red letters and with the very word ICKY on it!

Selene Arcangela: Nope, we didn't.

When we took a look at his crimes from long ago, not only did they match what Nico, Qin, and their friends had to deal with from nine years ago following his backstabbing betrayal at the wedding, but it also included many of his numerous other crimes against humanity: HE WAS ABSOLUTE DARKNESS INCARNATE AND BEYOND EVIL INCARNATE!

OUR JAWS DROPPED AT THE SHEER MAGNITUDE OF HIS MADNESS FROM LONG AGO!

CLANG!

ELI CLOSED OUR JAWS! AND IF THAT WASN'T ENOUGH, MANY OF US RAN TO THE GARBAGE CANS AND THREW UP!

Me: HOLY ENCHILADAS!

Nico: MY GOD!

Qin: JEEZ! NOW, THAT'S JUST DISGUSTING!

Lincoln: I was absolutely grossed out after looking at his file!

Luna: Had we'd known what kind of person he was, we would've torn him limb from limb!

Nico: And had I known it was him when he introduced himself last year in The Ridonculous Race, I would've blown him to Kingdom Come and sent him straight to Hell forever. But, the most we can do is put him on permanent thin ice like with Sergio.

Sergio: RRAWK! Not cool!

Eli: Nobody asked you, bird!

SMACK!

Eli threw a Chancla that swatted Sergio and sent him into his cage and was tied up in a straitjacket with a muzzle on his big fat beak!

After Lincoln and all of us took down The Fromm Gang and Lincoln absorbed their superweapon, Trigon One, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Enya Phoenix saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Enya Phoenix: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Enya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Enya Phoenix: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew

from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Enya Phoenix: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm went off, and when Lincoln went to check the computer, he saw who it was that triggered it: they were none other than Mrrungo-Mu A.K.A. The Enslaver and his race, The Troxx: they've been brought back from the dead by Morgana Midnight Sparkle and the Midnight Princesses and she sent them after us.

Lincoln: Morgana, this time, you've gone too far!

Lincoln flew outside, and he fired energy blasts at Mrrungo-Mu and his Troxx warriors and knocked them down, but before they could attack, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and one by one, he stabbed them into the chests of Mrrungo-Mu and his race, and he began absorbing them, and he and all of us also assimilated Mrrungo-Mu's Strength Absorption, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when he was done and the stingers changed back, nothing was left of Mrrungo-Mu and his race except for their clothes, and he also drained their souls of energy and strength and banished them to The Black Abyss, and Lincoln flew back inside and continued working out.

Selene Arcangela: That was another set of Morgana's minions sent to The Black Abyss, but she's not even done yet.

Lincoln: No matter what, I'm not letting Morgana get away with her schemes, Selene, I'll just keep on absorbing her minions and sending them to The Black Abyss, and when the time comes, she will die.

Travis Tackett: I can't believe you took down and absorbed Mrrungo-Mu again, Lincoln, and you even absorbed his race again as well.

Lincoln: Yep, two years ago, I absorbed him and assimilated his powers of strength absorption, and when we destroyed his ship and all the ships of his race, we also absorbed all of the strength of their conquered and enslaved victims who tragically died after being drained of their strength, and I also absorbed all their ships' strength-draining equipment into my body.

Luna Anderson: He deserved to be destroyed forever.

Shanan: That's for sure.

Cage Blunt: Hmm. I'm a little worried that if we let Tirek be, he'll continue to cause havoc.

Lincoln: That's not a problem, you saw I used my spell from last year, but this one was made even stronger for him, and I'll kill him in the same way I did last year.

Nico: Bite him on the neck and drain him of blood and his powers which'll cause him to return to his old man state, and I know you'll let out a loud and really terrifying roar when you do so, Lincoln.

Me: Even I almost pissed my pants when you let out that loud roar of yours, Lincoln.

Cage Blunt: Wait, did he really...?!

I played the video of that, and Cage Blunt, Travis Tackett, and James Blunt were stunned.

James Blunt: Wow. Now, I know why you're known as an Alpha, if someone pisses you off, they're on a one-way trip to Hell.

Selene Arcangela: You got that right.

We got a shower, and then, Lincoln, Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru are heading for Seaside Hill.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Pandora Pitstop: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Pandora, and it's perfect for our first date, shall we?

Lincoln, Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Pandora Pitstop: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru and hugged them in their abnormally massive and powerful muscular arms, and Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru are in your harem, Linky.

Pandora Pitstop, Papple, Tenjo, Shindoine, and Secretoru showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Tenjo: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the first mission of Ocellus, Ink Rose and Lola Ferrington.

Carol: You guys are gonna love meeting the Kaijudo team. They are good friends of me and Maria and they taught us everything we know.

Me: Cool!

Nico: Anyone else want to go with Ocellus, Ink Rose, and Lola? Besides 2 Rabbids?

Girl Jordan: I'll go.

Rojo: So will I

Lincoln: And me too.

Me: Okay.

Carol: We know where they live too.

Nico: Okay.

We were off.

We arrived and there we saw a kid named Ray being picked on by a big jerk with blond hair!

Eli: (GASP) (GROWLS) I hate people like him.

Eli went over to him.

Eli: HEY! Let him go right now you big jerk!

Carny: Oh yeah? Who is gonna make me?

Eli: ME!

Eli then flared up powerful pitch black fire and then his fists turned into fire!

Eli: FIST OF THE MORTAL FLAME! 邪じゃ王おう炎えん殺さつ煉れん獄ごく焦しょう

Eli ran and mercilessly punched and smashed Carny all over the place with incredible force and fury and bashed him brutally! The power of his punches were smashing all of his bones into dust and burning him all over the place! When he was done, Eli kicked him in the face and knocked out all of his teeth and kicked him down.

Carny then belched up a HUGE AMOUNT OF BLOOD! Then Eli grabbed him.

Eli: This will serve as a threatening message to Choten. We're coming for him.

Me: You tell him bro!

Ray saw us and Carol and Maria.

Ray: Carol? Maria? Is that you two?

Carol: Hey Ray! Long time no see!

Maria: How have you been?

Ray: Awesome! And wow! Team Loud Phoenix Storm it's truly an honor.

Me: Same here.

Ocellus: Awesome to meet you Ray. I'm Ocellus of the Changelings.

Ink Rose: I'm Ink Rose of the Goths of Darkness. I'm a fashion designer.

Lola Ferrington: And my name is Lola Ferrington. Awesome to meet you.

Ray: Same here.

Ocellus: We're your ambassadors.

Me: It's part of a special diplomatic mission program we made.

Ray: Oh wow!

Girl Jordan: Yep. I'm Jordan Rosato, but everyone calls me Girl Jordan.

Ray: Whoa! The Infamous Vendetta of Carnage.

Girl Jordan: Yep that's my moniker.

Me: Wow! You made quite a name for yourself G.J. I didn't know you had a moniker like that.

Girl Jordan: You never asked about it.

Rojo: That is cool though. I'm Rojo, one of the many enemies of Ben Tennyson. I'm a street thug biker girl.

Ray: Whoa!

Lincoln: And awesome to meet you. I'm Lincoln Loud.

Ray: Oh wow! I've heard so much about you Lincoln. Awesome to meet you.

Lincoln: Same here.

Carny (weakly): You just got lucky that time!

Ray: You were the one who tried to give me a Texas Wedgie!

Me: Who is that jerk?

Ray: Oh that's Carny. He's a bully and he hates my guts.

Nico: GEEZ! What a jerk. He had it coming though.

The kids cheered knowing that Carny was gone for good.

He was loaded into an ambulance.

Allie Underhill: Someone needed to teach that racist jerk a lesson.

Carol: You said it Allie. Awesome to see you again. And you too Gabe.

Allie Underhill: Same here Carol.

Gabe: You guys are looking great.

Carol: Thanks.

Me: But it's awesome to meet you all. Nico's friends Pyra Houou and her friends have been teaching us all about Kaijudo and what it's all about to help us train for when we meet you.

Ray: That is awesome! I'm honored that you want to help us.

Me: Yeah.

Girl Jordan: What's a Texas Wedgie?

Me: It's like this.

I Gave Nico a frontal atomic wedgie!

Nico: HEY!

Girl Jordan: OH THAT! Ouch.

Me: Sorry Nico.

Nico: It's fine.

Smoke was coming out of Nico's pants.

Maria cooled him off and healed him.

Rabbid's gibbering.

Maria: (sighs) And these are Rabbids.

Allie Underhill: Oh they are cute.

Me: They sure are.

Eli: Yeah but they are not the brightest lightbulbs in the closet if you know what I mean.

Gabe: Oh you mean they are idiots?

Me: Yep.

Ray: Wow! We got a lot to show you. We'll show you the place we learned our moves from.

Me: Sure.

Nico: How about we see your base?

Me: That's where they are taking us.

Nico: Oh.

Ray: Follow us.

We went to a martial arts school and Ray went to a mirror and opened it and it revealed the entrance to a hidden underground Dojo!

Ray: Welcome to the Kaijudo Dojo.

Me: WHOA!

Eli: This is incredible!

Lola Ferrington: Wow! It's a hidden underground dojo!

Allie Underhill: This is where we learned all about our skills in Kaijudo.

Me: This is amazing.

We then stood before the Kaijudo masters.

Ray: Allow me to present the Kaijudo Masters.

Master Isao Okamoto: (Japanese Accent) Welcome Team Loud Phoenix Storm. I am Master Isao Okamoto of the Light Civilization.

Master Nadia Lobachevsky: (Russian Accent) I am Master Nadia Lobachevsky of the Water Civilization.

Master Jaha: I am Master Jaha of the Shadow Civilization.

Master Hector Chavez: (Spanish Accent) I am Master Hector Chavez of the Fire Civilization.

Master Benjirou Kimora: And I am Master Benjirou Kimora of the Nature Civilization.

Me: (Bows) It's truly an honor.

Nico: (Bows) Same here.

One Rabbid hugged Isao's leg.

Isao Okamoto: Oh who is this little one?

Me: Oh apologies master Isao. He's a Rabbid.

I grabbed him.

Me: Are you all familiar with a Kaijudo duelist named Shobu Kirifuda?

Master Jaha: Ah the great Shobu.

Ray: Why do you ask?

Me: Well he is the one that introduced us to the world of Kaijudo via a card game based on it.

Girl Jordan: It's true.

She showed her Light and Water Civilization cards for them.

Me: We even helped Shobu and his friends kill many of their enemies in the past.

Nico: Like P.L.O.O.P.

Allie Underhill: P.L.O.O.P.?

Me: It stands for the Powerful Loyal Order of Princes. They were a terrorist organization that wanted to gather many powerful creatures from the civilizations to take over the world.

Ray: Whoa!

Me: I know. But they had it coming. But Shobu and his friends are all part of the team and have been an amazing help to us.

Eli: It's true.

Master Nadia Lobachevsky: That is good that you all know Shobu and his friends.

Me: It sure is.

Master Nadia Lobachevsky: We could use your help to take out our greatest enemy.

Me: The Choten.

Master Jaha: That's right!

Master Isao Okamoto: How did you know?

Me: Nico's friends Pyra Houou and her friends told us all about who he is and what he is like.

Nico: He is a rogue Kaijudo duelist that wants to destroy the world.

Ray: And he's not a pushover.

Me: That's what I heard.

Carol: Yeah he is no joke.

Me: Also we do have one of the weapons he was after in one of the previous ambassador missions.

I unsealed the Sword of Fiery Cataclysm!

Allie Underhill: (GASP) The Sword of Fiery Cataclysm! How did you get that?

Me: You wouldn't believe us if we told you.

Eli: Yeah.

Nico: But right now, we can help take down one of your enemies.

Master Isao Okamoto: That's right. Nigel Brightmore, my predecessor is back.

WE GASPED!

Me: Lyra Hikari told us all about him and how he betrayed you all.

Ray: Yeah he was actually upset because we were ruining the ways of the Kaijudo traditions.

Nico: Bullshit!

Me: YEAH! There has to be a more logical reason why. But let me see here.

I pulled up his history.

As the leader of the council of masters, Nigel guides the Order of the Kaijudo Duel Masters in their efforts to maintain the Veil to protect Earth from the creature world and from The Choten.

The council leader isn't afraid to lead missions in person, His knack for employing different strategies is why he chooses to summon Ra-Vu, Seeker of Lightning for duels, the wide variety of Ra-vu's attacks works well with Nigel's dueling style. When dueling against Nigel and Ra-vu, you can never be sure what you'll face next only that it will be a perfect counterattack to your assault.

Nigel Brightmore is one of the oldest of the Duel Masters tand an expert in the Light Civilization. He maintains order in the Temple and oversees the War Room, where they track The Veil's condition. As an enemy of disorder, Nigel isn't too psyched about Ray's new creature-befriending ways - and he's not shy about saying so, either.

Plot

He is first seen in The Natural: Part 2 where he duels Ray and wins. After seeing Ray, Gabe and Allie befriend Sasha, Nigel becomes upset with them and had a suspicious phone call with an unknown source.

Unfortunately, he joined forces with the Choten by the time Alakshmi Verma, Fingers, and Heller return from the Light Civilization.

In The Rising, Part 1, Master Nigel's true intentions are revealed stating that he doesn't want the creatures to appear on Earth and wants to adhere to his code of conduct, even if it mean siding with The Choten. Master Jaha agrees with Master Nigel on this and joins the Choten's side.

Later in the next episode, he is betrayed by Master Jaha and sent to the Creature World along with The Choten.

In the episode Caught In The Spotlight, Master Brightmore begins to secretly regret siding with the Choten when his evolutionary serum causes Ra-Vu to communicate his displeasure with the former Duel Master.

In the episode Unmasked, it is revealed that the reason for Brightmore's attitude toward creatures was caused by Master Tiera's apparent death. When Tiera asked Nigel to evolve her creature with the Spell of Temporary Evolution, it became too powerful for her to control and attacked her. Believing her to be dead, Nigel forever blamed himself for the event.

When I was done, we were shocked!

Me: WHOA! At least he regrets siding with the Choten. But he still has to answer for his crimes.

Nico: And I know just the highest level of authority to bring him down.

Me: The Ninja Tribunal.

Eli: Awesome!

Nico: Ruining traditions my ass! You guys are making them better!

Ray: That's what we were trying to tell him but he wouldn't listen!

Master Nadia Lobachevsky: That's right. He was so adament about enforcing the rules and our code that he was willing to go to great lengths to make sure it remains the same. Even with siding with the Choten.

Me: I can understand that traditions are always important. But it's still no excuse for all the atrocities he committed.

Nico: Where is he?

Master Nadia Lobachevsky: He was last seen in the Light Civilization.

Me: Then we'll head there. Oh you guys need to be careful. We have a new enemy.

Allie Underhill: It's not Dark Eddy is it?

Me: No he's gone for good. We now are facing the Blackwing Eatos 12 Carriers. They are the Embodiments of the aliens that Ben Tennyson has and they are infected with a virus we call Blackwing Eatos 12. It's named after Guardian Eatos corrupted by the Orichalcos. They are recognizable because they have piercing red eyes, black clothes and pitch black angel wings.

Master Nadia Lobachevsky: I remember seeing one. It was spewing nasty slime all over the Nature Civilization.

Nico: YUCK!

Me: That one must be Goop's embodiment and I have a good idea who it is too.

Nico: We should be off.

Me: Right. Allow me.

I formed a portal and it lead to the Light Civilization.

Me: Whoa!

Ray: Cool huh. Lets go!

We were off.

We arrived in the Light Civilization.

Me: Wow! This version of the Light Civilization is completely different than the one we saw.

Nico: Yeah!

Eli: The structures are more crystaline and not science-fiction.

Nico: They sure are

Master Isao Okamoto: It sure is magnificent isn't it.

Me: It sure is.

Eli: He's on that main building ahead.

He pointed to a huge floating crystal palace.

Me: Wow.

Nico: Lets go.

We were off.

We later landed and I saw blue slime.

Me: Blue slime?

I touched it and it was gross.

Me: EW! Yuck! From our embodiment no doubt.

Eli: Yep.

We went in and in the main floor we saw NIGEL BRIGHTMORE!

Me: Nigel Brightmore, I presume?

Nigel saw us.

Carol: Been a long time Nigel.

Maria: I see things have been rough for you ever since the defeat of the Choten.

Nigel Brightmore: The famous Team Loud Phoenix Storm. How truly an honor. Carol and Maria you have become amazing young ladies.

Carol: So we have heard.

Maria: That is true.

Nigel Brightmore: And because you fools ruined our traditions!

Me: Sometimes traditions are made to be changed. Its been that way for centuries.

Master Isao Okamoto: That's right Nigel. What happened to you? You were once a good man and was willing to protect us all. But then you wanted to destroy us!

Nigel Brightmore: Because befriending the creatures is wrong!

Me: That's bullshit! Look at me and my friends. We befriended Duel Monsters and they are great friends and allies and some of them are lovers to the team members. Like Syrus and Dark Magician Girl. Also Shobu and his friends view all the monsters of this world as friends too!

Ink Rose: Looks like we're doing this the hard way

Me: And it's going to hurt!

I did flips and fire blasted out and blasted Nigel all over!

Nigel Brightmore: You know Kaijudo moves!? How!

Nico: You have my friends Pyra Houou and her friends to thank for that.

Me: They helped us prepare for the days where we face you and kill the Choten once and for all.

I got out my Kuuga Weapon!

Me: LORD DRAKKON EMERALD SWORD!

I fired blades of emerald energy and blasted him all over the place.

Me: YEAH! Now watch this one.

I did some flips and spins of fire.

Me: MAGMA DRAGON MELGARS!

I summoned the scary Volcanic Dragon, MAGMA DRAGON MELGARS!

Nico: WHOA! That is awesome!

Me: VOLCANIC PYRO BLITZ!

I spun and fired numerous fireballs and blasted Nigel all over! Melgars fired massive blasts of lava and it hit him too.

Ray: WOW! That was awesome!

Allie Underhill: Wow! You guys are fast learners.

Me: Yep.

Ink Rose got out her Kuuga weapon.

Ink Rose: GENERAL SCHWARZ RAIL BAZOOKA!

She had a black bazooka on her shoulders and fired darkness blasts and blasted him all over.

Ocellus got out her Kuuga weapon

Ocellus: CHICANERY STAFF OF THE FLIM FLAM BROTHERS!

Nico: (LAUGHS) Eddy will like that one.

Lincoln: YEAH!

Ocellus fired waves of apple bombs and they hit Nigel and blasted him all over.

Lincoln: Watch this one.

He got out his Kuuga Weapon!

Lincoln: THUNDER SPEAR OF ELECTRO!

He fired blast of lightning and electrocuted Nigel all over.

Ray did flips and moves and fire came out.

Ray: KENINA THE IGNITER!

Out came the phoenix Kenina the Igniter!

He and Kenina fired blasts of fire and blasted Nigel all over.

Lola got out her Kuuga weapon

Lola Ferrington: DARK ZENKAI LEGACY SWORD!

It was a sword that had the powers of all the Power Rangers from over the course of 48+ Years!

Me: Lets see what this does now.

I pulled out the Boonboomgers Gear and put it on my sword and it formed into an INFERNO EXPLOSION SWORD!

Me: COOL!

Nico: This is gonna be powerful!

Me: Yep. EXPLOSION STORM BLADEDANCE!

I swung the sword and fired waves of fire and then it hit Nigel and then...

KRABBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMM!

Massive fiery explosions blasted out all around him.

Me: YEAH!

Eli: WOW!

Lola Ferrington: COOL! Lets see what this does. JETMAN!

She summoned dark clones of the Jetman!

Lola Ferrington: JETMAN BIRD FORCE BLAST!

They fired waves of rainbow energy and hey formed into the birds of the Jetman and blasted him all over the place.

Me: Awesome!

I was standing.

Nico: Why are you waiting?

Me: I got to at least give him SOME form of fighting chance.

Nico: Oh. Very sporting.

Nigel Brightmore: Indeed.

He did flips and moves and light shined.

Nigel Brightmore: RA-VU, SEEKER OF LIGHTNING!

He summoned his monster Ra-Vu, Seeker of Lightning!

Nico: COOL!

Nigel Brightmore: PRISM LIGHTNING BLAST!

He fired waves of rainbow lightning.

Me: VOLCANIC HURRICANE INFERNO!

I spun around fast and unleashed a massive hurricane of fire and blasted him down and blasted Ra-Vu down.

Me: YEAH!

Eli: WOW!

Maria got out her Kuuga Weapon.

Maria: TSUNAMI SWORD OF NEW WAVE!

She fired massive blasts of water and drenched him.

Carol got out her Kuuga Weapon.

Carol: MOON CLAYMORE OF SAIX!

She fired moon blasts and blasted Nigel all over.

Me: YEAH!

Nigel Brightmore: You are very strong.

Me: So we know.

Then a powerful blast of light hit Nigel and knocked him down.

Me: What the?

We then saw a Regifae!

Me: WHOA! Regifae!

Nico: What's that doing here?

Me: I think it's one of the Dark Gale gene-slammers!

I used my telepathy and gasped!

Me: (GASP) Jade Mage Meadowbrook!

Maria: Mage Meadowbrook's descendant! Oh man!

Me: I got this! You guys hold him off. Maria, I'll call you in case she needs clothes.

Maria: Right!

I went over!

Me: Jade calm down and lets talk!

She tried blinding me.

But dodged the light blast and kicked her down.

Me: Whoa that was bright!

I snapped my fingers and she reverted back. She was a girl with blue green hair, blue eyes and had Regifae in the middle of her forehead and had a purple version of Mage Meadowbrook's cutie mark on her arm and had green angel wings.

I wrapped her in a blanket.

Jade Mage Meadowbrook: (Groans) (Valley girl accent) Why what happened to me? I feel like I was hit by a swarm of locusts.

Me: Ugly story. Maria!

She ran and gave her awesome new clothes. She had a aqua blue shirt and green vest and yellow skirt with Regifae on the skirt and shirt and had a swamp sword.

Jade Mage Meadowbrook: Why I look great.

Me: Yep.

Nico: You got a valley girl accent?

Jade Mage Meadowbrook: I sure do y'all.

Me: Mage Meadowbrook has a Valley Girl accent. Also Jade you were turned into a Regifae by Dark Gale.

Jade Mage Meadowbrook: (GASP) Why I remember that!

She was in an aqua green suit and injected and then in a massive flash of light she busted out of the table and turned into Regifae and flew out of there.

FLASHBACK ENDS

Jade Mage Meadowbrook: That was awful y'all.

Me: We'll kill Dark Gale later. Lets talk more later after we finish this.

We fired light blasts at Nigel and blasted him. But then a wave of slime hit Nigel and stuck him to the floor like glue! YUCK!

Nico: I know where that's from.

Then out came a girl with green hair and she had red eyes and black clothes and black angel wings and a tiara with Goop on it.

Me: (GASP) Gabby Goop!

Gabby Goop: (Grunts) Been a while J.D. I got this!

She fired waves of slime and drenched Nigel all over.

Me: YEAH!

But then Gabby lost control and fired slime at me and it went into my mouth!

Me: (SPITS) OH YUCK! THAT TASTES LIKE! (VOMITS ALL OVER NICO)

I vomited all over him and drenched him! I vomited for 1 minute and 21 seconds.

Me: (SPITS) OH YUCK! THAT TASTED LIKE CHUM!

Nico: J.D. remind me to kill you!

Me: I'll make a note of it.

Gabby then fired Slime at Rojo.

Rojo: Like old times!

She dodged it and fired laser blasts and blasted her.

I fired the Antidote ray and injected her with the antidote.

Girl Jordan charged at her and kicked her in her face!

Girl Jordan: Chew on this!

She got out her Kuuga Weapon!

Girl Jordan: SHOTGUN OF ANTI-CARNAGE!

BANG! BANG BANG BANG BANG BANG!

She blasted her all over and we saw that Gabby was like a T-1000!

Me: It's like she is a T-1000!

Allie Underhill: Geez!

Bullets weren't affecting Gabby.

Maria fired waves of water and drenched her.

Girl Jordan had her shotgun turned into a grenade launcher.

BANG!

She fired and then...

KRABOOOOOOOOOOOOOOOOOOOOMMMMM!

She was blasted and had a huge hole in her.

Gabe: Just like in Terminator! Wow!

Me: Yeah!

She reformed.

Jade Mage Meadowbrook: Time for this light to shine.

She fired waves of energy and blasted her and the antidote took effect.

She was cured.

Gabby Goop: Oh man I feel like I got hit in a war.

Nico: Long story.

Maria: Now, where were we?

Me: Kicking Nigel Brightmore's butt.

The blasted him all over.

Then out of a swirl of light came the NINJA TRIBUNAL!

Me: Honorable Ninja Tribunal glad you all came.

Nigel Brightmore: Oh no! Not them!

Joi Reynard: We're glad to come and Ray, Allie and Gabe and Isao it's a pleasure to meet you.

Ray: It's an honor. (Bows)

Master Isao Okamoto: (Bows) We're honored.

Allie Underhill: (Bows)

Chikara: It's a pleasure to meet you all. You all did good. But we will take it from here.

Me: Certainly.

Joi Reynard: Nigel Brightmore we got word from Nico about the crimes you did with the Choten and you gave us no choice.

Chikara: For the crimes of high treason and abuse of power you are hereby stripped of your position and your power and your skills and condemned to spend eternity in the M.O.E. Prison.

Joi Reynard:…huh. For a minute, I thought something else was gonna happen

Chikara: Here it comes.

A ball of light came out of Nigel Brightmore!

Nigel Brightmore: NO!

Joi gave his powers and skills to Nico.

Nico: WHOA! Thanks Joi.

Joi Reynard: Anytime Nico.

Nico: Take him away.

He was sent to the M.O.E. Prison.

Me: Wow! That was awesome.

Chikara: Indeed.

Maria: Let me wash you off Nico.

Nico: Thanks Maria.

She washed him off.

Maria: There.

Nico: Ahh.

Jade Mage Meadowbrook: Wow what an amazing battle y'all.

Nico: What's your role in Sonya's team?

Jade Mage Meadowbrook: I'm a healer and provide medical aid to it.

Me: Wow! Just like your ancestor. She is an amazing healer too and is very gifted in healing.

Jade Mage Meadowbrook: That's right. Outside the team I work at the hospital and help the doctors there. Also I was born with an amazing gift. I have a powerful immunity to all disease including to the diseases from the Netherworld. I am also immortal and invincible because of it.

We were amazed.

Me: Wow! That is amazing.

Lincoln: It sure is.

Nico: Yep.

Me: Just like me. I am immune to all disease too.

Eli: Yeah.

Ray: That is cool! That's one of our enemies down.

Me: Yep.

* * *

We later went back home.

May: Hey guys! How did it go?

Me: Really awesome!

We told everyone everything about what happene and more and it was awesome.

May: WHOA! So the Ninja Tribunal sent Nigel to the M.O.E. Prison.

Lola: Good riddance!

Eddy: Yeah!

Mage Meadowbrook: And that is amazing that y'all met Jade.

Me: It sure is Mage Meadowbrook.

Nico: Next time, Jason Jenkins, Kong, Horsea, Cheese, Connor, and Sydney should come

Vince: I'll go with Carol too.

Me: Cool!

Qin: Yeah! Awesome ideas.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Tirek starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Galaxia came in.

Galaxia Starscout: I have something for you all to see.

She handed me a journal and it was a book with the symbol of the Elements of Harmony on it and it had the Cutie Marks of Twilight Sparkle and friends around it.

Lana Goodall: What are we discussing again?

Me: The locations of Twilight Sparkle and the rest of her friends.

Nico: Okay.

Lana Goodall: Lets see then.

I opened the journal and got to an entry.

Me: (Reading) "January 14th, 1023 A.T.S." A.T.S.?

Galaxia Starscout: After Twilight Sparkle.

Me: Oh. (Continues reading) "My adventures lead me to the Equestria Badlands and in a cave under Generosity Rock, I found the resting place of the Element of Generosity, Rarity. She is in a crystal cave in a crystal coffin." Whoa! Just like I predicted for Rarity.

Rarity: Oh my! This is gonna be interesting darlings.

Cress: Might as well read Fluttershy's next since we already found her

Me: Good idea. (Reads) January 17th, 1023 A.T.S. I found Fluttershy hidden in a forest oasis in the Everfree Forest outside of Ponyville." We already knew about that.

Fluttershy G5: That is true.

Qin: Yeah.

We read on and found out that Applejack is in a rock grove somewhere outside Appleoosa, Pinkie Pie is in her family's rock farm, Rainbow Dash is underneath Queen Haven's Throne in Zephyr Heights, Sunset Shimmer is under Canterlot High School and Starlight Glimmer is in Starlight Ridge and Twilight Sparkle is in the ruins of Canterlot.

Zipp Storm: WHOA! So Rainbow Dash is under moms throne!? That is amazing.

Me: Wow!

Twilight Sparkle: This will be amazing to see.

Me: At least it narrows it down to where Applejack is.

Blast Off: What about Luna and Celestia?

Galaxia Starscout: I'm still looking into those.

Me: Maybe they will come to me in a dream.

Lola: Yeah.

Galaxia Starscout: I heard about J.D.'s dreams finding many people of Equestria. That is really cool.

Me: It sure is.

Qin: Yeah.

Me: But at least this confirms about everything I predicted about where they are.

Nico: Yeah.

Pinkie Pie: This is gonna be amazing!

Fireflight: Least we got a head start.

Me: Yep. Now we got to find the rest. It's gonna take a while but we can do it.

Camie: Yeah.

Leanbow: At least we know where the others are

Me: Yep.

Qin: Now we just have to find them.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Tirek, he's on the rampage and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Tirek.

Eli: It's time.

Lincoln: That's right, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is exactly what we just saw during the fight against Pain of The Akatsuki on Cholganna this morning: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, Tirek, he's on the rampage and he wants revenge on us.

Qin: Just like what we saw this morning.

May: And he's also still pissed off now that he's been muzzled thanks to your spell again, Lincoln, but he's now permanently in that final form of his, but not for much longer.

Lincoln: Yep, just like what we did in the fight against him two years ago, I'm gonna drain him dry of blood and suck out his powers and abilities and turn him back into an old man?

Nico: Uh oh, looks like Tirek is about to be turned into nothing but food for you just like two years ago. Where's he at, Lincoln?

Lincoln: He's in The Outlands of Equestria, that's where he was resurrected by Anti-Monitor.

Me: And that's where he will take his final breath. His dark side anyway. Remember what I said guys.

Nico: You said it, J.D. Lets let J.D. talk to him first and then go from there. Alright, team, let's go, this is the final time we ever have to deal with Tirek.

Lincoln: This is where his schemes to conquer Equestria end here together with his life.

Me: YEAH!

The previous group came.

Scorcher: Can me, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys?

Nico: Yes you all can come with.

Scorcher: Correct me if I'm wrong but are you going to redeem Tirek?

Me: I'm gonna try. The Spirit of Harmony knows there is good in him and I sense it too.

Camie: We got to have faith in J.D.

Scowl: Boss, which Gene Slammer do you think you'll meet next?

Nico: Ankylomon next.

Qin: Cool!

Cody: That one will be good.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed dark energy signals with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, Diodora Astaroth, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figure we saw was none other than our old enemy, Diodora Astaroth, he's returned from the dead thanks to the madness of Morgana Midnight Sparkle, and he wants revenge.

Melanie Ying Xiao: Are you kidding me?! Morgana, you've got some nerve resurrecting that sadistic deluded perverted demon!

Nico: Uh oh, The Ambassador of Ambassador of Po Kong, The Demon Sorcerer of The Mountain is about to unleash the fury of The Earth of The Golem on that monster, this should be good. Alright, team, let's head on out, we're off to Equestria to deal with Tirek once and for all.

Lincoln: And this time, he will never ever come back, and once we get done with him, you're next, Diodora Astaroth.

Melanie Ying Xiao: You will never ever be forgiven for your crimes, you miserable bastard, this time, we'll make sure you stay gone forever.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Equestria to finally end Tirek once and for all, and once we get done with him, Melanie Ying Xiao and Lincoln are going to destroy Diodora Astaroth who's come back for revenge on us.

We were off.

We arrrived in the Equestria Outlands.

Me: We're here.

Nico: Whoa!

Cozy Glow:This is where we fought Kronos before.

Moonlight Glimmer: Wow what a scary place.

Me: Fitting that we should battle him out here in the middle of the boondocks.

Nico: At least it's away from civilians

Evil Star: Let's call Gramma Stuffum for this

Me: Good idea.

Gramma Stuffum came.

Gramma Stuffum: (German Accent) Ah we're here my little dearies.

Me: Well it's gonna be a while before Tirek gets here so we might as well... (STOMACH GROWLS) Oh man. Getting hungry.

Gramma Stuffum: How about I make you all something to eat?

Me: Cool!

Reflector: Well, since you're here…

Me: She is making it now.

Reflector: Okay.

We were later eating all kinds of food.

Me: (Eating) Mmm!

I was eating burgers and fries and more.

Overdrive: Any vehicles I can use here?

Me: Out in the middle of nowhere? I don't think so.

Skullgrin: We can always use a mystic blade on Tirek.

Me: Good idea. Use it on his dark side.

Toyman: I think we have most of Sonya's team by now

Nico: But we still have a long way to go before we find all her members.

Camie: But we're making good progress.

Laney: Yeah.

Fangry: We sure are.

Camie: Yeah.

Qin: Dark Gale will pay for their crimes.

Lola: Yeah they sure will.

Wolf: Can I use my Wolfen to find Tirek?

Me: Go for it.

He went and got into his Wolfen and he was off to find him from the air.

Camie: That is awesome cool.

Samui: It sure is.

Horsea ate some fries.

Horsea: Yummy!

Me: Yep.

But then Lincoln had a premonition!

Lincoln: WHOA! I know what the Akuma is we're facing. Her name is Inferno Dawn. The Hypothetical Akuma of Luster Dawn and she is a nasty and scary sun with a nasty disposition and a fiery temper! She was made because of not having any friends at all and hates everyone and vowed to burn the world with the fury of a Red Giant Sun

WE GASPED!

He showed us a picture of her and she was a REALLY SCARY AND NASTY LOOKING ANGRY SUN!

Me: WHOA! That is a nasty looking sun!

Camie: No kidding!

Bomb Burst: That looks similar to someone else

Nicole: Yeah like the Angry Sun from Super Mario.

Lola: Yeah.

Mario: (Italian Accent) Mama mia was that-a one hot!

Weather Wizard: I can easily find ways to put her out

Me: Good idea.

I put on my sunglasses.

Qin: She'll be as bright as the sun.

Nico: Yep.

We then saw a light coming.

Me: That must be her there.

Qin: Whoa she is bright!

Lola: Wow!

Slog: Sure about that?

Me: She is as bright as the sun and we know how bright that is.

Nico: Yep.

Sure enough it was her.

We went over.

Me: Inferno Dawn, I presume?

Inferno Dawn: Yeah that's right! SO WHAT IF I AM!? BIG FUCKING DEAL!

Nico: Sheesh!

Me: What a sourpuss.

Qin: No kidding!

Lola: Geez!

Short Fuse: (Australian accent) Geez and I thought I had anger issues.

Villamax: Luster Dawn, is that you?

Inferno Dawn: YEAH IT'S ME! SO FUCKING WHAT!? YOU WANNA MAKE SOMETHING OF IT!?

Gramma Stuffum: You need to calm down!

Inferno Dawn: TRY AND MAKE ME GRANDMA! SHUT YOUR CHEWHOLE!

Me: Tch! Touchy!

Tayuya: Her mouth is so fucking rotten!

Qin: Yeah.

May: Maybe this will stop you!

She fired waves of ice and blasted her and steam came off her.

Gramma Stuffum charged at her And bashed her down.

Me: YEAH!

Inferno Dawn: My turn!

She fired a massive blast of fire and we absorbed it.

Nico and May then fired waves of ice and extinguished her and she was sent to the M.O.E.

Sea Clamp: All we can do is continue waiting

Nico: Lets see what it says about Tirek.

I looked up his info.

Lord Tirek is one of the three main antagonists (alongside Queen Chrysalis and Cozy Glow) of My Little Pony: Friendship is Magic. He is a power-hungry centaur with the power to drain the magic and abilities out of other creatures. He is G4's incarnation of Tirac; the first antagonist of the original series. He is also the archenemy of Discord and the second archenemy of Twilight Sparkle.

Long ago, he invaded Equestria alongside his brother, Scorpan in an attempt to rob its inhabitants of their magic, but was betrayed by his brother and then imprisoned in Tartarus by Princesses Celestia and Luna. A thousand years later, he escapes to terrorize Equestria again, even convincing the reformed spirit of chaos, Discord into helping him steal all the magic he could until he betrayed him and took his magic as well. However, he was then defeated, de-powered and returned to Tartarus by Twilight Sparkle and the rest of the Mane Six. Later on, he conspires with his new protégé, Cozy Glow for the sake of revenge, but his plan backfired, thus forcing him to help them escape. In the final season, he and Cozy Glow were released from Tartarus and become members of the Legion of Doom alongside Queen Chrysalis, a team of villains bent on destroying the Mane Six and conquering Equestria, but is defeated once more by the Mane Six and their allies and petrified by the Princesses and Discord.

He was voiced by Mark Acheson, who also played Unicron in Transformers: Armada and Transformers: Energon, Moses Tripoli in Fargo, Magistrate Wilkins in Smallville, and Sabretooth in Marvel's Hulk Vs.

Over a millennium ago before the start of the series, Tirek was born as the prince to a kingdom far away from Equestria. His parents were the centaur, King Vorak and the gargoyle, Queen Haydon. He also had a younger brother, a gargoyle named Scorpan, who was very loyal to him. Tirek was born with an extraordinary gift for magic, which he took pride in. However, Vorak always ignored his son's talents and pressured him in acting like a proper heir to the throne, which caused Tirek to develop an intense dislike for his father. Tirek seemed indifferent to his mother, though it's mentioned in "Frenemies" that he did genuinely love his grandmother. In his late teens, Tirek became a delinquent who constantly got into trouble, making his father not only ashamed of his son, but also fearful that Tirek would one day attempt to overthrow him. At some point, Tirek met with Sendak the Elder, an old centaur wizard who lived out in the Netherlands and became his apprentice in magic. Later, Sendak left the kingdom to explore Equestria, and Tirek waited patiently for him to return.

When Tirek heard that Sendak had returned, he went to visit him, and was annoyed that Scorpan followed him. Though at first Scorpan said they had to return to the castle because their parents could be worried for them, Tirek ignored Scorpan and entered Sendak's home. Sendak told Tirek everything about pony magic and how he captured a unicorn when he traveled to Equestria. Sendak further revealed that there was a spell that would allow him to drain magic from other beings and use it to increase his own power, and that he was planning to do this with the unicorn he captured, though not at the exact moment. Supposedly, Equestria had more magic than any other land, and draining all of the magic from the land would make someone an "indominable force". Sendak realized that Tirek wanted to drain the unicorn's magic for himself, but he informed Tirek that he was too young to properly perform the spell at the time, telling him to wait until he was older.

Tirek and Scorpan returned to the castle where their parents, King Vorak and Queen Haydon were arguing until they enter on. That night, Tirek and Scorpan talked about their parents relations with them and when everyone went to sleep, Tirek went out the castle to find out more about pony magic. Once in Sendak (who was taking a nap)'s home, Tirek tries to make the same ability that Sendak used to steal the pony's magic until Sendak woke up just to see how Tirek's spell of absorbing magic just causes a great explosion that traps Sendak under a pile of rubble. Sendak asked Tirek for help, but he abandoned him and snuck back to the castle.

The next day, it was revealed that Sendak was rescued by Vorak's guards, but was sentenced to work in the mines for the rest of his life as punishment for kidnapping the unicorn. Vorak asked Tirek where he was the night when the explosion happened and Tirek explains that he never left the castle. However, his father did't believe him and confined Tirek along with Scorpan to their chamber. Tirek was last seen on the balcony where he swears that one day he would overthrow his father and finish what Sendak couldn't: Rule over Equestria.

Since then, Tirek has used magic to compensate for the fact that deep down, he would never be enough to please King Vorak, as explained in The Ending of the End Part 2. It is unclear if Tirek indeed overthrew his parents or if he just simply left them alongside his brother to conquer Equestria. The fact that Scorpan, who clearly loved them, was still on good terms with Tirek by the time they left their land to travel to Equestria, suggests the latter.

A thousand years ago, a full-grown Tirek and his brother Scorpan traveled to Equestria so that Tirek could finally fulfil his dream of taking all the magic from the land and becoming all-powerful. However, when Scorpan came to appreciate Equestria and became friends with Star Swirl the

Bearded, he tried to convince Tirek to turn away from his quest. When Tirek refused, Scorpan warned Celestia and Luna of his brother's ambitions, and, because of this, they were able to capture and imprison Tirek in Tartarus for his crimes while Scorpan returned to his homeland. Before leaving, Scorpan gave Tirek his amulet as a memento of their former bond.

A millennium later, Cerberus, who was meant to guard the gates of Tartarus, ran away from his post, thus allowing Tirek to escape. Since then, he laid low until he was ready to invade Equestria again.

After spending his time free recovering his strength, he has eventually regained enough power to absorb a unicorn's magic. Celestia receives a vision of this event and, after meeting with Luna, Cadence, and Twilight to assess the threat of his return, sent Discord after Tirek, as he can sense magical imbalances and therefore make it easy for him to find Tirek. Discord, using the guise of a unicorn, discovers Tirek in an alleyway and confronts him. Tirek initially commends Discord for his "escape" from his imprisonment, only for Discord to bind him with shackles, revealing that he had switched alignments and is re-imprisoning Tirek for his friends. Taking advantage of this new revelation, Tirek convinces Discord that his friendship is a new form of prison and that, if they work together, he can get the one thing this friendship can never give him; freedom. Discord, despite his friendship with Fluttershy, agrees.

With Discord now at his side, Tirek begins devouring the energy and magic from Unicorns, Pegasi and Earth Ponies alike from all across Equestria, regaining almost all of his strength. Knowing that he would seek alicorn magic next, Princesses Celestia, Luna, and Cadence, with no options left, call upon Twilight and entrust all of their magic to her, as Tirek is not aware of the existence of a fourth Princess.

As expected, Tirek and Discord assault Canterlot in search of the Princesses' magic, only to find the three Princesses without it. Still assured of his victory, Tirek ironically banishes the three Princesses to Tartarus and approaches Discord, who is comically altering Celestia's stained glass windows. As a sign of gratitude for his efforts, Tirek gives Discord a medallion that he received from "somebody close to him", before seeing the window depicting Twilight and demanding to know why Discord didn't tell him about the fourth Princess. Discord states that he wasn't sure if Tirek could be fully trusted, but now knowing that he is, tells him about Twilight and her friends. Tirek, though upset over his friend lying to him, does appear to forgive him. Tirek and Discord then head to Ponyville and capture Twilight's best friends, Tirek draining their power before doing the same to Discord, telling him that he has outlived his usefulness, revealing that his medallion actually came from Scorpan, and that Discord is as worthless to him as his brother was.

Growing to tremendous size from the magic he absorbed with his power even surpassing that of Discord, Tirek seeks out Twilight, obliterating her home of the Golden Oak Library in his search, enraging her and driving them to fight in an epic battle. The two are evenly matched, though Twilight seems to have a slight advantage, and so Tirek reveals the Mane 5, Spike, and Discord, imprisoned inside orbs. Tirek tells Twilight to give him all the Alicorn magic in Equestria in exchange for her friend's release, and she agrees, and Tirek releases all except Discord, who Twilight then wants to be released as well. Although not understanding why Twilight would want Discord after he betrayed her, Tirek complies and drains her of all the alicorn magic, increasing his size and strength to titanic proportions. To thank her for her kindness, Discord gives Twilight Scorpan's medallion, this time out of legitimate gratitude, making it the final key to the Tree of Harmony box.

Unlocking the box, the Mane 6 receive Rainbow Power, and confront Tirek with their new abilities. Tirek fires at them with a massive magical blast, only to be confused when his attack has no effect on them. A distressed Tirek asks how it is possible for the Ponies to be undamaged without magic, and Twilight responds by telling him that she possesses the most powerful magic of all; friendship. The Mane 6 then attacks Tirek, draining him of his stolen magic and re-imprisoning him in Tartarus, undoing all of his actions.

In "The Cutie Map", Tirek is mentioned by Rainbow Dash when she reminds Twilight that they, along with the rest of the Mane Six, have opened all six keys of friendship, defeated Tirek and received a castle of their own.

In "Crusaders of the Lost Mark", Tirek is mentioned again by Pipsqueak, who states that his battle with Twilight was the cause of the poor condition of the schoolyard.

In "The Cutie Re-Mark", in the fourth alternate timeline created by Starlight Glimmer, without the Mane 6 to stop him, Tirek succeeds in draining all the magic in Equestria and is briefly seen causing destruction.

In "Shadow Play", Pinkie Pie mentions Tirek while recounting the threats Equestria has faced over the last thousand years to Star Swirl the Bearded.

In "The Mean 6", while not mentioned by name, Pinkie Pie briefly recounts the battle between the Mane 6 and Tirek while talking to Twilight (who, in reality, is a clone created by Queen Chrysalis).

Tirek reappears in Season 8's two-part finale, "School Raze", in which it's revealed that he is pen pals with Cozy Glow. He also conspired with Cozy for the sake of getting revenge. Cozy Glow is successful in trapping the Mane 6 in Tartarus, during which Tirek tells them that Cozy Glow is behind it and his involvement in her plan. However, Twilight reminds him that if they are trapped in Tartarus, he'll be trapped with them for eternity. Pinkie Pie annoys Tirek to the point of giving Twilight what remained of his magic so the Mane 6 can escape just to get rid of them.

After the Young Six break Cozy Glow's spell, Tirek gets his magic back, which hits him in the head and knocks him down. Later, a bored Cerberus lays next to Tirek with him remarking that it may be boring in Tartarus but at least Cerberus isn't in a cage. When Luna and two Royal Guards imprison Cozy Glow in Tartarus, in a cage next to Tirek, Cozy Glow asks Tirek if he wants to be her friend, much to Tirek's dismay.

In "The Beginning of the End", while still imprisoned with him, Cozy Glow annoys Tirek by continuing to try and befriend him, before the both of them are suddenly transported out of Tartarus. Emerging within a mysterious cavern, Tirek and Cozy Glow are met by Queen Chrysalis, who immediately accuses them of summoning her, though Cozy Glow assures her that they thought she freed them. As this happens, King Sombra suddenly appears, causing the three to accuse him of summoning them, only for Discord (disguised as the ancient tyrant Grogar) to reveal himself to be the one who was responsible for summoning them. Tirek, Chrysalis and Sombra are shocked to see him, as they believed he was only a legend, though "Grogar" assures them that he is real and states that he summoned them as part of his plan to rid Equestria of Twilight Sparkle and her friends.

Seeing that Cozy Glow doesn't know who he is, "Grogar" decides to demonstrate his power by giving Tirek a sample of magic that revives much of his strength. Tirek then tells Cozy Glow that "Grogar" is ancient and extremely powerful, as well as the former ruler of what would become Equestria, claiming that he had heard stories of his tyranny when he was younger. "Grogar" then tells the villains of how he created monsters that roamed the land and took whatever they wanted under his rule, before Chrysalis remarks how he was banished by Gusty the Great, although "Grogar" claims that he was only temporarily weakened when she took his bell; however, Cozy Glow points out that, since he has been weakened before even Tirek was born, he has a very different idea of what "temporarily" means, much to his annoyance. In reality, Gusty the Great really did banish the real Grogar into limbo, from where there is no return.

"Grogar" proceeds to tell the group that he has watched them and their failures to take over Equestria, and asks them why they have always been defeated by the same six ponies each time, Tirek claiming that it is because they are "annoyingly lucky". "Grogar" rebuffs their answers and claims it is because their enemies work together as a team, demanding that the villains join forces with him to take over Equestria. Sombra, however, refuses to serve "Grogar" and arrogantly proclaims that he will take over the Crystal Empire by himself, causing "Grogar" to send him off to the Empire on the conditions that, if he fails, he will serve him or be destroyed again. After this, "Grogar" tells the others to prepare to work together and leaves. Cozy Glow immediately compares working together to making friends, telling Tirek and Chrysalis that they are in luck since she knows "all about that", though the former only flicks her away in annoyance.

Cozy Glow tries to get Tirek and Chrysalis to work together by having them each say nice things to each other, though this falls apart when Chrysalis refuses to say anything nice about ponies. "Grogar" then approaches them and states that he hopes the three of them will be enough to help his plans along, causing Tirek and Chrysalis to ask about Sombra. "Grogar" shows them that Sombra had failed in his plans to conquer Equestria and had again been defeated by the Mane Six, remarking that he will at least serve as an example to them as what will happen if they don't submit to his plans. Having seen this, Tirek, Chrysalis and Cozy Glow unanimously agree to serve "Grogar", though are seemingly left nervous by the thought.

In "Frenemies", as "Grogar" is working, Cozy Glow approaches him and tattles on Tirek for leaving food out, Tirek quickly approaching "Grogar" and telling him not to trust anything she says afterwards; though "Grogar" is quick to point out that he already doesn't trust anything that they say. After being annoyed by Chrysalis, "Grogar" informs the villains that he is leaving and demands that they all stop fighting and find a way to work together so that they can accomplish their goals. Once "Grogar" leaves, Tirek, not listening to his orders, begins to work out by himself (seemingly in an effort to re-obtain his physique from when he had absorbed Equestria's magic). While doing so, he is approached by Cozy Glow, who states that she is organizing a team meeting, which he agrees to go to so long as she leaves him be. At the meeting, Cozy Glow encourages the fact that they all need to trust one another to work together, which Chrysalis finds hard to do as Tirek is trying to steal her magic. Tirek firmly denies doing such a thing (returning the magic he actually had stole to a cupcake that Chrysalis devours), and calls her out for constantly ranting to her log, before joining Chrysalis in telling Cozy Glow that she wasn't left in charge. Cozy Glow then tries to get them all to agree with one another over their common goals, leading them all into singing "Better Way to be Bad" with one another, only for them all to devolve into bickering.

"Grogar" returns at the same time, and, upset to see they have not yet resolved their differences, decides to send them off on a mission to retrieve his Bewitching Bell from Mt. Everhoof so that they can learn to work together. Tirek and the others fight over who should lead the mission based on their previous feats, only for "Grogar" to angrily overpower and remind them that they all failed before and cannot work alone. Upon arriving at the foot of the mountain, all of the villains immediately split off and begin to find their own ways of getting up; Tirek staying behind and making a camp for himself. He proceeds to laugh at Cozy Glow upon seeing her return, and explains to her that he had already deduced that getting up the mountain by himself would be impossible, and so had planned to wait for her and Chrysalis to fail so that he could take what they learned and use it to his advantage. Cozy Glow and Tirek proceed to bicker — Tirek calling her out for her fake cutesy persona and constant manipulations having found out that she was only pretending to befriend him long before they teamed up, and Cozy Glow criticizing his arrogance, while also mocking him for talking to his "Gram Gram" in his sleep — until they are approached by an Ophiotaurus, which they both blame each other for attracting. Suddenly, a female Ophiotaurus arrives and seduces the other one, Tirek quickly realizing that the former is actually Chrysalis in disguise, who admits that she needs their help, causing Tirek to gloat about his own strategy.

That night, Tirek and the others begin to bond with each other over their previous endeavors and hatred towards The Mane Six; him remarking on how he turned Discord against his friends and used their emotions against them, and that Cozy Glow's plan to destroy all magic would have been worthwhile if it meant seeing Twilight and her friends defeated, also admitting that working with Chrysalis and her may not be such a bad thing. The next day, the three villains proceed to combine their abilities in order to scale the mountain, only to find that the cave at the top is protected by a magical barrier, which Tirek cannot absorb since he can only take magic from living beings. With some convincing, Chrysalis allows Tirek to take her magic to become powerful enough to create an opening in the barrier, allowing Cozy Glow to enter the cave and retrieve the bell. Tirek then returns Chrysalis' magic, stating that he wasn't sure he would do so and that it seemed smarter to work with her than fight. The villains begin to reflect with one another over how it felt to rely on others for a change, before Chrysalis snaps them out of it, not wanting the friendship to infect her like it did her hive. Realizing that they almost reformed, the three vow to remain focused.

The three then concur that "Grogar" has grown too powerful and decides to betray him together, and Tirek agrees that they can all go back to trying to destroy one another afterward. He and the others later return to "Grogar's" lair and fool him into thinking that they failed while yet still becoming allies to his delight, though in reality have kept the bell for themselves.

In "A Trivial Pursuit", Tirek is mentioned by Twilight and Mudbriar with him and Scorpan being the answer of who came to steal magic from Equestria.

In The Summer Sun Setback, Cozy Glow sees "Grogar" leaving and asks where he is going. He reveals that since his minions "failed" to recover the Bewitching Bell for him, they will need another source of power to defeat Twilight and her friends. After "Grogar" leaves, Cozy Glow informs Chrysalis and Tirek that he is gone. The villains voice that they don't trust "Grogar" and try to figure out how to use his bell like ringing it but nothing happens. Cozy Glow then points out that Twilight mentioned that the Archives in Canterlot has a restricted area and the villains set off on their "road trip".

The three villains hide in Canterlot and only Chrysalis and Tirek notice so many ponies out in the night. Cozy Glow reveals that it's the Summer Sun Celebration with Chrysalis asking how many holidays these ponies have. She believes that it will be easy to get in until Tirek points out that Canterlot has increased security. After Chrysalis fails to enter through the main doors, she returns to her allies and informs that it will be more challenging. The villains then overhear Twilight's friends and Discord talking about their responsibilities for the holiday. Tirek believes it to be impossible since the security is increased with Twilight's friends "bumbling about". However, Chrysalis sees it as an advantage to use as a distraction since they heard everything and gives instructions to Tirek and Cozy Glow.

While Chrysalis and Cozy Glow secretly sabotage the unicorns and Pegasi, Tirek secretly sabotages the Earth ponies of Appleloosa who are preparing the catering by hiding in the bushes and discreetly absorbing the Earth ponies magic which turns him back into his third form. This causes Braeburn to assume that the food is contaminated, causing the rest of the Earth ponies to panic. Tirek laughs at this while stealing some food on the way. The villains watch all the panic and chaos unfold before deciding to incapacitate the security. Cozy Glow distracts a guard while Tirek steals his magic and Chrysalis uses his star badge to the main doors for them to enter

They search for the archives which also wakes up a security goose which follows them. However, Chrysalis disguises herself as another security goose to get it to leave and the villains finally find and break into the Archives. They search through the Archives until Cozy Glow finds a book about how to use the Bewitching Bell and uses another book to break it out of it's chains.

This gives the villains time to leave Canterlot back to "Grogar's" lair while Twilight and her friends are able to fix the holiday. "Grogar" also returns tells his cohorts that he has found success where they all find "failure". He reveals that he located what he wanted and will retrieve it the next day before they begin his plan to take over Equestria. Tirek is still sulking that he had to give the magic of the Earth ponies back to them, in which Chrysalis and Cozy Glow tell him to stop doing and remind him that "Grogar" would become suspicious if he found out about their "road trip" in which Tirek claims that he doesn't have to like it. Cozy Glow reveals that she didn't like it when the Mane Six managed to fix the holiday, until Chrysalis reveals that the goal was not to destroy but to distract in order to get the book. Tirek reminds them that they can't waste any more time because they must master the bell before "Grogar" returns. Chrysalis reveals that they managed to stay ahead of everyone so far until Cozy Glow remarks how easy it was to turn the Earth ponies, unicorns and Pegasi against each other, in which Chrysalis decides would be something to think about.

Tirek, Chrysalis, and Cozy Glow absorb "Grogar's" magic from his bell, turning Tirek back into his third form but much stronger. They then drain "Grogar's" current magic, revealing him to be Discord. When Chrysalis intends to take Discord's magic, Tirek says only Discord can control it. They agree to let Cozy Glow test this knowing that she can't go through with betraying them and take the magic back at her request when she can't control it, before setting out to conquer Equestria. Tirek drains the Pillars of Equestria and imprisons them in the caves beneath Canterlot with Starlight Glimmer, who was captured by Chrysalis, before both go to Canterlot to fight alongside Cozy Glow, during which they destroy half of Canterlot and almost kill Twilight twice, with Rarity stopping them the first time, and the other Mane 5, Spike, Celestia, Luna, and Discord holding their magic beam back the second time so Twilight can escape, and are eventually overpowered and imprisoned by the villains.

When Cozy Glow wants to kill the prisoners and Chrysalis wants to torture them, Tirek instead wants to hunt down Twilight as he knows that she is the biggest threat. They argue over Cozy Glow trying to take Celestia and Luna's magic from the bell, Tirek saying they must figure out Discord's magic first. Discord pretends to offer to tell them in exchange for the safety of the others, and insults Tirek into trying to blast him, which Discord reflects to release Starlight from her imprisonment, allowing her to release the others, and while the other Mane 5 and Spike run off to get Twilight, Starlight, Celestia, Luna, and Discord fight Tirek, Chrysalis, and Cozy Glow, who re-imprison them.

When the Windigos return from the villains turning ponies against each other, Tirek says they are ancient magic and should be destroyed. Afterwards, the Mane 6 and Spike arrive. During an attempt to get the bell, Tirek chases after Twilight, who is trying to distract him, after which Tirek foils Applejack's attempt to get the bell. When Chrysalis threatens Spike, the villains nearly destroy the Mane 6, but many unicorns protect them and most of the ponies' allies enter the battle.

In the end, the Mane 6, Spike, the Young Six, and the Pillars unleash a rainbow which destroys the Windigos and takes away Grogar's power from Tirek, Chrysalis, and Cozy Glow, turning Tirek skinny and frail again. After Pinkie drops a giant cupcake on them with Discord's magic, which, along with Celestia and Luna's magic, is returned, Celestia, Luna, and Discord turn Tirek, Chrysalis, and Cozy Glow to stone as punishment for their crimes after Celestia and Luna ponder over what they should do given the scope of their crimes. As a result, Tirek is finally defeated for good.

The statue of Tirek, Chrysalis and Cozy Glow, makes a cameo in the newspaper in this episode, but they do not appear beyond that. It is stated by Jim Miller that they were later moved into the Canterlot gardens much like Discord's statue.

When it was done everyone was shocked!

Me: At least he didn't kill or injure anyone

Key: Thank goodness.

Me: But his Brother Scorpan is good and loved Equestria. But Tirek let his own powerlust cloud his mind. So there is a chance for us to save him.

Nico: Good idea.

Lola: Yeah.

Eli: I sense him coming though. He's coming over those dunes.

Qin: Then we need to head there.

Nico: Right.

We went to face him and we saw him.

Me: Target sighted!

Solar Man: Entrance time!

We went at him.

Tirek was laughing.

Tirek: Very soon I will have my revenge.

But then the spirits of magic appeared and swirled around him and then converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
OOOOOOOOOOOMMMMMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Hello Tirek. Long time no punch.

Tirek: If it isn't my least favorite friends.

Me: You've got some nerve coming back from the dead, Tirek.

Nico: It was bad enough that Damian Alaister and The Church of Necrom brought you and the rest of The Doomsday 23 back two years ago, now we find out Anti-Monitor brought you back? You really don't know when to quit! Well, this time, we'll make sure you never rise again!

Suddenly, we saw some figures heading straight for us: they were Ko Zatec-Cha and Gir Kybo Ren-Cha and the pirate crew, Terrinald Screed and Bisad Koong, and The Great Heep.

Lincoln: More of the galaxy's most dangerous criminals: dangerous pirates and two political allies of Darth Sidious along with a gigantic droid. (Sees the Roonstones in the hands of Terrinald Screed and Bisad Koong) No way, those are the Roonstones!

Lincoln fired energy blasts that swiped the Roonstones from Terrinald Screed and Bisad Koong and he secured them in our vault, and then, he fired two more energy blasts that hit them and he sucked the energy out of them along with their life forces and he banished them to The Black Abyss after he also drained their souls of energy, then, he fired energy blasts that tied up Ko Zatec-Cha and Gir Kybo Ren-Cha and the pirate crew and sent them to a more secure prison in the sector, and finally, he touched The Great Heep with his left hand and he absorbed him into his body and acquired all of his powers, abilities, and weapons.

Me: Nice try. Too bad you don't have Grogar's power to help you. I destroyed his Bell of Bewitchment and the Alicorn Amulet. He's now in the Black Abyss for all eternity.

Tirek: WHAT!?

Me: You heard me!

I went over to Tirek.

Me: Before we fight I want to ask you something.

Tirek: What is it?

Me: Are you familiar with a Fire Alicorn named Opaline Arcana?

Tirek: Of course. Long ago she came to me with an offer.

Me: What kind of offer?

Tirek: She offered to give me eternal life and eternal youth in exchange for stealing all the magic in Equestria for her.

Me: So she offered you something in return for it.

Tirek: Let me guess. You all want to help me? (laughs evilly)

Firepower: Actually, yes.

Tirek: Huh. I thought for sure you all would use a referenced line here.

Kevin Levin: Look, as much as we'd like to reference a line from one of my less then great moments, we're actually dead serious about this.

Me: Yeah. But she offered you all that right?

Tirek: Yes.

Me: Ha. Too bad that didn't work out.

Tirek: What do you mean?

Me: Opaline was just USING you. You were nothing but a pawn to her. She was going to kill you after you outlived your usefulness to her. All she wanted was power all for herself and didn't care about HOW she got it. She was 1,000 times more evil than anyone in Equestria. Including you.

Tirek: What?!

Cozy Glow: He's telling the truth Tirek. She lied to you! To all of us! Including Chrysalis! She was using us!

Me: All in her own quest for power and she didn't care how to get it!

Qin: That's right! Opaline was pure evil incarnate! She was only using you to fulfill her dirty work.

Nico: Plus, she had 24 generals she liked more than you anyway

Tirek was shocked! THAT MONSTER LIED TO HIM! SHE WASN'T GOING TO GIVE HIM ANYTHING AT ALL! SHE ONLY USED HIM ALL FOR HER OWN SICK PLEASURE!

Eli: Search your feelings Tirek for you will know it to be true.

Tirek: That monster! (Tears stream down his face) My brother, my family. What have I done! What have I done!?

Me: It's not too late for you Tirek! You still can redeem yourself and become a better person and use your powers all for the force of good.

Cozy Glow: And I found this out too! She even used her magic to disguise herself as Grogar to play us for fools!

WE GASPED!

Me: She turned into Grogar to do that!?

Cozy Glow: It's true! I saw it with my own eyes. I was blinded by my own lust for revenge myself.

Me: THAT MONSTER!

Nico: SHE FUCKING PLAYED THEM!

Princess Celestia: Opaline did that!? Oh Discord, when this is over I owe you an apology.

Discord: It's okay my dear princess.

Me: Opaline was worse than Grogar! She was the TRUE DEVIL of Equestria!

Lola: YEAH!

Tirek: Thank you all for telling me this. Especially you Cozy Glow. Thank you for telling me this. I appreciate this. I want to change. I want to be good. I want to help everyone and be good.

Me: That's what I want to hear. Lets do this then.

I fired a wave of light and it hit him and separated his dark side from him!

Me: There we go!

Dark Tirek: SOON THIS WORLD WILL BE...

Me: SHUT UP YOU MONSTER!

Then...

SLASH!

I slashed off Dark Tirek's horns!

HE SCREAMED IN PAIN!

Cyborg: Wait. So Opaline disguised herself as Discord disguised as Grogar?!

Cozy Glow: It's true! I saw it with my very own eyes! She said it was all part of a terrible plan to kill Twilight Sparkle! She said to kill Twilight in order to gain Alicorn Status and omnipotent power!

WE GASPED!

Camie: That is terrible!

Varie: Opaline you evil fiend!

Tirek: I was a fool!

Beast Boy: Where was the real Discord the whole time then?!

Discord: I was relaxing at home watching TV.

Fluttershy: I can um vouch for that.

Qin: Well at least that checks out.

I slashed Dark Tirek!

Me: No more Dark Tirek! NO MORE!

I then powered up and released my aura and then in a massive vortex of energy I transformed! Nico: HOLY SHIT!

Me: That technique was based on the January 15th, 2022 eruption of Hunga Tonga-Hunga Ha'apai eruption. It exploded with the force of 61 megatons of TNT and it was the most powerful eruption we've seen since Mount Pinatubo in the Philippines erupted in 1991.

Lincoln, Crash Bandicoot, Nico, and I and the rest of us went after Tirek, and we fired extremely powerful blasts of rainbow, white, and blue energy, aura energy, colored

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Crash Bandicoot, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Dark Tirek even angrier than ever.

Lori: (Sees the Monitor Orb embedded in his head) Hey, there's The Monitor Orb, let's make him feel some extra pain!

Crash Bandicoot fired a rainbow, white, and blue energy as it hit the Monitor Orb embedded in Dark Tirek's head, and it shattered, and not only did we gain a massive power boost, he was holding his head and his screams of pain were muffled by the muzzle.

Jade Mage Meadowbrook was surprised as her body started trembling. She yelled out in surprise as her body started expanding. Same with Galaxia Starscout!

Galaxia Starscout: No! We control the power! It doesn't control us!

Jade Mage Meadowbrook: Same here!

They reigned in the power and turned into Regifight and Regifae and blasted Dark Tirek with energy and blasted him all over. They reverted back and cheered!

Horsea squirted ink and blinded Dark Tirek!

Qin: Take that!

Me: YEAH!

Then Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster came

Nico: Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster.

Whiplash: Man what an inferno! We saw the battle and it was intense.

Me: It sure was!

Dark Tirek: YOU!

Cad Bane: Nice to see you again Tirek!

Me: Yep.

Cad Bane: So, Opaline used Tirek from the start?

Me: Yep that's what we found out.

Boomerang: (Australian Accent) I'm not surprised mates.

Titanium Man: (Russian Accent) Now I'm glad she's gone for good.

Me: Thank goodness for that.

Cheshire (to Nico) We heard you killed Pain.

Nico: We sure did.

Me: He put up an incredible fight just like in 150,000 years.

Beetle: (to Connor) You should take care of that Tyrunt.

Connor: I will.

Pursehead came again.

Me: Pursehead! Up for another round?

Pursehead: Yep I sure am.

Me: Cool.

Pursehead: Is it wrong that I'm glad you guys have so many members of Sonya's team now?

Me: Not at all. We're doing good in recruiting them.

Connor: Boy he sure did and it was awesome and epic! It was really explosive!

Odd: You aren't kidding there! We battled Pain with everythng and more! J.D. even told him that his plan had one terrible and nasty fatal flaw.

Mike: And that the Eye of the Moon project would ultimately destroy the entire planet and kill everyone and that it was not the way to true peace but Total Annihilation.

Fluttershy: Pain was very mistaken to believe that destroying the entire planet would result in true peace.

Lilja: (Icelandic Accent) When in actuality it's the total opposite.

Daffodil Bloom: Yeah no kidding there! Pain would have achieved his plan all for nothing.

Bluebell: Yeah what a shocker.

Tornado Bolt: J.D. had to blow up the moon in 150,000 years to stop all that from happening. J.D. put a massive stop to the Akatsuki's plan.

Seabreeze: (Swedish Accent) Ja he sure did.

Stealth Elf: No kidding.

Beetle: Even though it was reprehensible J.D. did stop the Akatsuki's dark plans from being carried out. Lets do it!

Guardians Eatos, Dreadscythe, Grarl, Kay'Est, Elma, Ceal, Baou and Tryce As well as Doom Virus Dragon

Jack Landers: They sure did and we were shocked that they were the Guardia Sisters. We've read about them in legends and more. They were that immensely powerful.

Inspector Fox: They sure were amazing! And the Regifight we met was also Sunny Starscout's sister Galaxia. She is an adventurer like her mother and father and she set out to find out what happened to Twilight and Friends after the magic disappeared.

Titanium Man (to Mack): Today was Ocellus, Ink Rose and Lola Ferrington's first mission. How was it?

Mack: It was really awesome! Eli first gave that jerk Carny a nasty piece of his mind by bashing him all over with the ferocious power of the Fist of The Mortal Flame and it sent a threatening message to The Choten that we're coming for him and he will pay for his crimes. Also they battled Nigel Brightmore and the Ninja Tribunal came and stripped him of all of his power for his treachery and we sent him to prison.

Rose Ortin: Yeah that was nuts! But before he could be sent to prison he disintegrated into dust and his soul was banished to Limbo forever. The Atrocities he did damaged his soul bad and he was sentenced to Limbo for eternity.

Margareta: (German Accent) Ja und it was very filled with amazing justice. We also met the gene-slammer of Regifae too.

Cheshire: Wow! That is amazing that Galaxia was able to confirm everything that J.D. Predicted like that. Did she say anything about Princess Celestia and Princess Luna and the other princesses?

Casey: She's still looking into that but it'll be awesome to find them too.

Isabel: It sure will be cool. We'll have Equestria back on its feet in no time.

Lena Isis: That is for sure. Opaline's damage is not completely irreparable after all.

Twilight Sparkle: Yeah that is for sure. I can't believe that Opaline would cause so much damage to everything in Sunny's time.

Stellar Sparkle: Boy sis we dodged a massive bullet when we killed Opaline here.

Multiple Man (to Scott): Galaxia really helped us locate Twilight's friends in Sunny's World. Finding them should be easy now

Scott: I agree there. We know where they are at but getting to them is not going to be that simple. We have to solve puzzles and challenges that may appear.

Summer: Yeah knowing where they are was easy. But getting to them is the hard part.

Firecracker Burst: That's right. I think Trixie Lulamoon, Moondancer, Vinyl Scratch and the others will be harder to find though.

Starlight Glimmer: That is for sure. But we will find them and help them.

Then he fell asleep.

Tirek: (Sleeping)

Gramma Stuffum: My Chamomile Knockout Tea.

Then, Lincoln flew at Tirek, and he sank his fangs deep into Tirek's neck, and he finally screamed in excruciating pain as his muzzle broke, but the pain was just beginning.

Suddenly, Lincoln began sucking out and draining Tirek dry of his blood, and he also began sucking out all of Tirek's magic-draining and ability draining powers, Magic intuition, Proficiency, Energy projection, Immortality, Heat generation, Shield construction, Psychological manipulation, Invulnerability, Superhuman durability, Superhuman stamina, Superhuman endurance, Superhuman strength, High intellect, Cunning, Master tactician, Intimidation, Manipulation, and Charisma, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger, while Tirek was suddenly shrinking in height, strength, and muscle mass.

Then, when Lincoln was done, Dark Tirek was reduced to his extremely weaker, older, and withered form, as Lincoln unlatched his fangs from Dark Tirek's neck and he let out an extremely loud and animalistic roar that shook the ground itself.

Luster Dawn: That's still just as loud and ferocious as ever.

Then, Lincoln grabbed Dark Tirek by the neck, and he tossed him hard into the air with his really immense massive brute superhuman strength, and we fired massive energy blasts that destroyed Dark Tirek, and he was finally sent to The Black Abyss forever.

We cheered wildly as we holstered our weapons and powered down.

Nico: It's finally over for you, Dark Tirek, and this time, don't you ever come back!

Me: Plus, we also got rid of more of R2-D2 and C-3P0's enemies as well.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: our old enemy, Diodora Astaroth.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of demonic energy blasts and were absorbed into us and made us even stronger.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Diodora Astaroth, or we will force you out.

A figure came out, and it was none other than our old enemy, Diodora Astaroth, and he's back from the dead for revenge.

We were really amazed by Melanie Ying Xiao's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Diodora Astaroth saw it, he was enraged and fired demonic energy blasts at her, but Melanie Ying Xiao fired a massive barrage of crimson red, white, and blue energy, stars, aura energy, white and blue heavenly flames, earth, rocks, golems, phoenixes, and angels and destroyed the energy blasts and hit Diodora Astaroth and sent him flying into a wall, he got back out, but he screamed in rage.

Lincoln, Melanie Ying Xiao, Nico, and I went after Diodora Astaroth, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Diodora Astaroth, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Melanie Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Melanie Ying Xiao, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Diodora Astaroth even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Diodora Astaroth, and we found ourselves in Heaven.

This is where your rampage of raping women end here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Hiruko Ubusuna.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Diodora Astaroth's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit Diodora Astaroth hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Diodora Astaroth was now on his last legs and he was really really mangled.

Then, Lincoln raised his massive greatsword and he slashed off Diodora Astaroth's crotch in a bloody castration as he screamed in agonizing pain, and then, he proceeded to rip Diodora Astaroth's arms and legs off, and then, he slashed off Diodora Astaroth's head off, and he sent him to The Black Abyss forever.

We cheered wildly as we holstered our weapons and powered down and Melanie Ying Xiao's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large crimson red planets orbiting around her legs and twenty smaller crimson red planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized crimson red planets orbiting around her wrists and ankles, eleven massive and long crimson red wolf tails, and massive green angel wings and four sets of large green angel wings underneath her massive green angel wings are permanent.

Melanie Ying Xiao: And this is goodbye and good riddance forever, I don't want to see your face ever again, Diodora Astaroth. Thanks for helping me take down that perverted control freak, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Me and Nico: Our pleasure, Melanie.

Suddenly, Melanie Ying Xiao wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive hairy pecs and her stomach pressed against his ten-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Ying Xiao's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Shadow Wisp, Golem, Phoenix, and Po Kong, Demon Sorcerer of The Mountain flying in the air, and we saw a herd of Buffalo and many animals running across the field and the sudden appearance of lights shining down from Heaven and elemental forces behind them and we cheered wildly. Then, Lincoln and Melanie Ying Xiao sucked in and absorbed the elemental forces and they came back to us as the display vanished.

May: That's the last time that perverted control freak dares to show his ugly face.

Lincoln: I made sure of it. Now, he'll never ever return, and I can blame Morgana and her demonic minions for that one.

Lincoln: Without a doubt it had those she-demons behind it.

Eli: Sore losers.

Laney: No, they're more than that, absolute monsters is what I would call them!

Twilight Sparkle: When we finally go after Dark Gale, they will also pay for their crimes once and for all.

Me: And we'll make sure they never come back! So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

MYSTICAL MUSIC PLAYS

Suddenly, we saw a massive beautiful dragon flying in the skies as it left an awesome trail of green fire as it crackled in the skies!

Selene Arcangela: (GASPS) The dragon...! The sign..., is it who I think it is?

Lincoln: It is, Selene, and that's the next of The Avatar of The Mythical Beasts we're meeting: Dana Dragon, Avatar of The Dragon.

Selene Emperyous: I knew it was her, and you guys are going to like hearing her story, Dana Dragon, Avatar of The Dragon, is Lincoln's Guardian Angel and she's known as The Dragon Mage of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Dana is a powerful master of the powers of fire and the powers of The Dragon. She lived during an age of war and she was said to have lived with a group of dragons, and over time, as she grew, she gained all of the incredible strengths and powers of the dragons along with immortality, and she'd fought to defend the dragons from the hatred and fear wrought on by the paranoia that humans had towards dragons, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire and the powers of The Dragon, and he also gained all of the incredible strengths and powers of the dragons. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Dragon.

Me: That's...so...INCREDIBLE!

Nico: Really incredible!

Lincoln: You got that right.

Multiple Man: Now, all 3 of Equestria's big bads are redeemable.

Me: Yep.

Silver Samurai: All that's left is Chrysalis.

Blizzard: We still did a good job.

Nico: Thanks to J.D. here. His judgement and the Spirit of Harmony's judgement was good.

Me: Thanks. But Sombra and the other villains are a different story.

Whiplash: How should we celebrate?

Gramma Stuffum: With more of my food!

Major Disaster: As long as they don't knock us out

Me: We'll go to Sugarcube Corner for it.

Nico: Good idea! Great job today everyone!

Luster Dawn: (To the viewers) Tirek is now with us and it will be good to have him be good.

Me: Yep.

We went to Sugarcube Corner for some sweets and fun.

We returned home, and Caleb Maxwell looked out into the skies as the sun set and night fell on the city again

Caleb Maxwell: And so, another day ends. Lincoln was right: Orochi was defeated before, and we'll do so again, this time, we'll ensure his eternal slumber.

Then, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase arrived.

Allie Maxwell: That's right.

Gabriel Maxwell: Orochi will finally meet his eternal end once and for all, same with Da Ji, Kyūbi, and Hundun.

Cage Blunt: Same with Gerald Vexos, this is going to be one brutal battle.

Jack Howard: We've dealt with far worse.

Roxy Drake: We'll also need help as well, after all, they've dealt with Orochi and his minions before.

Caleb Maxwell: That's true.

They went to bed.

We all went to sleep.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are heading to an apartment in the eastern part of Manhattan, but it had a dark aura of dread as there was a history of murders and suicides that took place there long before his death, and due to it, those who went in there were either murdered or took their own lives and were left as restless spirits, and it's also where Caleb Maxwell's four old friends, Mark Davis, Logan Michaels, David Johnson, and Benny Edwards, also committed suicide. Plus, we're going to find out it's because of a dark curse that was put on the place since 1985, so we are going to end it and send the restless spirits to their eternal rest, along with killing the person who was behind that: the dangerous and evil old enemy of Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková, Alexander Procházka, and the very dangerous serial killer who terrorized The Czech Republic for years and who murdered tens of thousands of people and enjoyed spilling their blood, and it turns out he was the one who put that curse on the apartment using black magic, so that he can see more people kill themselves, and he also came back from the dead seeking revenge, so we're killing him and sending him straight to The Black Abyss.

And we're going to meet the next of The Avatars of The Mythical Beasts, her name is Dana Dragon, Avatar of The Dragon, she's Lincoln's Guardian Angel and she's known as The Dragon Mage of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Dana is a powerful master of the powers of fire and the powers of The Dragon. She lived during an age of war and she was said to have lived with a group of dragons, and over time, as she grew, she gained all of the incredible strengths and powers of the dragons along with immortality, and she'd fought to defend the dragons from the hatred and fear wrought on by the paranoia that humans had towards dragons, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire and the powers of The Dragon, and he also gained all of the incredible strengths and powers of the dragons. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Dragon.

Next up is Rice's day to shine and we're going after The General from Eon Kid.

See you next time.

51ST CENTURY REVENGE

This is the sequel to the Eon Kid Chapter.

In the early morning hours of 3:24 AM, Lincoln had a dream: but, this one was a premonition to what's gonna happen during Nico's rescue, and it's not good: apparently, his dream took him to Planet Dagobah, and as he was flying, he saw our next target: the 4 Star Ball, but the bad news, it's in the hands of a clone of Mia, the heartless rich girl despising witch, who was created through the use of Infernal Darkness and black magic using a sample of Mia's blood that was spilled on Lincoln's last rescue when she came back from The Black Gates to seek revenge on Lincoln and Isabella Van Kessler again. Lincoln woke up, but so did his harem and kids too.

Lily the Mermaid: Linky, what's wrong?

Lincoln: I just had a bad premonition of what's going to happen tomorrow during Nico's rescue, Lily, I just found the 4 Star Ball, it's on Dagobah, but the bad news, it's in the hands of a clone of Mia, the heartless rich girl despising witch, who was created through the use of Infernal Darkness and black magic using a sample of Mia's blood that was spilled on my last rescue when she came back from The Black Gates to seek revenge on me and Isabella Van Kessler again.

Lincoln's harem gasped.

Selene Arcangela: I can't believe it. Even after we destroyed Mia and sent her to The Black Abyss for good, some asshole created a clone of her through the use of Infernal Darkness and black magic.

Lincoln: Normally, I'd suspect Morgana Midnight Sparkle and The Midnight Princesses, but since this involved Infernal Darkness, there was one other person besides Gabriel Maxwell who had the powers of Infernal Darkness.

Anna Anyanova: You mean Sebastian? This is quite a disturbing case, Lincoln. But, thanks to all of us showing his file to everyone yesterday along with his blatant attempt in trying to destroy us on Planet Tattooine when he went fucked up crazy, it's clear Sebastian's position has now become irreversibly damaged.

Lincoln: Right, and it's only a matter of time before he finally slips up. That's why I had cameras put on him, and he didn't even notice.

Melanie Nyx: It was really genius, Lincoln. Plus, I got into contact with Mother who knew of what'd happened, and she knew that the evil and toxicity in Sebastian from nine years ago had never truly died, it only got worse after that, and she'll be coming with us.

Paige: We got to tell everyone of what you saw tomorrow.

Lincoln: Right, Paige. Tomorrow, everyone's gonna hear it, and no doubt about it, everyone's going to be pissed.

Lincoln went back to sleep with his harem and kids. Then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Nico: Whoa! Someone's really piling on the protein!

Me: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Planet Dagobah, and as I was flying, I saw our next target: The 4 Star Ball, but the bad news, it's in the hands of a clone of Mia, the heartless rich girl despising witch, who was created through the use of Infernal Darkness and black magic using a sample of Mia's blood that was spilled on my last rescue when she came back from The Black Gates to seek revenge on me and Isabella Van Kessler again.

WE GASPED!

Me: I thought we were finally through with Mia on your last rescue and you sent her to The Black Abyss.

Lincoln: I did, but she came back through a sample of her blood and the use of Infernal Darkness and black magic.

Eli: This has Morgana Midnight Sparkle all over it, right?

Lincoln: Normally, that's what we'd suspect, but since this involved Infernal Darkness, there was one other person besides Gabriel Maxwell who had the powers of Infernal Darkness.

Nico: Sebastian Mendez.

Qin: I should've known. This is disturbing. But, thanks to your Guardian Angels showing us all his file yesterday along with his blatant attempt in trying to destroy us on Planet Tattooine when he went fucked up crazy, it's clear that Sebastian's position has now become irreversibly damaged.

Nico: And it's only a matter of time before he finally slips up.

Lincoln: That's why I had cameras put on him, and he didn't even notice.

Qin: Like a spy placing a bug on a target, nice.

Melanie Nyx: Plus, like I told Lincoln last night, I'd gotten in contact with Mother who knew of what'd happened, and she knew that the evil and toxicity in Sebastian from nine years ago had never truly died, it only got worse after that, and she'll be coming with us.

Hunter: (German Accent) I hate to find out what Nyx has in store for him.

Me: Whatever it is, I can tell it's gonna get ugly.

Nico: Yipe!

?: Big time ugly, and that was definitely a genius idea putting cameras on that spongehead, Lincoln.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, rainbow angel wings, blue clothes, the symbol of The Masters of The Universe on her forehead and skirt and Anti-Skeletor symbol on her right arm, long white sleeveless trenchcoat with stars, magic, light, darkness, elemental forces, phoenixes, and angels on the coattails, and on the back is the planet Eternia, she has The Ultima Weapon Keyblade from Kingdom Hearts III in her right hand and The Power Sword on her back.

Lincoln: (GASPS) Elidea Eternia, Keyblade Knight of Eternia.

Me, Eli, and Nico: No way, The Keyblade Knight of Eternia?!

He-Man: I knew there was no mistaking that voice from anywhere.

Teela: Same here, it's been a long time since we last saw you, Elidea.

Elidea Eternia: Same here, Teela and Prince Adam.

Nico: Whoa, and you know her, Lincoln?

Lincoln: Indeed we do, Nico.

He-Man: And so do I and the rest of The Masters of The Universe, everyone, this is Elidea Eternia, Keyblade Knight of Eternia, she's Lincoln's Guardian Angel from Eternia and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and powerful master of light and magic. She is the Keyblade Knight of the planet Eternia and a powerful master of the powers of Castle Greyskull. She's also the strongest and most powerful member of the Masters of the Universe and has all the powers and skills and techniques of the Masters of the Universe and all the powers, skills and techniques of Skeletor and his evil minions. She is as strong and powerful as all of them combined times 100,000,000,000,000,000,000, and she also hates Skeletor and his evil minions with a vengeance and vowed to destroy ALL OF THEM! She swore she will make sure that Skeletor pays the ultimate price times infinity for his crimes against Eternia and it will not be pretty. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in all of the powers and skills and techniques of the Masters of the Universe, the powers of Castle Greyskull, and all the powers, skills and techniques of Skeletor and his evil minions and more, and thanks to that, he also became as strong and powerful as The Masters of the Universe and Skeletor and his minions combined times 100,000,000,000,000,000,000, and she also hates Flip with a vengeance.

WE GASPED IN STUNNED SHOCK AND AWE!

Nico: Whoa! Now, I really hate to even ask just how strong you really are, Lincoln. But, I already know that Flip did something to piss her off in a huge way.

Me: You have no idea, that idiot tried to kill Lincoln by throwing poison gas into the school.

Selene Arcangela: But, our security system triggered the warning, and Lincoln and Elidea evacuated everyone, and then, they found Flip, trashed him, and sent that mutant flying back to prison.

Nico: Jeez, thank goodness we sent him to The Black Abyss.

Lincoln: Along with the rest of his miserable family.

Elidea Eternia: You said it, good fucking riddance to that mutant and his family.

Suddenly, Lincoln pinned Elidea Eternia to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Elidea Eternia: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Teela: And of course, we'll be there for your wedding in the future, you two lovebirds.

Then, Caleb Maxwell, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, Allie Maxwell, and Gabriel Maxwell came to us with urgent news.

At the same time, Lincoln's wrist computer went off, and he checked on his wrist computers, and the cameras he had set up played back the footage: it looks like Sebastian's broken out of his straitjacket and fled to Dagobah.

Caleb Maxwell: Guys, we got bad news.

Lincoln: And we just saw it, Caleb, Sebastian's broken out and fled to Dagobah. Looks like he's finally lost his marbles, and he fell for it hook, line, and stinker.

Me: So, we got a bounty hunting mission on top of hunting down and killing the clone of Mia for good.

Lincoln: Caleb, you, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie

Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, Allie Maxwell, and Gabriel Maxwell are in charge of hunting down Sebastian.

Caleb Maxwell: Right.

We finished up breakfast, and we headed to Dagobah to get the 4 Star Ball back, kill the clone of Mia and send her to The Black Abyss, and hunt down Sebastian before he does something else.

Rice woke up to see Dragonair staring at her

Dragonair: Morning Rice!

Rice: Morning Dragonair.

Dragonair: Timefor breakfast. Whopper stuffed pancake day.

Rice: OH BOY!

She went and got dressed. We were having pancakes stuffed with jam and chocolate and vanilla sauce.

We were eating all kinds of flavors.

Later it was time for the rescue and flying through space was the U.S.S. Valorous Phoenix.

Nico: Captain's Log, Stardate 12341.4: The U.S.S. Valorous Phoenix is en route to the planet Dagobah for the 6th Black Star Dragonball and also to battle a clone of Mia. Isabella is going to make sure that monster pays.

May: I can't believe we have to go to Dagobah.

Rarity: I know darling but it's just for this rescue.

Qin: Yeah. We'll go there, get the ball and kill the clone of Mia and get out.

Xenia: Yeah.

Camie: How hard can that be?

Nico: Sword Man, I want to thank you, Burn Rooster, and your teams for coming

Sword Man: Anytime Nico. This will be good.

Isabella Von Kessler: It sure will

Nico: Isabella, what do you like to do in your free time?

Isabella: Oh I like helping in giving the poor food.

Nico: Cool!

Qin: That is charitable.

Camie: Yeah.

Nico: That's actually a generous job to have

Me: It sure is.

Qin: Yeah.

Isabella: I agree.

Camie: Yeah.

Lola: Mia will NEVER understand what good love is.

Nico: No, she won't.

Qin: Yeah. Isabella we're sorry your house was destroyed by that bitch.

Laney: Yeah! No kidding!

Me: What a monster. She needed to be locked up from birth.

Nico: Yeah!

Isabella: I agree there!

Camie: That is for sure.

Me: Yep.

Luster Dawn: Yeah. By the way yesterday's mission was awesome.

Tirek: It sure was. Thank you all for saving me from myself.

Nico: No problemo.

Qin: Yeah.

Tirek: Boy this is gonna be fun being good. Better than evil.

Qin: Yep.

Luster Dawn: And my Akuma was one NASTY SUN!

Me: You're not kidding!

Mario: (Italian Accent) Like-a the one I fought.

Me: Yeah.

Qin: Yeah that was nuts!

Lola: It sure was.

Tayuya: And she had a really fucked up mouth as bad as mine.

Nico: We should've put soap in her mouth.

Me: YUCK! But I think because she was a sun she would have vaporized it.

Qin: Yeah.

Nico: You're right.

Luster Dawn: But I would never swear like that. I don't have a foul tongue like that.

Camie: Good.

Nico: But at least we know what happened with Opaline and how she deceived all the Equestria Big Bad 3.

Me: No kidding! What a shocker.

Nico: That was a shocking revelation

Tirek: It was. Opaline played us all for fools.

Qin: Yeah she sure did. I'm glad we killed her.

Camie: Me too!

Varie: Yeah no kidding.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Dagobah.

Nico: We're here.

Me: Planet Dagobah.

May: I always hate coming here.

Manaphy: We know, mama.

We engaged the landing and we got out.

We were on the swamp planet of Dagobah.

Lincoln formed shadow clones and they were carrying some of his future wives and Nico had a clone carry May.

Me: That works.

May: Thanks Nico.

Rarity: Oh thank you Linky.

Nico: So you don't get dirty

Ace Ukiyo: Wow.

Me: Rarity and some of the girls don't like to get dirty here. I keep telling them that being a superhero is a dirty job but someone has to do it.

Xenia: He's right on that.

Rarity: But many of us don't like getting dirty.

Lana came out covered in mud.

Lana: I don't mind covered in the mud here!

Poromon: Of course you don't.

Me: Yeah.

Lana: Don't knock it till you try it.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here on Planet Dagobah to get The 4 Star Ball, and just as we saw last night, it's in the hands of the clone of Mia, and we're also here to hunt down Sebastian who escaped from his room.

Lincoln was holding Rarity in his arms and he made clones of himself and was carrying all his future wives in their arms, Nico was holding May in his arms and he made clones of himself and was carrying all his future wives in their arms, and I was holding Varie in my arms and I made clones of myself and was carrying all my future wives in their arms as well, and everyone was also here with us too.

Me: Just as you told us this morning.

Nico: I can't believe a clone of that heartless rich-girl despising witch has been created and is here on Dagobah.

This time, we'll make absolutely sure she stays forgotten forever.

Anna Anyanova: You said it!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and his Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, as a vision orb formed in front of us, and we soon found out the real person who created that clone of Mia and sent her to Dagobah was Da Ji.

Lincoln: I don't believe her!

Nico: Oh shit, so the person behind that was none other than Da Ji?! She set Sebastian up, so that way, he could be kicked out because of his horrendous crime file and killed by us. (GROWLS) I have had it with that conniving fox!

Suddenly, Lincoln had a premonition, and it's not good: it appears our old enemy, Hundun, the demon of chaos and one of the enemies of The Mystic Realm is coming after us to kill us before we put an end to Da Ji's scheme.

Lincoln: Uh oh, looks like we got trouble.

Me: Lincoln, what's wrong?

Lincoln: It's not good, it appears that our old enemy, Hundun, the demon of chaos and one of the enemies of The Mystic Realm is coming after us to kill us before we put an end to Da Ji's scheme.

Me: WHAT THE?!

Nico: SAY WHAT?!

Nico's mouth went wide open and his skeleton came out.

Qin: Oh shit, that's not good!

Nico put his skeleton back inside his body.

Nico: I hate when that happens. Lincoln, I hope you absorb him.

Lincoln: That's what I'm going to do, Nico.

Ed Cowart: And we got to find Sebastian and fast, now that we finally know he was about to be made a patsy by Da Ji, we need to stop him before he does something really dangerous.

Lori: That lying fox went too far, but now, we know the truth.

Lincoln: She's going to pay for this when we go after Gerald Vexos, along with Orochi.

Crash Bandicoot: We better get going and fast if we want to kill the clone of Mia and get the 4 Star Ball back and kill Hundun.

Lincoln: Right.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and

eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday.

(Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the clone of Mia) AHA! There you are, you heartless witch! I just spotted the clone of Mia, she's 20 yards away, but she's coming right at us and she's out for blood again. (Sensed Hundun) And I just found Hundun, and by chance, we'll find Sebastian.

Nico: Let's tear them apart.

Mera heard a Pokemon cry.

Mera: Look guys!

We saw a Starmie.

Me: Cool a Starmie!

Misty: Looks like we found a playmate for my Starmie.

Camie: Yep.

Me: Oh the poor thing is hungry.

Starmie: Yeo I sure am.

I gave it apples and food.

Nico: How can it eat food with no mouth?

Me: (Shrugs)

Starmie: The jewel is my mouth.

She ate the apples.

Starmie: Ahh that was great.

Mera: Want to come with me?

Starmie: Sure!

Mera: Great!

Me. Awesome!

Lucy Loud: GASP! Look!

We saw a Regitox!

Me: Regitox!

Nico: What's that doing here?

Zipp: Wait I think it's...

She used her telepathy and gasped!

Zipp Storm: Noctilucent Aurora!

Pipp Petals: (GASP) WHAT!? Noctie is here!?

Nico: Your sister?

Pipp Petals: One of them.

Paula Price: Oh man! We got to help her!

Me: Lets go!

Me, Zipp, Pipp and Paula went to help her.

Zipp Storm: Noctilucent! It's me! Zipp!

Pipp Petals: And Pipp!

Paula: And Paula!

All she did was spray acid.

We dodged it. It hit a rock and dissolved it into slop.

Qin: WHOA! That is deadly acid!

Lola: No kidding!

Me: Lets see how she likes this!

I fired a blast of water and drenched her.

Maria: I'll join in too!

She fired waves of water and drenched her.

Zipp and Pipp and Paula fired waves of lightning and blasted her.

Me: Now for this.

I snapped my fingers and she reverted back and she had aqua blue and magenta hair and had blue eyes and had Regitox in the middle of her forehead and had dark brown wings and had a red and blue version of Zipp's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Zipp Storm: That was amazing!

Rainbow Dash: YEAH IT WAS!

Pipp Petals: Oh my glitter that was fun!

Nico: Yep.

She woke up.

Noctilucent Aurora: (Groans)

Pipp Petals: Noctie?

Zipp Storm: Are you okay?

She saw Zipp, Pipp and Paula.

Noctilucent Aurora: Zipp, Pipp, Paula? (GASP) It is you!

She hugged them.

Pipp Petals: We're so glad you are totes safe.

Zipp Storm: Same here.

Paula: Yeah.

Noctilucent Aurora: Yeah I'm glad you're okay too. What happened? Where am I?

Me: You're on the swamp planet Dagobah. You were turned into a Regitox, the Poison Titan Pokemon because of Dark Gale.

Noctilucent Aurora: (GASP) I remember!

FLASHBACK!

She was in a dark purple suit and strapped to a table and then she was injected and melted into slime and turned into Regitox and went through the sewer system out.

FLASHBACK ENDS!

Noctilucent Aurora: It was awful.

Me: I know. But we're going to kill Dark Gale soon.

Nico: How did you meet Paula?

Noctilucent Aurora: I met Paula during one of her baseball games and trained her for it and made her strong for it too.

Paula: It's true and she was awesome.

Me: Awesome.

Noctilucent Aurora: I see you got our leg cast off finally.

Paula Price: You have my so-called mother who kept it on because of that.

Me: We found out that Paula's mother was abusing her by feigning that she needed to keep the cast on to garner attention.

Noctilucent Aurora: Munchausen Syndrome by Proxy! I know that all too well! I'm sorry Paula. Where is your mother?

Paula: She's now in a prison for the rest of her life.

Zipp Storm: Noctilucent is an amazing detective and private eye. She taught me how to be a good detective.

Me: Wow so that's how you got your detective skills.

Zipp Storm: Yep.

Maria Hernandez: I remember hearing about what Paula went through. That was horrible.

Paula: Yeah. But it's all water under the bridge.

Me: Yeah.

Nico: What's your roll in Sonya's team?

Noctilucent Aurora: I am the poison master of the team. I make poisons to kill our enemies.

Me: Wow! They must be deadly ones.

Noctilucent Aurora: They are. But outside the team I am a detective and private eye just like Zipp said. I've solved some of Zephyr Heights and the worlds most dangerous cases.

Me: Cool!

Noctilucent Aurora: Yeah and also I'm an adventurer and a pilot. I want to be just like my hero Rainbow Dash.

Rainbow Dash: You want to be like me?

Noctilucent Aurora: (GASP) General Rainbow Dash! It's truly an honor! I loved all your stories and adventures and how you are an amazing Wonderbolt. I'm one of your biggest fans.

Rainbow Dash: It's awesome that you know all about me.

Ace: General Rainbow Dash?

Me: Rainbow Dash was promoted to General of the Wonderbolts before the magic in Equestria vanished and all of Equestria was divided by Opaline.

Ace: Wow!

Nico: Glad Rainbow has a fan

Scootaloo: And not just me.

Rarity: Lets get some new clothes for you darling.

The fashion brigade gave her awesome new magenta and aqua blue clothes and she had a poison sword with her.

Noctilucent Aurora: Wow! I look great!

Me: You sure do.

Nico: Another of Sonya's team with us

Sonya: That's right.

Me: Now to go after Mia's clone.

Isabella: Yeah!

We took off into the air and we set out to get The 4 Star Ball back and kill the Mia clone along with Hundun and send them to The Black Abyss and find Sebastian before he goes after Da Ji for revenge.

We were flying in the air, and we spotted our target: The 4 Black Star Dragon Ball, and it was in the hands of the clone of Mia, the heartless rich-girl despising witch created by Da Ji, and she was heading right for us in a fit of murderous rage again!

Lincoln: I've had it up to hear with that religious fanatic. This is where it all ends for you, you witch!

Lincoln fired energy blasts and elemental blasts from his massive white angel wings and four sets of large white angel wings underneath his massive white angel wings at the clone of Mia and they hit her and exploded, and she screamed in insane rage as we landed, and when she saw Isabella Van Kessler and Lincoln again, she went mad with rage and tried to attack them with a knife, but Lincoln fired Ki blasts that sent that old hag flying into a rock. She got out, but she bellowed and screamed with rage! Then, Lincoln used his telekinesis and got The 4 Black Star Dragon Ball to his hand.

Mia Clone: GIVE THAT BACK RIGHT NOW OR I WILL KILL YOU ALL!

Lincoln: Oh, shut up. You've got some nerve coming after us again, Mia.

Isabella Van Kessler: Despite being a clone, there's no mistaking the heartlessness you have around you, you heartless witch.

Mia Clone: SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! SHUT UP! YOU RUINED MY LIFE, MY PLAN TO TAKE OVER YOUR LIFE, EVERYTHING, AND I HATE YOU AND LINCOLN LOUD FOR THAT, YOU BITCH! I WILL KILL YOU, YOUR PARENTS, AND THAT FREAK IF IT'S THE LAST THING I EVER DO!

Isabella Van Kessler's energy aura flared up thanks to that witch's unhinged hate. Then...!

POW!

Isabella Van Kessler punched her hard in the face!

Lincoln: Do you have any idea of what your Mom had to suffer through?! She felt like she failed you, but in reality, it was YOU who failed HER! You gave into your unhinged hatred and jealousy and you hated everything from the day you were born into this world! You had it coming when we dealt with you two years ago when you showed up again, and now, we're getting rid of you for good.

Isabella Van Kessler: And we'll piss off Da Ji even more by getting rid of her creation.

Lincoln: You said it, Isabella.

?: (Echoing Demonic Voice) I cannot allow you to interfere with this delightful chaos Da Ji brought with her.

Suddenly, we saw our secondary target, Hundun, the four-armed winged humanoid canine demon and lover of chaos.

Lincoln: I knew you'd come, Hundun, but this needs to end here and now.

Rarity: Do not worry about me, Lincoln. Take care of that brute and show him no mercy.

Rarity flew out of Lincoln's arms.

Lincoln: Got it.

WARRIORS OROCHI 3 ULTIMATE OST: ROAR OF SIGHT MARRED

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice and went after Hundun, and they clashed as

Lincoln's greatsword clashed with Hundun's Endless Chaos hatchets, and flames erupted.

Then, Lincoln disarmed Hundun of his hatchets, and he punched the demon hard in the stomach and sent him flying into a tree, but instead of being enraged, he laughed at the excitement.

Hundun: (Echoing Demonic Voice) (Laughing Malevolently) Yes, this is perfect, too perfect. It's been a long time since I've ever had this much fun!

Lincoln: Your fun's about to end!

Suddenly, Lincoln turned one of the tips of his eleven massive and long white wolf tails into Cell's stinger and it opened into a large sucker, and he latched it onto Hundun's head as he tried to fight back, but couldn't. Then, with Hundun subdued, Lincoln sucked him into his body and absorbed him as he assimilated the demon's immense demonic powers and unholy demonic strength, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Suddenly, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 105'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 85'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 65'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 45'0" and the second another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 25'0", and his large white wolf ears on his head and eleven massive and long white wolf tails grew a bit larger.

Then, when Lincoln was done and the stinger changed back, his massive greatsword then absorbed Hundun's Endless Chaos hatchets, and he also drained the soul of Hundun of all his energy and sent him to The Black Abyss.

Lincoln: And that is the end of you.

Suddenly, we saw a figure flying into a tree after being attacked: it was Da Ji, and we also saw yet another figure heading for her: it was Sebastian, and he was absolutely pissed at her!

Nico: Sebastian, thank goodness we found you. Listen, we know it wasn't you who made that clone of Mia, it was Da Ji, she...!

Sebastian Mendez: I know, she made that clone of that witch and set me up because of my crime file. Now, I'm pissed off at that witch.

Me: Oh and May, Mia called you a Fatass Whore.

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

But, just when I was about to be proven right, we saw Eli do the worst thing anyone could ever do to the Mia Clone: HE GOT OUT A BOMB AND STUFFED IT INTO HER THROAT, HE RAN AND THEN...!

Me: A Scrange! Whoa!

Tentacool fired chickens as arrows and one skewered her in the butt and she screamed and eggs came out of her mouth.

Jirachi put bullseyes on her and blasted her.

Horsea: There were no pumas here.

Me: On Dagobah? No there aren't.

Qin: Yeah.

Horsea: I had to improvise.

Me: Yeah.

Suddenly, Isabella Van Kessler's blue eyes turned neon blue and she was surrounded by a sky blue, white, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, phoenixes, and angels, she unholstered her massive light greatsword, and as she approached the clone of Mia, she left sky blue, white, and blue energy, stars, aura energy, white and blue heavenly flames, light, phoenixes, and angels with every step.

Isabella Van Kessler: I truly thought we were rid of you forever when you came back from The Black Gates to get revenge on us again and you got sent to The Black Abyss, but it looks like I was wrong. Da Ji created a clone of you using a sample of your blood. Even after all that, you refuse to quit and now, you come back again to still kill me and Lincoln. That's it, I've had it up to hear with you, you heartless rich girl despising witch, this time, I'm putting you down once and for all, and this time, you better not even think about coming back again.

We were amazed by Isabella Van Kessler's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when the clone of Mia saw it, she went absolutely insane beyond imagination and ran at Isabella Van Kessler to kill her yet again, but Isabella Van Kessler fired a massive barrage of blue, white, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, winds, phoenixes, and angels which hit the clone of Mia and sent her flying into another rock, she got out again, and she was even more madder than ever!

Lightstorm Light Fury Gisela, Blade of Goldnight Phoenix God Archangel Love) Your end has finally come, This is where you die once and for all, Mia. But, before that, here's someone who has more than a few unpleasant words to say to you.

Then, Mia's mom appeared, and she was absolutely pissed off.

Mia Clone: (Nervously) Mom...?

Mia's Mom: Don't you dare say another word to me, you little bitch! J.D. showed me the proof of all of your malicious actions towards Isabella after you were dealt with not too long ago! LOOK AT IT!

MIA'S MOM POINTED ANGRILY TO THE MASSIVE FILE CABINET OF ALL HER DAUGHTER'S MALICIOUS MISDEEDS TOWARDS MIA!

Mia Clone: FUCK YOU, YOU OLD CRONE!

WE GASPED!

SUDDENLY, MIA'S MOM FINALLY SNAPPED AS WE SAW FLAMES APPEAR BEHIND HER! THEN, SHE SLAPPED HER DAUGHTER HARD IN THE FACE AND SHE WENT FLYING INTO A TREE!

Mia Clone: What the heck?!

Mia's Mom: YOU GODDAMN BITCH!

Mia Clone: (SHRIEKS IN TERROR)

Mia's Mom: I can't even believe you're my daughter! I did my best to raise you right and give you the love and attention you needed, but instead, you failed me and you decided to give into your jealousy and hatred, and what made it worse was that you hated everything since the day you were born. I've loved you with all my heart, but you showed nothing but hate towards me and everyone around you, and with all the lying you've done to Isabella over the years, the malicious defamation of her, and the constant assaults you've done to her so you can take over her life and leave her with nothing, I'm so glad Lincoln exposed you and got you kicked out of the house! But, what you did in burning down their home, you've lost any chances of forgiveness from me! You're no daughter of mine, you're just a plague upon humanity, a Spawn of The Devil, a worthless loser, and a heartless, lying, conniving, sadistic, miserable bitch with a heart of darkness who deserves nothing but death like the dog that you are!

WE GASPED IN SHOCK!

Mia's Mom: Mia, because of everything you've done to Isabella Van Kessler, you are hereby disowned from the family forever, and I'm also calling the relatives and telling them about what you've done, and they're also going to cut all ties with you forever.

When the clone of Mia heard the word disowned, her face turned pale. But, then, her eyes turned red with rage and she absolutely lost it and she snapped and had a major Kurata Style breakdown right at Lincoln and Isabella Van Kessler.

Mia Clone: GODDAMN YOU! GODDAMN YOU! GODDAMN YOU! GODDAMN YOU ALL! I CAN'T FUCKING BELIEVE THAT YOU ALL RUINED MY CHANCES TO FINALLY GET RID OF YOU AND LINCOLN AND HAVE MY REVENGE! YOU ARE NOTHING MORE THAN A TOTAL NUSIANCE TO EVIL'S

GLORIOUS REIGN! IF YOU BOTH HADN'T GOTTEN IN MY WAY, I WOULD'VE DESTROYED EVERY LAST RICH PERSON'S HOUSE IN THIS PATHETIC CITY AND KILLED EVERY LAST PIG AND LOSER HERE! BUT, YOU! YOU RUINED EVERYTHING! I HATE YOU, LINCOLN LOUD AND ISABELLA VAN KESSLER! I DESPISE YOU ALL, TEAM LOUD PHOENIX STORM! HATE! HHHHHHAAAAAAAAATTTTTTTTEEEEEEEE!

SUDDENLY, LINCOLN AND ISABELLA VAN KESSLER'S RAINBOW, WHITE, AND BLUE ENERGY AURAS AND ALL OUR RAINBOW ENERGY AURAS HAD FLARED UP EXTREMELY AS WE ALL GAINED A VERY ASTRONOMICALLY MASSIVE POWER BOOST OF EPIC PROPORTIONS FROM MIA'S EXTREMELY AND MEGA POWERFUL TOXIC HATRED OF LINCOLN AND ISABELLA VAN KESSLER!

Me and Nico: YEAH, FUCK YOU TOO, BITCH! (GAVE HER THE MIDDLE FINGER)

Lincoln: And those are your final words, and now, we're going to put you down once and for all, Mia, and this time, I'm going to make sure you never ever come back!

Everyone: YOU DESERVE TO DIE LIKE THE LOSER THAT YOU ARE, YOU TOXIC BITCH!

Mia Clone: I WILL KILL ALL OF YOU!

Caleb Maxwell shot her in the arm as a warning shot, but the pain and suffering was about to start.

Let's get her!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF THE CLONE OF MIA EVEN MORE TO NO FUCKING END! NOW, THE BATTLE TO FINALLY DESTROY THE LAST TRACE OF MIA WAS ON!

Lincoln, Isabella Van Kessler, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis

Tackett, James Blunt, Nico, and I and all of us went after the clone of Mia, and we fired extremely powerful blasts of rainbow, white, and blue energy, blue, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at the clone of Mia and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Isabella Van Kessler did the same by firing blue, white, and blue energy slashes from her gold plated claws and her massive greatsword, and Lincoln, Isabella

Van Kessler, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was really really making the clone of Mia even more angrier and even more insane than ever, if that was even possible.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit the clone of Mia, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Mia, this is where your rampaging madness ends here and now.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound the clone of Mia.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship

Then, Lincoln charged and smashed his rainbow energy infused left fist into the clone of Mia's stomach and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here and now!

Lincoln attacked her with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit the clone of Mia hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and the clone of Mia was on her last legs and she was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty,

Isabella. You betrayed your mother, and you hated Isabella with your twisted black heart. You belittle life and have nothing but cruelty in your twisted black heart, and you've caused all sorts of pain and suffering. You deserved to have your life ruined by your own actions, and now, this is where you meet your end.

Lincoln raised his massive greatsword above the clone of Mia's head, and then...!

SLASH! SQUELCH!

LINCOLN BEHEADED THE CLONE OF MIA AND HE SLICED HER BODY TO RIBBONS AND HER HEAD AND HEADLESS BODY BURST INTO WHITE AND BLUE FLAMES AS THE HEAVENLY FLAMES CONSUMED HER HEAD AND HEADLESS BODY AND SHE WAS FINALLY BANISHED TO THE BLACK ABYSS FOREVER!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Good riddance forever, you heartless witch.

We cheered wildly as we holstered our weapons and powered down and Isabella Van Kessler's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four orbiting large gold rings behind her head, twenty large blue and black planets orbiting around her legs and twenty smaller blue and black planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized blue and black planets orbiting around her wrists and ankles, eleven massive and long black wolf tails, and massive white angel wings and four sets of large green angel wings underneath her massive white angel wings are permanent.

Isabella Van Kessler: I never want to see your face ever again, you unhinged witch. You caused me, Mom, and Dad enough pain for one lifetime.

Lincoln: She deserved it, Isabella.

Nico: We finally did it, we got rid of the last trace of Mia for good.

Suddenly, Lincoln's timer went off, and his Phoenix Retribution Firestorm Vengeance Curse that he put on Da Ji went up significantly.

Lincoln: Hah, serves you right, Da Ji. It won't be long before you finally die once and for all.

Suddenly, we saw an army of 3,000 thugs and mercenaries, no doubt hired by Mia to kill us all in the event of her getting killed.

Lincoln: Seriously?! You just don't know when to quit, do you, Mia?

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and ten-pack abs were covered in tan fur, his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his long wild white hair turned brown with white streaks and became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he turned into Lincoln The Nocturnal!

Lincoln: (HOWLS AND BEATS HIS CHEST LIKE A GORILLA)!

THEN, LINCOLN RAN AT THE ARMY OF 3,000 THUGS AND HE TORE THEM APART AS HE THRASHED THEM INTO THE GROUND AND SLASHED AT THEM WITH HIS GOLD-ARMORED DRAGON CLAWS, AND THEN, HE TURNED THE TIPS OF HIS TAILS INTO CELL'S STINGERS, AND HE STABBED THEM INTO THE THUGS'S CHESTS, AND ONE BY ONE, HE BEGAN ABSORBING THEM, AND HIS ABNORMALLY MASSIVE AND POWERFUL UPPER AND LOWER BODY MUSCLES BULGED EVEN MORE AND VEINS FORMED ON HIS BODY, AND HIS MASSIVE WHITE ANGEL WINGS AND FOUR OTHER SETS OF LARGE WHITE ANGEL WINGS UNDERNEATH HIS MASSIVE WHITE ANGEL WINGS SPREAD OUT AND HIS HALO GLOWED, AND HE BEGAN GROWING EVEN MORE STRONGER!

FINALLY, WHEN LINCOLN WAS DONE AND THE STINGERS CHANGED BACK, HE BANISHED THEIR SOULS TO THE

BLACK ABYSS AFTER HE DRAINED THEIR SOULS OF ENERGY!

Lincoln: (Beastly Voice) That's it for them.

Lincoln reverted back.

Eli: That was gruesome. (Sensed the Anothers) Aha! And I just caught the Anothers.

Nico: Looks like we got one last part of business before we leave Dagobah.

May: The sooner the better.

Me: Yep.

May: Can we please go home now?

Me: We were just about to go home anyway. We'll have to face the Anothers on the ship.

Camie: Good idea.

We went back home to Earth.

May: WHEW! I hate that planet.

Me: I know. Twilight and everyone sorry you had to see all that.

Twilight Sparkle: It's okay.

May: But J.D. I know that you were just getting me mad but that was clever.

Me: Thanks.

Mr. Krabs: (LAUGHS) Yeah that was great.

Me: Sorry about that guys but it was clever.

Nico: Nice job, Starmie.

Starmie: Thanks Nico! It was fun.

Poromon: Want some beer?

Starmie: Sure!

Poromon: Yay!

Starmie had some beer and drank it.

Starmie: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the beer party. (BELCH)

Starmie was drunk!

Poliwag: Sing the ABC's!

Starmie: (BELCHING AND SINGING) ABSHWMEJVKANFSJVJWMGISLCHBWNVOS!

WE LAUGHED HYSTERICALLY!

Nico: Oh, Sword Man, what do you like to do in your feee time?

Sword Man: I make weapons and armor suits and it's fun.

Camie: Cool!

Nico: That is cool.

I snapped my fingers and Starmie was back to normal.

Me: Funny.

Poromon: We're gonna watch something educational later

Me: It's not a Robot Chicken Sketch is it?

Jiraiya: If it is, I hope it's the Toy Story one about Spring Break!

POW!

Nicole punched Jiraiya in the kiwis!

Poromon: It's not. It's an autobiography.

Me: Good.

Nico: An autobiography, huh?

He showed it to us. It was about Krakatoa.

Me: Krakatoa, The First Modern Disaster. I remember seeing that one. It was intense.

Nicole: That was one of my favorites. It was one of the documentaries that made me want to study about volcanoes

Nico: Cool.

Maria: Can we watch with you guys?

Poromon: Sure!

Poliwag: Yeah!

Me: Awesome!

Varya Volcano: I've always wanted to know more about Krakatoa.

Me: Krakatoa was once of the deadliest eruptions of Indonesia in the late 19th Century.

Nico: Yep.

Nicole: We saw Krakatoa in our worldwide adventure in 2017.

Camie: Wow!

Me: I'll tell you guys all about what we did during that time too.

Horsea: Watching it won't be too boring

Me: Nope. It'll tell us what went down back on that day in 1883.

Xenia: Yep.

Nicole: And it will be awesome.

Lola: Yeah.

Camie: I can't wait.

Horsea: And we'll have plenty of popcorn

Laney: Awesome!

Lola: Also this will be perfect. My class is doing a report on Krakatoa so I need to take notes for it.

Poromon: We can gladly help with that.

Poliwag: Wait. There's still school today?

Lola: There's inservice day because of a meeting.

Poliwag: Oh.

Me: Well we still have plenty of time before Spring Break.

Camie: Yep.

Jiraiya: Funny I mentioned the Sketch about Spring Break, huh?

POW!

Nico punched him in the face and knocked him out.

Nicole: Yes but nobody asked you pervy sage!

Poromon: Sorry, Jiraiya. But there's no nudity in this autobiography

Jiraiya: (Dazed) Aw drat!

FWOMP!

He was out cold.

Camie: Ouch.

Poromon: It's just going to be a simple autobiography. That's it

All of us: We know.

Qin: Yeah.

Poromon: Okay.

Manaphy: I'm sitting next to Poromon.

Horsea: Me with Poliwag.

Me: Okay.

Qin: Yeah.

Mevya: I guess I'll sit in the back.

Nico: Yep. Now lets head to the gym.

We did so for the Anothers.

We arrived.

Me: Okay.

Nico: Where are the Anothers?

Eli: They're coming. We have Another Burn Rooster, Rice, Smile Pinkie Pie, Keldra, Ikargen from Kyuranger, Whiplash (He-Man) and Captain Ahab (Dexter's Lab).

Nico: WHOA!

Qin: Another Rice!? WHOA!

Lola: Wow!

Me: So Sword Man, Isabella Von Kessler, Elidea Eternia, Ayane, Rinoa Heartilly and Aerith are up.

Eli: Yep. And one of the Anothers is coming.

Nico: There they are!

We saw ANOTHER SMILE PINKIE PIE!

Me: Another Smile Pinkie Pie!

Qin: WHOA!

Another Smile Pinkie Pie: This grin is unbearable!

She reverted back and we saw that it was the gene-slammer of Flame Cerebrus! She had not one, not two but THREE HEADS!

Nico: (GASP) Fiona, Farah and Fi Cerebrus!

Qin: The Cerebrus Triplets.

Fiona Cerebrus: Awesome to see you Nico.

Farah Cerebrus: It sure is.

Fi Cerebrus: Yeah that is for sure.

Juran: SHE HAS THREE HEADS!?

Me: She is a true medical miracle. One body and 3 heads.

Nico: Yep. The Cerebrus Twins were triplets that have 3 heads but share one body.

Me: Yeah. Boy that must be really hard for you to share 1 body like that.

Farah Cerebrus: I know. But we're used to it.

Fi Cerebrus: Yeah it's fun. We get a lot done as one.

Nico: And the others?

Farah Cerebrus: Oh they'll be here shortly. We wanted to go first to save the trouble of all three of us being identified.

Nico: Oh.

Lincoln: I see. Lets separate you.

We did so.

Twilight: THIS ABOMINATION MUST DIE!

THE MANE 8 JUMPED THE ANOTHER SMILE PINKIE AND MERCILESSLY THRASHED IT ALL OVER! I then caught the Wonder Ride Book and purified it.

Manaphy: Geez!

Me: They learned it from you guys.

Manaphy: True.

Me: Here they come!

We saw Another Keldra, Ikargen from Kyuranger, Whiplash and Captain Ahab (Dexter's Lab)!

Me: WHOA!

Qin: This will be fun1

Another Keldra: I agree.

They reverted back and were the gene-slammers of Bolt Escargot, Hitodenchak, Fiend Kraken, Fairy's Gift, and Dancing Elf!

Nico: Marina Escargot, Roxy Fairyius, Kayley Hito, Admiral Catherine Skunksquisher and Serena Waltz!

Serena Waltz: Great to see you again Nico.

Admiral Catherine Skunksquisher: Aye Matey. Good to see ye again Nico.

Mr. Krabs: Always good to meet a fellow sailor.

Me: Wait Admiral Catherine Skunksquisher, the most feared pirate to all pirates since Captain Blackbeard back 300 years ago?

Admiral Catherine Skunksquisher: Aye lad.

Me: I've heard so many incredible things about you. You became a powerful dread pirate in such a short amount of time and made a powerful loot that surpasses that of all the pirates in the world throughout history combined.

Jack Sparrow: Aye that is amazing lass.

Admiral Catherine Skunksquisher: Tis true mateys.

Me: By the way are the Another Burn Rooster and Rice friendly or hostile?

Kayley Hito: Friendly and both are awesome.

Roxy Fairyius: That' right.

Me: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

Apple Bloom: LOOK OUT!

We saw a bowling ball coming at us!

Me: HIT THE DECK!

We ducked and it we saw smash the Another Rice in the face!

KRASMASH!

Me: OOH MAN! THAT'S GONNA HURT!

Nico: YIKES!

The Another Burn Rooster came too.

Another Burn Rooster: This always happens to her.

Me: (GASP) That voice!

She reverted back and it was the Embodiment of Season!

Me: Salina Season! Wow!

Salina Season: Awesome to see you again J.D.

Me: Same here. Salina is the embodiment of the Season Dopant and she is a master of all things related to the 4 seasons. Including where chickens lay their eggs.

Burn Rooster: Kind of like me. Because I am a chicken.

Ed: CHICKENS!

Salina Season: Yeah.

Me: Yeah.

But then...

KRASMASH!

A basketball hit Another Rice in her face.

Me: OOH! That must've hurt!

Nico: Yeah! Who is your friend?

Another Rice: (Dazed) Someone Rice knows.

Rice: That voice!

She reverted back and was a brown hair little version of Rice but she had nasty bruises all over her body and had a nasty black eye!

Rice: (GASP) Selma!

Selma: Stay away sis! I'm cursed!

BONK!

She got hit in the head with a golf ball!

Me: OOH! OUCH! You're cursed!? How?

Selma: I got a bad luck fortune cookie and I am cursed! I keep getting beaned all over with sports balls!

Qin: Ouch!

She got hit in the mouth with a baseball!

Lynn: OUCH! That must've hurt!

Camie: YIKES!

She got hit in the face with a soccer ball!

Qin: OOH! Ouch!

Lynn: Boy this curse really has it out for you!

Xenia: At least it's not as bad as Faye Paine's curse. She got really mutilated!

Faye Paine: No kidding there.

KRASMASH!

She got hit in the stomach with a bowling ball!

Me: OOH! Nico lets help her!

We went and brought her over!

Salina Season: Man this curse is bad!

Samson: Welcome to my world Selma. I keep getting hit all over with volleyballs and they hurt.

Selma: Ouch.

Me: You should save seen happened with the Telephone of Despair. Eddy got the shit beaten out of him by it.

Eddy: It's true.

Varie was healing her. I caught a blue bowling ball.

Me: WHOA! Heavy. 16 pounds.

Kaito (gets out Bioman gear): Did Swartz promise you anything?

Zocks (gets out Dynaman gear): Because we can grant it instead.

They got Bioman and Dynaman weapons.

I caught a basketball.

Me: And one of those promises must have been stop Selma's bad luck.

Salina Season: Yeah it was. But before he could offer it he got hit by a massive avalanche of bowling balls and we ran.

Sakura Knudson: That explains why all those bowling balls mashed him.

Lincoln: Yikes!

Lynn caught a baseball.

Lynn: But at least we're not going to run out of sports balls from this.

Anna Knudson caught a tennis ball.

Anna Knudson: No kidding

Sougo (gets out Bioman Ridewatch): When we get home, we're freeing you from that curse.

Geiz (gets out Dynaman Ridewatch): Immediately!

Sougo got Red1Armor while Geiz got DynaRedArmor

I caught a bowling ball!

Me: Big time.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets do it!

Nico: (gets out Burn Rooster's Ridewatch) Cock a Doodle Doo!

Cosmo: NO! (EXPLODES)

He exploded like a firecracker!

May: (Gets out Keldra's ridewatch) ETERNIA IS MINE!

Maria: (Gets out Whiplash's ridewatch) I WILL BASH YOU!

Isabella: (GETS OUT SMILE PINKIE PIE'S RIDEWATCH) I will make you smile!

They used the powers of Burn Rooster, Rice, Smile Pinkie Pie, Keldra, Ikargen from Kyuranger, Whiplash (He-Man) and Captain Ahab (Dexter's Lab) and smashed the anothers

Jareth, Dementors, Universe 666 Jason Voorhees, Vengeance Express Rolf, Gollum and Vengeance Express Nazz then came.

Me: COOL!

Nico: Nice team Jareth!

Jareth: Thanks Nico.

Jewel Man: My team is next!

Me: Yep.

?: That is cool!

Ankylomon came!

Me: Ankylomon! Wow!

Ankylomon: (In a girls voice) Yep.

Nico: (GULP) Renee Ankylo!

She reverted back and was a girl with gold hair, blue eyes, yellow clothes, yellow angel wings and had Ankylomon on her forehead, skirt and shirt and had an Ankylosaurus tail and she had a jewel sword in her hand.

Renee Ankylo: Good to see you again Nico. I got this.

She fired waves of energy and blasted the anothers and I caught the ridewatches and purified them.

Me: YEAH!

Renee Ankylo: YEAH! And Nico?

KRASMASH!

She bashed him in his face with a powerful punch that knocked him flat on his butt!

Nico: OUCH!

Me: WHOA! What a powerful punch!

Nico: What did I do?!

Poromon: Whatever it was, me and Poliwag were not involved!

Renee Ankylo: THAT WAS FOR STANDING ME UP ON MY DATE!

Me: When was this?

Renee Ankylo: It was 12 years ago.

Qin: Renee and Nico used to date before he met Candy. But Nico stood her up back then.

Me: Was there any reason?

Qin: I don't know the full extent of the details.

Me: Oh boy.

Nico: You're still mad about that!?

Renee Ankylo: YES I AM! DO YOU HAVE ANY IDEA HOW HURT I WAS?!

Me: Renee I'm sure Nico had his reasons for it!

Nico: Okay, I can explain everything!

Renee then beat him up!

KRASMASH KRASMASH KRASMASH! KRASMASH!

SHE WAS REALLY THRASHING HIM BAD!

I stopped her!

Me: Renee! Calm down and let Nico talk. He had his reasons.

Nico: Yeah Renee! I had to answer a call to destroy a massive counterfeiting operation. You know I am always helping to save the world.

Renee Ankylo: Is that the reason?

Nico: Yeah! The operation was bigger than I thought and it took me all night to stop it!

Renee Ankylo: Oh man. Nico I'm sorry.

Poromon: Me and Poliwag had nothing to do with it!

Renee Ankylo: I know guys. It wasn't your fault.

Nico: Yeah I was so busy that I COMPLETELY Forgot.

Me: That happens from time to time.

Qin: Man what a brutal operation that was.

Me: Yeah.

Isabella: Do you have a favorite memory of Nico?

Renee Ankylo: I sure do. I like showing Nico my secret room and it was a crystal cave. Whenever I need solace I would go there to rest.

Me: Cool! I'm sorry that Nico missed your date but maybe we can make up for it for you. And this time no counterfeiters to stop it.

Nico: Yeah!

Renee Ankylo: I would like that very much.

Nico and Renee hugged.

Renee Ankylo: I'm sorry Nico.

Nico: It's okay. But I missed you.

Renee Ankylo: Me too.

I looked up the story.

Me: Here it is. Nico Chan busts massive counterfeiting operation after 14 hours of work.

I showed the story.

Nico: That's it.

Renee Ankylo: Oh man! I had no idea. I didn't know.

Nico: It's okay.

We later went back home and removed the curse from Selma.

Plus, we're going to find out it's because of a dark curse that was put on the place since 1985, so we are going to end it and send the restless spirits to their eternal rest, along with killing the person who was behind that: the dangerous and evil old enemy of Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková, Alexander Procházka, and the very dangerous serial killer who terrorized The Czech Republic for years and who murdered tens of thousands of people and enjoyed spilling their blood, and it turns out he was the one who put that curse on the apartment using black magic, so that he can see more people kill themselves, and he also came back from the dead seeking revenge, so we're killing him and sending him straight to The Black Abyss.

Lincoln: Ah, we're here in the eastern part of Manhattan, and I know what we're going to do here, not only am I going to rescue the eighteen girls here, but our emergency is at an apartment in the eastern part of Manhattan.

We arrived at the apartment, but we felt something was really dark.

Caleb Maxwell: Yes, but this apartment has a dark aura of dread: there was a history of murders and suicides that took place there long before I died, and due to it, those who went in there were either murdered or took their own lives and were left as restless spirits, and it's also where my four old friends, Mark Davis, Logan Michaels, David Johnson, and Benny Edwards, also committed suicide. It was due to a stupid dare those four wanted to do and dragged me into it. But, I ran out of there due to hearing the screams of the dead, and as soon as my mark reacted to Cage and Travis coming again, I ran for home. The next day, those four were found dead with their throats slit with a knife.

Nico: Jeez.

Me: Man, that's just dark.

Sword Man: But, how can a building force people to commit suicide?

Lincoln: Buildings don't have that kind of power, no, the only way for that to happen is if a dark curse is responsible for it. Let's head inside and find out.

We headed inside, and the darkness and dread here was really strong, and we saw the spirits of the dead victims who committed suicide over the years. Then, we saw the ghosts of Caleb Maxwell's four old friends, Mark Davis, Logan Michaels, David Johnson, and Benny Edwards, and they look like they did when they were found: throats slit and clothes covered in blood. Suddenly, they guided us to the main lobby of the apartment, and there, we found a black magic sigil.

Cage Blunt: What on Earth is that?

Lincoln: It's a black magic sigil: the sign of black magic. This is no doubt European Black Magic, but we need to sense who put this dark curse on the building and triggered the decades of suicides here.

Lincoln drew a white magic sigil: the sign of white magic, and it activated as the sigil began to show us the events of what happened, as it took place in 1985, a month before The Hallowshade Bloodbath began. But, then, we saw a man head inside the apartment to the main lobby, and then, he killed an innocent man and used his blood to draw the black magic sigil, but then, we saw his face, and we were pissed off to see who it was: the caster was none other than Alexander Procházka, the very dangerous serial killer who terrorized The Czech Republic for years and murdered tens of thousands of people and enjoyed spilling their blood and the old enemy of Laura Baránková, Erika Dědinová, Helena Zelenková, Andrea Nezbedová, Radana Růžičková, and Marie Nováková.

The spell ended.

Lincoln: So, that's who it was that did this?!

Laura Baránková: (Czech Accent) It was Alexander Procházka! Damn him! He was the one who put that curse on the apartment using black magic, so that he can see more people kill themselves! His bloodlust knows no end!

Lincoln: And he's come back from the dead seeking revenge. Well, that ends here and now. First, we better remove the curse.

Lincoln drew a purifying white magic sigil, and he chanted an incantation and fired a beam of light into the sigil, and then, it worked its magic. Suddenly, we saw the black magic sigil that was put up by the Czech serial killer decades ago beginning to react in a truly nasty way, and finally the curse began to break as the black magic sigil began to break and fade away into darkness, and the spirits of everyone who died there over the years began to cross over to the other side.

Lincoln: That should do it, now we need to hunt down Alexander Procházka and kill him once and for all.

We left the apartment.

Caleb Maxwell: He could be anywhere in Manhattan's east side.

Suddenly, we saw a massive beautiful beautiful dragon flying in the skies as it left an awesome trail of green fire as it crackled in the skies, and then, it landed, and it turned into a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long green hair, green eyes, green dragon wings, white short-sleeved blouse with a phoenix on it, green sleeveless crop top, green skirt, green hairband, green knee-high high heeled boots with butterfly buckles, a dragon on her forehead, long white sleeveless trenchcoat with stars, fire, flames, dragons, phoenixes, and angels on the coattails, and on the back is the phoenix, she has a fire greatsword, and with her are the eighteen girls.

Lincoln: (GASPS) Dana Dragon, Avatar of The Dragon.

Dana Dragon: That's right, and I got the girls away from Alexander Procházka.

Caleb Maxwell: Yep.

?: (Czech Accent) YOU WILL ALL PAY FOR FREEING MY PLAYTHINGS!

We then saw our target: Alexander Procházka, and he was pissed off that we ended the curse that he put on the apartment decades ago and freed his victims from their eternal suffering.

Laura Baránková: (Czech Accent) You unforgiveable serial killer, you're going to die once again, and this time, you will fade into obscurity!

Lincoln: And they aren't your playthings, Alexander, those are innocent people who killed themselves because of your curse!

Alexander Procházka: (Czech Accent) I do not care! All I ever live for is to spill the blood of these playthings and see their life run out! (LAUGHING MALEVOLENTLY)

Me and Nico: YOU'RE FUCKING INSANE!

Lincoln: This is why Laura and her friends had to kill you, you were too much of a danger to every last innocent person in the world. If you were left to run free, no one would be safe, and you wouldn't stop until you slake your thirst for blood. But, that ends here and now, this will be the last time you'll ever be free to kill again, prepare to die, Alexander Procházka!

Lincoln fired rainbow, white, and blue energy blasts that disarmed Alexander Procházka of his knife, and he fired more energy blasts that also forced out many other weapons: guns, knives, machetes, and he even found many more black magic scrolls he had on his person.

Nicholette Torrington: Those are black magic scrolls written in Czech, those were stolen from a tomb in the east of Prague. So, that's how there've been more reports of suicides attributed to the cursed buildings in the east of Prague, and it was long after Laura and her friends sent you to prison for good before they moved to Michigan. You've gone and toyed with the powers of darkness for the final time, you bloodthirsty serial killer. Boys!

Then, Lincoln swung his massive greatsword and he fired rainbow, white, and blue energy blasts that turned into blades of light, and they skewered Alexander Procházka all over his body, and the last blade of light pierced his black heart, and he turned to dust and was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: And that is that for Alexander Procházka, and may he never return. (To Dana Dragon) And it's so good to see you again, Dana.

Dana Dragon: You too, Lincoln, it's been seven years since we last met.

Suddenly, Dana Dragon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. Dana Dragon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Dana Dragon and hugged her, and Dana Dragon is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit

Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Dana Dragon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Dana Dragon, Avatar of The Dragon, she's Lincoln's Guardian Angel and she's known as The Dragon Mage of The Avatars of The Mythical Beasts, a group of girls who are Avatars of the most powerful mythical beasts and creatures of legend formed during ancient times. Dana is a powerful master of the powers of fire and the powers of The Dragon. She lived during an age of war and she was said to have lived with a group of dragons, and over time, as she grew, she gained all of the incredible strengths and powers of the dragons along with immortality, and she'd fought to defend the dragons from the hatred and fear wrought on by the paranoia that humans had towards dragons, and many centuries later, there was one person that harbored a true love for everything, and that also really strengthened the love and joy she had in her heart, and that person is none other than Lincoln, and she flew out and she met the person that brought that love to her, and she also became one of his most powerful Guardian Angels, and she trained him in mastering the powers of fire and the powers of The Dragon, and he also gained all of the incredible strengths and powers of the dragons. Lincoln made her a powerful fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Enya kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and they were unable to try and kill her because she always comes back from the dead and she grows even stronger than ever, and if anyone dared to anger her by hurting Lincoln, they'd face the wrath of The Dragon.

Nico: We were really stunned when we found out about all of you, and that you're the Avatars of the most powerful mythical beasts and creatures of legend and myth.

Me: Same here.

Lincoln: There's more of them to meet in the days to come, and that alone will drive the jerks mad with fear, and now that you're here, Dana.

Lincoln with his massive muscular arms still wrapped around Dana Dragon leaned his head down tp the right side of Dana Dragon's trapezius, and he slowly bit her and he fed on her blood, and his rainbow, white, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large white feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Dana Dragon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dana Dragon with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Dana Dragon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dana Dragon.

Dana Dragon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Dana Dragon's waist, and he leaned down to her face and kissed her on the lips, and with Dana Dragon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Dana Dragon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Dana Dragon: (In Heaven) My God. Oh, Lincoln, the eighteen girls I rescued are...

Travis Tackett: And that's our cue to go.

We left for The World Tree Estate leaving Lincoln, Nicole, and his harem. Then, they went up to the eighteen girls, and when Lincoln saw them, his nose was gushing out blood when he saw them and he immediately recognized them. The eighteen girls are Nana Bassler from Plunderer, Azena, Hera, Maki Fujisawa, Mika Fujiki, Minayo Doumoto, Miyabi Terakado, Sayu Yanagihara, Succu, Succuvas, Vas, and Yuka Chiyotani from Goddess Great War, Judy Abbott from Twelve Forever, Tari, Belle Fontiere, Lucinia Porter, Evelyn Claythorne, and Sofia Porter from Meta Runner.

Lincoln: Oh whoa, it's Nana Bassler from Plunderer, Azena, Hera, Maki Fujisawa, Mika Fujiki, Minayo Doumoto, Miyabi Terakado, Sayu Yanagihara, Succu, Succuvas, Vas, and Yuka Chiyotani from Goddess Great War, Judy Abbott from Twelve Forever, Tari, Belle Fontiere, Lucinia Porter, Evelyn Claythorne, and Sofia Porter from Meta Runner.

Nicole: Travis was right telling everyone to go, and I saw why: these girls are really beautiful, voluptuous, and sexy.

Lincoln: And easy targets for perverts, which means if I see any perverts, I'll beat them up. Are you girls okay?

Nana Bassler: Yes, we're okay, thanks to you.

Then, when Nana Basser and the other seventeen girls saw who it was that saved them from Alexander Procházka, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel

Nana Bassler: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seventeen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maki Fujisawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nana Bassler, Azena, Hera, Maki Fujisawa, Mika Fujiki, Minayo Doumoto, Miyabi Terakado, Sayu Yanagihara, Succu, Succuvas, Vas, Yuka Chiyotani, Judy Abbott, Tari, Belle Fontiere, Lucinia Porter, Evelyn Claythorne, and Sofia Porter with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home.

Maria: J.D. told us everything that happened, I can't believe Alexander Procházka was the one who'd put that curse on the apartment in the east of Manhattan!

Lincoln: But, this time, we made sure that he died once and for all, and this time, he's never coming back.

Nico: You said it.

Me: That monster really crossed a line that should never be crossed.

Eli: He truly is a monster.

Lincoln: He was the worst monster ever: a serial killer who murdered tens of thousands of innocent people to slake his thirst for blood, he was sick and twisted, and he should've been put to death long ago. But, he cheated death when he escaped from prison, and he just didn't know when to stop and his insatiable bloodthirst proved to be uncontrollable. But, in the end, his insatiable bloodthirst had cost him his life and he finally paid the price.

Caleb Maxwell: And what he did putting that curse on the apartment also proved to be the one line he should've never crossed.

After Lincoln and all of us finally got rid of Alexander Procházka and sent him to The Black Abyss, we were training intensely in the gym, doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dana Dragon saw Lincoln doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Dana Dragon: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, he also got one awesome tan, and he's also doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Dana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Dana Dragon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Dana Dragon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Cage Blunt got out a video.

Cage Blunt: Alright, now this video I got here is from a week after we'd driven off Drake Maxwell, and it's back at The Spotted Leopard, and I got to warn you: Shroud said something that pissed off Caleb big time.

Travis Tackett: Honestly, Chett should've watched his big mouth.

We watched the video, and we saw it: The Spotted Leopard at night in New York, and we saw Caleb Maxwell looking at it from a nearby rooftop.

Past Caleb Maxwell: So, here I am once again: The Spotted Leopard. Well, here goes nothing.

Caleb Maxwell took off into the air, and landed in front of The Spotted Leopard's entrance. Then, he went inside and snuck past the crowd of partying young teens as the music played. Suddenly, he spotted Panther and Carla Claw enter into a room as he followed, and as he'd peered into the room, he spotted not only Thomas A.K.A. Panther and Carla Drake A.K.A. Carla Claw, but also, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, and Nekome of The Big Claw Gang, and they were counting the money they stole.

Past Mad Cat Max: Look at the amount of money we just took, what a haul.

Past Crowe: Those cops couldn't even catch us.

Past Shroud: But, man, that guy, Cage, he doesn't look like any ordinary detective, that guy is really stronger and faster than any of them if he was able to catch Nick off guard. If anything, this guy is already a much better challenge than facing that murderous bastard, Caleb Maxwell. (LAUGHS)

Eli: (GASPS)

Me and Nico: UH OH!

Caleb Maxwell: Chett trash-talked about me and that pissed me off.

On the screen, we saw Caleb Maxwell's blood red eyes turn brighter blood red.

Past Caleb Maxwell: (Whispers to himself) Yeah, up yours, asshole!

Caleb Maxwell fired an orb of dark energy, but it got shot at by Crowe.

Past Caleb Maxwell: (Whispers to himself) Shit.

Past Carla Claw: Alright, who's there? Caleb, you better get out here, I knew that was you.

Past Caleb Maxwell: Damn it!

Past Panther: You sure got some guts coming here again, if you want a fight, bring it on.

Caleb Maxwell ducked into the corner he was hiding in, as Panther looked outside for him.

Past Carla Claw: Where is he?

Past Panther: Maybe, he ran out, he's probably afraid I'm gonna kick his ass again like I did before he died.

Lori: What the?! Did he just...?!

Roxy Drake: Oh, big time, and here's where it got pretty ugly.

Panther went back inside the room.

Past Caleb Maxwell: (GROWLS) WHAT THE HELL?! BASTARD! HOW DARE HE!

Caleb Maxwell burst out of the corner he was hiding inside in a fit of rage, and he entered the room, he confronted The Big Claw Gang, and he was absolutely furious.

Past Mad Cat Max: We were wondering when you'd show up, Caleb.

Past Patch: And it looks like he's pretty angry!

Past Chester: Allie's gonna kill us if she finds out we pissed her older brother off.

Past Crowe: I don't even know how you got inside not that long ago, and I don't freaking care. Just know breaking into our hideout has some dire consequences.

Past Hex: And you do realize you basically stepped into the lion's den.

Past Sally Gamble: (British Accent) Well, since he's here, why don't we give him a proper welcome.

Past Nekome: (Japanese Accent) Of course, we must give Caleb a proper welcome.

Past Shroud: (Cracks Knuckles) This is gonna be good.

Past Panther: (Cracks Knuckles) Coming here to settle what we began all those years ago before you died, I'm definitely not one to pass this up.

Past Caleb Maxwell: (BLOOD RED EYES TURN MORE DEMONIC)(DEMONIC VOICE) WELCOME TO YOUR WORST

NIGHTMARE!

Caleb Maxwell in a fit of rage fired a torrent of darkness that hit Patch, and she was imprisoned inside a sphere of nightmarish darkness, and she saw her father out to kill her.

Past Patch: No...! Not ever again!

Patch threw a knife that killed the illusion of her father, and not only did she free herself from the sphere of darkness, but her knife also slashed Caleb on the right side of his face, and when he saw his own blood, that only made him even more furious.

Past Mad Cat Max: You went way too far with that trick, bastard!

Mad Cat Max got out his gun, and he started shooting Caleb Maxwell, and Crowe also joined in as he fired at Caleb Maxwell, and he let out a horrific scream and he was hit with the memory of how he'd died eight years ago. When they were done, Caleb Maxwell was riddled with bullets just like what happened eight years ago.

Past Caleb Maxwell: (In Pain) You...! YOU...! YOU BASTARDS!

Caleb Maxwell went into a really demonic rage and attacked Mad Cat Max and Crowe, and he was out of his mind and he was really out for blood! Then, Carla Claw and Panther grabbed Caleb Maxwell and pried him off and he got punched in the face hard by Panther and he sent flying back first into a wall, and Caleb got back up and was about to attack again.

But, then, Caleb Maxwell suddenly stopped: the painful memories of his death that night eight years ago caused his demonic rage to subside. Then, they saw bloody tears fall from his eyes and he fell back to the ground as he hugged his knees and he let his tears of blood fall freely as he broke down.

Past Shroud: Hah, that's it? Come on, stand up and fight! You think you can just come in here and just leave without a few scrapes?! I don't think so!

Past Caleb Maxwell: YOU SHUT THE HELL UP! You..! It's just like you to dare to anger me like that and think you can get away with it! You think you're so slick, all of you?!

Past Crowe: Well, that's what we...!

Past Caleb Maxwell: I THOUGHT I TOLD YOU TO SHUT THE FUCK UP! First, you make a fool out of the cops, and then, two of you had the goddamn guts to start trouble with me back then eight years ago, and the fight we had before The Hallowshade Bloodbath left me in a goddamn depression where I wanted so badly to end my life! You have no respect for anyone at all, NO ONE! I HATE YOU ALL SO MUCH, I WISH THAT ALL OF YOU WERE ALL LYING DEAD BLEEDING ON THE STREETS EITHER AT MY HAND OR BY SOMEONE ELSE'S!

Then, Thomas A.K.A. Panther and Carla Drake A.K.A. Carla Claw, but also, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang came in as soon as they saw this part of the video.

Carla Claw: Oh man, I hoped never to see that again.

Past Carla Claw: Damn, he's really lost it!

Caleb Maxwell then got up despite being badly injured by the bullets, but before he could leave, he'd thrown up blood and a lot of bullets came out as well, and he was about to fall to the ground, only to be caught by Mad Cat Max and Shroud.

Past Mad Cat Max: This guy really is a lost soul: driven by revenge and still wanting to reclaim the life and everything he'd lost, but not realizing his revenge...!

Past Shroud: Is gonna also cost him his soul. Allie's gonna kill us if she finds her brother like this, but we need to get him back home. Nick, get the car.

Past Crowe: Alright.

Panther, Carla Claw, Crowe, Shroud, Hex, Mad Cat Max, Patch, Sally Gamble, and Nekome loaded the injured Caleb Maxwell in the car and drove him to the house. Panther went outside and knocked on the door. Then, Allie Maxwell opened the door.

Past Allie Maxwell: Panther, everyone, what the heck are you...?

Past Carla Claw: You might want to see for yourself, Allie.

Allie Maxwell saw Caleb Maxwell and he was in a pretty bad condition.

Past Allie Maxwell: My God! Caleb! What the heck happened to my brother?!

They explained everything.

Past Allie Maxwell: Chett, seriously? You just had to open your big mouth and piss Caleb off! Now, my brother's bleeding like a stuck pig!

Suddenly, Caleb's bullet wounds healed, and he let out a huge gasp of air and sat up, and he was in a panic.

Past Crowe: What the?!

Past Allie Maxwell: Caleb! My God, you're alive! Thomas, don't just stand there, help me get him out!

Nico: Huh?! Did Allie just...?

Panther: Honestly, I wasn't expecting that side of her to get out, but it's clear we pissed her off when we told her what happened to Caleb.

Claw Dane Drake: Carla told me everything, and Allie of course punched Max and Nick in the arm for that.

Panther grabbed Caleb Maxwell and brought him to his room.

Past Caleb Maxwell: What the? I'm...alive? And back home?

Past Allie Maxwell: They told me everything that happened. Caleb, why did you go and do something that stupid?

Past Caleb Maxwell: It's all my fault. Everything...is all my fault.

Then, Allie hugged her brother.

Past Panther: I admit, what you did was bad, but none of us expected you to break down like that.

Past Carla Claw: What he's trying to say is, we're sorry, Caleb.

Past Caleb Maxwell: Why? I'm the one...who should be sorry.

Allie let her brother get some sleep, while she was talking with the gang.

Past Patch: Allie, you really think you should leave your brother like this?

Past Allie Maxwell: (Sighs) I know I shouldn't, Jessie, and it's true that his mind is a mess, and it's all Drake's fault, it's his fault Caleb is like this.

Past Hex: That moron should've died long ago, he and those four senior members.

Past Allie Maxwell: I know, Sarah, and I also want so badly to tear Dad's scumbag relatives to pieces if they so much as come after me and Mom again, but when they heard Caleb's back from the dead, their faces turned pale and they've gone back to the slums, and I can take pride in that. But, this just can't go on any further, I need to get Caleb help, and you should at least give him a chance to know all of you better and you can get to know his story even more.

Past Sally Gamble: (British Accent) We'll do what we can, dear.

The video ended.

Nico: Whoa. Okay, that was really really heavy.

Patch: Caleb really was a mess after that fight, I had no idea of how much of a wounded soul he is.

Mad Cat Max: Drake really ruined his life and destroyed everything Caleb built over time, and due to it, Caleb wanted revenge on him as soon as he came back from the dead, and if he kept up with that, it would leave a very black mark on his soul.

Lincoln: Eternal damnation.

Sally Gamble: (British Accent) Exactly, and due to that incident, we had to stay clear of him once more.

Cage Blunt: And when Allie told me, Travis, and the others about that incident as well, we had to help him out as well.

Travis Tackett: And it wasn't an easy task, Caleb's had some minor breakdowns back then too.

Jack Howard: But, not too serious to the point for us to call an ambulance and get him to a hospital.

Eli: Of course, if that happened...!

Allie Maxwell: Mom and I would also get called as well.

We got a shower, and then, Lincoln, Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo are heading for Lake Lamode.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Luster Dawn: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Luster Dawn, and it's perfect for our first date, shall we?

Lincoln, Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Charlotte "Charlie" Emily: (Swooning) Girl Jordan and Elizabeth weren't kidding, Lincoln's grown up that much and he's become so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo and hugged them in their abnormally massive and powerful muscular arms, and Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and

Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo are in your harem, Linky.

Luster Dawn, Upper Crust, Torch Song, Mulberry Cascade, Taffy Shade, Charlotte "Charlie" Emily, Cassidy, Freddy Meiko, Bonnie Miku, Chica Rin, Foxy Luka, Mangle Teto, Springtrap Neru, Simulator Vee, Simulator Masha, Mystery, and Echo showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Luster Dawn: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another Super Mario Odyssey adventure.

Nico: Sand Kingdom for another round.

Me: Cool!

Nico: Who wants to go with me?

Supergirl: Me and Nikiya.

Nico: Cool!

Me: Me and Lincoln and Maria will go too.

Eli: And me too.

Nico: Okay.

We went into the simulator and it activated and we were at SAND KINGDOM!

Me: Wow! Here we are.

Nico: Yep.

Nicole: You guys are gonna be shocked at who the big baddie is.

Nico: Who is it?

Lincoln: I had a premonition and we're facing the 2nd Akuma of Eli. His name is White Fang - the 11-Tailed Wolf. The 2nd Hypothetical form of Eli Winston-Bullock, and he's a very powerful master of the elements, his form is that of a giant white wolf with eleven massive wolf tails, and based on Yomi the Ten-Tailed Wolf which he and J.D. are the Jinchuriki of this legendary beast. He was created when

Sephiroth murdered Aerith in cold blood right in front of his eyes, and he swore that he would destroy that cold-blooded, heartless One-Winged Angel even if it means destroying entire cities, or even the world, to do so.

WE GASPED IN SHOCK!

Me: Eli's 2nd Akuma is a Tailed Beast!?

Lincoln:Yep.

Lincoln showed a sketch of it and he was a huge wolf with 11 tails!

WE GASPED AGAIN!

Me: WHOA! That is a scary wolf!

Nico: You're telling me!

Eli: Wow! Me as an 11 Tailed wolf!? That is so cool!

Maria: Yeah!

Me: If Obito found out about that one there is no telling what would have happened. It would have ripped the planet into pieces.

Nico: No shit!

Eli: Uh guys? LOOK!

We saw WHITE FANG THE 11 TAILED WOLF! HE WAS HUGE!

Me: WHOA! He's as big as a mountain!

Nico: Jesus Fuck!

Eli: WHOA MAN!

White Fang came and saw us.

White Fang: (Demonic Voice) So you all have finally come.

Me: Eli is that you?

White Fang: Yes bro it's still me.

Me: Wow! The level of power you have is mindboggling! You make the 10 Tailed Shinju look like nothing!

White Fang: That's because I'm 500,000 times more powerful than the 10 Tails.

Me: WHOA MAN! If you battled the 10 Tails you would kill it and destroy the world in an instant!

White Fang: I know.

Me: Sephiroth really deserves nothing short of death for what he did!

Eli: Yeah!

Nico: But at least Davy Jones is gone.

Eli: Yeah.

White Fang: I agree there. But lets see how you face me.

I fired waves of energy and blasted him all over the place.

Nico fired waves of energy and blasted him.

White Fang: WHY YOU!

HE THEN CHARGED UP A MASSIVE TAILED BEAST BALL OF CHAKRA!

Me: UH OH!

Nico: OH BOY!

Me: Lets see how he likes this! KAAAAAAAAAAAAAAAAA MEEEEEEEEEEEEEEEEEE HAAAAAAAAAAAAAAA MEEEEEEEEEEEEEEEEEEEE!

He condensed it and then fired a massive blast of energy.

Me: HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I FIRED A MASSIVE POWERFUL KAMEHAMEHA WAVE AND THE BLASTS COLLIDED! I PUSHED HIS BLAST BACK AND IT HIT WHITE FANG AND THEN...

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION OF INTENSE NOVA POWER!

When the smoke cleared White Fang was knocked down.

Nico: What's that doing here?!

Somnambula: (Egyptian Accent) It's amazing to see it. Lets see.

She used her telepathy and gasped!

Somnambula: That's Osirismoon! She's my descendant!

Me: OH MAN! I got to help her.

I went to help her.

Me: Osirismoon! Calm down.

All she did was stomp on the ground.

SMASH!

A massive crack formed and I flew into the air. I fired waves of energy and blasted her.

She fired more waves of energy and I dodged them. I fired waves of energy and blasted her. I snapped my fingers and she reverted back and was a girl with blue green hair, purple eyes, green and purple angel wings and had Regiground in the middle of her forehead. She also had a green and purple version of Somnambula's cutie mark on her arm

I wrapped her in a blanket and helped her up.

Osirismoon: (Groans) (Egyptian Accent) I feel like I was hit by a pyramid.

Me: You'll be okay Osirismoon. You were turned into Regiground by Dark Gale.

She then remembered.

She was in a brown suit and was injected and she busted out and turned into Regiground and busted out.

FLASHBACK ENDS

Osirismoon: That was awful.

Maria: Here you go.

She gave her awesome green blue Egypt clothes and had an Egypt sword and a green jewel necklace.

Osirismoon: I look great!

Me: Lets finish him.

We fired waves of energy.

Nico: (gets out Burn Rooster and Golden Guard's Ridewatches) Time for this rooster to bring order!

He activated them and fired waves of fire and light and blasted White Fang.

We fired waves of energy and elements and blasted White Fang and he was knocked out.

Me: YEAH!

We won!

We high five.

Nico: What's your role in Sonya's team?

Osirismoon: I'm the specialist of the powers of the gods and I use their powers to wipe out our enemies. Outside the team I'm an archaeologist and treasure hunter and go find treasures to show the world.

Me: That is awesome.

Eli: It sure is.

Nico: Yep.

Me: Awesome to have you with us.

We left the simulator and everyone cheered for us.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with The General starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

We were watching Krakatoa

Ayane Tsutsumi: Huh. This really is educational

Me: Yep it shows us what happened in 1883.

Poromon: Wow.

The 1883 eruption of Krakatoa in the Sunda Strait occurred from 20 May until 21 October 1883, peaking in the late morning hours of 27 August when over 70% of the island of Krakatoa and its surrounding archipelago were destroyed as it collapsed into a caldera.

The eruption was one of the deadliest and most destructive volcanic events in recorded history. The explosion was heard 3,110 kilometres (1,930 mi) away in Perth, Western Australia, and Rodrigues near Mauritius, 4,800 kilometres (3,000 mi) away. The acoustic pressure wave circled the globe more than three times. At least 36,417 deaths are attributed to the eruption and the tsunamis it created.

Significant additional effects were felt worldwide in the days and weeks after the volcano's eruption. Additional seismic activity was reported until February 1884, but any reports after October 1883 were dismissed by Rogier Verbeek's subsequent investigation into the eruption.

It was scary seeing tsunamis kill all those people.

Nico: Whoa man!

Marina: This is really intense!

Sharko: No kidding!

Me: This is what happened back 141 years ago.

Camie: Whoa no kidding.

Lola: Yeah.

Sinnertwin: What was the death count?

Me: 36,417 people back then.

Sinnertwin: WHOA! That is awful!

Camie: Yeah!

Nico: What a calamity!

Streetwise: This was an interesting movie.

Me: It sure was.

Varie: Always brings back fun memories of the Global Adventure we had.

Camie: Wow!

Nico: What was that like back then?

Me: I'll gladly tell you all.

I went over what happened during chapters 260 to 304 in Loud House Revamped.

Nico: WHOA! That is cool you did all that.

Varie: Yeah it sure was.

Carnivac: I for one am glad the 4 of you took an interest in culture today

Me: We all are.

Nico: Yep.

Xenia: I agree.

Camie: But that was fun.

Me: Do that more often.

Lola: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than The General from Eon Kid, he's come back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than The General from Eon Kid, he's come back from the dead to get revenge on us.

EVERYONE GASPED!

Qin: WHAT THE?!

Rice: YOU'VE GOT TO BE KIDDING! I THOUGHT WE WERE DONE WITH HIM!

Lincoln: You can thank Anti-Monitor for bringing him back. Well, we should give him a welcome back from the dead gift by beating the tar out of him once more, and this time, send him to The Black Abyss forever.

?: I'm ready to give that jerk the beating of his life.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long light blue hair, pink eyes, rainbow dragon wings, blue clothes, the symbol of The Kamen Rider Wizard team on her forehead, skirt, shirt, and pendant, long white sleeveless trenchcoat with stars, magic, light, darkness, elemental forces, mythical beasts, phoenixes, and angels on the coattails, and on the back is the symbol of The Kamen Rider Wizard team, and she has AxCaliber in her hand.

Lincoln: (GASPS) Hermione Wizard, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Wizard Team.

Haruto: I knew it was her!

Elyon: Lincoln, Haruto, you know her?

Lincoln: Indeed I do, Elyon.

Haruto: And so do I and the team, everyone, this is Hermione Wizard, Embodiment, Avatar, and Queen Goddess of The Kamen Rider Wizard Team, she's Lincoln's Guardian Angel from Japan, and she's a deadly powerful master of good and magic. She's a master of all things in elemental, beast and mythological magic as well as Dark Magic. She also loathes and despises all the Phantoms as well as Sou Fueki A.K.A. Kamen Rider Wiseman and she hates how he plays with peoples minds to turn them into Phantoms and even destroys their dreams. She vowed to kill him no matter what. Also she hates Sora Takigawa A.K.A. Gremlin and she vowed to make that psychotic monster serial killer Phantom pay for his crimes in blood. She moved to Michigan, and she really trained Lincoln with mastering the powers of elemental, beast, and mythological magic as well as Dark Magic, and she also taught him how to use magic. Lincoln made her a Kamen Rider Wizard-themed necklace, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance especially Pablo and Anderson.

Nico: Whoa! So, you happen to also have mastery over Elemental, Beast, and Mythological Magic as well as Dark Magic?

Lincoln: You guessed it. Plus, we got rid of Sou Fueki, now we just got to get rid of Sora Takigawa.

Hermione Wizard: Good, I hate that murderous serial killer for what he's done. Sooner we get rid of him, the better.

The previous group came.

Titanium Man: Can me, Beetle, Cad Bane, Boomerang, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash and Major Disaster go with you guys?

Nico: Yes you all can come with.

Qin: Yeah.

Beetle: Awesome.

Me: Yep.

Alice Gehabach: Nico, which Gene Slammer do you think you'll meet next?

Hydranoid: Hopefully, it's someone that wasn't stood up for a date.

Nico: Stingmon next.

Me: Oooh! Nice.

Suddenly, Lincoln pinned Hermione Wizard to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Hermione Wizard: Well, that was definitely one way of saying it's good to see you again. (Rubs Lincoln's massive pecs) And I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips.

Lincoln had a blush on his face.

Lincoln: Sorry about that.

Nico and I snickered.

Rice: Anyways, now back to business: where's The General at, Lincoln?

Lincoln: He's back in The Iron Tower.

Me: Where it all began years ago.

Nico: And where it'll end. Alright, team, let's go, this is the final time we ever have to deal with The General.

Lincoln: This is where his schemes to conquer the world end here together with his life.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed dark energy signals with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was none other than our old enemies, The Dark Louds from the time Jared babysat, and they've returned from the dead thanks to the madness of Morgana Midnight Sparkle, and they want revenge.

Lincoln: What the?!

Me: Lincoln, please tell me that wasn't who I think we just saw.

Lincoln: I'm afraid so, J.D., and it's someone I hoped never to see again: the figures we saw were none other than our old enemies, The Dark Louds from the time Jared babysat, and they've returned from the dead thanks to the madness of Morgana Midnight Sparkle, and they want revenge.

Gabrielle Ying Xiao: Are you kidding me?! Morgana, you demonic bitch!

Nico: I thought we were done with them two years ago when King Sombra brought them back, but now, Morgana decided to bring them back?! What the Hell is wrong with her?!

Lincoln: She was just born evil, Nico. Since The Black Gates won't keep them contained, there's only one punishment for them: The Black Abyss.

Gabrielle Ying Xiao: We'll make those Dark Louds pay for what they've done with their own blood.

Nico: Uh oh, The Ambassador of Ambassador of Xiao Fung, The Demon Sorcerer of Wind is about to unleash the fury of The Wind of The Sylph on those chaos-causing dark monsters, this should be good. Alright, team, let's head on out, we're off to The Iron Tower to deal with The General once and for all.

Lincoln: And this time, he will never ever come back, and once we get done with him, you're next, Dark Louds of the Apocalyptic Royal Woods!

Gabrielle Ying Xiao: You will never ever be forgiven for your crimes, you chaos-causing monsters, this time, we'll make sure you stay gone forever.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The Iron Tower to finally end The General once and for all, and once we get done with him, Gabrielle Ying Xiao and Lincoln are going to destroy The Dark Louds of Apocalyptic Royal Woods who've come back for revenge on us.

We were off to the 51st Century.

* * *

We arrived.

Me: Here we are.

Camie: Wow.

Rice: The 51st Century.

Varie: Wow.

Cad Bane: Let's call Killer Shrike for this

Me: Good idea.

We called him in.

Killer Shrike: Hey guys.

Lync: We can always hit the general with Gear Blades

Me: Good idea.

Qin: Yeah.

Multiple Man: Better clone myself an army for this

Me: Okay.

He made 10,000 clones.

Camie: Perfect.

Rice: We're ready for this.

Plitheon: Marty, are you glad you met Rice back in 2022?

Jesse Glenn: It set the stage for you two making a sibling bond with each other.

Marty: It sure did and it was awesome.

Rice: It sure is and we had a lot of fun.

Camie: Yeah.

Ace: So, what's the story behind this place?

Blizzard: Want the short version or long version?

Me: Oh right you need to know the story.

I went over what happened.

I told him everything that happened because of the General and more and how we destroyed him and more.

Ace: Oh man! That's horrible!

Neon: Yeah!

Battletrap: I know, right?

Qin: Yeah.

Camie: Awful!

Eli: The General will pay for his crimes big time.

Major Disaster: He doesn't have Cyclobots to help him this time

Me: Nope not this time!

Lincoln then had a premonition!

Lincoln: WHOA MAN! I know who the Akuma is we're facing. It's Queen Cheepskate. The hypothetical Akuma of Rice Fitzgerald and she is a crab that loves money like Mr. Krabs. She swipes all money from unsuspecting people when they aren't looking. She was made because of Flip swiping all her money and she vowed to steal all of his money and loot and make him broke and penniless for eternity.

WE GASPED!

Me: That mutant cheepskate!

Qin: YEAH!

Lincoln showed a sketch of her and she looked like a crab with red eyes and had money in her claws. Lots of money.

Me: Like a female version of Mr. Krabs.

Mr. Krabs: (LAUGHS) Yeah just like me lad.

Volt: Good thing we killed Flip already.

Brontes: Tell that to her!

Me: Yeah!

Nico: Yeah no kidding!

Me: LOOK!

We saw QUEEN CHEEPSKATE!

Queen Cheepskate: MONEY MONEY MONEY MONEY MONEY MONEY MONEY MONEY!

We saw her coming.

Queen Cheepskate: MONEY MONEY MONEY MONEY MONEY MONEY MONEY MONEY!

Whiplash: I know how to get her attention!

He put a trail of money on the ground

Queen Cheepskate: OOH! MONEY MONEY MONEY MONEY!

She grabbed it and followed it to us.

Queen Cheepskate: Ahoy mates!

Mr. Krabs: (LAUGHS) She is definitely a female version of meself lads.

Nico: No kidding.

Lena Isis: Rice?

Phosphos: Is that you?!

Queen Cheepskate: Aye it's me lads. And I have all of Flip's money.

She gave us all the money he stole over the years and it totaled $923,237,444,444,444.00

Me: WHOA! You took all this from Flip?

Anna Anyanova: Wow! Looks like Linky is taking all of us out to dinner.

WE LAUGHED!

Mr. Krabs: (LAUGHS) Boy good pennypinching lass.

Lily: (LAUGHS) Boy it's like living in the old days in the Krusty Krab.

Queen Cheepskate: Aye lass.

Camie: (LAUGHS) Yeah.

Me: You don't have to worry about Flip anymore. He's dead and was given the Black Abyss. We have a clone of him at Lynn's Table for humiliations.

Queen Cheepskate: Ooh! Gimme gimme gimme gimme!

Nico: I forgot about the clone of Flip.

Silver Samurai: Flip's already dead here. You can calm down or we can make you. Your choice!

Queen Cheepskate: Only if you let me at that clone of Flip when we get back.

Me: Fair enough.

I fired waves of energy and blasted her all over.

Killer Shrike charged at her and blasted her all over.

Lola: Yeah!

Me: Take that!

Queen Cheepskate: Me turn now.

She fired waves of rich blasts and we dodged them.

I fired waves of energy and knocked her out.

Gus Grav: I expected the Shredder to be the cause of this Akuma.

Vulcan: So did I

Rice: If I have a second Akuma maybe that can be the case.

Qin: Yeah.

Me: Possible.

Varie: Yeah.

Cheshire: She can keep Flip's money though

Me: Yeah.

Lola: Now we got to go get the General.

Xenia: Yeah.

Rice: It's payback time.

Camie: Big time.

Qin: And it's gonna hurt really bad.

Killer Shrike: I agree there.

Osirismoon: That is for sure everyone.

Hotlink: Where is he right now?

Eli: (Concentrates) At the tower right there.

I looked on and saw a figure on top of it.

Me: There he is on top of it.

Nico: The Iron Tower. This is gonna be good.

Xenia: Yep.

Boomerang: (Australian Accent) Marty, you might wanna go Eon Kid for this

Marty: I was just about to.

He then transformed into EON KID!

Master Frown: Entrance time!

Me: Yeah!

We went at the tower.

The General was wandering around. But then the spirits of the humans he destroyed came and swirled around him and converged and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMM!

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Hello tin can! Remember us!?

Rice: Time to make you pay General!

General: Rice Fitzgerald and Eon Kid. We meet again. For the last time!

Beetle: For once, we're in complete agreement!

Me: This time we kill you and make sure you STAY DEAD!

Qin: YEAH!

Me: You've got some nerve coming back from the dead, General.

Nico: Even after we got rid of you and sent your minions to The M.O.E., you really don't know when to quit! Well, this time, we'll make sure you never rise again!

General: DAMN YOU! DAMN YOU ALL! MINIONS, GET THEM!

Suddenly, we saw some figures heading straight for us: they were none other than The Mucusonians, our old enemies who caused The Louds to become depressed two years ago, and they were back for revenge on us.

Lincoln: (GROWLS) You slimy shape-shifting bastards!

Me: The Mucusonians! Why am I not surprised!

Finally, when Lincoln was done, the home world of The Mucusonians was left as an empty lifeless husk and he drained the souls of all the Mucusonians of their energy and he sent them all to The Black Abyss forever, and he holstered his massive greatsword on his back.

Lincoln, Gabrielle Ying Xiao, Nico, and I went after The Dark Louds, and we fired extremely powerful blasts of rainbow, white, and blue energy, crimson red, white, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Dark Louds, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Gabrielle Ying Xiao did the same by firing crimson red, white, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Gabrielle Ying Xiao, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making The Dark Louds even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit The Dark Louds, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of The Dark Louds and a cluster of white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.
